

Dov Davidoff.jpg

Quinta Brunson

Road Dog Dov Davidoff, 2017-10-31 Road Dog is comedian, actor, and writer, Dov Davidoff's unflinching memoir told through reflections of twelve months on the road. Davidoff travels across the country from college campuses to local theaters doing stand-up comedy and telling it like it is. He's been known to wax poetic about everything from encounters with large fake breasts, to people who have too many kids, to magnum condoms the size of CD cases. He is hilarious and relatable and will have you laughing at yourself in no time. But there's more to the road dog life than TV features and sold out comedy shows, there's a dark underbelly and Dov knows it well. His memoir chronicles the highs and often very low lows of performance life with honesty, clarity, and humility. Dov takes readers from his fractured childhood days spent in a New Jersey junkyard with a gruff Jewish father and commune-loving hippie Protestant mother to the intense hyperactive persona that his fans know and expect discussing the relationships, drugs, and demons that he has fought along the way. With an eye for self-reflection, and a penchant for hilarious irony, Dov pulls back the curtain on a life hard-made on the road.

The Restful Mind Gyalwa Dokhampa His Eminence Khamtrul Rinpoche, 2013-08-01 The restless mind is frightened of silence, easily bored, and busy, busy, busy. The restful mind is creative and alert, relaxed and confident. The step from one to the other is all in the way we think. His Eminence Gyalwa Dokhampa has a real understanding of the pressures of modern life and how our crowded minds have left us too little space to stretch and grow. He shows us new ways to calm body and mind, become more aware, better able to deal with problems and appreciate the moment. It is with our mind that we create our world. Here's how to open it up and let the world in.

Make 'Em Laugh Jeffrey Gurian, Richie Tienken, 2012-12-18 Once in a lifetime a venue comes

along that changes show business dramatically, that fosters growth and camaraderie, experimentation and freedom. The Comic Strip is one of those places, and Make 'Em Laugh is an inside look at how it all happened, straight from the mouths of the stars who built their careers on its stage. Owner Richie Tienken and a wealth of comics open their hearts and souls to share their most intimate memories, the laughs and tears, the good times and the bad, in order to paint an all-encompassing, behind-the-scenes history of this iconic club. Interviews include famous comedians, such as: • Jerry Seinfeld • Gilbert Gottfried • Paul Reiser • Lisa Lampanelli • George Wallace • Billy Crystal • Jim Breuer • Susie Essman • Lewis Black • Ray Romano • And many more! Relive the excitement as these comics explain how they came to belong to the Comic Strip family, and how they went on to enjoy huge careers, bringing laughter to millions of people all over the world. This book is a must for any comedian or comedy lover's library!

The Great Indoorsman Andrew Farkas, 2022-03 In these deeply funny and introspective essays, Andrew Farkas boldly surveys the “in-of-doors,” where a higher degree of comfort can be found than out-of-doors, and discovers that our lives are controlled much more by fiction than by anything “real.”

Cheat Bill Burr, Joe DeRosa, Robert Kelly, 2012-10-09 MONOGAMY HAS MET ITS MATCH When it comes to scoring on the side, this book is your best friend. Comedians Bill Burr, Joe DeRosa, and Robert Kelly have experienced the rich pleasures and unspeakable risks of romantic infidelity, and survived to tell their tales. Now, they impart all the wisdom, advice, and humor they picked up along the way, including how to: * Wipe away your shame and guilt—and get smart before you get hard * Conduct your filth with the right chick, in the right place, at the right time * Take an hour to shower and scour—and fight your worst enemy: glitter * Explain a strange scrunchy, hair extension, or pair

of earrings to your girl * Navigate strip clubs, massage parlors, and women of the night Lie like a woman—and call it quits without getting caught Featuring ten true stories from men who've lived the life and a link to watch Burr, DeRosa, and Kelly's hilarious short film of the same name, Cheat is a wickedly smart field guide to philandering that will revolutionize your game.

Landscapes of the Metropolis of Death Otto Dov Kulka, 2013-01-31 Otto Dov Kulka's memoir of a childhood spent in Auschwitz is a literary feat of astounding emotional power, exploring the permanent and indelible marks left by the Holocaust Winner of the JEWISH QUARTERLY-WINGATE PRIZE 2014 As a child, the distinguished historian Otto Dov Kulka was sent first to the ghetto of Theresienstadt and then to Auschwitz. As one of the few survivors he has spent much of his life studying Nazism and the Holocaust, but always as a discipline requiring the greatest coldness and objectivity, with his personal story set to one side. But he has remained haunted by specific memories and images, thoughts he has been unable to shake off. Translated by Ralph Mandel. 'The greatest book on Auschwitz since Primo Levi ... Kulka has achieved the impossible' - the panel of Judges, Jewish Quarterly-Wingate Prize

The Pickup Artist Mystery, 2010 The creator of the Mystery Method introduced in Neil Strauss's best-selling *The Game* imparts salacious techniques for picking up and seducing women, in a guide that also shares extreme stories from Mystery's life. TV tie-in.

The Book of Proverbs Ted Hildebrandt, Fred Putnam, 2010-11-23

The Jerusalem Syndrome Marc Maron, 2002-03-05 By the author of *Attempting Normal* and host of the podcast *WTF with Marc Maron*, *The Jerusalem Syndrome* is *The Gospel according to Maron*: a spiritual memoir of your average hyperintelligent, ultraneurotic, superhip Jewish standup comedian and seeker. *The Jerusalem Syndrome* is a genuine psychological phenomenon that often

strikes visitors to the Holy Land—the delusion that they are suddenly direct vessels for the voice of God. Marc Maron seems to have a distinctly American version of the Jerusalem Syndrome, which has led him on a lifelong quest for religious significance and revelation in the most unlikely of places. Maron riffs on Beat phenomena with its sacred texts, established rituals, and prescribed pilgrimages. He spends some time exploring the dark side of things, as his obsessions with cocaine (known to Maron as “magic powder”), conspiracy theories, and famous self-destructive comedians convince him that the gates of hell open beneath Los Angeles. As his quest matures, he reveals the religious aspects of Corporate America, pontificating on the timeless beauty of the Coca-Cola logo and even taking a trip to the Philip Morris cigarette factory, where the workers puff their own products with a zealot-like fervor. The culmination of Maron’s Jerusalem Syndrome comes during his own tour of the Holy Land, where, with Sony camcorder glued to his eye socket, he comes face-to-face with his own ambiguous relationship to Judaism and reaches the brink of spiritual revelation—or is it nervous breakdown? Marc Maron has considerably adapted and expanded his praised one-man show to craft a genuine literary memoir. Whether he’s a genuine prophet or a neurotic mess, he’ll make you laugh as you question the meaning of life. “Marc Maron is blazingly smart, rapid-fire, and very funny . . . A brilliant and relentless screed.” –David Rakoff, author of *Fraud* “Marc Maron is the first crazy person I’ve ever envied. In his brainiac-memoir-meets-hilarious-travelogue, he demonstrates the ability to tell a story with an extraordinary provocative intelligence that is regrettably shared by few.” –Janeane Garofolo, comedian

Laughing Legends Jeffrey Gurian, Richie Tienken, 2016-07-05 Once in a lifetime a venue comes along that changes show business dramatically, that fosters growth and camaraderie, experimentation and freedom. The Comic Strip is one of those places, and *Laughing Legends* is an

inside look at how it all happened, straight from the mouths of the stars who built their careers on its stage. Owner Richie Tienken and a wealth of comics open their hearts and souls to share their most intimate memories, the laughs and tears, the good times and the bad, in order to paint an all-encompassing, behind-the-scenes history of this iconic club. Interviews include famous comedians, such as: Jerry Seinfeld Gilbert Gottfried Paul Reiser Lisa Lampanelli George Wallace Billy Crystal Jim Breuer Susie Essman Lewis Black Ray Romano And many more! Relive the excitement as these comics explain how they came to belong to the Comic Strip family, and how they went on to enjoy huge careers, bringing laughter to millions of people all over the world. This book is a must for any comedian or comedy lover's library!

The Language of Food: A Linguist Reads the Menu Dan Jurafsky, 2014-09-15 A 2015 James Beard Award Finalist: Eye-opening, insightful, and huge fun to read. —Bee Wilson, author of *Consider the Fork* Why do we eat toast for breakfast, and then toast to good health at dinner? What does the turkey we eat on Thanksgiving have to do with the country on the eastern Mediterranean? Can you figure out how much your dinner will cost by counting the words on the menu? In *The Language of Food*, Stanford University professor and MacArthur Fellow Dan Jurafsky peels away the mysteries from the foods we think we know. Thirteen chapters evoke the joy and discovery of reading a menu dotted with the sharp-eyed annotations of a linguist. Jurafsky points out the subtle meanings hidden in filler words like rich and crispy, zeroes in on the metaphors and storytelling tropes we rely on in restaurant reviews, and charts a microuniverse of marketing language on the back of a bag of potato chips. The fascinating journey through *The Language of Food* uncovers a global atlas of culinary influences. With Jurafsky's insight, words like ketchup, macaron, and even salad become living fossils that contain the patterns of early global exploration that predate our modern fusion-filled

world. From ancient recipes preserved in Sumerian song lyrics to colonial shipping routes that first connected East and West, Jurafsky paints a vibrant portrait of how our foods developed. A surprising history of culinary exchange—a sharing of ideas and culture as much as ingredients and flavors—lies just beneath the surface of our daily snacks, soups, and suppers. Engaging and informed, Jurafsky's unique study illuminates an extraordinary network of language, history, and food. The menu is yours to enjoy.

Dave Barry Does Japan Dave Barry, 2010-07-28 One of the funniest people ever to tap tap on a PC. PHILADELPHIA INQUIRER Not since George Bush's memorable dinner with the Japanese prime minister has the Land of the Rising Sun seen the likes of a goodwill ambassador like Dave Barry. Join him as he belts out oldies in a karaoke bar, marries a geriatric geisha girl, takes his first bath in public, bows to just about everyone, and explores culture shock in all its numerous humorous forms, including: Failing to Learn Japanese in Only Five Minutes (Or: Very Much Good Morning, Sir!) ; Humor in Japan (Take My Tofu, Please!); Sports in Japan (Yo, Batter! Loudly Make it Fly!), and more.

The Mere Future Sarah Schulman, 2010-06 From the nation that elected Barack Obama in the flames of economic disaster comes the first novel of the New Era, *The Mere Future*, by award-winning novelist, activist, and playwright Sarah Schulman. In this dystopian vision, New York City has morphed into an idealized version of itself, the result of what the newly elected mayor calls The Big Change. Rent is cheap, homelessness is over, and everyone works in Marketing. Despite the utopian surface, however, there is a disturbing malaise that infects the population. Our heroine, a lowly copywriter, and her girlfriend Nadine just want to fall in love all over again, but can't help noticing that the social packaging may not be recyclable.

I Killed Ritch Shydner, Mark Schiff, 2009-01-21 In a hilarious look at real life on the comedy

circuit, some of America's most famous comics share their own stories of life on the road, gigs gone wrong, and unexpected, zany moments, with contributions by Jay Leno, Jerry Seinfeld, Chris Rock, Mike Myers, Bill Maher, Joan Rivers, Jeff Foxworthy, and others.

The Coloring Book Colin Quinn, 2015-06-09 From former SNL Weekend Update host and legendary stand-up Colin Quinn comes a controversial and laugh-out-loud investigation into cultural and ethnic stereotypes. Colin Quinn has noticed a trend during his decades on the road—that Americans' increasing political correctness and sensitivity have forced us to tiptoe around the subjects of race and ethnicity altogether. Colin wants to know: What are we all so afraid of? Every ethnic group has differences, everyone brings something different to the table, and this diversity should be celebrated, not denied. So why has acknowledging these cultural differences become so taboo? In *The Coloring Book*, Colin, a native New Yorker, tackles this issue head-on while taking us on a trip through the insane melting pot of 1970s Brooklyn, the many, many dive bars of 1980s Manhattan, the comedy scene of the 1990s, and post-9/11 America. He mixes his incredibly candid and hilarious personal experiences with no-holds-barred observations to definitively decide, at least in his own mind, which stereotypes are funny, which stereotypes are based on truths, which have become totally distorted over time, and which are actually offensive to each group, and why. As it pokes holes in the tapestry of fear that has overtaken discussions about race, *The Coloring Book* serves as an antidote to our paralysis when it comes to laughing at ourselves . . . and others.

She Memes Well Quinta Brunson, 2021 From comedian Quinta Brunson comes a deeply personal and funny collection of essays featuring anecdotes about trying to make it when you're broke, overcoming self-doubt and depression, and how she's used humor to navigate her career in unusual directions. Quinta Brunson is a master of viral Internet content: without any traditional

background in media, her humorous videos were the first to break through on Instagram's platform, receiving millions of views. From there, Brunson's wryly observant POV attracted the attention of BuzzFeed's motion picture development department, leading her to produce viral videos there about topics like interracial dating, millennial malaise, and seeing your ex in public. Now, Brunson is bringing her comedic chops to the page in *She Memes Well*, an earnest, laugh-out-loud collection about her weird road to Internet notoriety. In her debut essay collection, Quinta applies her trademark humor and heart to discuss what it was like to go from student loan debt-broke to halfway recognizable--'don't I know you somewhere?' level-of-fame. With anecdotes that range from the funny and zany--like her experience trying to find her signature hairstyle--to more grounded material about living with depression, Brunson's voice is entirely authentic and eminently readable. Perfect for fans of Phoebe Robinson's *You Can't Touch My Hair*, Samantha Irby's *We Are Never Meeting in Real Life*, and Issa Rae's *The Misadventures of Awkward Black Girl*, *She Memes Well* will charm and entertain a growing, engaged audience.

Anarchism and Syndicalism in the Colonial and Postcolonial World, 1870-1940 ,2010-11-11
Before communism, anarchism and syndicalism were central to labour and the Left in the colonial and postcolonial world. Using studies from Africa, Asia, Eastern Europe, and Latin America, this groundbreaking volume examines the revolutionary libertarian Left's class politics and anti-colonialism in the first globalization and imperialism (1870/1930).

The Enneagram in Love Stephanie Barron, 2020-06-09

How to Beat Up Anybody Judah Friedlander, 2010-10-05 “World Champion” Judah Friedlander tells you How to Beat Up Anybody in this insanely hilarious satirical martial arts guide. Better known as an award-winning stand-up comic, actor, and star of *30 Rock*, Friedlander shares his adventures

in butt-kicking with lucky readers in a self-defense handbook in the gut-busting vein of *The Truth About Chuck Norris*.

Pretty, Pretty, Pretty Good Josh Levine, 2010-12-15 Larry David, the man behind two of the most successful and critically acclaimed sitcoms in television history, is the focus of this biography. This unofficial guide follows the career that has accorded him status as a comic genius and garnered a fanatical following—from his early exploits as a stand-up comic to his role as producer and cocreator of *Seinfeld* and HBO's *Curb Your Enthusiasm*. It explores the back-story of the conception and development of *Curb Your Enthusiasm*, a mostly improvised sitcom in which the actor stars as a fictionalized version of himself. The comic's on- and off-screen relationships with colleagues and friends such as Richard Lewis, Ted Danson, Wanda Sykes, Mary Steenburgen, and the cast members of *Seinfeld* are discussed, and a detailed episode guide to every season of *Curb Your Enthusiasm* completes this informative and entertaining glimpse into the life and creative process of a great comic talent.
