Engelbert - What's In A Name? Engelbert Humperdinck,2012-05-10 The man known simply as 'Enge' by his millions of fans worldwide has sold over 150 million records and is in the Guinness Book of Records for achieving 56 consecutive weeks in the chart with 'Release Me'. From living on the dole and receiving last rites with tuberculosis, to buying a Hollywood palace with a heart-shaped pool and a fleet of fourteen Rolls Royces, Engelbert wears his 'King of Romance' crown so well that horticulturists even named a rose after him. And the love god has certainly lived up to his reputation, indulging in a string of affairs and one-night stands, whilst remaining happily married to his first love Patricia. Forty years on from his early hits 'Enge' is still at the very top, selling out concerts across the world, representing the UK at the 2012 Eurovision Song Contest, and topping the charts in all the major markets. Inspired by the warmth of his millions of affectionate fans and the endless support of his wife, Engelbert shares his incredible life story with openness, humour and astonishing honesty.

*Over the Top and Back* Sir Tom Jones,2016-11-01 The long-awaited autobiography of legendary singer Tom Jones, following six decades of unparalleled experiences in the spotlight to coincide with his 75th birthday. Across six decades, Sir Tom Jones has maintained a vital career in a risky, unstable business notorious for the short lives of its artists. With a drive that comes from nothing but the love for what he does, he breaks through and then wrestles with the vagaries of the music industry, the nature of success and its inevitable consequences. Having recorded an expansive body of work and performed with fellow artists from across the spectrum and across every popular music genre, from rock, pop and dance to country, blues and soul, the one constant throughout has been his unique musical gifts and unmistakable voice. But how did a boy from a Welsh coal-mining family attain success across the globe? And how has he survived the twists and turns of fame and fortune to not only stay exciting, but actually become more credible and interesting with age? In this, his first ever autobiography, Tom revisits his past and tells the tale of his journey from wartime Pontypridd to LA and beyond. He reveals the stories behind the ups and downs of his fascinating and remarkable life, from the early heydays to the subsequent fallow years to his later period of artistic renaissance. It's the story nobody else knows or understands, told by the man who lived it, and written the only way he knows how: simply and from the heart. Raw, honest, funny and powerful, this is a memoir like no other from one of the world's greatest ever singing talents. This is Tom Jones and *Over the Top and Back* is his story.
