So 17 years ago the planet that I was originally from, was pretty much destroyed. Jonah, the man who has been raising me for all these years, used a spell from his magic book, to bring me and the rest of his village back to life. We are now different people but with the same incredible powers as the people, he once knew. I have a sister, her name is Annabelle and she's also got magic. After finding out her current girlfriend is really our enemy, she meets Kati, a lonely girl with cat powers. Also while on a search to locate Annabelle, I happen to find a girl myself. Her name is Lucy and she has no idea about her past. They both join us, as we set out to track down the rest of our kind and stop the evil Valkerius from destroying earth.
