**James Acaster's Classic Scrapes - The Hilarious Sunday Times Bestseller** James Acaster,2017-08-24 **\*\*THE SUNDAY TIMES BESTSELLER\*\*** 'I don't think I've ever read a book that has made me cry with laughter as much as this one. It was very difficult reading it in public as I looked like a madman' - Richard Herring James Acaster has been nominated for the Edinburgh Comedy Award five times and has appeared on prime-time TV shows like TASKMASTER,MOCK THE WEEK, LIVE AT THE APOLLO and WOULD I LIE TO YOU? But behind the fame and critical acclaim is a man perpetually getting into trouble. Whether it's disappointing a skydiving instructor mid-flight, hiding from thugs in a bush wearing a bright red dress, or annoying the Kettering Board Games club, a didgeridoo-playing conspiracy theorist and some bemused Christians, James is always finding new ways to embarrass himself. Appearing on Josh Widdicombe's radio show to recount these stories, the feature was christened 'James Acaster's classic scrapes'. Here, in his first book, James recounts these tales (including never-before-heard stories) along with self-penned drawings, in all their glorious stupidity.

**Perfect Sound Whatever** James Acaster,2019-08-22 **\*The Sunday Times Bestseller\*** The brand new memoir from James Acaster: cult comedian, bestselling author of Classic Scrapes, undercover cop, receiver of cabbages. PERFECT SOUND WHATEVER is a love letter to the healing power of music, and how one man's obsessive quest saw him defeat the bullshit of one year with the beauty of another. Because that one man is James Acaster, it also includes tales of befouling himself in a Los Angeles steakhouse, stealing a cookie from Clint Eastwood, and giving drunk, unsolicited pep talks to urinating strangers. January, 2017 James Acaster wakes up heartbroken and alone in New York, his relationship over, a day of disastrous meetings leading him to wonder if comedy is really what he wants to be doing any more. A constant comfort in James's life has been music, but he's not listened to anything new for a very long time. Idly browsing 'best of the year' lists, it dawns on him that 2016 may have been a grim year for a lot of reasons, but that it seemed to be an iconic year for music. And so begins a life-changing musical odyssey, as James finds himself desperately seeking solace in the music of 2016, setting himself the task of only listening to music released that year, ending up with 500 albums in his collection. Looking back on this year-long obsession, parallels begin to grow between the music and James's own life: his relationship history, the highs and lows of human connection, residual Christian guilt, and mental health issues that have been bubbling under the surface for years. Some albums are life-changing masterpieces, others are 'Howdilly Doodilly' by Okilly Dokilly, a metalcore album devoted to The Simpsons' character Ned Flanders, but all of them play a part the year that helped James Acaster get his life back on track.

**James Acaster's Guide to Quitting Social Media** James Acaster,2022-08-18 **THE SUNDAY TIMES BESTSELLER** This is a self-help book like no other. Because you are not helping yourself, James Acaster is helping you. In 2019, James quit all forms of social media - covering his phone in tar and driving it to a lock-up in Rhyl, before setting up home in a castle he'd built himself called Castle Anti-Net. But when the withdrawal symptoms hit him, he realised in order to stay clean he'd have to replace everything social media gave him with three-dimensional, real-life activities. Employing the help of a mysterious, wealthy benefactor named Clancy Dellahue, and an ever-growing gang of misfits (aka the Tangfastic Crew), James found ways to replace his online friends (he joined the scouts) and spy on his exes (climbing ropes, zip lines, fake moustache) as well as anonymously bullying strangers, seeing photos of everyone's dogs, getting public figures fired, arguing with everybody about everything, and so much more. His life is amazing and yours could be too if you buy JAMES ACASTER'S GUIDE TO QUITTING SOCIAL MEDIA, BEING THE BEST YOU YOU CAN BE AND SAVING YOURSELF FROM LONELINESS VOL. 1.

**The Champ & The Chump** James McNicholas,2021-08-05 **\*\*WINNER OF BEST SPORTS ENTERTAINMENT BOOK AT THE BRITISH SPORTS BOOK AWARDS 2022\*\*** 'Hard-hitting and hilarious' - James Acaster 'Funny, moving and compelling' - Mike Costello A heart-warming, hilarious true story about fighting and family, based on the acclaimed stage show. For fans of books by Dave Gorman, James Acaster and Danny Wallace, along with boxing tales from the likes of Tyson Fury and Ricky Hatton. THE CHAMP Terry Downes - the charismatic cockney known as 'The Paddington Express' - was a world champion boxer, US Marine, gangsters' favourite and later a film star and businessman. THE CHUMP James McNicholas' PE teacher once told him he was so unfit he'd be dead by the time he was 23. James has spent his life pursuing a career in acting and comedy. In reality, that has meant stints as a car park caretaker and river cruise salesperson. After Terry's death, James finds himself in reflective mood, comparing his story of underachievement against that of his world champ grandad. What follows is an increasingly colourful journey through post-war Paddington to the blood-soaked canvases of Baltimore and Shoreditch, via Mayfair parties with the Krays. Along the way, James begins to dig into his own story, confronting the dysfunctional elements of his childhood, describing his often hilarious efforts to make it in the world of showbiz, and attempting to recreate Terry's trials by enlisting in a brutal military boot camp and boxing gym. When James is diagnosed with a frightening and mysterious neurological condition, the two tales of the fighter and the writer suddenly collide, and what began as a nostalgic journey takes on a far more important significance altogether. 'A wonderfully funny and heartfelt story of what family and lineage means. Even made me like boxing' - Josh Widdicombe 'An extraordinary family history, told with warmth and wit. Two remarkable underdog stories - come for the cockney scrapper who conquered the world, stay for the grandson and the fight of his life' - Greg Jenner 'If you like comedy and boxing this is the perfect book. James McNicholas is a very funny man and a brilliant writer' - Rob Beckett

**Watching Neighbours Twice a Day...** Josh Widdicombe,2021-09-16 'A wonderful blend of nostalgia, hilarity and personal anecdotes that only Josh Widdicombe could deliver' James Acaster 'If you read only one book by Josh Widdicombe this year, make it this one' Jack Dee 'Beautifully written, cleverly crafted and charmingly funny' Adam Hills 'This is a book about growing up in the '90s told through the thing that mattered most to me, the television programmes I watched. For my generation television was the one thing that united everyone. There were kids at my school who liked bands, kids who liked football and one weird kid who liked the French sport of petanque, however, we all loved Gladiators, Neighbours and Pebble Mill with Alan Titchmarsh (possibly not the third of these).' In his first memoir, Josh Widdicombe tells the story of a strange rural childhood, the kind of childhood he only realised was weird when he left home and started telling people about it. From only having four people in his year at school, to living in a family home where they didn't

just not bother to lock the front door, they didn't even have a key. Using a different television show of the time as its starting point for each chapter *Watching Neighbours Twice a Day...* is part-childhood memoir, part-comic history of '90s television and culture. It will discuss everything from the BBC convincing him that Michael Parkinson had been possessed by a ghost, to Josh's belief that Mr Blobby is one of the great comic characters, to what it's like being the only vegetarian child west of Bristol. It tells the story of the end of an era, the last time when watching television was a shared experience for the family and the nation, before the internet meant everyone watched different things at different times on different devices, headphones on to make absolutely sure no one else could watch it with them.

**The Masterpiece** Fiona Davis,2019-07-09 In this captivating novel, New York Times bestselling author Fiona Davis takes readers into the glamorous lost art school within Grand Central Terminal, where two very different women, fifty years apart, strive to make their mark on a world set against them. For most New Yorkers, Grand Central Terminal is a crown jewel, a masterpiece of design. But for Clara Darden and Virginia Clay, it represents something quite different. For Clara, the terminal is the stepping stone to her future. It is 1928, and Clara is teaching at the lauded Grand Central School of Art. Though not even the prestige of the school can override the public's disdain for a woman artist, fiery Clara is single-minded in her quest to achieve every creative success—even while juggling the affections of two very different men. But she and her bohemian friends have no idea that they'll soon be blindsided by the looming Great Depression...and that even poverty and hunger will do little to prepare Clara for the greater tragedy yet to come. By 1974, the terminal has declined almost as sharply as Virginia Clay's life. Dilapidated and dangerous, Grand Central is at the center of a fierce lawsuit: Is the once-grand building a landmark to be preserved, or a cancer to be demolished? For Virginia, it is simply her last resort. Recently divorced, she has just accepted a job in the information booth in order to support herself and her college-age daughter, Ruby. But when Virginia stumbles upon an abandoned art school within the terminal and discovers a striking watercolor, her eyes are opened to the elegance beneath the decay. She embarks on a quest to find the artist of the unsigned masterpiece—an impassioned chase that draws Virginia not only into the battle to save Grand Central but deep into the mystery of Clara Darden, the famed 1920s illustrator who disappeared from history in 1931.

**A Line in the Sand** James Barr,2011 In 1916, in the middle of the First World War, two men secretly agreed to divide the Middle East between them. Sir Mark Sykes was a visionary politician; François Georges-Picot a diplomat with a grudge. The deal they struck, which was designed to relieve tensions that threatened to engulf the Entente Cordiale, drew a line in the sand from the Mediterranean to the Persian frontier. Territory north of that stark line would go to France; land south of it, to Britain. Against the odds their pact survived the war to form the basis for the post-war division of the region into five new countries Britain and France would rule. The creation of Britain's 'mandates' of Palestine, Transjordan and Iraq, and France's in Lebanon and Syria, made the two powers uneasy neighbours for the following thirty years. Through a stellar cast of politicians, diplomats, spies and soldiers, including T. E. Lawrence, Winston Churchill and Charles de Gaulle, *A Line in the Sand* vividly tells the story of the short but crucial era when Britain and France ruled the Middle East. It explains exactly how the old antagonism between these two powers inflamed the more familiar modern rivalry between the Arabs and the Jews, and ultimately led to war between the British and the French in 1941 and between the Arabs and the Jews in 1948. In 1946, after many years of intrigue and espionage, Britain finally succeeded in ousting France from Lebanon and Syria, and hoped that, having done so, it would be able to cling on to Palestine. Using newly declassified papers from the British and French archives, James Barr brings this overlooked clandestine struggle back to life, and reveals, for the first time, the stunning way in which the French finally got their revenge.

Ayoade on Top Richard Ayoade,2019-09-03 Richard Ayoade - in this foren, perhaps one of the most 'insubstantial' people of our age, takes us on a journey from Peckham to Paris by way of Nevada and other places we don't care about. It's a journey deep within, in a way that's respectful and non-invasive; a journey for which we will all pay a heavy price, even if you've waited for the smaller paperback edition. Ayoade argues for the canonisation of this brutal masterpiece, a film that celebrates capitalism in all its victimless glory; one we might imagine Donald Trump himself half-watching on his private jet's gold-plated flat screen while his other puffy eye scans the cabin for fresh, young prey.

Leading Men Christopher Castellani,2020-05-26 An expansive yet intimate story of desire, artistic ambition, and fidelity, set in the glamorous literary and film circles of 1950s Italy In July of 1953, at a glittering party thrown by Truman Capote in Portofino, Italy, Tennessee Williams and his longtime lover Frank Merlo meet Anja Blomgren, a mysterious young Swedish beauty and aspiring actress. Their encounter will go on to alter all of their lives. Ten years later, Frank revisits the tempestuous events of that fateful summer from his deathbed in Manhattan, where he waits anxiously for Tennessee to visit him one final time. Anja, now legendary film icon Anja Bloom, lives as a recluse in present-day America, until a young man connected to the events of 1953 lures her reluctantly back into the spotlight after he discovers she possesses the only copy of an unknown play--Tennessee's last. What keeps two people together and what breaks them apart? Can we save someone else if we can't save ourselves? With emotional clarity and grace, *Leading Men* seamlessly weaves fact and fiction to navigate the tensions between public figures and their private lives. In an ultimately heartbreaking story about the burdens of fame and the complex negotiations of life in the shadows of greatness, Castellani creates an unforgettable leading lady in Anja Bloom and reveals the hidden machinery of one of the great literary love stories of the twentieth-century.

order to drum up renewed interest, KEY has also added a new poem. And there are also seven new introductions. And KEY has also been allowed to waddle round the text with his Lamy fountain pen, altering and updating. Improving. Making everything just so.
