Watching Neighbours Twice a Day... Josh Widdicombe,2021-09-16 'A wonderful blend of nostalgia, hilarity and personal anecdotes that only Josh Widdicombe could deliver' James Acaster 'If you read only one book by Josh Widdicombe this year, make it this one' Jack Dee 'Beautifully written, cleverly crafted and charmingly funny' Adam Hills 'This is a book about growing up in the '90s told through the thing that mattered most to me, the television programmes I watched. For my generation television was the one thing that united everyone. There were kids at my school who liked bands, kids who liked football and one weird kid who liked the French sport of petanque, however, we all loved Gladiators, Neighbours and Pebble Mill with Alan Titchmarsh (possibly not the third of these).' In his first memoir, Josh Widdicombe tells the story of a strange rural childhood, the kind of childhood he only realised was weird when he left home and started telling people about it. From only having four people in his year at school, to living in a family home where they didn't just not bother to lock the front door, they didn't even have a key. Using a different television show of the time as its starting point for each chapter Watching Neighbours Twice a Day... is part-childhood memoir, part-comic history of '90s television and culture. It will discuss everything from the BBC convincing him that Michael Parkinson had been possessed by a ghost, to Josh's belief that Mr Blobby is one of the great comic characters, to what it's like being the only vegetarian child west of Bristol. It tells the story of the end of an era, the last time when watching television was a shared experience for the family and the nation, before the internet meant everyone watched different things at different times on different devices, headphones on to make absolutely sure no one else could watch it with them.

James Acaster's Classic Scrapes - The Hilarious Sunday Times Bestseller James Acaster,2017-08-24 ****THE SUNDAY TIMES BESTSELLER**** 'I don't think I've ever read a book that has made me cry with laughter as much as this one. It was very difficult reading it in public as I looked like a madman' - Richard Herring James Acaster has been nominated for the Edinburgh Comedy Award five times and has appeared on prime-time TV shows like TASKMASTER,MOCK THE WEEK, LIVE AT THE APOLLO and WOULD I LIE TO YOU? But behind the fame and critical acclaim is a man perpetually getting into trouble. Whether it's disappointing a skydiving instructor mid-flight, hiding from thugs in a bush wearing a bright red dress, or annoying the Kettering Board Games club, a didgeridoo-playing conspiracy theorist and some bemused Christians, James is always finding new ways to embarrass himself. Appearing on Josh Widdicombe's radio show to recount these stories, the feature was christened 'James Acaster's classic scrapes'. Here, in his first book, James recounts these tales (including never-before-heard stories) along with self-penned drawings, in all their glorious stupidity.

A Class Act Rob Beckett,2022-05-12 'Pacy, witty and affectionate' Guardian Rob Beckett never seems to fit in. At work, in the middle-class world of television and comedy, he's the laddy, cockney geezer but to his mates down the pub in south-east London, he's the theatrical one, a media luvvy. Even his wife and kids are posher than him.

Abigail's Party Mike Leigh,2017-02-23 40th anniversary edition with a new introduction by Mike Leigh. Forty years on from its first performance at the Hampstead Theatre and original screening on BBC1 soon after, Mike Leigh's Abigail's Party - telling of two marriages spectacularly unravelling at an awkward neighbourhood drinks party - remains a pinnacle of British theatre. Here is the original script, complete with a new introduction by Mike Leigh describing the play's unlikely genesis, how it came to be made and where he believes it fits within his oeuvre as one of the country's leading writers and directors. 'The play came from my intuitive sense of the spirit and the flavour of the times, and from a growing personal fear of, and frustration with the suburban existence' Mike Leigh, from his new introduction 'Leigh's play isn't simply about marriage and Essex, but also about the unhappy state of the realm' Guardian

Perfect Sound Whatever James Acaster, 2019-08-22 *The Sunday Times Bestseller* The brand new memoir from James Acaster: cult comedian, bestselling author of *Classic Scrapes*, undercover cop, receiver of cabbages. PERFECT SOUND WHATEVER is a love letter to the healing power of music, and how one man's obsessive quest saw him defeat the bullshit of one year with the beauty of another. Because that one man is James Acaster, it also includes tales of befouling himself in a Los Angeles steakhouse, stealing a cookie from Clint Eastwood, and giving drunk, unsolicited pep talks to urinating strangers. January, 2017 James Acaster wakes up heartbroken and alone in New York, his relationship over, a day of disastrous meetings leading him to wonder if comedy is really what he wants to be doing any more. A constant comfort in James's life has been music, but he's not listened to anything new for a very long time. Idly browsing 'best of the year' lists, it dawns on him that 2016 may have been a grim year for a lot of reasons, but that it seemed to be an iconic year for music. And so begins a life-changing musical odyssey, as James finds himself desperately seeking solace in the music of 2016, setting himself the task of only listening to music released that year, ending up with 500 albums in his collection. Looking back on this year-long obsession, parallels begin to grow between the music and James's own life: his relationship history, the highs and lows of human connection, residual Christian guilt, and mental health issues that have been bubbling under the surface for years. Some albums are life-changing masterpieces, others are 'Howdilly Doodilly' by Okilly Dokilly, a metalcore album devoted to The Simpsons' character Ned Flanders, but all of them play a part the year that helped James Acaster get his life back on track.

Ayoade on Top Richard Ayoade, 2019-09-03 Richard Ayoade - in this foren, perhaps one of the most 'insubstantial' people of our age, takes us on a journey from Peckham to Paris by way of Nevada and other places we don't care about. It's a journey deep within, in a way that's respectful and non-invasive; a journey for which we will all pay a heavy price, even if you've waited for the smaller paperback edition. Ayoade argues for the canonisation of this brutal masterpiece, a film that celebrates capitalism in all its victimless glory; one we might imagine Donald Trump himself half-watching on his private jet's gold-plated flat screen while his other puffy eye scans the cabin for fresh, young prey.

Straight Outta Crawley Romesh Ranganathan, 2018-10-04 THE SUNDAY TIMES BESTSELLER Straight Outta Crawley is the hilarious and irreverent autobiography from comedian Romesh Ranganathan. 'Very, very funny. I can't recommend it highly enough.' Jonathan Ross _____ At the age of 9, Romesh Ranganathan delivered his first ever stand-up set at a Pontin's holiday camp talent competition, smashing the other competitor, a young girl playing the kazoo. The gig went so well that Romesh retired his comic genius for twenty-two years, hiding behind the guise of a maths teacher, before finally revealing himself again (no, not like that) at the tender age of 31. In 2010, Ranganathan staged his epic comeback gig to an almost silent room, and has since gone on to earn his place as the most in-demand overweight vegan Sri Lankan comedian in Britain. Now, for the first time, he tells the full story of how he got here. From the delights of Sri Lankan hospitality to his struggles as a child, teacher and now parent, to his adolescent flirtation with a rap career and his attempts to make it in comedy, Straight Outta Crawley is Ranganathan's hilarious and irreverent autobiography. Have you read Romesh's latest book? As Good As It Gets: Life Lessons from a Reluctant Adult is Romesh Ranganathan's hilarious and painfully accurate dissection of what it really means to grow up.

Black Sheep: The Hidden Benefits of Being Bad Richard Stephens, 2015-06-18 Richard Stephens became the focus of international media attention in 2009 for his research on the psychological benefits of swearing as a response to pain. Now, fresh from winning the 2014 Wellcome Trust Science Writing Prize, Richard's first popular science book uncovers other pieces of surprising and occasionally bizarre scientific enquiry showing that what we at first perceive as bad can, in fact, be good. More pub conversation than science book, Richard's writing style is very accessible - both engaging and humorous. Think wasting time is bad? Not always!

Research shows that taking time out can help you solve difficult problems. And if you can't be bothered tidying up, well fine, research shows that people are more creative in a messy environment. Swearing is rude but research shows that in some situations it can be a form of politeness. Swearing can also be used as a tool of persuasion. Black Sheep casts a slant on a range of human experiences from life to death, sex to romance, from speed thrills to halting boredom and from drinking alcohol (in moderation) to headily excessive bad language. This is a fascinating left-field tour of the world of psychological science. Get ready for the many hidden benefits of being bad that you really won't have seen coming.
