The Westbridge Rachel De-lahay,2014-03-10 'Everyone lived perfectly happily round here together before you young ones try to integrate and confuse things.' The accusation of a Black teenager sparks disturbance on the South London streets. While tensions rise and local rioting starts, a couple from very different backgrounds navigate the minefield between them, their families and their disparate but coexisting neighbourhood. Joint winner of the 2011 Alfred Fagon award (under its former title SW11), *The Westbridge* showcases an array of multiple voices. Presenting a microcosm of multicultural society, this depiction of London's melting-pot spans ethnicities, religions, generations and outlooks. A very real, convincing drama of human individuals underpins this ambitious, far-reaching and relevant play. Picking apart an intricate tangle of cultures, religions and generations, *The Westbridge* showcases an array of voices from modern society with humour, style and bite.

The Mystic Phyles: Beasts Stephanie Brockway,2011-07-01 Abigail Thaddeus is aware of her borderline geek status--which only keeps her secretly yearning for a life of fame and adventure. But as an eighth-grader in the tiny town of Westbrook, tucked away in her grandparents' ramshackle old mansion, her chances for glory are slim. That is, until she discovers a mysterious letter that launches her on an undercover quest to research mythical beasts. With the help of her best friend, Charley, Abigail unearths little-known facts about mythical creatures, from the familiar unicorn to the bizarre bonnacon. The more she learns, the more she finds that all is not as it may seem. When a threatening letter arrives, the lines between fact and fiction and excitement and danger begin to cross. Pop, her overly-strict grandfather, and Ninny, her nutty grandmother, may both be part of a reality more complicated and mystical than Abigail ever imagined. Will Abigail pursue top-secret knowledge at all costs or choose a path of safety? Her decision could bring eternal glory . . . or certain doom! In this scrapbook-style journal, Abigail's quest to investigate mythical beasts is full of adventure, mishap, spunky humor, colorful sketches, and historically based research.

Dragon Springs Road Janie Chang,2017-01-10 From the author of *Three Souls* comes a vividly imagined and haunting new novel set in early 20th century Shanghai—a story of friendship, heartbreak, and history that follows a young Eurasian orphan's search for her long-lost mother. That night I dreamed that I had wandered out to Dragon Springs Road all on my own, when a dreadful knowledge seized me that my mother had gone away never to return . . . In 1908, Jialing is only seven years old when she is abandoned in the courtyard of a once-lavish estate near Shanghai. Jialing is zazhong—Eurasian—and faces a lifetime of contempt from both Chinese and Europeans. Without her mother's protection, she can survive only if the estate's new owners, the Yang family, agree to take her in. Jialing finds allies in Anjuin, the eldest Yang daughter, and Fox, an animal spirit who has lived in the haunted courtyard for centuries. But Jialing's life as the Yangs' bondservant changes unexpectedly when she befriends a young English girl who then mysteriously vanishes. Always hopeful of finding her long-lost mother, Jialing grows into womanhood during the tumultuous early years of the Chinese republic, guided by Fox and by her own strength of spirit, away from the shadows of her past. But she finds herself drawn into a murder at the periphery of political intrigue, a relationship that jeopardizes her friendship with Anjuin and a forbidden affair that brings danger to the man she loves.

Central to Their Lives Lynne Blackman,2018-06-20 Scholarly essays on the achievements of female artists working in and inspired by the American South Looking back at her lengthy career just four years before her death, modernist painter Nell Blaine said, Art is central to my life. Not being able to make or see art would be a major deprivation. The Virginia native's creative path began early, and, during the course of her life, she overcame significant barriers in her quest to make and even see art, including serious vision problems, polio, and paralysis. And then there was her gender. In 1957 Blaine was hailed by Life magazine as someone to watch, profiled alongside four other emerging painters whom the journalist praised not as notable women artists but as notable artists who happen to be women. In *Central to Their Lives*, twenty-six noted art historians offer scholarly insight into the achievements of female artists working in and inspired by the American South. Spanning the decades between the late 1890s and early 1960s, this volume examines the complex challenges these artists faced in a traditionally conservative region during a period in which women's social, cultural, and political roles were being redefined and reinterpreted. The presentation—and its companion exhibition—features artists from all of the Southern states, including Dusti Bongé, Anne Goldthwaite, Anna Hyatt Huntington, Ida Kohlmeyer, Lois Mailou Jones, Alma Thomas, and Helen Turner. These essays examine how the variables of historical gender norms, educational barriers, race, regionalism, sisterhood, suffrage, and modernism mitigated and motivated these women who were seeking expression on canvas or in clay. Whether working from studio space, in spare rooms at home, or on the world stage, these artists made remarkable contributions to the art world while fostering future generations of artists through instruction, incorporating new aesthetics into the fine arts, and challenging the status quo. Sylvia Yount, the Lawrence A. Fleischman Curator in Charge of the American Wing at the Metropolitan Museum of Art, provides a foreword to the volume. Contributors: Sara C. Beast: A Tale of Love and Revenge Lisa Jensen,2018-07-10 Filled with magic and fierce emotion, Lisa Jensen's multilayered novel will make you question all you think you know about beauty, beastliness, and happily ever after. They say Château Beaumont is cursed. But servant-girl Lucie can't believe such foolishness about handsome Jean-Loup Christian Henri LeNoir, Chevalier de Beaumont, master of the estate. But when the chevalier's cruelty is revealed, Lucie vows to see him suffer. A wisewoman grants her wish, with a spell that transforms Jean-Loup into monstrous-looking Beast, reflecting the monster he is inside. But Beast is nothing like the chevalier. Jean-Loup would never patiently tend his roses; Jean-Loup would never attempt poetry; Jean-Loup would never express remorse for the wrong done to Lucie. Gradually, Lucie realizes that Beast is an entirely different creature from the handsome chevalier, with a heart more human than Jean-Loup's ever was. Lucie dares to hope that noble Beast has permanently replaced the cruel Jean-Loup — until an innocent beauty arrives at Beast's château with the power to break the spell.
