The Witches of Silverlake Volume One Simon Curtis,2023-03-21 It's always tough being the new kid in the coven. Elliot Green has had a rough year. His dad died, he had to move across the country, and now he's about to start high school in one of LA's most prestigious private schools, where his mom has accepted the position of Vice Principal. He's quickly taken in by the school's outcasts: the scholarship kids; the queer kids; and the ones who just don't really fit in with the glossy trust fund babies of SJTBA. They quickly let him in on their little secret...they are witches. Elliot joins them in their world among the crystal stores and occult shops of Silverlake and ends up joining his new friends' coven. During one of their magical experiments, they accidentally release a bloodthirsty demon that starts murdering their classmates and teachers. Elliot and his coven realize that the fun and games of playing with crystals and candles is over, that magic is powerful, real, and that it might be more dangerous than they'd ever imagined.

Halayda Sarah Delena White,2017-03-23 A mortal alchemist. A faerie king. A bond that transcends death. Betrayed by a trusted mentor, Sylvie Imanthiya hides on the fringes of society, caring for half-fae orphans and trading her alchemical creations on the black market. She lives for the one night each season when she can see her dearest friend--a man whose destiny is far above hers. King Taylan Ashkalabek knows better than to exchange halayda vows with a mortal. Even their friendship is a risk; love is an impossible dream. Then a brutal alchemical attack poisons his realm, unearthing a dark power within him--and leaving Sylvie with the ancient mark of Faerie's savior. Manifesting unpredictable abilities and aided by allies with their own secrets, Sylvie and Taylan journey into the wilds of Faerie to heal the damage and confront Casimir, an invincible star-fae determined to claim the realm as his own. But only their enemy knows Sylvie's true capabilities--and Taylan's weaknesses--and how to use them in his vicious schemes. Her fate is life. His fate is death. With Faerie in the balance, Sylvie and Taylan must stand together before reality as they know it is destroyed.

To be protected by the Underground, Isaak will have to make it there first. But with a deadly military force tasked to find him at any cost, his odds are less than favorable. Now Isaak must decide whether to hold on to his humanity and face possible death...or to embrace his true nature in order to survive, at the risk of becoming the weapon he was made to be. Timeless Simplicity John Lane,2001-01-01 A delightful book, celebrating the wonders of simplicity and minimalism in a noisy, overwhelming world. Our planet was once teeming with all kinds of life, but our grandchildren will inherit one with less than 20 per cent of its early forests still in tact, and thousands of plant and animal species extinct. Sooner or later, a more frugal lifestyle is not only desirable, but will soon be imperative. Life at the moment isn't what it should be - technological and economic progress has resulted in a delusion that material solutions will solve emotional problems, but a simpler lifestyle leaves space for spiritual renewal. This is a book about simplicity - not destitution, parsimoniousness or self-denial, but the restoration of wealth in the midst of an affluence in which we are starving the spirit. There are many advantages to living a less cluttered, less stressful life than that which has become the norm in the overcrowded and manic-paced consuming nations. Written by painter, writer and educator John Lane, Timeless Simplicity is an ode to having less and enjoying more. More time to pursue creativity, eat good food, relax with your family - and to just be yourself!

Typeset in the Future Dave Addey,2018-12-11 A designer's deep dive into seven science fiction films, filled with "gloriously esoteric nerdery [and] observations as witty as they are keen" (Wired). In Typeset in the Future, blogger and designer Dave Addey invites sci-fi movie fans on a journey through seven genre-defining classics, discovering how they create compelling visions of the future through typography and design. The book delves deep into 2001: A Space Odyssey, Star Trek: The Motion Picture, Alien, Blade Runner, Total Recall, WALL·E, and Moon, studying the design tricks and inspirations that make each film transcend mere celluloid and become a believable reality. These studies are illustrated by film stills, concept art, type specimens, and ephemera, plus original interviews with Mike Okuda (Star Trek), Paul Verhoeven (Total Recall), and Ralph Eggleston and Craig Foster (Pixar). Typeset in the Future is an obsessively geeky study of how classic sci-fi movies draw us in to their imagined worlds.

The Wealth 2021 Valentin Luboya,2020-11-12 In these gruesome times, many of you might not have been impacted by the economic effects of this virus, probably because you are more blessed than the masses around you. But truth be told, the economic disadvantages of this virus have shaken many families to their foundations. People have lost their jobs, food to eat, clothes to wear, and what not. All because our world is currently on lockdown and may perhaps face grave inflation. But is it necessary for you to go out to be able to support your household? I don't think so!
