**A History of Luther Seminary** Mark Granquist, 2019-12-17 Church historian and Luther faculty member Mark Granquist provides a new and comprehensive history of Luther Seminary just in time for the celebration of the institution's 150th anniversary (1869-2019). Luther Seminary today is the product of the merger of number of seminaries over time. Granquist's search of Luther's past will provide an inside look at how Lutheran ministry was defined and formed. The path runs through the early university system, Orthodoxy, Pietism, and Rationalism, as well as the formation of Mission schools, and the beginnings of Lutheran theological education in North America. Granquist explores the confessional Norwegian Synod as well as the pietist Haugean tradition--the two bookends or twin traditions that would define and eventually become Luther Seminary. Chapters 4-6 explore each primary strand that formed the history of Luther. Chapter 7 focuses on unification and merger, concluding with the ELCA merger in 1988. The final chapter looks at more recent history, including internal unification, the challenges faced by the ELCA, and the major shifts in theological education in the early 21st century. Includes a gallery of photos chronicling Luther's history.

*Holy Currencies* Eric H F Law, 2013-03-31 Called a must read for Christians paralyzed in survival mode, *Holy Currencies* teaches you how your ministry can become sustainable, grow, and thrive. Money is not the only currency your ministry needs. Author Eric H. F. Law shows us how the six blessings of time

and place, gracious leadership, relationship, truth, wellness, and money flow through successful missional ministries. And they can flow through your ministry too! Learn how to use these gifts to rejuvenate, recirculate, regenerate, and expand your ministry through Law's insightful stories, instruction, processes, exercises, and activities. Tools in the book help evaluate how your church uses each gift and enables church members to measure and value the six blessings. Holy Currencies will push you to think beyond your church's current boundaries and create rich, sustainable missional ministries.

**Israel som Guds tjener** ,2012 I dette bibelstudiet behandler Seth Erlandsson spørsmål som opptar mange kristne i vår tid: Hva betyr det at Israel er Guds eiendomsfolk med et spesielt tjeneroppdrag? Hva eller hvem er det sanne Israel? Og hva mener apostelen Paulus med at hele Israel skal bli frelst? Hvilken rolle spiller det geografiske landområdet Israel? Erlandsson viser bla hvor viktig det er å skille mellom den gamle og den nye pakten for å få en rett forståelse av disse tingene. På sitt sedvanlige vis øser han rikelig fra Skriften og viser hvor tydelig og klar den bibelske undervisningen er, også når det gjelder dette aktuelle temaet, Israel som Guds tjener.

*Images of Ministry* Herman G. Stuempfle,1995 Why does ministry in the church so often resemble dull prose rather than sparkling poetry? How do we handle always getting top billing and being at center stage in the drama of parish life? What is the truth in Flannery O'Connor's observation that ministers should go about their work like experienced crooks? Can we really carry the treasure of the gospel in the always fragile, sometimes broken clay pots that

are our lives? How do we get through the night duty, both literal and figurative, that is inevitable in ministry? These are among the questions Stuempfle addresses in these reflections on a series of arresting images for public ministry in the church. Among them are such fresh metaphors for ministry as poets, spies, stars, nightwatchers, and thieves. They are offered as a lens through which pastors and others in church vocations can gain a new perspective on their complex and demanding calling. Herman G. Stuempfle Jr. former president of Lutheran Theological Seminary at Gettysburg, has spent most of a lifetime reflecting on ministry. Reared in a parsonage, he prepared for his own ministry at the same seminary. After more than a decade in parish ministry, he returned to Gettysburg where he taught preaching, served as dean and, for fourteen years, as its president. Among his many publications are *Preaching The Law And Gospel*, a widely used textbook for homiletics, and *Theological And Biblical Perspectives On The Laity*. He recently published a volume of hymn texts with GIA Publications titled *Your World Goes Forth*.
