Robert Burke

The Wingman A. Poland,2021-07-26 Nathan, a college student with a thing for funky hats and a definite not-thing for the great outdoors, has been a wingman extraordinaire for his lifelong best friend Lorcan for as long as either can remember. With his innate ability to talk endlessly about how great Lorcan is to anyone who'll listen, Nathan has always been the best man for the job—even if he's secretly waiting for the day when Lorcan will realize that Nathan is the only guy for him. But then, Lorcan sets his sights on Miles, the suave, leather-jacket-wearing musician with a love of mountaineering and a family of six overprotective sisters, and Nathan must once again put his wingman skills to work. Trouble is, Nathan is getting tired of the old routine, and Miles is the only human being on the planet immune to Lorcan's charm. Not to mention that Miles's interest is immediately piqued by the outspoken and completely oblivious wingman.

Wingman Paedon Sims,2022-08-10 Best friends are a no-fly zone I always knew that one day my firecracker employee and best friend would land me in hot water and probably cost me my job. At least it was a show worthy of the tabloid fodder it produced when she went berserk and quit after refusing to dig up dirt on her once and future fiancé. Yeah, try saying that ten times fast. But in the middle of her showdown with our old boss and in her determination to fight fate, I somehow got wrapped up in a lot more than being her ride-or-die. Now jobless and homeless in our old stomping grounds of Los Angeles, I let CeeCee convince me to move to Chicago to start our own company, but it looks like fate isn't finished with me yet... or with Freeport's star Winger, Ethan Kane.

The Wingman Adventures Volume One Mack Maloney,2017-08-08 The first three books in the bestselling military adventure series by "the best high-action thriller writer out there today, bar none" (Jon Land). With nearly a quarter of a million copies sold, this high-octane series features Hawk Hunter, a fearless fighter pilot who saves the not-so-distant future United States from the brink of all-out anarchy. *Wingman: World War III* started in Western Europe with a Soviet nerve gas attack that laid waste to France, Germany, and Spain. The world's democracies fought back against the Russians but could not save America from a devastating nuclear strike. Two years after Soviet nukes rained from the sky, US Air Force pilot Hawk Hunter gets a message to report to his old commander. America is in pieces: Pirates rule the skies and an airborne armada is plotting to attack Football City (formerly St. Louis). The armada is made up of criminals flying state-of-the-art jets, and Hunter will do whatever it takes to reclaim his ravaged homeland. *The Circle War*: One of the most decorated pilots of the old US Air Force, Hawk Hunter now flies for the Pacific American Air Corps, a group of sky jockeys who are ready to fight to save what's left of America after a nuclear sneak attack shattered the nation into a collection of warring states dominated by criminals, fascists, and pirates. Flying his U-2 over the frozen tundra late one night, Hunter detects a full-scale Soviet invasion force of fifty jet fighters. *World War IV* is about to begin. *The Lucifer Crusade*: After expelling a Russian invasion force, Hawk Hunter sets out in pursuit of Viktor Robotov, the sinister terrorist behind the attack. In a world where it's a crime to wave stars and stripes, Hunter paints his F-16 red, white, and blue, and tears up the sky in search of revenge. There are hundreds of killers on his tail, but Hunter has only one target—and he never misses.

The Wingman Adventures Volume Two Mack Maloney,2018-10-23 Hawk Hunter is America's best hope—in the bestselling military adventure series by "the best high-action thriller writer out there today, bar none" (Jon Land). With nearly a quarter million copies sold, this high-octane series features Hawk Hunter, a fearless fighter pilot who saves the not-so-distant-future United States from the brink of all-out anarchy. *Thunder in the East*: The Soviet sneak attack crippled America, breaking the US into warring factions ruled by dictators, thugs, and thieves. In the western territories, democracy has survived—thanks to Maj. Hawk Hunter, the greatest fighter pilot of his time, and the Pacific American Air Corps. After narrowly stopping a Soviet ground invasion, Hunter vows to restore his beloved country—and he will begin by reclaiming Football City, formerly known as St. Louis, until it was captured by a criminal army from New Chicago. Only Hunter can break through its walls and lead his army onward to reclaim Washington, DC. *The Twisted Cross*: A new threat has emerged from the south. An army of neo-Nazis has seized control of the Panama Canal, and they're armed to the teeth. Their hateful ideology may be decades out of date, but these jackbooted killers have firepower that is state-of-the-art. They're going to need it . . . because the Wingman is coming. *The Final Storm*: The Soviet Union had nearly been defeated when the vice president of the United States revealed himself as a traitor. He deactivated the defense grid just long enough for the Russians to strike, reducing America to a battle-scarred wasteland. Fighter pilot Hawk Hunter rebuilt the country one dogfight at a time. Now he's headed for the vice president's compound in Bermuda, backed by a team of commandos, to bring America's greatest traitor to justice, dead or alive. *Freedom Express*: After fighting off the Red Army invasion, Maj. Hawk Hunter and what remained of the country's armed forces spent years rebuilding their nation. Only one territory was left deserted: the Southwest, now known as the Badlands. To reestablish the overland route between the eastern and western regions, a train of modern pioneers is sent across the desert. The train makes it safely, but when it arrives in Los Angeles, every passenger on board has vanished. To bring the fight to the bandits, Hunter trades in his F-16 for his own specially designed locomotive: a super-fortress on rails. The new Wild West is about to be tamed—Wingman-style.

The Wingman David Pepper,2018-02-19

Granny Is My Wingman Kayli Stollak,2013 A full-length account based on the author's popular blog of the same name follows the author's life after being unexpectedly dumped, a period marked by one-night stands and Facebook stalking escapades before she embarked on the dysfunctional world of online dating under the advice of her sharp-tongued grandmother.

Kingman—1971 Gary Reeves,2010-07-15 Anna watched closely as he struggled to his feet, wanting to help him, but realizing she shouldn't unless he asked. Not six months ago, Anna Kingman had gotten a telegram from the army informing them that her son, Brent, was dead—remains not recoverable. After two weeks of agony and grief, a phone call came explaining that Brent had somehow survived the ordeal of losing his LRRP team—the only one that had survived. Now back home on the Kingman Ranch, Brent must pick up the pieces of his life and find a way to deal with the post-traumatic stress disorder that now defines his world. In the meantime, the nearby Phillips ranch is burned and Jamaica Phillips, Brent's longtime friend and flame, is viciously assaulted. Snow is falling as Brent rides across the vast field toward home, holding Jamaica in his arms, wrapped in a warm blanket. Both are bleeding from mysterious wounds—hers are from the assault, while his were received months earlier in Vietnam. His family must now struggle with his disease and with the aftermath of a brutal attack in Kingman 1971.

Wingman Mack Maloney,2013-06-18 *Wingman* The first book in the bestselling, action-packed Wingman Series: With America in ashes, and lawlessness threatening to rule land, air, and sea, one pilot stands poised to pull his nation back from the brink of all-out anarchy. *The Big War* started in Western Europe with a Soviet nerve gas attack that laid waste to France, Germany, and Spain. The world's democracies fought back, and pilots like Hawk Hunter led the charge—tearing across the flaming wreckage of the continent at supersonic speeds. They pushed the Russians back and just when victory was in sight, a traitor at the highest level of government turned off America's missile defense system, and Soviet nukes rained from the sky. *The Circle War*: Two years after the nuclear holocaust, Hunter gets a message to report to his old commander. America is in pieces: Pirates rule the skies, and an airborne armada is plotting to attack Football City (formerly known as St. Louis). The armada is made up of criminals flying state-of-the-art jets, and even though the government can only offer Hunter his old F-16, he will do whatever it takes to reclaim his ravaged homeland. *The Lucifer Crusade*: *Wingman* is the first book of the Wingman series, which also includes *The Circle War* and *The Lucifer Crusade*.

Wingman and Skittles Richard Marsh,2014-10-24 Dad wasn't angry. As I started to cry. He hugged me. He calmed me. And he taught me to lie. *Wingman* is a new father-son comedy from Fringe-First winner Richard Marsh. Mum's dead. Annoyingly, dad's not. After twenty years apart, can father and son say goodbye to mum without saying hello to each other? This achingly funny story reminds us that no matter how bad life is, family can make it worse. *Wingman* received its world premiere at the Pleasance Dome, Edinburgh, on 30 July 2014, directed by Justin Audibert, before transferring to the Soho Theatre Upstairs from 2 - 20 September and then touring. The play is published alongside Richard Marsh's *Skittles*, which premiered at the Edinburgh Festival Fringe in 2011 and then featured on Radio 4 as Richard Marsh: Love and Sweets, winning Best Scripted Comedy at the BBC Audio Drama Awards. 'For verse with heart and verve, see Richard Marsh's dazzling love-gone-wrong show *Skittles*' Telegraph 'Richard Marsh's *Skittles* came at high velocity, whizzing through the various stages of a romantic entanglement that began when two colleagues shared 'a noncommittal Skittle' during a work break, progressing quickly to proposal and marriage . . . Funny and wise.' Guardian

The Devil's Wingman J.M. Davis,2015-04-29 After the death of her father and her own serious issues, Kara Maven decides to move back to her

hometown to complete her senior year at Belman University. She settles into life on campus when her world is shaken by a handsome bad boy with a knack for being in the wrong place at the wrong time. Dominic Benenati is a half-demon Damamah, or whisperer, whose role on earth is to ensure Hell's population thrives by pushing humans to act upon their sinful thoughts. To complicate matters, enter Cayden Adams who is an angel determined to save Kara from Dominic's influence. But does Kara really want to be saved?

The Wingman Adventures Volume Three Mack Maloney,2018-10-23 Hawk Hunter is back—in the bestselling military adventure series by “the best high-action thriller writer out there today, bar none” (Jon Land). With nearly a quarter of million copies sold, this high-octane series features Hawk Hunter, a fearless fighter pilot who saves the not-so-distant-future United States from the brink of all-out anarchy. Skyfire: In the chaos that followed the end of World War III, Maj. Hawk Hunter took refuge in the arms of a woman named Dominique. But Hunter's campaign soon tore them apart, and he was forced to send her to Canada, where his enemies claimed Dominique as their own. Drugged, tortured, and imprisoned, she waits helplessly—praying for his return. But while Hunter embarks on a daring raid to rescue his beloved, another threat is coming—in the sleek black nuclear submarines now steaming toward the eastern seaboard, whose warheads threaten everything Hunter is fighting to rebuild. Return from the Inferno: Just as America is beginning to recover from nuclear war, her enemies attack again. As ace pilot Hawk Hunter battles the horde of Nordic mercenaries who have ravaged the East Coast, another army lands in California: the combined forces of the dictatorships of East Asia. The Second Axis is here. Hunter leads the charge, flying his famous red, white, and blue F-16 into the invasion's maw. But this is the first time the Wingman does not come out the other side. Their champion gone, America's soldiers carry on, engaging in guerilla warfare to protect the country's interior, keeping hope alive that Hunter is out there somewhere, planning a counterattack. War of the Sun: An army of cultish mercenaries from East Asia has seized the West Coast, conquering territory as far east as the Rocky Mountains—all in the name of Hashi Pushi, a Japanese despot revered as a god. With the support of two submarines patrolling the Pacific, each armed with a nuclear warhead, the invaders have promised that any counterattack will result in the annihilation of two American cities—a price the battle-scarred populace is not prepared to pay. Onboard the carrier Enterprise, Hunter prepares to strike. His target is not the submarines, but Tokyo itself, where his fellow pilots will attack this warrior cult from the top down. The Ghost War: A pilot patrolling the South Pacific discovers Xmas Island is nothing more than a blackened hole in the ground. The carnage was wreaked by a battleship armed with an array of sixteen-inch cannons that, in a matter of minutes, could obliterate any city on earth. As far as Maj. Hawk Hunter is concerned, that constitutes a direct threat to the West Coast—a threat he must neutralize personally.

Spitfire Wingman from Tennessee James Haun,Col. James R. Haun,2011-03-16 E-Book Edition of SPITFIRE WINGMAN FROM TENNESSEE, which is the autobiography of a self-taught aviator who flew virtually every military aircraft (except jets) during the years 1939 to 1960. Col. Jim Haun, 1911-2001, with unusual honesty and wit, allows a back door glimpse into the USAF at the highest levels of command, including the Presidential Air Fleet in Washington, D.C. He flew fighters in WWII, transports in India, the Berlin Airlift, Japan and the Far East - eventually becoming Chief Pilot of the Military Air Transport Service. After retirement he built a stunt biplane in his garage and wowed audiences with death-defying performances. Col. Haun concurrently taught hundreds to fly, many later becoming airline captains and one, even became an instructor in the supersonic Blackbird.

The Kingman Comprehension Series Dr. Alice Kingman,2023-05-22 About the Series The Kingman Comprehension Series aims to enhance students' essential reading skills and abilities to exercise critical judgment to help improve progressively their understanding of written texts. A traditional and contemporary approach is used by the author with questions set in the formats of: - Filling in the blanks - Underlining the correct answers - Multiple choice questions - True or false questions - Matching - Drawing inferences - Open-ended questions and - Sequencing Suggested answers to the questions are provided at the back of the book. The series comprises six books catering to the levels and needs of the targeted students: Elementary Level - Book 3 (for students eight to nine years old) - Book 4 (for students nine to ten year old) Intermediate Level - Book 5 (for students ten to eleven year old) - Book 6 (for students eleven to twelve year old) Advanced Level - Book 7 (for students twelve to thirteen year old) - Book 8 (for students thirteen to fourteen year old)

Kingman Dan W. Messersmith,2010-09-06 Kingman, county seat of Mohave County in northwestern Arizona, owes its beginning and subsequent prosperity to the building of the Atlantic and Pacific Railroad in 1882. The city was named for the project's chief engineer, Lewis Kingman. The initial railroad siding quickly became a supply center for mining and ranching operations that dotted the beautiful surrounding valleys and mountain ranges. Through the years, Kingman has been at the crossroads of rail, highway, and air transportation routes. A B-17 bomber gunnery training base brought changes by exposing the area's potential to thousands of soldiers during World War II, many of whom would later return. Actor Andy Devine grew up here, Clark Gable and Carole Lombard were married here, and Charles Lindbergh would establish a route for Transcontinental Air Transport through here. Today Kingman is the “Heart of Historic U.S. Route 66” and is located in the middle of the longest remaining stretch of the “Mother Road,” making it a must-see destination for thousands of tourists each year.

The King of Kingman Kenneth Kage,2022-01-11 Jason Savage is a young, nonconformist college professor in the small town of Kingman in Upstate New York, and he has made an amazing discovery. The revelation of a global universal computer could change life for every person on earth. Never before has there been a technological innovation that could impact so many people. Not everyone is happy. Even Jason struggles with the ethical and practical concerns over the capabilities of a universal computer. He finds himself in the middle of a worldwide tug-of-war, and Kingman is the unlikely site of this tension. Due to his specialization, Jason is teamed with the local sheriff working to solve a murder and deal with the escaped killers. A trial begins, and Jason finds himself front and center. He works to convince the judge, jury, and all concerned of the validity of his reports. Publicity grows over Jason's claims, and many individuals, corporations, and governments attempt to force their involvement. Jason now strives to handle the pressure of a life-altering discovery in a world fueled by fear and greed.

Hazardous Materials Chemistry for Emergency Responders, Third Edition Robert Burke,2013-06-17 The third edition of a bestseller, Hazardous Materials Chemistry for Emergency Responders continues to provide the fundamentals of street chemistry required by emergency response personnel. Emergency response and hazmat expert Robert Burke takes the basics of chemistry appropriate for response personnel and puts it into understandable terms. The author has retained the style and format that made the previous editions so popular while updating the information to keep the book relevant. See What's in the Third Edition: Expanded section on Ethanol and its hazards to responders Update of NFPA 472 Chemistry requirements Revised section on hazmat elements with more hazards and response issues Includes a focus on the importance of the hazmat elements of chemical families New incident examples New photographs and graphics The chapters are organized by the nine U.S. Department of Transportation's hazard classes. Almost every hazardous material presents more than one hazard; the DOT's placarding and labeling system only identifies the most severe hazards. Therefore, the book provides additional information about hidden hazards for each hazard class. It discusses individual chemicals, their hazards and their physical and chemical characteristics, both as distinct chemicals and within chemical families. The book offers a concise presentation of the topics of most importance to emergency responders on a day-to-day basis. It provides the basic chemistry a responder needs to understand chemical terminology and communicate with others about the chemicals involved in hazardous materials incidents.

The Guardians: Kingman Brewster, His Circle, and the Rise of the Liberal Establishment Geoffrey Kabaservice,2014-09-02 How liberalism and one of the most dramatic eras in American history were shaped by an influential university president and his powerful circle of friends Yale's Kingman Brewster was the first and only university president to appear on the covers of Time and Newsweek, and the last of the great campus leaders to become an esteemed national figure. He was also the center of the liberal establishment—a circle of influential men who fought to keep the United States true to ideals and extend the full range of American opportunities to all citizens of every class and color. Using Brewster as his focal point, Geoffrey Kabaservice shows how he and his lifelong friends—Kennedy adviser McGeorge Bundy, Attorney General and statesman Elliot Richardson,

New York mayor John Lindsay, Bishop Paul Moore, and Cyrus Vance, pillar of Washington and Wall Street—helped usher this country through the turbulence of the 1960s, creating a legacy that still survives. In a narrative that is as engaging and lively as it is meticulously researched, *The Guardians* judiciously and convincingly reclaims the importance of Brewster and his generation, illuminating their vital place in American history as the bridge between the old establishment and modern liberalism.

One Week Wingman Lila Monroe, 2022-10-17 Fake date. Real trouble. Fall for a new trope-tactic, fake dating rom-com series from USA Today bestselling author, Lila Monroe! Sebastian Wainwright is handsome, British, and charming... and the last man you can rely on. Bartending at Mavericks, I've seen his love-em-and-leave-em routine up close, and I know better than to become another notch on his king-sized bedpost. But when a little white lie catches up with me, it turns out that Seb is exactly the man I need for the job... Posing my fake boyfriend for the week. See, I invented The Perfect Man (TM) to keep my interfering family off my case, but now I'm back home for my high-school reunion, my sister is (surprise!) engaged to my ex, and I'm first in line to win Biggest Disappointment. I need Mr. Perfect to roll up and save me from humiliation, and since he doesn't exist, I'll just have to settle for New York's biggest playboy instead. A cocktail for disaster? That's what I figure, but as we're swept up in small-town shenanigans, family drama, and tipsy strip karaoke (don't ask), I find there's more to Seb than just charm and come-to-bed-eyes. A whole lot more. But when the week is up, will our fake date arrangement become something real? Or is our flirty fling destined to remain fiction? Find out in the new hot and hilarious rom-com from USA Today bestselling author, Lila Monroe! BILLIONAIRE BACHELORS CLUB: 1 Maverick Mogul 2 Renegade Roomie 3 Baller Boss 4 One-Week Wingman 5 Charming CEO PRAISE FOR LILA: Romantic comedy at its best! - Seraphim Books Reviews A fun and flirty feel-good story that put a smile on my face! - Goodreads "A funny rom-com that gives me all the laugh and fluff was exactly what I need. This quirky and heartwarming second-chance romance was fun, light and perfect to take me away from all the heaviness in life." - Goodreads "Lila Monroe's writing is a sure thing to put me in a good mood especially in the gray days... I smiled all the time while reading it and these characters made my day so much better." - ItaPixie Reviews I love the humor in Ms. Monroe's stories! They are outrageously funny! Add to that the romance and off the charts steaminess and you get one helluva story! - Bibliophile Chloe This is a great... new series. I enjoyed playful characters, the funny moments and the steamy romance! 5 Stars. Reading Keeps Me Sane Blog "Lila Monroe is an author who knocks romantic comedy books out of the park. Her books are, sweet, spicy, romantic and so funny that you cannot help but fall in love with her characters and her stories." - Goodreads Perfect for fans of Christina Lauren, Sophie Kinsella, Ali Hazelwood, Elena Armas, Tessa Bailey, Julia Kent, Jasmine Guillory.
