How the "Red Star" Rose Yoshihiro Ishikawa,2021

Quotations from Chairman Mao Tse-Tung (Zedong) Black and White Photo Edition Mao Tse-Tsung Zedong,2020-12-17 Mao Zedong, also known as Chairman Mao, was a Chinese communist revolutionary who was the founder of the People's Republic of China, which he ruled as the chairman of the Communist Party of China from its establishment in 1949 until his death in 1976. This book has been fully edited with vintage compiled photos by Raychelle D. Edwards.

The Poems of Mao Zedong Zedong Mao,2008-06-14 Mao Zedong, leader of the revolution and absolute chairman of the People's Republic of China, was also a calligrapher and a poet of extraordinary grace and eloquent simplicity. The poems in this beautiful edition (from the 1963 Beijing edition), translated and introduced by Willis Barnstone, are expressions of decades of struggle, the painful loss of his first wife, his hope for a new China, and his ultimate victory over the Nationalist forces. Willis Barnstone's introduction, his short biography of Mao and brief history of the revolution, and his notes on Chinese versification all combine to enrich the Western reader's understanding of Mao's poetry.

Mao Zedong and the Chinese Revolution Ann Malaspina,2015-12-15 Through first-person accounts, informational text, and photos, students will learn about Chairman Mao's theories, military strategies, and political policies known as Maoism, which forever changed the culture of China and communication between the East and the West.

Selected Works of Mao Zedong Mao Zedong,2014-04-28 Mao Zedong (December 26, 1893 - September 9, 1976), was a Chinese Communist revolutionary and the founding father of the People's Republic of China, which he governed as Chairman of the Communist Party of China from its establishment in 1949 until his death in 1976. His Marxist-Leninist theories, military strategies

and political policies are collectively known as Maoism or Mao Zedong Thought. These are the Selected Works published by the Marx-Engels-Lenin Institute: -Analysis of the Classes in Chinese Society 13 -Report on an Investigation of the Peasant Movement in Hunan -Be Concerned with the Well-Being of the Masses, Pay Attention to Methods of Work -On Guerilla Warfare -On Practice - On Contradiction -Combat Liberalism -On Protracted War

Mao Zedong Delia Davin,2011-10-24 Mao Zedong, first chairman of the People's Republic of China, one of the founders of the Chinese Communist Party, and the architect of the Cultural Revolution, was active in Chinese politics for most of his eighty-two years, and became one of the most important revolutionary figures in the twentieth century. He spent the 1920s and 1930s struggling to build the Chinese Communist Party. After the establishment of the People's Republic, he strove to impose his vision of socialism on his impoverished country, convinced that if the power of the people could be harnessed, China could become an economically successful and egalitarian country. The Great Leap Forward which he initiated was, however, a disaster resulting in millions of deaths. Mao used the Cultural Revolution to re-impose his authority; his critics were persecuted and a personality cult was fostered. His 'Little Red Book' sold over 740 million copies. This book offers the reader a powerful insight into the life and work of this intriguing man.

Mao Zedong Louise Chipley Slavicek,2004-01-01 Mao supported the 1911 Revolution and became one of the founders of the Chinese Communist Party in 1921. Mao's rule over China from the establishment of the People's Republic of China in 1949 to his death in 1976 defined the Chinese nation in his lifetime.

Quotations from Chairman Mao Tsetung Zedong Mao,1990

Chairman Mao Charles River Editors,2017-02-13 *Includes pictures. *Includes excerpts of Mao's writings about politics and military strategy. *Includes a bibliography for further reading. A revolution is not a dinner party, or writing an essay, or painting a

picture, or doing embroidery. It cannot be so refined, so leisurely and gentle, so temperate, kind, courteous, restrained and magnanimous. A revolution is an insurrection, an act of violence by which one class overthrows another. - Mao Zedong It's a sure sign of fame when a man is known simply by his first name, and Mao Zedong, often referred to simply as Mao or Chairman Mao, was one of the most influential men of the 20th century. He was also arguably the most controversial; as the founder of the People's Republic of China, Mao rose from being a communist revolutionary to successfully overthrowing a regime and transforming China into a communist powerhouse in Asia. The ramifications of Mao's life and legacy are still very much felt today, as China continues to transition into a superpower that may soon lay claim to the world's largest economy. Mao's communist revolution is still controversial, but it was his reign over China that has made him notorious, and in the West he is often considered one of history's biggest tyrants. Mao's revolution and his subsequent policies have been accused of causing millions of deaths, possibly more than the likes of Hitler and Stalin. It has been roughly estimated that Mao was responsible for the deaths of anywhere from 40-70 million, but he has plenty of defenders as well, who cite Mao's military and political leadership for inspiring similar revolutions across the world. Chairman Mao: The Life and Legacy of Mao Zedong chronicles the rise of Mao and analyzes his leadership of China and the lasting effects he has had on geopolitics today. Along with pictures of important people, places, and events, you will learn about Mao like you never have before, in no time at all.

Mao Michael J. Lynch, 2004 Details of Mao's private life as well as his political and philosophical thought add to this diverse picture of the influential leader.

Mao Zedong Jonathan D. Spence,2006-08-29 “Spence draws upon his extensive knowledge of Chinese politics and culture to create an illuminating picture of Mao. . . . Superb.” (Chicago Tribune) From humble origins in the provinces, Mao Zedong rose to absolute power, unifying with an iron fist a vast country torn apart by years of weak leadership, colonialism, and war. This sharply drawn and insightful account brings to life this modern-day emperor and the tumultuous era that he did so much to shape. Jonathan Spence captures Mao in all his paradoxical grandeur and sheds light on the radical transformation he unleashed that still reverberates in China today.

Mao Zedong Louise Chipley Slavicek, 2009-01-01

Mao Zedong Hourly History, 2017-04-18 For a champion of the poor, Mao Zedong was born to a wealthy aristocratic family in Shaoshan, Hunan China. As an adolescent, he once had to defend his father's farm from starving peasants during a famine, who

wished to seize his father's land and steal his grain. This same Mao would later promote a policy of land reform that would give those peasants the green light to violently overthrow the rich land owners all over the Chinese countryside. Inside you will read about... □ Where Revolution Was Made □ Mao Comes Into His Own □ Mao, the Pragmatist □ From Nanking to Pearl Harbor □ Consolidating Power □ Mao's Stranglehold □ Mao Loses Face And much more! Mao Zedong was a Marxist revolutionary wishing to overthrow regimes he viewed as "imperialist," and yet Mao, often referred to as the "Red Emperor," behaved much like totalitarian Emperors of China's medieval past. Mao was a man of intriguing contradiction. This book takes the time to explore them all.
