

Margaret Atwood.jpg

William L. Shirer

Up in the Tree Margaret Atwood, 2006 Two children who live in a tree don't know what to do when beavers take their ladder, and after rescue comes at the hands of a friend, they find a way to return without worry.

The Circle Game Margaret Atwood, 2012 The appearance of Margaret Atwood's first major collection of poetry marked the beginning of a truly outstanding career in Canadian and international letters. The voice in these poems is as witty, vulnerable, direct, and incisive as we've come to know in later works, such as *Power Politics*, *Bodily Harm*, and *Alias Grace*. Atwood writes compassionately about the risks of love in a technological age, and the quest for identity in a universe that cannot quite be trusted. Containing many of Atwood's best and most famous poems, *The Circle Game* won the 1966 Governor General's Award for Poetry and rapidly attained an international reputation as a classic of modern poetry.

This Is a Photograph of Me Margaret Atwood, Alan Cook, 2009-01-01

Margaret Atwood Kathryn VanSpanckeren, Jan Garden Castro, 1988 A prolific writer and versatile social critic, Canadian novelist and poet Margaret Atwood has recently published *Bluebeard's Egg* (short stories), *Interlunar* (poetry), and *The Handmaid's Tale* a critically acclaimed best-selling novel. This international collection of essays evaluates the complete body of her work—both the acclaimed fiction and the innovative poetry. The critics represented here—American, Australian, and Canadian—address Atwood's handling of such themes as feminism, ecology, the gothic novel, and the political relationship between Canada and the United States. The essays on Atwood's novels introduce the general reader to her development as a writer, as she matures from a basically subjective, poetic vision, seen in *Surfacing* and *The Edible Woman*, to an increasingly engaged, political stance, exemplified by *The Handmaid's Tale*.

Other essays examine Atwood's poetry, from her transformation of the Homeric model to her criticisms of the United States' relationship with Canada. The last two critical essays offer a unique view of Atwood through an investigation of her use of the concept of shamanism and through a presentation of eight of her vivid watercolors. The volume ends with Atwood presenting her own views in an interview with Jan Garden Castro and in a conversation between Atwood and students at the University of Tampa, Florida.

Berlin Diary William L. Shirer, 2011-10-23 The author of the international bestseller *The Rise and Fall of the Third Reich* offers a personal account of life in Nazi Germany at the start of WWII. By the late 1930s, Adolf Hitler, Führer of the Nazi Party, had consolidated power in Germany and was leading the world into war. A young foreign correspondent was on hand to bear witness. More than two decades prior to the publication of his acclaimed history, *The Rise and Fall of the Third Reich*, William L. Shirer was a journalist stationed in Berlin. During his years in the Nazi capital, he kept a daily personal diary, scrupulously recording everything he heard and saw before being forced to flee the country in 1940. *Berlin Diary* is Shirer's first-hand account of the momentous events that shook the world in the mid-twentieth century, from the annexation of Austria and Czechoslovakia to the fall of Poland and France. A remarkable personal memoir of an extraordinary time, it chronicles the author's thoughts and experiences while living in the shadow of the Nazi beast. Shirer recalls the surreal spectacles of the Nuremberg rallies, the terror of the late-night bombing raids, and his encounters with members of the German high command while he was risking his life to report to the world on the atrocities of a genocidal regime. At once powerful, engrossing, and edifying, William L. Shirer's *Berlin Diary* is an essential historical record that illuminates one of the darkest periods in human civilization.

Bodily Harm Margaret Atwood, 2012-03-27 From the author

of the New York Times bestselling novels *The Handmaid's Tale*—now an Emmy Award-winning Hulu original series—and *Alias Grace*, now a Netflix original series. A powerfully and brilliantly crafted novel, *Bodily Harm* is the story of Rennie Wilford, a young journalist whose life has begun to shatter around the edges. Rennie flies to the Caribbean to recuperate, and on the tiny island of St. Antoine she is confronted by a world where her rules for survival no longer apply. By turns comic, satiric, relentless, and terrifying, Margaret Atwood's *Bodily Harm* is ultimately an exploration of the lust for power, both sexual and political, and the need for compassion that goes beyond what we ordinarily mean by love.

Life Before Man Margaret Atwood, 2012-03-27 From the author of the New York Times bestselling novels *The Handmaid's Tale*—now an Emmy Award-winning Hulu original series—and *Alias Grace*, now a Netflix original series. Imprisoned by walls of their own construction, here are three people, each in midlife, in midcrisis, forced to make choices--after the rules have changed. Elizabeth, with her controlled sensuality, her suppressed rage, is married to the wrong man. She has just lost her latest lover to suicide. Nate, her gentle, indecisive husband, is planning to leave her for Lesje, a perennial innocent who prefers dinosaurs to men. Hanging over them all is the ghost of Elizabeth's dead lover...and the dizzying threat of three lives careening inevitably toward the same climax.

Two-Headed Poems Margaret Atwood, 1981

This Is How We Love Lisa Moore, 2022-05-03 From the celebrated author of *February* and *Caught* comes an exhilarating new novel that asks: What makes a family? How does it shape us? And can we ever really choose who we love? As the snowstorm of the century rages, twenty-one-year-old Xavier is beaten and stabbed in a vicious attack. His mother, Jules, must fight her way through the shuttered streets of St. John's to reach the hospital where Xavier lies unconscious. When a video of the attack

surfaces, Jules struggles to make sense of what she sees in the footage — and of what she can't quite make out. While Xavier's story unfolds, so, too, do the stories that brought him there. Here, across families and generations, are stories of mothers, fathers, sisters, and brothers; of children cared for, neglected, lost, and re-found; of selfless generosity and reluctant debt. Above all, Moore, in the inimitable largesse of her art, paints a shimmering portrait of the sacrifice, pain, and wild joy of loving. A tour de force of storytelling and craft, *This Is How We Love* brings us a cast of characters so rich and true they could only have been written by Lisa Moore.

The Handmaid's Tale Margaret Atwood, 2011-09-06 An instant classic and eerily prescient cultural phenomenon, from "the patron saint of feminist dystopian fiction" (New York Times). Now an award-winning Hulu series starring Elizabeth Moss. In this multi-award-winning, bestselling novel, Margaret Atwood has created a stunning Orwellian vision of the near future. This is the story of Offred, one of the unfortunate "Handmaids" under the new social order who have only one purpose: to breed. In Gilead, where women are prohibited from holding jobs, reading, and forming friendships, Offred's persistent memories of life in the "time before" and her will to survive are acts of rebellion. Provocative, startling, prophetic, and with Margaret Atwood's devastating irony, wit, and acute perceptive powers in full force, *The Handmaid's Tale* is at once a mordant satire and a dire warning.

Moral Disorder Margaret Atwood, 2010-12-17 Atwood triumphs with these dazzling, personal stories in her first collection since *Wilderness Tips*. In these ten interrelated stories Atwood traces the course of a life and also the lives intertwined with it, while evoking the drama and the humour that colour common experiences — the birth of a baby, divorce and remarriage, old age and death. With settings ranging from Toronto, northern Quebec, and rural Ontario, the stories begin in

the present, as a couple no longer young situate themselves in a larger world no longer safe. Then the narrative goes back in time to the forties and moves chronologically forward toward the present. In "The Art of Cooking and Serving," the twelve-year-old narrator does her best to accommodate the arrival of a baby sister. After she boldly declares her independence, we follow the narrator into young adulthood and then through a complex relationship. In "The Entities," the story of two women haunted by the past unfolds. The magnificent last two stories reveal the heartbreaking old age of parents but circle back again to childhood, to complete the cycle. By turns funny, lyrical, incisive, tragic, earthy, shocking, and deeply personal, *Moral Disorder* displays Atwood's celebrated storytelling gifts and unmistakable style to their best advantage. This is vintage Atwood, writing at the height of her powers.

The Heart Goes Last Margaret Atwood, 2015-09-29 From the bestselling author of *The Handmaid's Tale* and *The Testaments*—in the gated community of Consilience, residents who sign a contract will get a job and a lovely house for six months of the year...if they serve as inmates in the Positron prison system for the alternate months. "Captivating...thrilling." —The New York Times Book Review Stan and Charmaine, a young urban couple, have been hit by job loss and bankruptcy in the midst of nationwide economic collapse. Forced to live in their third-hand Honda, where they are vulnerable to roving gangs, they think the gated community of Consilience may be the answer to their prayers. At first, this seems worth it: they will have a roof over their heads and food on the table. But when a series of troubling events unfolds, Positron begins to look less like a prayer answered and more like a chilling prophecy fulfilled. *The Heart Goes Last* is a vivid, urgent vision of development and decay, freedom and surveillance, struggle and hope—and the timeless workings of the human heart.

Margaret Atwood Harold Bloom, 2000

Bodily Harm Margaret Atwood, 2010-12-10 Rennie Wilford is a freelance journalist who takes an assignment in the Caribbean in the hopes of recuperating from her recently shattered life. On the tiny island of St. Antoine, she tumbles into a corrupt world where no one is what they seem, where her rules for survival no longer apply. This is a thoroughly gripping novel of intrigue and betrayal, which explores human defensiveness, the lust for power both sexual and political, and the need for a compassion that goes beyond what we ordinarily mean by love. The enigma unfolds as it would for any innocent bystander swept up by events, bringing along the scruples, and the fears, of the past.

Margaret Atwood James M. Haule, Beatrice Mendez-Egle, 1987

Cat's Eye Margaret Atwood, 2011-09-06 Cat's Eye is the story of Elaine Risley, a controversial painter who returns to Toronto, the city of her youth, for a retrospective of her art. Engulfed by vivid images of the past, she reminisces about a trio of girls who initiated her into the fierce politics of childhood and its secret world of friendship, longing, and betrayal. By turns disquieting, humorous, compassionate, haunting and mordant, Cat's Eye is vintage Atwood.

Dearly Margaret Atwood, 2020-11-10 A new book of poetry from internationally acclaimed, award-winning and bestselling author Margaret Atwood In Dearly, Margaret Atwood's first collection of poetry in over a decade, Atwood addresses themes such as love, loss, the passage of time, the nature of nature and - zombies. Her new poetry is introspective and personal in tone, but wide-ranging in topic. In poem after poem, she casts her unique imagination and unyielding, observant eye over the landscape of a life carefully and intuitively lived. While many are familiar with Margaret Atwood's fiction—including her groundbreaking and bestselling novels *The Handmaid's Tale*, *The Testaments*, *Oryx and Crake*, among others—she has, from the beginning of her career, been one of our most significant contemporary poets. And she is one of the very few writers

equally accomplished in fiction and poetry. This collection is a stunning achievement that will be appreciated by fans of her novels and poetry readers alike.

Margaret Atwood Reingard M. Nischik, 2000 Novelist, poet, cultural critic, Margaret Atwood is one of the most fascinating, versatile, and productive authors of our time, a superb writer in any genre she chooses to tackle. This book was prepared on the occasion of Atwood's sixtieth birthday in November 1999. Its first aim is therefore to take stock of Atwood's multifarious works and international impact at the height of her creative powers.

Secondly, the book serves as a wide-ranging introduction to the writer and her works. Fifteen informative articles written specifically for this volume by Atwood specialists from Canada, the USA, the UK, Germany, and France treat her life and status, her works (up-to-date survey articles on Atwood's novels, short fiction, poetry, and literary and cultural criticism), and important approaches to her works (from the standpoints of gender politics, mythology, ecology, popular culture, constructivism, and Canadian nationalism). A final section on creativity, transmission, and reception includes an interview with Atwood on creativity, statements by some of Atwood's important transmitters, including publishers, editors, literary agents, and translators, and some 15 statements by Atwood's fellow writers, in which they explore her importance for them. A number of photographs of Atwood, several cartoons drawn by her, an up-to-date bibliography of works by and about Atwood, and an index round out the volume. Reingard M. Nischik is Professor of American literature at the University of Konstanz, Germany.
