

Mikhail Gorbachev.jpg

Michel Tatu

Conversations with Gorbachev Mikhail Gorbachev, Zdenek Mlynar, 2012-08-14 Mikhail Gorbachev and Zdenek Mlynar were friends for half a century, since they first crossed paths as students in 1950. Although one was a Russian and the other a Czech, they were both ardent supporters of communism and socialism. One took part in laying the groundwork for and carrying out the Prague spring; the other opened a new political era in Soviet world politics. In 1993 they decided that their conversations might be of interest to others and so they began to tape-record them. This book is the product of that “thinking out loud” process. It is an absorbing record of two friends trying to explain to one another their views on the problems and events that determined their destinies. From reminiscences of their starry-eyed university days to reflections on the use of force to “save socialism” to contemplation of the end of the cold war, here is a far more candid picture of Gorbachev than we have ever seen before.

The Picture Life of Mikhail Gorbachev Janet Hillier Caulkins, 1985-01-01 An illustrated biography of the leader of the Soviet Union, including a chronology of important dates in his life and a glossary of political words.

Mikhail Gorbachev George Sullivan, 1988 A biography of the Soviet leader, emphasizing his rise to power and his role in forming the present openness of the Soviet Union to the West.

Mikhail Gorbachev and the End of Soviet Power John Miller, 2016-07-27 One of the first studies of the full career of M S Gorbachev as Soviet leader, this book traces his seven-year struggle to reform the Soviet system and his failure to preserve it. Mr Miller analyses characteristics of Gorbachev that puzzled the West - his reformist gradualism, his relationship to the Communist party, his attitudes to communism, revolution, democracy and nationalism - and explores their role in the collapse of Soviet power.

Gorbachev: His Life and Times William Taubman, 2017-09-05 A National Book Critics Circle Award Finalist “Essential reading for the twenty-first [century].” —Radhika Jones, The New York Times Book Review In the first comprehensive biography of Mikhail Gorbachev, William Taubman shows how a peasant boy clambered to the top of a system designed to keep people like him down, found common ground with America’s arch-conservative president Ronald Reagan, and permitted the USSR and its East European empire to break apart without using force to preserve them. Drawing on interviews with Gorbachev himself, transcripts and documents from the Russian archives, and interviews with Kremlin aides and adversaries, Taubman’s intensely personal portrait extends to Gorbachev’s remarkable marriage to a woman he deeply loved. Nuanced and poignant, yet unsparing and honest, this sweeping account has all the amplitude of a great Russian novel.

Gorbachev Mikhail Gorbachev, 1999-10-20 The last president of the Soviet Union discusses Communism, the Cold War, and bringing democracy to Russia in this sweeping political memoir. Drawing on his own experience and rich archival material, Mikhail Gorbachev shares his illuminating perspective on Russia's past, present, and future place in the world. Beginning with the October Revolution of 1917, he notes how much Vladimir Lenin and the Bolshevik Party did to modernize Russia. While he argues that the Soviet Union had a positive influence on social policy in the West, Gorbachev maintains that this positive development was cut short by Stalinist totalitarianism. Discussing the fall of the USSR in depth, Gorbachev examines the goals of perestroika, awakening ethnic tensions, the inability of democrats to unite, and his own attempts to preserve the union through reform. In retracing those fateful days, he explains the origins of Russia's present crisis. He then lays out a blueprint for Russia’s future, charting a path toward meaningful economic and political reforms. He also presents possible resolutions to a number of international dilemmas, including NATO expansion, the role of the UN, the fate of nuclear weapons, and environmental problems

Gorbachev Mikhail Sergeevich Gorbachev, 2000 Drawing on his own experience, rich archival material, and a keen sense of history and politics, Mikhail Gorbachev offers his rare perspective on a range of subjects concerning Russia's past, present, and future place in the world--including the October Revolution, the Cold War, and key figures such as Lenin, Stalin, and Yeltsin.

Mikhail Gorbachev: The Soviet Innovator ,

Memoirs Mikhail Sergeevich Gorbachev, 1996 In these long-awaited memoirs, Mikhail Gorbachev looks back on a lifetime that mirrors the fate of the Russian people. From the persecution of his family under Stalin to his first political steps, to his extraordinary rise within the Communist Party, Gorbachev recounts the events that led to his own disillusionment, without which the eventual implosion of communism would not have taken place. He casts an equally sharp eye on the policies of both past communist governments and present-day reformers.--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. All Rights Reserved

Gorbachev and Glasnost Isaac J. Tarasulo, 1989 Thirty-three articles translated from Russian newspapers and magazines published in 1987 and 1988; twenty articles translated by the editor.

Mikhail S. Gorbachev Strobe Talbott, Donald Morrison, 1988 A biography detailing how Gorbachev rises through the ranks of the Communist Party and becomes the leader of the Soviet Union.

Mikhail Gorbachev, the Soviet Innovator Steven Otfinoski, 1989

Listen to reason - War no more! Michail Gorbatschow, 2017-02-07 Mikhail Sergeyevich Gorbachev is one of the most important political figures of the 20th century. It was his courage that overcame the greatest threat to humanity at the time: the nuclear arms race and a possible nuclear war in Europe. What does the now 85-year-old have to tell us today in the 21st century? What can the world learn from him? How can we move from his new thinking to new acting?

Mikhail Gorbachev Thomas Butson, 1988-09 When Mikhail Gorbachev became general secretary of the Communist party and leader of the Soviet Union in 1985, many international observers heralded the beginning of a new era in Soviet government.

The Secret Diary of Mikhail Gorbachev Frye Gaillard, Billy O. Wireman, 2022-06-12

Mikhail Gorbachev Addresses the United Nations Mikhail Sergeevich Gorbachev, 1989

My Six Years with Gorbachev Anatoly C. Chernyaev, Anatoly S. Chernyaev, 2012-03-30 Drawing on his own diary as well as secret documents and transcripts of high-level

meetings, Anatoly Chernyaev recounts the drama that swept the Soviet Union between 1985 and 1991. As Gorbachev's chief foreign policy aide for most of that period, he played a central role in efforts to halt the arms race, discard a confrontational ideology, and open his country to the world. And as Gorbachev's confidant on many domestic issues as well, Chernyaev offers rare insights into the struggle over glasnost, the growth of separatism, and the rise of Boris Yeltsin. While admiring of perestroika's founder, Chernyaev is frank in faulting Gorbachev for his hesitancy in economic reforms, for his delay in decentralizing Union-republic ties, and above all for his misplaced faith in the reformability of the Communist Party. Altogether this book is essential reading for those interested in the Cold War's end, the USSR's collapse, and especially the role played by ideas, ambitions, and key personalities in these momentous events.

Final Days Andrei S. Grachev, 2019-03-11 As press secretary to Mikhail Gorbachev, Andrei Grachev witnessed and recorded many events unobserved by the general public. In this engaging and compelling book, he recounts these episodes in vivid detail, interpreting them in the context of the time. Highlighted are top-level meetings with Western leaders; State Council debates on a new treaty of union (promising, until Gorbachev and Yeltsin sparred over Russia's policy toward the Chechen republic); and Gorbachev's private talks with leading members of government, business, and religious and cultural circles from around the world.

Mikhail Gorbachev Michel Tatu, 1991 Both a detailed biography and an analysis of Gorbachev's goals and policies through 1990.

Gorbachev Gail Sheehy, 1991
