*Kasher in the Rye* Moshe Kasher, 2012-03-28 "The finest, most moving and powerful memoir I have ever read."—MAYIM BIALIK

Rising young comedian Moshe Kasher is lucky to be alive. He started using drugs when he was just 12. At that point, he had already been in psychoanalysis for 8 years. By the time he was 15, he had been in and out of several mental institutions, drifting from therapy to rehab to arrest to...you get the picture. But *Kasher in the Rye* is not an eye opener to the horrors of addiction. It's a hilarious memoir about the absurdity of it all. When he was a young boy, Kasher's mother took him on a vacation to the West Coast. Well it was more like an abduction. Only not officially. She stole them away from their father and they moved to Oakland, California. That's where the real fun begins, in the war zone of Oakland Public Schools. He was more than just out of control-his mother walked him around on a leash, which he chewed through and ran away. Brutally honest and laugh-out-loud funny, Kasher's first literary endeavor finds humor in even the most horrifying situations.

**Bay Area Stand-Up Comedy: A Humorous History** Nina G and OJ Patterson, 2022-02

Comedians of the San Francisco Bay Area changed comedy forever. From visiting acts like Richard Pryor, Steve Martin and Whoopi Goldberg to local favorites who still maintain their following and legacy, the Bay Area has long been a place for comedians to develop their voice and hone their stand-up skills. Popular spots included Cobb's, the Purple Onion, Brainwash, and the holy grail of San Francisco comedy during the 1980s boom, the Holy City Zoo. For over seventy years, these iconic venues and others fostered talent like Ali Wong, Moshe Kasher and the Smothers Brothers, introducing them to local crowds and the world beyond. Join comedians Nina G and OJ Patterson on a hilarious and thoughtful tour through the history of Bay Area comedy.

Ku,2019-07-31 At the start of the twenty-first century challenges to the global hegemony of U.S. culture are more apparent than ever. Two of the contenders vying for the hearts, minds, bandwidths, and pocketbooks of the world's consumers of culture (principally, popular culture) are India and South Korea. "Bollywood" and "Hallyu" are increasingly competing with "Hollywood"—either replacing it or filling a void in places where it never held sway. This critical multidisciplinary anthology places the mediascapes of India (the site of Bollywood), South Korea (fountainhead of Hallyu, aka the Korean Wave), and the United States (the site of Hollywood) in comparative dialogue to explore the transnational flows of technology, capital, and labor. It asks what sorts of political and economic shifts have occurred to make India and South Korea important alternative nodes of technological production, consumption, and contestation. By adopting comparative perspectives and mobile methodologies and linking popular culture to the industries that produce it as well as the industries it supports, *Pop Empires* connects films, music, television serials, stardom, and fandom to nation-building, diasporic identity formation, and transnational capital and labor. Additionally, via the juxtaposition of Bollywood and Hallyu, as not only synecdoches of national affiliation but also discursive case studies, the contributors examine how popular culture intersects with race, gender, and empire in relation to the global movement of peoples, goods, and ideas.

**Banksy: Completed** Carol Diehl,2021-10-26 There's more to Banksy than the painting on the wall: the first in-depth investigation into the mysteries of the world's most famous living artist. Banksy is the world's most famous living artist, yet no one knows who he is. For more than twenty years, his wryly political and darkly humorous spray paintings have appeared mysteriously on urban walls around the globe, generating headlines and

controversy. Art critics disdain him, but the public (and the art market) love him. With this generously illustrated book, artist and critic Carol Diehl is the first author to probe the depths of the Banksy mystery. Through her exploration of his paintings, installations, writings, and Academy Award-nominated film, *Exit through the Gift Shop*, Diehl proves unequivocally that there's more to Banksy than the painting on the wall. Seeing Banksy as the ultimate provocateur, Diehl investigates the dramas that unfold after his works are discovered, with all of their social, economic, and political implications. She reveals how this trickster rattles the system, whether during his month-long 2013 self-styled New York residency or his notorious Dismaland of 2015, a full-scale dystopian family theme park unsuitable for children dedicated to the failure of capitalism. Banksy's work, Diehl shows, is a synthesis of conceptual art, social commentary, and political protest, played out not in museums but where it can have the most effect--on the street, in the real world. The questions Banksy raises about the uses of public and private property, the role of the global corporatocracy, the never-ending wars, and the gap between artworks as luxury goods and as vehicles of social expression, have never been more relevant.

**Grand** Sara Schaefer, 2021-05-25 When Sara Schaefer is in first grade, her father warns to always tell the truth because one lie leads to another and soon you will find yourself in a hole you can't escape. A few years later, the Schaefer family is completely upended when it's revealed that their grand life is based on a lie. Her parents become pariahs in their upper middle class community and go from non-religious people to devout church members. The idea of good and evil as binary, opposed forces is drilled into Sara and it becomes the perfect framework on which to build her anxiety and increasingly-obsessive thoughts. The year she turns forty, Sara decides to take each member of her family on a one-on-one vacation culminating with a whitewater rafting journey through the Grand Canyon with her younger sister. The

only problem: Sara is she's terrified of rafting. As they embark on this once-in-a-lifetime adventure, Sara tows her grief, impostor syndrome, and gallon-size bottle of sunscreen through the Colorado River, resulting in an unlikely epiphany at the ends of the earth.--Back cover.

**Oy! Oy! Oy! The Teacher Is a Goy** Henry

Saltzman,2020-11-12 The year is 1953 and Henry Saltzman, an Americanized Jew looking for his first job as a high school English teacher, unexpectedly finds himself confronting a roomful of intense, hyperactive ten-year-old boys in a Hasidic Brooklyn yeshiva. The assimilated Saltzman is profoundly challenged by their prejudices and fears about the world outside their close-knit religious community and vows to help them become not just good Jews, but good Americans. In the process, like any good teacher, he learns from them as well. Based on the author's own experience, this charming novel takes us inside the alien world of Hasidic Judaism with humor, warmth, and deep affection.

As Needed for Pain Dan Peres, 2020-02-11 In the vein of Mary Karr's *Lit*, Augusten Burroughs' *Dry* and Sarah Hepola's *Blackout*, *As Needed for Pain* is a raw and riveting—and often wryly funny—addiction memoir from one of New York media's most accomplished editors which explores his never-before-told story of opioid addiction and the drastic impact it had on his life and career. Dan Peres wasn't born to be a media insider. As an awkward, magic-obsessed adolescent, nothing was further from his reality than the catwalks of Paris or the hallways of glossy magazine publishers. A gifted writer and shrewd cultural observer, Peres eventually took the leap—even when it meant he had to fake a sense of belonging in a new world of famed fashion designers, celebrities, and some of media's biggest names. But he had a secret: opiates. Peres's career as an editor at *W* magazine and *Details* is well known, but little is known about his private life as a high-functioning drug addict. In *As Needed for Pain*, Peres lays bare for the first time the extent of his drug use—at one point a 60-pill-a-day habit. By turns humorous and gripping, Peres's story is a cautionary coming-of-age tale filled with unforgettable characters and breathtaking brushes with disaster. But the heart of the book is his journey from outsider to insecure insider, what it took to get him there, and how he found his way back from a killing addiction. *As Needed for Pain* offers a rare glimpse into New York media's past—a time when print magazines mattered—and a rarefied world of wealth, power, and influence. It is also a brilliant, shocking dissection of a life teetering on the edge of destruction, and what it took to pull back from the brink.

Joshua Andrew Kane, 2015-02-26 Joshua Eubanks and Paul Sims moved to Crown Heights, Brooklyn, for very different reasons. Joshua, a young black man, came with his single mother to escape the crime and despair of Bedford-Stuyvesant. Paul left his life of privilege in Long Island to study Judaism with the Hasidic Lubavitch movement. They live in two different worlds

separated by a few city blocks, but their hearts both yearn for Rachel Weissman, the daughter of a respected rabbi, who is torn between her aspiration to become a doctor and her obligation to obey the insular restrictions of her religion. As they establish lives in their respective communities, they are increasingly expected to take sides in growing tensions that would explode into the 1991 Crown Heights riots. *Joshua: A Brooklyn Tale* views four decades through three lives. Andrew Kane's novel is a love story about loneliness, a reflection on the value of community that acknowledges that it takes a village to raise a mob, a tale of public dysfunction and personal demons, and an image of the frail beauty of humanity that somehow survives.

**Life of the Party** Bert Kreischer, 2014-05-27 A collection of outrageous stories by the standup comic, TV host, and inspiration for the movie *National Lampoon's Van Wilder* Bert Kreischer doesn't know how to say no. If he did, he wouldn't have gotten himself mixed up with a group of Russian mobsters on a class trip to Moscow, earning him his nickname: The Machine. He wouldn't have wrestled with a bear or swum with sharks on national television. He wouldn't have (possibly) smoked PCP with a star of *Saturday Night Live*. And he wouldn't have been named the Number One Partier in the Nation by *Rolling Stone*, inspired the movie *National Lampoon's Van Wilder*, or performed standup to sellout crowds across the country. The stories Kreischer shares in *Life of the Party* are a guidebook on how not to grow up. From his fraternity days at Florida State University, to his rise as a standup, to his marriage and first brushes with fatherhood, Kreischer shows you a path that may not lead you to maturity or personal growth. But it will lead you to a shitload of fun.

Swimming Back to Trout River Linda Rui Feng, 2021-05-11 A "beautifully written, poignant exploration of family, art, culture, immigration...and love" (Jean Kwok, author of *Searching for Sylvie Lee* and *Girl in Translation*) set against the backdrop of China's Cultural Revolution that follows a father's quest to

reunite his family before his precocious daughter's momentous birthday, which Garth Greenwell calls "one of the most beautiful debuts I've read in years." How many times in life can we start over without losing ourselves? In the summer of 1986, in a small Chinese village, ten-year-old Junie receives a momentous letter from her parents, who had left for America years ago: her father promises to return home and collect her by her twelfth birthday. But Junie's growing determination to stay put in the idyllic countryside with her beloved grandparents threatens to derail her family's shared future. Junie doesn't know that her parents, Momo and Cassia, are newly estranged from one another in their adopted country, each holding close private tragedies and histories from the tumultuous years of their youth during China's Cultural Revolution. While Momo grapples anew with his deferred musical ambitions and dreams for Junie's future in America, Cassia finally begins to wrestle with a shocking act of brutality from years ago. For Momo to fulfill his promise, he must make one last desperate attempt to reunite all three family members before Junie's birthday—even if it means bringing painful family secrets to light. *Swimming Back to Trout River* is a "symphony of a novel" (BookPage) that weaves together the stories of Junie, Momo, Cassia, and Dawn—a talented violinist from Momo's past—while depicting their heartbreak and resilience, tenderly revealing the hope, compromises, and abiding ingenuity that make up the lives of immigrants. Feng's debut is "filled with tragedy yet touched with life-affirming passion" (Kirkus Reviews, starred review), and "Feng weaves a plot both surprising and inevitable, with not a word to spare" (Booklist, starred review).

**Conversations** Steve Reich, 2022-03-08 A surprising, enlightening series of conversations that shed new light on the music and career of "our greatest living composer" (New York Times) Steve Reich is a living legend in the world of contemporary classical music. As a leader of the minimalist movement in the 1960s, his works have become central to the

musical landscape worldwide, influencing generations of younger musicians, choreographers and visual artists. He has explored non-Western music and American vernacular music from jazz to rock, as well as groundbreaking music and video pieces. He toured the world with his own ensemble and his compositions are performed internationally by major orchestras and ensembles. Now Reich speaks with collaborators, fellow composers and musicians as well as visual artists influenced by his work to reflect on his prolific career as a composer as well as the music that inspired him and that has been inspired by him, including: David Lang Brian Eno Richard Serra Michael Gordon Michael Tilson Thomas Russell Hartenberger Robert Hurwitz Stephen Sondheim Jonny Greenwood David Harrington Elizabeth Lim-Dutton David Robertson Micaela Haslam Anne Teresa de Keersmaecker Julia Wolfe Nico Muhly Beryl Korot Colin Currie Brad Lubman Through this series of insightful, wide-ranging conversations starting from his student days to the present pandemic, we gain a compelling glimpse into the mind of “the most original musical thinker of our time” (The New Yorker).

Stutterer Interrupted Nina G., 2019-08-06 Nina G bills herself as “The San Francisco Bay Area’s Only Female Stuttering Comedian.” On stage, she encounters the occasional heckler, but off stage she is often confronted with people’s comments toward her stuttering; listeners completing her sentences, inquiring, “Did you forget your name?” and giving unwanted advice like “slow down and breathe” are common. (As if she never thought about slowing down and breathing in her over thirty years of stuttering!) When Nina started comedy nearly ten years ago, she was the only woman in the world of stand-up who stuttered—not a surprise, since men outnumber women four to one amongst those who stutter and comedy is a male-dominated profession. Nina’s brand of comedy reflects the experience of many people with disabilities in that the problem with disability isn’t in the person with it but in a society that isn’t always accessible or inclusive.

**Off the Mic** Deborah Frances-White, Marsha Shandur, 2015-08-27 What is it to be a stand-up comedian? To be funny, solo? You have no character-role, no double-act partner, and nowhere to look but out into the darkness, with just a microphone, an audience and your imagination. This is a job without an annual appraisal; a job where you are publicly appraised every ten seconds. The results are harsh and obvious: if the audience isn't laughing, you 'died'; if they can't stop, you 'killed'. Deborah Frances-White and Marsha Shandur unpack the inner-workings of the minds of comics, sharing their secrets, insecurities and successes; their bêtes noires and their biggest fears. Featuring interviews with a host of comedians including Eddie Izzard, Moshe Kasher, Sarah Millican, Jim Jeffries, Stewart Lee, Lewis Black, Jenny Eclair, Todd Barry, Richard Herring, Marc Maron, Stephen K Amos, Rich Hall, Zoe Lyons, Marcus Brigstocke, Phill Jupitus, Gary Delaney, Mark Watson, Greg Davies and many more, this excellent book lets you in to the hearts and minds of celebrated comedians, away from the stage and off the mic.
