Crewel Intentions Hazel Blomkamp,2014 Keeping to a theme started in Crewel Twists, this book continues the concept of using non-traditional techniques and materials in crewel or Jacobean embroidery. It showcases four large projects, each with an accompanying small project similar in technique, and shows needle workers how to be creative with threads, alternative stitches and beads. Traditional techniques are explained but are extended with the use of bead embroidery, needle lace techniques, and stitches not normally used in crewel work. Many new needle lace and bead embroidery techniques are incorporated, and the book also explores weaving techniques used to create textures like twill and lace weaves, as well as patterns similar to tartan and houndstooth check. Every project is clearly explained with step-by-step instructions and lots of photographs, and the completed embroideries are once again displayed in ways that are both decorative and functional in the home. Templates of the original designs complete this magnificent source for creative embroidery.

A Wilderness of Error Errol Morris,2014-01-22 Soon to be an FX Docuseries from Emmy® Award-Winning Producer Marc Smerling (The Jinx) featuring the author Errol Morris! Academy Award-winning filmmaker Errol Morris examines one of the most notorious and mysterious murder trials of the twentieth century In this profoundly original meditation on truth and the justice system, Errol Morris—a former private detective and director of The Thin Blue Line—delves

deeply into the infamous Jeffrey MacDonald murder case. MacDonald, whose pregnant wife and two young daughters were brutally murdered in 1970, was convicted of the killings in 1979 and remains in prison today. The culmination of an investigation spanning over twenty years and a masterly reinvention of the true-crime thriller, *A Wilderness of Error* is a shocking book because it shows that everything we have been told about the case is deeply unreliable and that crucial elements of case against MacDonald are simply not true.

The Voyage of Freydis (The Vinland Viking Saga, Book 1) Tamara Goranson, 2021-07-22 The Vinland Viking Saga: Book 1 History set her fate in stone...

Her Body and Other Parties Carmen Maria Machado, 2017-10-03 Finalist for the National Book Award for Fiction "[These stories] vibrate with originality, queerness, sensuality and the strange."—Roxane Gay "In these formally brilliant and emotionally charged tales, Machado gives literal shape to women's memories and hunger and desire. I couldn't put it down."—Karen Russell In *Her Body and Other Parties*, Carmen Maria Machado blithely demolishes the arbitrary borders between psychological realism and science fiction, comedy and horror, fantasy and fabulism. While her work has earned her comparisons to Karen Russell and Kelly Link, she has a voice that is all her own. In this electric and provocative debut, Machado bends genre to shape startling narratives that map the realities of women's lives and the violence visited upon their bodies. A wife refuses her husband's entreaties to remove the green ribbon from around her neck. A woman recounts her sexual encounters as a plague slowly consumes humanity. A salesclerk in a mall makes a horrifying discovery within the seams of the store's prom dresses. One woman's surgery-induced weight loss results in an unwanted houseguest. And in the bravura novella "Especially Heinous," Machado reimagines every episode of *Law & Order: Special Victims Unit*, a show we naively assumed had shown it all, generating a phantasmagoric police procedural full of doppelgängers, ghosts, and girls with bells for eyes. Earthy and otherworldly, antic and sexy, queer and caustic, comic and deadly serious, *Her Body and Other Parties* swings from horrific violence to the most exquisite sentiment. In their explosive originality, these stories enlarge the possibilities of contemporary fiction.

Divide the Dawn Eamon Loingsigh, 2020-04-06 Members of a New York street gang struggle to feed their families, while a prophecy augurs doom. A dark adventure into 1919 Brooklyn. When World War I ends and the industrial waterfront takes an economic dive, an influenza sweeps through the old shacks and tenements. After a snowstorm arrives, an ancient prophecy resurfaces in the old Irishtown section. Gang wars and blood feuds erupt. Big business violently collides with unions and a police officer disappears, all while the Italian Black Hand gropes northward where the Irish White Hand has long controlled the labor racket. Worst of all, dead men appear after the storm to haunt and divide Irishtown and the White Hand gang that protects it. The sweep of events that alter their lives had been foretold by the aging survivors of the Great Hunger (Irish potato famine). Now a cataclysmic event is prophesied to be coming that will see a hero ascend like the rising of the moon. The characters' surnames and bloodlines are branches that stretch through our own family trees and into this tale that careens from the old world to the new. Their hopes, passions, promises and pledges teeter in this volatile world. And when they peer into a looking-glass, the city is always in the reflection.

Magic Touch Bert Krak,Alexis Ross,2021-06 Artist Alexis Ross along with Tattooist Bert Krak created a special installation as part of the massive Beyond The Streets exhibition. Alexis Ross designed and art directed the installation, described on-site as follows: Magic Touch is the name of this artistic expression celebrating the creative follies of Canarsie homeowners from the late 20th century - a sort of shade-tree tattoo parlor that might exist on your cousin Carmine's back porch from a time when Cadillac was king and you picked your tattoo design off the wall. Krak's real world business, Smith Street Tattoo Parlour supplied the magnetism, world-wide notoriety and talented tattooists. They made a splash on-site as they mugged with fans and tattooed real life flesh and blood right from flash on the wall. Known as a standard bearer of neo-classical tattoo, Bert Krak draws enthusiasts of the style from near and far, and Magic Touch provides a cross section of the scene. This book documents hundreds of tattoos inscribed on site, 50 pages of tattoo flash art and atmospheric shots from the installation itself. Includes 24 page mini booklet.

The Lincoln Highway Amor Towles,2021-10-05 #1 NEW YORK TIMES BESTSELLER More than ONE MILLION copies sold A TODAY Show Read with Jenna Book Club Pick A New York Times Notable Book, and Chosen by Oprah Daily, Time, NPR, The Washington Post, Bill Gates and Barack Obama as a Best Book of the Year "Wise and wildly entertaining . . . permeated with light, wit, youth." -The New York Times Book Review "A classic that we will read for years to come." -Jenna Bush Hager, Read with Jenna book club "Fantastic. Set in 1954, Towles uses the story of two brothers to show that our personal journeys are never as linear or predictable as we might hope." -Bill Gates "A real joyride . . . elegantly constructed and compulsively readable." -NPR The bestselling author of A Gentleman in Moscow and Rules of Civility and master of absorbing, sophisticated fiction returns with a stylish and propulsive novel set in 1950s America In June, 1954, eighteen-year-old Emmett Watson is driven home to Nebraska by the warden of the juvenile work farm where he has just served fifteen months for involuntary manslaughter. His mother long gone, his father recently deceased, and the family farm foreclosed upon by the bank, Emmett's intention is to pick up his eight-year-old brother, Billy, and head to California where they can start their lives anew. But when the warden drives away, Emmett discovers that two friends from the work farm have hidden themselves in the trunk of the warden's car. Together, they have hatched an altogether different plan for Emmett's future, one that will take them all on a fateful journey in the opposite direction-to the City of New York. Spanning just ten days and told from multiple points of view, Towles's third novel will satisfy fans of his multi-layered literary styling while providing them an array of new and richly imagined settings, characters, and themes. "Once again, I was wowed by

Towles's writing—especially because *The Lincoln Highway* is so different from *A Gentleman in Moscow* in terms of setting, plot, and themes. Towles is not a one-trick pony. Like all the best storytellers, he has range. He takes inspiration from famous hero's journeys, including *The Iliad*, *The Odyssey*, *Hamlet*, *Huckleberry Finn*, and *Of Mice and Men*. He seems to be saying that our personal journeys are never as linear or predictable as an interstate highway. But, he suggests, when something (or someone) tries to steer us off course, it is possible to take the wheel." – Bill Gates

Pegging the President Michael Moorcock, 2018-03 In the 1960s Jerry Cornelius was the coolest assassin on the Ladbroke Grove block. By the 1970s *The Condition of Muzak* had won the Guardian Fiction Prize and *The Final Programme* was a feature film starring Jon Finch, Jenny Runacre, Hugh Griffith and Sterling Hayden. In the 1980s the world's first cyberpunk continued to inspire a generation of writers including William Gibson, Alan Moore, Neil Gaiman, and bands like the Human League. By the 1990s he was up and running towards the guns again in stories like *The Spencer Inheritance*, *The Camus Referendum* and *Cheering for the Rockets*, which dealt with the icons and key events of the day. At turn of the millennium, in *Firing the Cathedral*, he responded to the attacks on America of September 2001 and their consequences, to the realities of global warming and global terrorism. Now, in *Pegging the President*, Jerry Cornelius is back; the ambiguous, amoral, androgynous English Assassin, cooler, sharper, his fingers still firmly on the pulse of the twenty-first century, counting names and taking heads, showing once again that colonialism and despotism the roots of empire gone sour do not change. The apocalypse has never seemed more terrifying, never been more fun, and modern life will never feel the same to you again -- Provided by the publisher.
