Comedy Sex God Pete Holmes, 2019-05-14 Part autobiography, part philosophical inquiry, and part spiritual quest, *Comedy Sex God* is a hilarious, profound, and enlightening romp around the fertile mind of stand-up stand-out, podcast king, and HBO superstar Pete Holmes. Pete Holmes is a sold-out-every-night stand-up comedian with two HBO specials and the host of the hugely successful podcast *You Made It Weird*, and he was the creator-star of the hit HBO show *Crashing*. But it wasn't always roses for Pete. Growing up, Pete was raised an evangelical Christian, but his religion taught him that being "bad"—smoking, drinking, having doubts or premarital sex—would get him sent to an eternity in hell. So, terrified of the God he loved, Pete devoted his life to being "good," even marrying his first girlfriend at the age of twenty-two only to discover a few years later he was being cheated on. Thanks for nothing, God. Pete's failed attempt at a picture-perfect life forced him to reexamine his beliefs, but neither atheism, nor Christianity, nor copious bottles of Yellow Tail led him to enlightenment. Pete longed for a model of faith that served him and his newfound uncertainties about the universe, so he embarked on a soul-seeking journey that continues to this day. Through encounters with mind-altering substances, honing his craft in front of thousands of his comedy fans, and spending time with savants like Ram Dass, Pete forged a new life—both spiritually and personally. Beautifully written and often completely hilarious—imagine Dass's *Be Here Now* if penned by

one of the funniest people alive—Comedy Sex God reveals a man at the top of his game and a seeker in search of the deeper meanings of life, love, and comedy.

You Are Awesome Neil Pasricha, 2019-11-05 #1 international bestseller Publishers Weekly bestseller The Globe and Mail (Toronto) The Toronto Star bestseller The Vancouver Sun bestseller From Neil Pasricha—New York Times, million-copy bestselling author of The Book of Awesome series and The Happiness Equation, thought leader for the next generation, and one of the most popular TED speakers in the world—comes a revelatory and inspiring book that will change the way we view failure and help us build resilience. We are lucky. For most of us, famine, plague, economic depression, and other life-threatening catastrophes are the stuff of history books. We're living in an era with the highest-ever rates of longevity, education, and wealth. Cars drive us home as our phones entertain us before we arrive to food delivered to the front door. We have it all! But there's just one side effect. We no longer have the tools to handle failure...or even perceived failure. When we fall, we lie on the sidewalk crying. When we spill, we splatter. When we crack, we shatter. We are turning into an army of porcelain dolls. A rude email from the boss means calling in sick. Only two likes on our post means we don't have friends. Cell phones show us we're never good enough. Yesterday's butterflies are tomorrow's panic attacks. Record numbers of students have clinical anxiety. And what about depression, loneliness, and suicide? All rising!

What do we desperately need to learn? RESILIENCE. And we need to learn it fast. Read You Are Awesome to learn: • The single word that keeps your options open after failure • What every commencement speech gets wrong • 3 ways to dramatically accelerate your ability to learn and adapt • The 2-minute morning practice that helps eliminate worry • Why you need an Untouchable Day (and how to get one) • and much, much more... Because the truth is, you really are awesome.

The Fasting Journey Peter R. Holmes, 2009-09-01 Holmes discusses the biblical aspect of fasting from Old Testament Scriptures to the practice of the early church.

Egghead Bo Burnham, 2013-10-01 A strange and charming collection of hilariously absurd poetry, writing, and illustration from one of today's most popular young comedians... EGGHEAD: Or, You Can't Survive on Ideas Alone Bo Burnham was a precocious teenager living in his parents' attic when he started posting material on YouTube. 100 million people viewed those videos, turning Bo into an online sensation with a huge and dedicated following. Bo taped his first of two Comedy Central specials four days after his 18th birthday, making him the youngest to do so in the channel's history. Now Bo is a rising star in the comedy world, revered for his utterly original and intelligent voice. And, he can SIIIIIIIIING! In EGGHEAD, Bo brings his brand of brainy, emotional comedy to the page in the form of off-kilter poems, thoughts, and more. Teaming up with his longtime friend, artist, and illustrator Chance Bone, Bo takes on everything from death to farts

in this weird book that will make you think, laugh and think, why did I just laugh?

Masturbation! Pete Holmes, 2017-11-14 In this book we discuss whether masturbation is a sin or not and what the Bible says about masturbation. The first edition was downloaded thousands of times on various sites. Though people who downloaded never left a review, the people who didn't download, always left a 1 star review (reviews that aren't verified). The Universal Christ Richard Rohr, 2019-03-05 NEW YORK TIMES BESTSELLER • From one of the world's most influential spiritual thinkers, a long-awaited book exploring what it means that Jesus was called "Christ," and how this forgotten truth can restore hope and meaning to our lives. "Anyone who strives to put their faith into action will find encouragement and inspiration in the pages of this book."—Melinda Gates In his decades as a globally recognized teacher, Richard Rohr has helped millions realize what is at stake in matters of faith and spirituality. Yet Rohr has never written on the most perennially talked about topic in Christianity: Jesus. Most know who Jesus

was, but who was Christ? Is the word simply Jesus's last name? Too often, Rohr writes, our understandings have been limited by culture, religious debate, and the human tendency to put ourselves at the center. Drawing on scripture, history, and spiritual practice, Rohr articulates a transformative view of Jesus Christ as a portrait of God's constant, unfolding work in the world. "God loves things by becoming them," he writes, and Jesus's life was meant to declare that humanity has never been separate from God—except by its own negative choice. When we recover this fundamental truth, faith becomes less about proving Jesus was God, and more about learning to recognize the Creator's presence all around us, and in everyone we meet. Thought-provoking, practical, and full of deep hope and vision, *The Universal Christ* is a landmark book from one of our most beloved spiritual writers, and an invitation to contemplate how God liberates and loves all that is.

Bomb Shelter Mary Laura Philpott, 2023-04-04 A ... memoir-in-essays that tackles the big questions of life, death, and existential fear with humor and hope--

Nonsense Jamie Holmes, 2016-10-11 An illuminating look at the surprising upside of ambiguity—and how, properly harnessed, it can inspire learning, creativity, even empathy Life today feels more overwhelming and chaotic than ever. Whether it's a confounding work problem or a faltering relationship or an unclear medical diagnosis, we face constant uncertainty. And we're continually bombarded with information, much of it

contradictory. Managing ambiguity—in our jobs, our relationships, and daily lives—is quickly becoming an essential skill. Yet most of us don't know where to begin. As Jamie Holmes shows in *Nonsense*, being confused is unpleasant, so we tend to shutter our minds as we grasp for meaning and stability, especially in stressful circumstances. We're hard-wired to resolve contradictions quickly and extinguish anomalies. This can be useful, of course. When a tiger is chasing you, you can't be indecisive. But as *Nonsense* reveals, our need for closure has its own dangers. It makes us stick to our first answer, which is not always the best, and it makes us search for meaning in the wrong places. When we latch onto fast and easy truths, we lose a vital opportunity to learn something new, solve a hard problem, or see the world from another perspective. In other words, confusion—that uncomfortable mental place—has a hidden upside. We just need to know how to use it. This lively and original book points the way. Over the last few years, new insights from social psychology and cognitive science have deepened our understanding of the role of ambiguity in our lives and Holmes brings this research together for the first time, showing how we can use uncertainty to our advantage. Filled with illuminating stories—from spy games and doomsday cults to Absolut Vodka's ad campaign and the creation of Mad Libs—*Nonsense* promises to transform the way we conduct business, educate our children, and make decisions. In an increasingly unpredictable, complex world, it turns out that what matters most isn't IQ, willpower, or confidence in what we

know. It's how we deal with what we don't understand.

Kate Middleton and Meghan Markle are global style icons, their every fashion choice chronicled and celebrated. With all eyes on them, the duchesses select clothes that send a message about their values, interests, and priorities. Their thoughtful sartorial strategies follow in the footsteps of Queen Elizabeth II and Diana, Princess of Wales, two towering figures known for using their personal style to great acclaim. I Might Regret This Abbi Jacobson, 2018-10-30 A NEW YORK TIMES BESTSELLER From the co-creator and co-star of the hit series *Broad City*, a hilarious and poignant collection about love, loss, work, comedy and figuring out who you really are when you thought you already knew. When Abbi Jacobson announced to friends and acquaintances that she planned to drive across the country alone, she was met with lots of questions and opinions: Why wasn't she going with friends? Wouldn't it be incredibly lonely? The North route is better! Was it safe for a woman? The Southern route is the way

to go! You should bring mace! And a common one . . . why? But Abbi had always found comfort in solitude, and needed space to step back and hit the reset button. As she spent time in each city and town on her way to Los Angeles, she mulled over the big questions - What do I really want? What is the worst possible scenario in which I could run into my ex? How has the decision to wear my shirts tucked in been pivotal in my adulthood? In this collection of anecdotes, observations and reflections - all told in the sharp, wildly funny and relatable voice that has endeared Abbi to critics and fans alike - readers will feel like they're in the passenger seat on a fun and, ultimately, inspiring journey. With some original illustrations by the author.

Riding With Giants Peter Holmes a Court, 2020-01-21 In 2011, international businessman Peter Holmes Court left the executive world and found himself living deep in rural France with only his seven-year-old twin girls for company. Peter was struggling as a single father in a foreign country - unsettled by the sudden move away from a traditional job, and completely baffled by the society around him. His only plan - to ride L'Etape du Tour, the challenging amateur leg of the Tour de France. In an effort to find some new friends in the community - and a bike for the race - he discovered the region's small bicycle factory. He was soon spending his days there - photographing his custom bike being built, meeting the locals, and learning about the rich traditions of artisan craftsmanship. Trying to

enjoy the simple things and become a better father, Peter slowed down, and started to reflect seriously on history, industry and the structure of our modern economy. He and his daughters finally began to put down roots and understand the beauty and calm of a small-scale existence - and a very different approach to excellence and the well-lived life. This is one man's compelling, informative and funny story about the wisdom of children, the nature of work today, and the science of bicycles.

The Finisher Peter Lovesey, 2020 On the 50th anniversary of the publication of his first novel, Peter Lovesey, Mystery Writers of America Grand Master and titan of the British detective novel, returns to the subject of his very first mystery--running. Through a particularly tragic series of events, couch potato Maeve Kelly, an elementary school teacher whose mother always assured her curvy girls shouldn't waste their time trying to be fit, has been forced to sign up for the Other Half, Bath's springtime half-marathon. The training is brutal, but she must disprove her mother and collect pledges for her aunt's beloved charity. What Maeve doesn't know is just how brutal some of the other runners are. As race day draws closer, an undocumented Albanian man named Spiro makes a run for freedom on the other side of town, escaping the chain gang that has held him hostage and its murderous foreman, who is known to his charges as The Finisher. The Finisher has killed for disobedience before, and Spiro knows there's a target on his back as he tries to lose himself in the genteel medieval city of Bath.

Meanwhile Detective Peter Diamond is tasked with crowd control on the raucous day of the race--and catches sight of a violent criminal he put away a decade ago, and who very much seems to be up to his old tricks now that he is paroled. Diamond's hackles are already up when he learns that one of the runners never crossed the finish line--disappeared without a trace. Was Diamond a spectator to the prelude to a murder?

The Zimzum of Love Rob Bell, Kristen Bell, 2014-10-28 As he revolutionized traditional teaching on hell in the phenomenal New York Times bestseller *Love Wins*, Rob Bell now transforms how we understand and practice marriage in *The Zimzum of Love*, co-written with his wife, Kristen. Despite the divorce statistics, people are still committing to each other, instinctively believing and hoping that theirs is a sacred union that will last forever. Yet when these couples encounter problems, they often lack the resources that keep them connected to this greater mystery surrounding marriage. Rob and Kristen Bell introduce a startling new way of looking at marriage, *The Zimzum of Love*. Zimzum is a Hebrew term where God, in order to have a relationship with the world, contracts, creating space for the creation to exist. In marriage, zimzum is the dynamic energy field between two partners, in which each person contracts to allow the other to flourish. Mastering this field, this give and take of energy, is the secret to what makes marriage flourish. Rob and Kristen Bell are brutally honest about their own struggles, their ups and downs, as together they pass along what matters most for

couples. In this wise book, they explore the secret of what makes a happy union—probing the mystery at the heart of the extraordinary emotional connection that binds two people. With his down-to-earth charm, a dose of whimsy, and memorable stories, Rob, writing with his wife Kristen, changes how we consider marriage, providing insight that can help all of us create satisfying and sacred unions of our own.
