The Dukhang was redecorated in 1970 with paintings depicting guardian divinities, and symbolism varying from the benign to wrathful to serene. The Tibetan Buddhist attitude to spiritual art is that is has an inherent power to help the viewer come to self-realisation by inviting contemplation of those aspects of our being which usually remain hidden. Our journal covers pay homage to the Tibetan love of exuberant decoration with the signature turquoise blue and coral red colors exquisitely embellished with gold. These midi traveller journals ribbon page markers, memento pouches and an elastic end-leaf enclosure.
