In this part memoir, part 'how to act' manual, Steven Toast draws on his vast and varied experiences, providing the reader with an invaluable insight into his journey from school plays to RADA, and from 'It's a Right Royal Knockout' to the Colony Club. Along the way, he reveals the secrets of his success. He discloses how to brush up on and expand your technical and vocal skills, how to nail a professional voiceover, and how to deal with difficult work experience staff in a recording studio. He also reveals the dangers of typecasting, describes the often ruthless struggle for 'top billing', and shares many awesome nuggets of advice. The end result is a book that will inspire and educate anyone who wants to tread the floorboards. It will also inform (and entertain) anybody who simply wants to discover what a jobbing actor's life is actually like.

Practical Language Testing Glenn Fulcher, 2013-11-26 Practical Language Testing equips you with the skills, knowledge and principles necessary to understand and construct language tests. This intensely practical book gives guidelines on the design of assessments within the classroom, and provides the necessary tools to analyse and improve assessments, as well as deal with alignment to externally imposed standards. Testing is situated both within the classroom and within the larger social context, and readers are provided the knowledge necessary to make realistic and fair decisions about the use and implementation of tests. The book explains the normative role of large scale testing and provides alternatives that the reader can adapt to their own context. This fulfils the dual purpose of providing the reader with the knowledge they need to prepare learners for tests, and the practical skills for using assessment for learning. Practical Language Testing is the ideal introduction for students of applied linguistics, TESOL and modern foreign language teaching as well as practicing teachers required to design or implement language testing programmes. The book is supported by frequently updated online resources at <http://language-testing.info/> including sets of scenarios providing resources to study aviation English assessment, call centre assessment, military language assessment, and medical language assessment. The materials can be used to structure debates and seminars, with pre-reading and video activities. Practical Language Testing was commended as a 2012 runner-up of the prestigious SAGE/ILTA Award for Best Book on Language Testing.

The creation of cartoonist and stand-up comic Mo Welch, Blair is the awkward, self-deprecating, totally relatable anti-heroine who already has 65,000 followers on Instagram and an animated show on TBS Digital. Now Blair is the face, the voice, and the attitude of *How to Die Alone*, the perfect self-help book for not helping yourself—and a funny, irreverent gift for millennials struggling to “adult.” Forget winning friends and influencing people—here's advice on how to win the Worst Friend Award instead, including: Always be late, never offer to drive (anywhere), and treat your friend's kitchen like an open bar. Plus the ins and outs of terrible dates, permission to eat cookies instead of going to the gym, and how to treat your job like the inconvenience that it is. It's the genuinely funny, tongue-in-cheek guide to just saying no.

Disoriental Négar Djavadi, 2018-05-01 National Book Award Finalist: “A multigenerational epic of the Sadr family's life in Iran and their eventual exile . . . Full of surprises” (The Globe and Mail). Winner of the 2019 Albertine Prize and Lambda Literary Award Kimiâ Sadr fled Iran at the age of ten in the company of her mother and sisters to join her father in France. Now twenty-five and facing the future she has built for herself, as well as the prospect of a new generation, Kimiâ is inundated by her own memories and the stories of her ancestors, which come to her in unstoppable, uncontrollable waves. In the waiting room of a Parisian fertility clinic, generations of flamboyant Sadrs return to her, including her formidable great-grandfather Montazemolmolk, with his harem of fifty-two wives, and her parents, Darius and Sara, stalwart opponents of each regime that befalls them. It is Kimiâ herself—punk-rock aficionado, storyteller extraordinaire, a Scheherazade of our time, and above all a modern woman divided between family traditions and her own “disorientalization”—who forms the heart of this bestselling and beloved novel, recipient of numerous literary honors. “Where initially *Disoriental* seems focused on Kimiâ's father and his pro-democracy activism—first against the Shah, then the Ayatollah Khomeini—this is truly Kimiâ's story of disorientation—national, familial and sexual—and finding herself again.” —The Globe and Mail “A tour de force of storytelling . . . Djavadi deftly weaves together the history of 20th-century Iran [and] the spellbinding chronicle of her own ancestors. . . . Perfectly blends historical fact with contemporary themes.” —Library Journal “Riveting . . . Djavadi is an immensely gifted storyteller, and Kimiâ's tale is especially compelling.” —Booklist (starred review) “A wonder and a pleasure to read.” —Rivka Galchen, author of *Atmospheric Disturbances* WINNER 2019 ALBERTINE PRIZE WINNER 2019 LAMBDA LITERARY AWARD FINALIST 2018 NATIONAL BOOK AWARD FINALIST 2019 CLMP FIRECRACKER AWARD FINALIST 2019 BEST TRANSLATED BOOK AWARD WINNER LE PRIX DU ROMAN NEWS WINNER STYLE PRIZE WINNER 2016 LIRE BEST DEBUT NOVEL WINNER LA PORTE DORÉE PRIZE ONE OF THE GLOBE & MAIL'S BEST BOOKS OF 2018

The Death of an Heir Philip Jett, 2017-09-26 The Death of an Heir is Philip Jett's chilling true account of the Coors family's gilded American dream that turned into a nightmare when a meticulously plotted kidnapping went horribly wrong. In the 1950s and 60s, the Coors dynasty reigned over Golden, Colorado, seemingly invincible. When rumblings about labor unions threatened to destabilize the family's brewery, Adolph Coors, Jr., the septuagenarian president of the company, drew a hard line, refusing to budge. They had worked hard for what they had, and no one had a right to take it from them. What they'd soon realize was that they had more to lose than they could have imagined. On the morning of Tuesday, February 9, 1960, Adolph "Ad" Coors III, the 44-year-old CEO of the multimillion dollar Colorado beer empire, stepped into his car and headed for the brewery twelve miles away. At a bridge he stopped to help a man in a yellow Mercury sedan. On the back seat lay handcuffs and leg irons. The glove box held a ransom note ready to be mailed. His coat pocket shielded a loaded pistol. What happened next set off the largest U.S. manhunt since the Lindbergh kidnapping. State and local authorities, along with the FBI personally spearheaded by its director J. Edgar Hoover, burst into action attempting to locate Ad and his kidnapper. The dragnet spanned a continent. All the while, Ad's grief-stricken wife and children waited, tormented by the unrelenting silence. The Death of an Heir reveals the true story behind the tragic murder of Colorado's favorite son.

Men and Apparitions Lynne Tillman, 2018-03-01 Today we live in a "glut of images." What does that mean? Men and Apparitions takes on a central question of our era through the wild musings and eventful life of Ezekiel Hooper Stark, cultural anthropologist, ethnographer, specialist in family photographs. We are the Picture People. I name us Picture People because most special and obvious about the species is, our kind lives on and for pictures, lives as and for images, our species takes pictures, makes pix, thinks in pix. What is behind the human drive to create, remake, and keep images from and of everything? What does it mean that we now live in a "glut of images?" Men and Apparitions takes on a central question of our era through the wild musings and eventful life of Ezekiel Hooper Stark, cultural anthropologist, ethnographer, specialist in family photographs. As Ezekiel progresses from a child obsessed with his family's photo albums to a young and passionate researcher to a man devastated by betrayal in love, his academic fascinations determine and reflect his course, touching on such various subjects as discarded images, pet pictures, spirit mediums, the tragic life of his long-dead cousin the semi-famous socialite Clover Adams, and the nature of contemporary masculinity. Kaleidoscopic and encyclopedic, madcap and wry, this book that showcases Lynne Tillman not only as a brilliant original novelist but also as one of our most prominent thinkers on culture and visual culture today.

Bullshit Jobs David Graeber, 2019-05-07 From bestselling writer David Graeber—"a master of opening up thought and stimulating debate" (Slate)—a powerful argument against the rise of meaningless, unfulfilling jobs...and their consequences. Does your job make a meaningful contribution to the world? In the spring of 2013, David Graeber asked this question in a playful, provocative essay titled "On the Phenomenon of Bullshit Jobs." It went viral. After one million online views in seventeen different languages, people all over the world are still debating the answer. There are hordes of people—HR consultants, communication coordinators, telemarketing researchers, corporate lawyers—whose jobs are useless, and, tragically, they know it. These people are caught in bullshit jobs. Graeber explores one of society's most vexing and deeply felt concerns, indicting among other villains a particular strain of finance capitalism that betrays ideals shared by thinkers ranging from Keynes to Lincoln. "Clever and charismatic" (The New Yorker), Bullshit Jobs gives individuals, corporations, and societies permission to undergo a shift in values, placing creative and caring work at the center of our culture. This book is for everyone who wants to turn their vocation back into an avocation and "a thought-provoking examination of our working lives" (Financial Times).

The First Crusade Edward Peters, 2011-06-03 The First Crusade received its name and shape late. To its contemporaries, the event was a journey and the men who took part in it pilgrims. Only later were those participants dubbed Crusaders—those signed with the Cross. In fact, many developments with regard to the First Crusade, like the bestowing of the cross and the elaboration of Crusaders' privileges, did not occur until the late twelfth century, almost one hundred years after the event itself. In a greatly expanded second edition, Edward Peters brings together the primary texts that document eleventh-century reform ecclesiology, the appearance of new social groups and their attitudes, the institutional and literary evidence dealing with Holy War and pilgrimage, and, most important, the firsthand experiences by men who participated in the events of 1095-1099. Peters supplements his previous work by including a considerable number of texts not available at the time of the original publication. The new material, which constitutes nearly one-third of the book, consists chiefly of materials from non-Christian sources, especially translations of documents written in Hebrew and Arabic. In addition, Peters has extensively revised and expanded the Introduction to address the most important issues of recent scholarship.

The Years Annie Ernaux, 2017-11-21 WINNER OF THE 2022 NOBEL PRIZE IN LITERATURE Shortlisted for the 2019 Man Booker International Prize Considered by many to be the iconic French memoirist's defining work and a breakout bestseller when published in France in 2008 The Years is a personal narrative of the period 1941 to 2006 told through the lens of memory, impressions past and present—even projections into the future—photos, books, songs, radio, television and decades of advertising, headlines, contrasted with intimate conflicts and writing notes from 6 decades of diaries. Local dialect, words of the times, slogans, brands and names for the ever-proliferating objects, are given voice here. The voice we recognize as the author's continually dissolves and re-emerges. Ernaux makes the passage of time palpable. Time itself, inexorable, narrates its own course, consigning all other narrators to anonymity. A new kind of autobiography emerges, at once subjective and impersonal, private and collective. On its 2008 publication in France, The Years came as a surprise. Though Ernaux had for years been hailed as a beloved, bestselling and award-winning author,

The Years was in many ways a departure: both an intimate memoir written by entire generations, and a story of generations telling a very personal story. Like the generation before hers, the narrator eschews the I for the we (or they, or one) as if collective life were inextricably intertwined with a private life that in her parents' generation ceased to exist. She writes of her parents' generation (and could be writing of her own book): From a common fund of hunger and fear, everything was told in the we and impersonal pronouns. Co-winner of the 2018 French-American Foundation Translation Prize in Nonfiction Winner of the 2017 Marguerite Yourcenar Prize for her entire body of work Winner of the 2016 Strega European Prize
