The Book of Cthulhu Ross Lockhart,2011-09-01 The Cthulhu Mythos is one of the 20th century's most singularly recognizable literary creations. Initially created by H. P. Lovecraft and a group of his amorphous contemporaries (the so-called Lovecraft Circle), The Cthulhu Mythos story cycle has taken on a convoluted, cyclopean life of its own. Some of the most prodigious writers of the 20th century, and some of the most astounding writers of the 21st century have planted their seeds in this fertile soil. The Book of Cthulhu harvests the weirdest and most corpulent crop of these modern mythos tales. From weird fiction masters to enigmatic rising stars, The Book of Cthulhu demonstrates how Mythos fiction has been a major cultural meme throughout the 20th century, and how this type of story is still salient, and terribly powerful today.

Ross Terence Rattigan,1962 A play based on the Arabian War exploits of Thomas Edward Lawrence.

Taiwan in 100 Books John Grant Ross,2020-06-11 Taiwan in 100 Books is the distillation of hundreds of titles and decades of reading into a riveting narrative of Taiwan from the early sixteenth century to the present. Long-time resident John Ross, the author of You Don't Know China and Formosan Odyssey, delves into the most acclaimed, interesting, and influential books on Taiwan, along with some personal favorites. Most entries are non-fiction works originally published in English (translated Chinese-language books will be covered in a separate upcoming title). Relive Taiwan's most dramatic historical event in Lord of Formosa and Lost Colony. Learn about the White Terror in A Pail of Oysters, Green Island, and Formosa Betrayed. Discover dated time capsule accounts such as Flight to Formosa and Taipei After Dark, and others like John Slimming's Green Plums and a Bamboo Horse that have stood the test of time. Turn the pages of obscure books such as The Jing

Affair and Dragon Hotel, undeserved best-sellers like the *The Soong Dynasty*, and some of the best academic works. Experience unique facets of life in Taiwan in *Shots from the Hip: Sex, Drugs and the Tao* and *Barbarian at the Gate: From the American Suburbs to the Taiwanese Army*. Follow authors on their quests, whether conservationists going undercover to expose the illegal wildlife trade, adoptees returning to find their biological parents, or foodies in search of the perfect beef noodle soup. *Taiwan in 100 Books* is an accessible introduction to works on the country and an enjoyable shortcut to understanding the country's history and culture. It's also a bibliophile's elixir packed with the backstories of the authors and the books themselves; there are tales of outrageous literary fraud, lost manuscripts, banned books, and publishing skulduggery.

Be Holding Ross Gay, 2020-09-08 Winner, 2021 PEN/Jean Stein Award Winner, 2021 Ohioana Book Award in Poetry Winner, 2022 Indiana Author Award in Poetry *Be Holding* is a love song to legendary basketball player Julius Erving—known as Dr. J—who dominated courts in the 1970s and '80s as a small forward for the Philadelphia '76ers. But this book-length poem is more than just an ode to a magnificent athlete. Through a kind of lyric research, or lyric meditation, Ross Gay connects Dr. J's famously impossible move from the 1980 NBA Finals against the Los Angeles Lakers to pick-up basketball and the flying Igbo and the Middle Passage, to photography and surveillance and state violence, to music and personal histories of flight and familial love. *Be Holding* wonders how the imagination, or how our looking, might make us, or bring us, closer to each other. How our looking might make us reach for each other. And might make us be reaching for each other. And how that reaching might be something like joy.

Along the way, Chin shares behind-the-scenes details about how he captured such astounding images in impossible conditions, and tells the stories of the legendary adventurers and remarkable athletes he has photographed, including Alex Honnold, the star of his Academy Award-winning documentary film *Free Solo*; ski mountaineer Kit DesLauriers; snowboarder Travis Rice; and mountaineers Conrad Anker and Yvon Chouinard. Who Was Betsy Ross? James Buckley, Jr., Who HQ, 2014-12-26 Born the eighth of seventeen children in Philadelphia, Betsy Ross lived in a time when the American colonies were yearning for independence from British rule. Ross worked as a seamstress and was eager to contribute to the cause, making tents and repairing uniforms when the colonies declared war. By 1779 she was filling cartridges for the Continental Army. Did she sew the first flag? That's up for debate, but *Who Was Betsy Ross?* tells the story of a fierce patriot who certainly helped create the flag of a new nation.

Am I a Jew? Theodore Ross, 2012-08-30 What makes someone Jewish? Theodore Ross was nine years old when he moved with his mother from New York City to the Mississippi Gulf Coast. Once there, his mother decided, for both personal and spiritual reasons, to have her family pretend not to be Jewish. He went to an Episcopal school, where he studied the New Testament, sang in the choir, and even took Communion. Later, as an adult, he wondered: Am I still Jewish? Seeking an answer, Ross traveled around the country and to Israel, visiting a wide variety of Jewish communities. From "Crypto-Jews" in New Mexico and secluded ultra-devout Orthodox towns in upstate New York to a rare Classical Reform congregation in Kansas City, Ross tries to understand himself by experiencing the diversity of Judaism. Quirky and self-aware, introspective and impassioned, *Am I a Jew?* is a story about the universal struggle to define a relationship (or lack thereof) with religion.

Doomed to Succeed Dennis Ross, 2015-10-13 Winner of the National Jewish Book Award's Gerrard and Ella Berman Memorial Award in History. A necessary and unprecedented account of America's changing relationship with Israel When it comes to Israel, U.S. policy has always emphasized the unbreakable bond between the two countries and our ironclad commitment to Israel's security. Today our ties to Israel are close—so close that when there are differences, they tend to make the news. But it was not always this way. Dennis Ross has been a direct participant in shaping U.S. policy toward the Middle East, and Israel specifically, for nearly thirty years. He served in senior roles, including as Bill Clinton's envoy for Arab-Israeli peace, and was an active player in the debates over how Israel fit into the region and what should guide our policies. In *Doomed to Succeed*, he takes us through every administration from Truman to Obama, throwing into dramatic relief each president's attitudes toward Israel and the region, the often tumultuous debates between key advisers, and the events that drove the policies and at

times led to a shift in approach. Ross points out how rarely lessons were learned and how distancing the United States from Israel in the Eisenhower, Nixon, Bush, and Obama administrations never yielded any benefits and why that lesson has never been learned. *Doomed to Succeed* offers compelling advice for how to understand the priorities of Arab leaders and how future administrations might best shape U.S. policy in that light.
