**Shooting at the Stars** John Hendrix,2014-10-07 Shooting at the Stars is the moving story of a young British soldier on the front lines during World War I who experiences an unforgettable Christmas Eve. In a letter to his mother, he describes how, despite fierce fighting earlier from both sides, Allied and German soldiers ceased firing that evening and came together on the battlefield to celebrate the holiday. They sang carols, exchanged gifts, and even lit Christmas trees. But as the holiday came to a close, they returned to their separate trenches to await orders for the war to begin again. Award-winning creator John Hendrix wonderfully brings the story of the Christmas Truce of 1914 to life with his signature style, interweaving detailed illustrations and hand-lettered text. His telling of the story celebrates the humanity that can persist during even the darkest periods of our history.

*Shooting Stars* LeBron James,2023-05-30 The inspiration for the Peacock Original Movie Shooting Stars The celebrated memoir from LeBron James - a poignant, thrilling tale of the power of teamwork to transform young lives, including his own A book that will incredibly move and inspire you.” —Jay-Z A heartwarming story of boys who became men, teammates who became brothers, players who became champions, wonderfully told through the maturing eyes of basketball's greatest star. — John Grisham Before LeBron James was an NBA superstar, he was just a kid from Akron, Ohio, who loved to play basketball on a team called the Shooting Stars. This is the story of how this motley group of ten-year-olds grew into a team and became men together - surviving the challenges of inner city America and enduring jealousy, hostility, exploitation, and the consequences of their own overconfidence in their quest to win a national championship. Shooting Stars is a poignant, thrilling tale of the power of teamwork to transform young lives.

The Shooting Star Shivya Nath,2018-09-14 Shivya Nath quit her corporate job at age twenty-three to travel the world. She gave up her home and the need for a permanent address, sold most of her possessions and embarked on a nomadic journey that has taken her everywhere from remote Himalayan villages to the Amazon rainforests of Ecuador. Along the way, she lived with an indigenous Mayan community in Guatemala, hiked alone in the Ecuadorian Andes, got mugged in Costa Rica, swam across the border from Costa Rica to Panama, slept under a meteor shower in the cracked salt desert of Gujarat and learnt to conquer her deepest fears. With its vivid descriptions, cinematic landscapes, moving encounters and uplifting adventures, The Shooting Star is a travel memoir that maps not just the world but the human spirit.

Shooting Stars David I. Zeitlin,1998 This rare gallery of impressive amateur photography by celebrities and public figures of the late 1940s through the 1960s includes shots taken by Elvis Presley, Grace Kelly, Jimmy Stewart, Dean Martin, and a wealth of others.

*Shooting Stars* Allison Rushby,2012-02-28 Everyone agrees that the paparazzi are the scourge of the earth. They're low. They're despicable. They'll do anything for that perfect shot. And yet...how long could you go without your Us Weekly fix? Meet Josephine Foster, or 'Zo Jo as she's called in the biz. The best pint-sized photographer of them all, Jo knows that the public-and the stars-have a symbiotic relationship with the paparazzi. She doesn't mind doing what it takes to get that perfect shot, until she's sent on a major undercover assignment to shoot Ned Hartnett-teen superstar and the only celebrity who's ever been kind to her-at an exclusive rehabilitation retreat. The money will be enough to pay for Jo's dream: fine portrait photography classes, and maybe even quitting

her 'zo gig for good. Everyone at the retreat wants to know: what Ned's in for? But Jo certainly doesn't know what she's in for: falling in love with Ned was never supposed to be part of her assignment . . .

*The Trouble with Shooting Stars* Meg Cannistra,2019-08-20 “A story brimming with hope and sparkling with magic. Meg Cannistra’s writing shines as bright as any shooting star.” —Cassie Beasley, author of *Circus Mirandus* “Loving, imaginative, and gorgeously written, this book shines with magic and heart.” —Anne Ursu, author of *The Lost Girl* Wonder meets Mary Poppins in this heartfelt debut novel about magic, healing, and the importance of family. Twelve-year-old Luna loves the nighttime more than anything else. It’s when no one gives her “that look” about the half mask she has to wear while healing from a disfiguring car accident. It’s also the perfect time to sit outside and draw what she sees. Like the boy and girl from the new family next door...zipping out of the window in a zeppelin and up to the stars. At first she thinks she’s dreaming. But one night they catch her watching. Now Luna spends her nights on adventures with them, as they clean full moons, arrange constellations, and catch jars of stardust. She even gets to make a wish on a shooting star they catch. But Luna learns that no wish is strong enough to erase the past—as much as she may hope to.
