Budding Prospects T.C. Boyle,1990-05-01 An “irresistible” (Los Angeles Times) novel about the adventures of three men growing marijuana in Northern California All Felix Nasmyth and friends have to do is harvest a crop of Cannabis Sativa and half a million tax-free dollars will be theirs. But they haven't reckoned on nosy Northern California-style neighbors, torrential rain, demands of the flesh, and Felix's improbable new love, a wayward sculptress on whose behalf he undertakes a one-man vendetta against a drug-busting state trooper named Jerpbak. As their deal escalates through crises into nightmare, their dreams of easy money get nipped in the bud.

The Gargoyle Andrew Davidson,2009-06-23 An extraordinary debut novel of love that survives the fires of hell and transcends the boundaries of time. On a burn ward, a man lies between living and dying, so disfigured that no one from his past life would even recognize him. His only comfort comes from imagining various inventive ways to end his misery. Then a woman named Marianne Engel walks into his hospital room, a wild-haired, schizophrenic sculptress on the lam from the psych ward upstairs, who insists that she knows him - that she has known him, in fact, for seven hundred years. She remembers vividly when they met, in another hospital ward at a convent in medieval Germany, when she was a nun and he was a wounded mercenary left to die. If he has forgotten this, he is not to worry: she will prove it to him. And so Marianne Engel begins to tell him their story, carving away his disbelief and slowly drawing him into the orbit and power of a word he'd never uttered: love.

Bobke II Roll Bob,2014-06-18 Bob Roll is a former Tour de France racer, well-known scribe, and race announcer, and he's back to cause a ruckus! Bobke

II (correctly pronounced BOOB-kuh) revisits all of the original journals of Roll's wild rides and crazy tales about cycling's uncensored side. When Bobke retired from competition, his pen continued the crazed poetic commentary, and Roll's newest additions cover both topics held reverent in cycling and also those that are hardly related to the sport. Bobke tips his cap to the classic riders and races, takes us on a grueling week of training with Lance Armstrong, tells the sport as he sees it, and entertains us with plenty of ditties and rants in between. It's a zany, often absurd, yet compelling commotion.

Mr. Dizzy Roger Hargreaves, 2001-08-27 Mr. Dizzy always gets things confused until one day he happens upon a wishing well, and his dearest wish comes true!

John Williams's Film Music Emilio Audissino, 2014-06-12 John Williams is one of the most renowned film composers in history. He has penned unforgettable scores for Star Wars, the Indiana Jones series, E.T. the Extra-Terrestrial, Jaws, Superman, and countless other films. Fans flock to his many concerts, and with forty-nine Academy Award nominations as of 2014, he is the second-most Oscar-nominated person after Walt Disney. Yet despite such critical acclaim and prestige, this is the first book in English on Williams's work and career. Combining accessible writing with thorough scholarship, and rigorous historical accounts with insightful readings, John Williams's Film Music explores why Williams is so important to the history of film music. Beginning with an overview of music from Hollywood's Golden Age (1933-58), Emilio Audissino traces the turning points of Williams's career and articulates how he revived the classical Hollywood musical style. This book charts each landmark of this musical restoration, with special attention to the scores for Jaws and Star Wars, Williams's work as conductor of the Boston

Pops Orchestra, and a full film/music analysis of Raiders of the Lost Ark. The result is a precise, enlightening definition of Williams's "neoclassicism" and a grounded demonstration of his lasting importance, for both his compositions and his historical role in restoring part of the Hollywood tradition. Jennifer Jones Paul Green, 2011-08-10 The distinguished film career of Academy Award-winning actress Jennifer Jones (1919-2009) is thoroughly chronicled from her faltering start as Phylis Isley (her real name) at Republic Studios in 1939, to her re-invention as a major star by producer David O. Selznick, the actress' second husband. Each of her 24 films—among them *The Song of Bernadette*, *Since You Went Away*, *Duel in the Sun*, *Portrait of Jennie*, *Madame Bovary* and *Love Is a Many Splendored Thing*—is discussed in depth. Robert Osborne, host of the Turner Classic Movies cable channel, affectionately recalls his interview with Jennifer Jones in the Foreword. The

actress' biography, radio appearances and unrealized projects are also covered, along with previously undocumented details of her limited stage career, including a 1966 revival of Clifford Odets' *The Country Girl*.

Bit Of A Blur Alex James, 2010-09-02 I was the Fool-king of Soho and the number-one slag in the Groucho Club, the second drunkest member of the world's drunkest band. This was no disaster, though. It was a dream coming true.' For Alex James, music had always been a door to a more eventful life. But as bass player of Blur - one of the most successful British bands of all time - his journey was more exciting and extreme than he could ever have predicted. In *Bit of a Blur* he chronicles his journey from a slug-infested flat in Camberwell to a world of screaming fans and private jets - and his eventual search to find meaning and happiness (and, perhaps most importantly, the perfect cheese), in an increasingly surreal world.

Costume, Makeup, and Hair Adrienne L. McLean, 2016-10-07 Movie buffs and film scholars alike often overlook the importance of makeup artists, hair stylists, and costumers. With precious few but notable exceptions, creative workers in these fields have received little public recognition, even when their artistry goes on to inspire worldwide fashion trends. From the acclaimed Behind the Silver Screen series, Costume, Makeup, and Hair charts the development of these three crafts in the American film industry from the 1890s to the present. Each chapter examines a different era in film history, revealing how the arts of cinematic costume, makeup, and hair, have continually adapted to new conditions, making the transitions from stage to screen, from monochrome to color, and from analog to digital. Together, the book's contributors give us a remarkable glimpse into how these crafts foster creative collaboration and improvisation, often fashioning striking looks and ingenious effects out of limited materials. Costume, Makeup, and Hair not only considers these crafts in relation to a wide range of film genres, from sci-fi spectacles to period dramas, but also examines the role they have played in the larger marketplace for fashion and beauty products. Drawing on rare archival materials and lavish color illustrations, this volume provides readers with both a groundbreaking history of film industry labor and an

appreciation of cinematic costume, makeup, and hairstyling as distinct art forms.

Changing His Game Justine Elvira, 2014-02-04 *Warning: This book is for mature readers ages 18 and up. It contains sex, sex, and more sex with a porn star. It briefly touches on M/F/M and M/F/F. Adult Films. XXX Movies. Porn. These are the kind of movies I've never planned to watch. It was a taboo topic where I grew up. As a kid I had only heard of it in passing. In middle school my parents would talk about my creepy uncle Frank and how he should look for a job instead of watching those movies all day. In High School boys thought it was funny to ask my friends and me to star in the amateur adult films they were making. In college most of my guy friends watched them, but I never had. When I moved to California that changed. After surprising my fiancé at home and catching him screwing another woman, I hopped in my car and started driving. I was running away from my old life and I needed a change. I remembered my friend Tawny inviting me to visit her in Los Angeles, so that's where I went. I didn't find Tawny when I got there, but I did find her gorgeous roommate, Jared. Our friendship started out rough, but he gave me a place to stay and helped me get back on my feet. He became my best friend. My best friend who millions of women happened to lust over. Jared plays by a different set of rules, where anything goes. His lifestyle is unlike anything I've ever witnessed before and it scares me. When you live your life on the edge, eventually you'll fall over. I didn't want to see that happen to him. At night he's just Jared, my Jared, and I'll deny it to anyone who asks, but I'm

completely in love with him. During the day he's Brandon Boner, and the world is in love with him. Oh yeah, did I mention he's a porn star?

Python for Kids Jason R. Briggs, 2012-12-12 Python is a powerful, expressive programming language that's easy to learn and fun to use! Python for Kids is your ticket into

the amazing world of computer programming. For kids ages 10+ (and their parents) The code in this book runs on almost anything: Windows, Mac, Linux, even an OLPC laptop or Raspberry Pi!

Crack Capitalism John Holloway, 2010-06-15 Crack Capitalism, argues that radical change can only come about through the creation, expansion and multiplication of weak points, or cracks in the capitalist system. John Holloway's previous book, Change the World Without Taking Power, sparked a world-wide debate among activists about the most effective methods of resisting capitalism. Now Holloway rejects the idea of a disconnected plurality of struggles and finds a unifying contradiction -- the opposition between the time we spend working as part of the system and our excess doing where we revolt and refuse to be subsumed. Clearly and accessibly presented in the form of 33 theses, Crack Capitalism is set to reopen the debate among radical scholars and activists seeking to break capitalism.

The Deaths Mark Lawson, 2013-09-12 Four families live in a beautiful stretch of English countryside in magnificent listed houses, built for the old aristocracy. They are the new aristocracy and the elite of their village: financiers, business tycoons, lawyers, doctors, magistrates. They leave their rural idyll only to commute first-class to London for meetings, deals and theatre outings or Heathrow flights to winter sun or half-term skiing. They and their children are protected by investments, pensions and expensive security systems. But the money is running out in Britain, and as tensions and relationships develop within the group of friends, finally, deep in the English winter, an unthinkable act of violence destroys these dream lives and demonstrates that the biggest threat may come from unexpected places. This horrific act happens on the first pages but Lawson provides dramatic twists

and false turns and it is only by the end of the book that we discover who the victims are and who committed the crime. Mark Lawson's first novel in eight years is his most ambitious yet. Combining ingenious plotting with forensic social comedy, this is a dark and brilliant novel of life in twenty-first-century England.

Twinkle, Twinkle Little Star Cloth Book Trace Moroney, 2012 Brought to life by colourful and endearing illustrations, this nursery song and rhyme are presented in an infant-friendly cloth book format.

Gabe loves the house and the work, and Jerry's pretty lovable too, but when Gabe discovers Jerry's secret identity, he fears their passion could overturn both their lives forever.

I Am an Island Tamsin Calidas, 2021 THE SUNDAY TIMES BESTSELLER 'Memoir of the year' - Vogue 'A wondrous, sensuous memoir of salt-stung survival . . . clear-eyed and poetic prose' Sunday Times 'A fascinating memoir' - Daily Mail When Tamsin Calidas first arrives on a remote island in the Scottish Hebrides, it feels like coming home. Disenchanted by London, she and her husband left the city and high-flying careers to move the 500 miles north, despite having absolutely no experience of crofting, or of island life. It

was idyllic, for a while. But as the months wear on, the children she'd longed for fail to materialise, and her marriage breaks down, Tamsin finds herself in ever-increasing isolation. Injured, ill, without money or friend she is pared right back, stripped to becoming simply a raw element of the often harsh landscape. But with that immersion in her surroundings comes the possibility of rebirth and renewal. Tamsin begins the slow journey back from the brink. Startling, raw and extremely moving, *I Am An Island* is a story about the incredible ability of the natural world to provide when everything else has fallen away - a stunning book about solitude, friendship, resilience and self-discovery.
