Threesome Thrill: MMF Menage Romance Eva

Moon,2020-09-17 Is the thrill of a secret threesome worth risking it all? Melody Greene's career as a personal assistant for the wealthy Hamilton family leaves her little time for a relationship. So it's no surprise when she becomes entangled in a blazing-hot, secret fling with Jace Parker, the badass mechanic restoring classic cars for the Hamiltons at their Boston estate. When Jace reveals that he wants to turn things up even hotter with a menage—with a man, no less—she's shocked and intrigued. But their relationship so far has been all about the physical. Now that she knows Jace is bisexual, how will another man in the mix change things? And can she handle two at once? She's excited to take a chance, but only if Jace finally opens himself up to her... Jace has been working for the Hamiltons for months, restoring cars and making love with Melody whenever he has the chance. But he's keeping his distance from her too, worried that his feelings for her are growing out of control. When Nathan Hamilton, the handsome heir to the family fortune, wanders into his garage, Jace immediately feels the same powerful connection that he did to Melody. But nothing is simple. Fooling around with Nathan puts both his and Melody's jobs on the line. He's never let risk or danger stop him before, but keeping the three of them together demands that he change...and he's not sure if he's willing to do that for anyone. Nathan is a wealthy playboy bored with the parties, tired of the shallow women, and done with the snobbery. His family is one of the worst. After a sexy chance encounter with Melody and Jace changes everything for him, he finds himself entangled in a three-way love affair...and loving every second of it. This is the thrill he's craved for years. Too bad

he's forced to keep their fling secret because it will cost Melody and Jace everything if they are discovered. As Nathan begins to fall for them, he learns that some secrets are harder to keep than others...and passion will not be denied, no matter what the risk. Threesome Eliyahu Abramson, 2018-03-19 What if the higher meaning employed lower impulses -- even if delivered often through still controversial, however enticing entertainment -- what ensues is a remarkable literary experiment, a novel based on meticulous research in obsession with sex, along with deeper philosophical apprehension of reality. *Threesome* has described outcast Josh's life's with prostitutes Rosa and Nicole. Sensitive, yet utterly unsentimental, the novel explores the existential consequences of isolation, suppression, and uncertainty paralyzing fear, psychotic delusions, manic identification with fellow outcasts, and ultimately, redemption. *Threesome* functions as both a poetic statement and a fascinating examination of the man/woman relationship.

Three for Three K.D. West, 2017-10-16 Steamy first-time threesome tales where groups of friends — two sexy men and one lucky woman — suddenly discovering that they can become much more! Right off the bat, let's be clear: K.D. West is an excellent writer. It's nice that it's erotica, but even nicer when the person behind the word processor really knows how to create believable characters and situations, and then gets them off—explosively. — K.C. Cave When do friendship, sex, and love intersect? Stories of friends — one woman and two men — finding a way to take their relationship to a whole new level. *Three* of K.D. West's steamiest, most popular tales, collected for the first time: *Truth & Games*: Felicity, Ben, and Aaron have been friends for years. During a rainy-day get-together over margaritas, Felicity challenges her men to a game that will bring things to a whole new level. A tale of friendship, romance, and thinking outside the lines. *The Visitor*: Lea's got a four-alarm fire burning and she knows just who she wants to put it out. Or does she? Lea is in Atlanta for a job interview, and her best friend's brother, Sean the firefighter,

is happy to give her a place to sleep. But his is the bed she'd rather sleep in. Or perhaps it's his roommate Andy's? And when a visitor comes to her that night... Well, who is she to be picky if it's one, the other, or...? A tale of sexy firefighters, a mystery lover, and embracing the unknown — literally! Over the Top: Danny and Suzie, Luz and Jamie - the four had been planning for over a year on heading up after graduation to the cabin by the lake. Two couples, doing what couples do. But that was before Danny and Suzie decided to be mature and break it off. And so now it's one couple. And Danny. And Danny's getting frustrated. A tale of desire, frustration, and a friendly, helping... mouth. Bonus! The Trouble with Triplets, Pt. I: Allison has been teasing her lover and former teacher Ken with the idea of a threesome. Ken has another lesson he'd like to impart. (A preview of a story from the Erotic Tales: Letters to Allison series) (MMF ménage à trois and MFM three-way sexuality; includes some male bisexuality, bisexual romance. For adult readers only) Extract (from Truth & Games): When she had fantasized this scene, she had been perfectly in control of her feelings, had treated them to a sultry retreat and a wink. Now however she was so terrified by what she had just said to them that she couldn't open the buttons to her blouse. She stood, fumbling with her own clothes, and cursing. A low roll of thunder made the hair on Felicity's arms stand on end. The door opened. Aaron came in first, followed by Ben, who seemed to be trying to hide behind his friend, and was failing miserably, because of his height. They were both entirely naked.
