Gerit Quealy

William Shakespeare & the Globe Aliko, 2000-08-08 From Hamlet to Romeo and Juliet to A Midsummer Night's Dream, Shakespeare's celebrated works have touched people around the world. Aliko combines literature, history, biography, archaeology, and architecture in this richly detailed and meticulously researched introduction to Shakespeare's world-his life in Elizabethan times, the theater world, and the Globe, for which he wrote his plays. Then she brings history full circle to the present-day reconstruction of the Globe theater. Ages 8+

England's Helicon Nicholas Ling, John Bodenhams, 1600

Twelfth Night ,

Will's Words Jane Sutcliffe, 2018-02-13 When Jane Sutcliffe sets out to write a book about William Shakespeare and the Globe Theatre, in her own words, she runs into a problem: Will's words keep popping up all over the place! What's an author to do? After all, Will is responsible for such familiar phrases as what's done is done and too much of a good thing. He even helped turn household words into household words. But, Jane embraces her dilemma, writing about Shakespeare, his plays, and his famous phrases with glee. After all, what better words are there to use to write about the greatest writer in the English language than his very own? As readers will discover, the long and the short of it is this: Will changed the English language forever. Backmatter includes an author's note, a bibliography, and a timeline.

William Shakespeare x Chris Ofili: Othello William Shakespeare, 2019-10-29 Othello remains one of Shakespeare's most contemporary and moving plays, with its emphasis on race, revenge, murder, and lost love. Chris Ofili's new edition highlights the tragedy of Othello's plight in ways no other volume of this play has. In twelve etchings Ofili has produced to illustrate this play, Othello is depicted with tears in his eyes, which flow below various scenes visualized in his forehead. Ofili asks us to see in Othello the great injustices that still plague the world today. These images add feeling to Shakespeare's words, and together they form their own hybrid object—something between a book and a visual retelling of the tragedy. With a foreword by the renowned critic Fred Moten, this edition is the first of its kind and puts Othello's blackness and interiority front and center, forcing us to confront the complex world that ultimately dooms him. The first play in the Seeing Shakespeare Series, Othello is illustrated by English contemporary artist Chris Ofili. Future titles in the series include A Midsummer Night's Dream illustrated by Marcel Dzama and The Merchant of Venice with images by Jordan Wolfson.

Portraits of Shakespeare Katherine Duncan-Jones, 2015 Within Shakespeare's lifetime there was already some curiosity about what the writer of such brilliant poems, sonnets and plays looked like. Yet like so much else about him, Shakespeare's appearance is mysterious. Why is it so difficult to find images of him that were definitely made during his life? Which images are most likely to have been made by those close to Shakespeare, and why do these differ from each other? Also, why do newly 'discovered' images claimed as representations of the playwright emerge with such regularity? Shakespeare scholar Katherine Duncan-Jones examines these questions, beginning with an analysis of the tradition of the 'author portrait' before, during, and after Shakespeare's life. She provides a detailed critique of the three images of Shakespeare likeliest to derive from life-time portrayals: the bust in Holy Trinity Church, Stratford-upon-Avon; the 'Droeshout engraving' from the First Folio edition of Shakespeare's plays published in 1623; and the 'Chandos portrait', painted in oil on canvas in the early seventeenth century. Through a fresh exploration of the evidence and groundbreaking research, she identifies a plausible new candidate for the painter of 'Chandos'. This also throws new light on the last years of Shakespeare's life. This generously illustrated book also examines the afterlife of these three images, as memorials, in advertising and in graphic art, together with their adaptation in later commemorative statues: all evidence of a continuing desire to put a face to one of the most famous names in literature. --Publisher description.

William Shakespeare Ari Berk,Kristen McDermott,Ian Andrew,2010 Describes Shakespeare's experiences in London and his retirement to the country in a fictional account that includes excerpts from his works.

The Book of Will Lauren Gunderson,2018-06-18 Without William Shakespeare, we wouldn't have literary masterpieces like *Romeo and Juliet*. But without Henry Condell and John Heminges, we would have lost half of Shakespeare's plays forever! After the death of their friend and mentor, the two actors are determined to compile the First Folio and preserve the words that shaped their lives. They'll just have to borrow, beg, and band together to get it done. Amidst the noise and color of Elizabethan London, *THE BOOK OF WILL* finds an unforgettable true story of love, loss, and laughter, and sheds new light on a man you may think you know.

Botanical Shakespeare Gerit Quealy,2017-04-11 A captivating, beautifully illustrated, one-of-a-kind color compendium of the flowers, fruits, herbs, trees, seeds, and grasses cited in the works of the world's greatest playwright, William Shakespeare, accompanied by their companion quotes from all of his plays and poems. With a foreword by Dame Helen Mirren—the first foreword she has ever contributed. In this striking compilation, Shakespeare historian Gerit Quealy and respected Japanese artist Sumié Hasegawa combine their knowledge and skill in this first and only book that examines every plant that appears in the works of Shakespeare. *Botanical Shakespeare* opens with a brief look at the Bard's relationship to the plants mentioned in his works—a diversity that illuminates his knowledge of the science of botany, as well as the colloquy, revealing his unmatched skill for creating metaphorical connections and interweaving substantive philosophy. At the heart of the book are portraits of the over 170 flowers, fruits, grains, grasses, trees, herbs, seeds and vegetables that Shakespeare mentions in his plays and poems. *Botanical Shakespeare* features a gorgeous color illustration of each, giving a face to the name, alongside the specific text in which it appears and the character(s) who utter the lines in which it is mentioned. This fascinating visual compendium also includes a dictionary describing each plant—such as Eglantine, a wild rose with a slight prickle, cherished for its singular scent, superior to any other rose; and the difference between apples and apple-john—along with indices listing the botanical by play/poem, by character, and genus for easy reference, ideal for gardeners and thoughtful birthday gift-giving. This breathtaking, incomparable collection of exquisite artwork and companion quotes offers unique depth and insight into Shakespeare and his timeless work through the unusual perspective of the plants themselves.

King Lear Jeffrey Kahan,2008-04-18 Is *King Lear* an autonomous text, or a rewrite of the earlier and anonymous play *King Leir*? Should we refer to Shakespeare's original quarto when discussing the play, the revised folio text, or the popular composite version, stitched together by Alexander Pope in 1725? What of its stage variations? When turning from page to stage, the critical view on *King Lear* is skewed by the fact that for almost half of the four hundred years the play has been performed, audiences preferred Naham Tate's optimistic adaptation, in which Lear and Cordelia live happily ever after. When discussing *King Lear*, the question of what comprises 'the play' is both complex and fragmentary. These issues of identity and authenticity across time and across mediums are outlined, debated, and considered critically by the contributors to this volume. Using a variety of approaches, from postcolonialism and New Historicism to psychoanalysis and gender studies, the leading international contributors to *King Lear: New Critical Essays* offer major new interpretations on the conception and writing, editing, and cultural productions of *King Lear*. This book is an up-to-date and comprehensive anthology of textual scholarship, performance research, and critical writing on one of Shakespeare's most important and perplexing tragedies. Contributors Include: R.A. Foakes, Richard Knowles, Tom Clayton, Cynthia Clegg, Edward L. Rocklin, Christy Desmet, Paul Cantor, Robert V. Young, Stanley Stewart and Jean R. Brink

Twelfth Night Elizabeth Schmermund,Dale Robeson,2016-12-15 William Shakespeare wrote

Twelfth Night for Epiphany, the twelfth day after Christmas. The comedy features ingenious plot twists, colorful characters, and slapstick humor. Reading Shakespeare Today: Twelfth Night examines each scene of the play, Shakespeare's use of language, modern stagings, and the history behind Twelfth Night to present a comprehensive picture of this classic.

Searching for Shakespeare Tarnya Cooper, 2006-01-01 Investigates the authenticity of the Chandos portrait and five others as true likenesses of playwright William Shakespeare, and explores Shakespeare's life and world, presenting and describing individual costumes, theater models, manuscripts, and maps from his time as well as portraits of his contemporaries.

Tudor & Jacobean Portraits Roy Strong, National Portrait Gallery (Great Britain), 1969

Adopting the Song of Phrase: An Emotional Symphony within **William Shakespeare.jpg**

In a world taken by displays and the ceaseless chatter of quick connection, the melodic elegance and psychological symphony developed by the written term frequently diminish in to the back ground, eclipsed by the relentless noise and interruptions that permeate our lives. However, located within the pages of **William Shakespeare.jpg** an enchanting fictional treasure brimming with natural feelings, lies an immersive symphony waiting to be embraced. Crafted by a masterful musician of language, that captivating masterpiece conducts visitors on a psychological journey, skillfully unraveling the concealed melodies and profound impact resonating within each carefully constructed phrase. Within the depths with this touching review, we will explore the book's central harmonies, analyze their enthralling writing style, and surrender ourselves to the profound resonance that echoes in the depths of readers' souls.
