What do you get when you combine unknown facts about some of Britain's best-loved comedians with their favourite one-liners and candid, black-and-white portraits? The result is Joker Face , a hilarious record of the British comedy scene from comedian Steve Best, a 20-year veteran of the comedy circuit. In this book – a companion to the 2014 book Comedy Snapshot – Best paints an intimate and very funny portrait of some of our favourites: Jimmy Carr, Rob Delaney, Sarah Pascoe, Stewart Lee, John Bishop, Mackenzie Crook, Josie Lawrence, Mark Watson, Tommy Tiernan, Phill Jupitus, and many, many more. Joker Face is an essential book for any fan of British humour and gives us a backstage pass into the world of comedy.

South Wales Sport Climbs Mark Glaister,Roy Thomas,Goi Ashmore,Gary Gibson,2016-10 South Wales Sport covers the area to the south of the Brecon Beacons, spanning the land and sea cliffs from the River Wye on the Welsh border to Pembrokeshire in the west. The area is home to a wealth of sport climbing on a multitude of venues ranging from small inland quarries to extensive limestone sea cliffs. The climbing is easily split into four main areas - Valleys Sandstone, Gower, the inland and coastal limestone crags and Camarthenshire's sea cliffs. The variation in climbing on offer is remarkable for such a compact area and access is easy. This book will be the first book to bring together these various crags into a single edition with many never having been properly covered in print before. Although many of the crags are new, the increasing popularity of sport climbing ensures that this book is likely to be a big seller for years to come The guidebook is illustrated with a large number of superb action photos and the latest full colour topos as well as up-to-date information on where to stay, eat, drink and relax.

Puckoon Spike Milligan,2014-09-11 Puckoon is Spike Milligan's classic slapstick novel, reissued for the first time since it was published in 1963. 'Pops with the erratic brilliance of a careless match in a box of fireworks' Daily Mail In 1924 the Boundary Commission is tasked with creating the new official division between Northern Ireland and the Irish Republic. Through incompetence, dereliction of duty and sheer perversity, the border ends up running through the middle of the small town of Puckoon. Houses are divided from outhouses, husbands separated from wives, bars are cut off from their patrons, churches sundered from graveyards. And in the middle of it all is poor Dan Milligan, our feckless protagonist, who is taunted and manipulated by everyone (including the sadistic author) to try and make some sense of this mess . . . 'Bursts at the seams with superb comic characters involved in unbelievably likely troubles on the Irish border' Observer 'Our first comic philosopher' Eddie Izzard Spike Milligan was one of the greatest and most influential comedians of the twentieth century. Born in India in 1918, he served in the Royal Artillery during WWII in North Africa and Italy. At the end of the war, he forged a career as a jazz musician, sketch-show writer and performer, before joining forces with Peter Sellers and Harry Secombe to form the legendary Goon Show. Until his death in 2002, he had success as on stage and screen and as the author of over eighty books of fiction, memoir, poetry, plays, cartoons and children's stories.

Fourth Plinth Isabel de Vasconcellos,2016 The vacant plinth in the north-west corner of London's Trafalgar Square has provoked controversy for generations. Originally intended to hold an equestrian statue of William IV, it remained empty because of a lack of funds. For a century and half, debate over the plinth's fate raged until 1998, when it was decided to use the spot as a site of temporary commissions of contemporary art by leading artists. A marble statue of a heavily pregnant disabled artist, a scale model of Nelson's HMS Victory with African print sails inside a huge bottle and a giant cockerel in striking blue are just some of the controversial and political art works that have added a modern and provocative element to the famous square. This book tells the story of the ongoing Fourth Plinth program from its inception to the very latest commission. Individual chapters present the background and genesis of each work, with behind-the-scenes views of the fabrication, contributions from some of the many individuals involved in the projects, including the artists, and in situ shots of all the installed works. And just as every commission reflects varied aspects of London's past and present as a global capital, the book, too, celebrates the impact of contemporary art on the vibrant, creative and multi-cultured city that it is today--one that has created the smallest but the most-talked-about sculpture park in the world.0.

The Horse Boy Rupert Isaacson,2009-04-14 When his son Rowan was diagnosed with autism, Rupert Isaacson was devastated, afraid he might never be able to communicate with his child. But when Isaacson, a lifelong horseman, rode their neighbor's horse with Rowan, Rowan improved immeasurably. He was struck with a crazy idea: why not take Rowan to Mongolia, the one place in the world where horses and shamanic healing intersected? The Horse Boy is the dramatic and heartwarming story of that impossible adventure. In Mongolia, the family found undreamed of landscapes and people, unbearable setbacks, and advances beyond their wildest dreams. This is a deeply moving, truly one-of-a-kind story -- of a family willing to go to the ends of the earth to help their son, and of a boy learning to connect with the world for the first time.

What Would Beyoncé Do?! Luisa Omielan,2016-07-14 You know when you find yourself approaching thirty and your dreams are broken? You've got a temping career going nowhere, a student debt that's mounting and you've just had to move back into your mum's house. Then to top it all off, you get absolutely annihilated with heartbreak because of an ex, who is just 'not ready' but then manages to be ready, a week later, with someone else. And it is here, at your lowest point, that one of your best friends decides to remind you that you are the same age as Beyoncé. FML. Luisa Omielan is a stand-up comedian who turned her life around after she answered the mantra every person needs in their life: What Would Beyoncé Do?! Hilariously funny, wonderfully uplifting and brutally honest, Luisa's memoir shows us all that there is no situation in which Bey can't save the day.
