A Place to Belong Amber O'Neal

Johnston, 2022-05-17 A guide for families of all backgrounds to celebrate cultural heritage and embrace inclusivity in the home and beyond. Gone are the days when socially conscious parents felt comfortable teaching their children to merely tolerate others. Instead, they are looking for a way to authentically embrace the fullness of their diverse communities. *A Place to Belong* offers a path forward for families to honor their cultural heritage and champion diversity in the context of daily family life by:

- Fostering open dialogue around discrimination, race, gender, disability, and class
- Teaching "hard history" in an age-appropriate way
- Curating a diverse selection of books and media choices in which children see themselves and people who are different
- Celebrating cultural heritage through art, music, and poetry
- Modeling activism and engaging in community service projects as a family

Amber O'Neal Johnston, a homeschooling mother of four, shows parents of all backgrounds how to create a home environment where children feel secure in their own personhood and culture, enabling them to better understand and appreciate people who are racially and culturally different. *A Place to Belong* gives parents the tools to empower children

to embrace their unique identities while feeling beautifully tethered to their global community.

Royal Savage Victoria Ashley, 2022-03-23 ROYAL SAVAGE I CAN'T CLOSE MY EYES... I refuse to. Every time I do, all I see is blood, death, and pain. I can feel it - almost taste it, bringing me back to that night. It doesn't matter that I'm still breathing; I no longer need it, I no longer want it. I despise it along with everything else around me. The only thing I long for is to fade away. I've given up. Until her at least... AVALON. She comes into my world, knocking me on my a@s. It turns me on to have her around me. Makes me want to wrap my hand around her tight little throat and fu@k her until she feels my pain, feels the monster in me, but also makes me want to protect her from the very thing that she should be afraid of... me. Once she sees the damage that I'm capable of; she'll look at me like everyone else around me does: with fear. AVALON KNIGHT HIS EYES... THE DARKNESS IN them draws me to him, making me want to taste him, feel him... and save him. I shouldn't have gotten on the back of his motorcycle that day. I know that now. Colton warned me. I was told it was dangerous. I was told that nothing would be the same. He was right. ROYAL is dangerous, dark, and seductive; the very thing that keeps me hanging on, willing to give my last breath just to touch him... breathe him in. He's savage, inked, and highly captivating. So different from his brother... He's hazardous to my health, mind, and body, yet the only thing that I crave. I want to free him. I want to change his

mind, but I'm afraid that he's already too faded...

The Summer That Melted Everything Tiffany McDaniel, 2016-07-26 Fielding Bliss has never forgotten the summer of 1984: the year a heat wave scorched Breathed, Ohio. The year he became friends with the devil. Sal seems to appear out of nowhere - a bruised and tattered thirteen-year-old boy claiming to be the devil himself answering an invitation. Fielding Bliss, the son of a local prosecutor, brings him home where he's welcomed

into the Bliss family, assuming he's a runaway from a nearby farm town. When word spreads that the devil has come to Breathed, not everyone is happy to welcome this self-proclaimed fallen angel. Murmurs follow him and tensions rise, along with the temperatures as an unbearable heat wave rolls into town right along with him. As strange accidents start to occur, riled by the feverish heat, some in the town start to believe that Sal is exactly who he claims to be. While the Bliss family wrestles with their own personal demons, a fanatic drives the town to the brink of a catastrophe that will change this sleepy Ohio backwater forever.

Savage Continent Keith Lowe, 2012-07-03 The Second World War might have officially ended in May 1945, but in reality it rumbled on for another ten years... The end of the Second World War in Europe is one of the twentieth century's most iconic moments. It is fondly remembered as a time when cheering crowds filled the streets, danced, drank and made love until the small hours. These images of victory and celebration are so strong in our minds that the period of anarchy and civil war that followed has been forgotten. Across Europe, landscapes had been ravaged, entire cities razed and more than thirty million people had been killed in the war. The institutions that we now take for granted - such as the police, the media, transport, local and national government - were either entirely absent or hopelessly compromised. Crime rates were soaring, economies collapsing, and the European population was hovering on the brink of starvation. In *Savage Continent*, Keith Lowe describes a continent still racked by violence, where large sections of the population had yet to accept that the war was over. Individuals, communities and sometimes whole nations sought vengeance for the wrongs that had been done to them during the war. Germans and

collaborators everywhere were rounded up, tormented and summarily executed. Concentration camps were reopened and filled with new victims who were tortured and starved. Violent anti-Semitism was reborn, sparking murders and new pogroms across Europe. Massacres were an integral part of the chaos and in some places – particularly Greece, Yugoslavia and Poland, as well as parts of Italy and France – they led to brutal civil wars. In some of the greatest acts of ethnic cleansing the world has ever seen, tens of millions were expelled from their ancestral homelands, often with the implicit blessing of the Allied authorities. *Savage Continent* is the story of post WWII Europe, in all its ugly detail, from the end of the war right up until the establishment of an uneasy stability across Europe towards the end of the 1940s. Based principally on primary sources from a dozen countries, *Savage Continent* is a frightening and thrilling chronicle of a world gone mad, the standard history of post WWII Europe for years to come.

Initially met with silence and indifference, her tragic murder resonates loudly today. Betty represents one of almost 1,200 Indigenous women in Canada who have been murdered or gone missing.
