**Small Screen, Big Picture** Diane Winston,2020-11-15

A pioneering study at the intersection of religion and media, *Small Screen, Big Picture* treats television as a virtual meeting place where Americans across racial, ethnic, economic and religious lines find instructive and inspirational narratives. An interdisciplinary tour de force, this book describes how television converts social concerns, cultural conundrums and metaphysical questions into stories that explore and even shape who we are and would like to be--the building blocks of religious speculation.

**Persephone Station** Stina Leicht,2021-12-07 On the backwater planet of Brynner, at Persephone Station, a community of android refugees, all female, are hiding since they were able to awaken their AI and escape servitude. But the Serrao-Orlov Corporation is nothing if not tenacious, especially about its proprietary AI's, and it wants their property back. However, Persephone is run by Rosie, and they are in charge of an organized group of beneficent criminals and assassins, along with a bunch of worn mercenaries who have a thing for doing the honorable thing, despite the odds. And in a fight with the Serrao-Orlov Corporation, the odds are not going to be good, but it would be a glorious fight. Award-nominated author Stina Leicht has created a viciously feminist take on *The Magnificent Seven* by the way of *Blade Runner* and *Westworld*--

The Good Little Devil and Other Tales Pierre Gripari, 2013-08-29 Absurd fairy tales, very sensibly told ;There once was a good little devil - did you read that right? Yes you did: not a wicked little devil but a good one, and boy, was he in a fix! ;Instead of doing bad things like forgetting his homework and playing tricks on his teachers, this little devil kept trying to be good. He did all his homework - and sometimes enjoyed it! He was never rude and he even encouraged sinners to say sorry. His parents were at their wits' end. So the little devil struck out on his own. On his quest to learn to be good, our little devil meets all kinds of people, from priests to police and from the Pope in Rome to Little Jesus himself. But will the angels let a little red devil with black horns into Heaven? ;In these thirteen tales, clever young people find nifty ways to overcome greedy kings, wicked witches, unlucky spells and even silly names. And there's a big dash of magic to help them on the way!

**Tomorrow Sex Will Be Good Again** Katherine Angel, 2021-03-02 A provocative, elegantly written analysis of female desire, consent, and sexuality in the age of MeToo Women are in a bind. In the name of consent and empowerment, they must proclaim their desires clearly and confidently. Yet sex researchers suggest that women's desire is often slow to emerge. And men are keen to insist that they know what women—and their bodies—want. Meanwhile, sexual violence abounds. How can women, in this environment, possibly know what they want? And why

do we expect them to? In this elegant, searching book—spanning science and popular culture; pornography and literature; debates on Me-Too, consent and feminism—Katherine Angel challenges our assumptions about women’s desire. Why, she asks, should they be expected to know their desires? And how do we take sexual violence seriously, when not knowing what we want is key to both eroticism and personhood? In today’s crucial moment of renewed attention to violence and power, Angel urges that we remake our thinking about sex, pleasure, and autonomy without any illusions about perfect self-knowledge. Only then will we fulfil Michel Foucault’s teasing promise, in 1976, that “tomorrow sex will be good again.”

**Ghost Hampton** Ken McGorry, 2017-03-21

Bridgehampton's greediest lawyer and most unlikely historic-home preservationist launches himself into the paranormal world and a big media circus when he encounters the apparition of a Victorian-era girl asking him to save her house, rumored to have been a brothel long ago. Why? The girl told him his daughter, a detective, has four days to live.

**The Stone Angel** Margaret Laurence, 2015-07-22 The Stone Angel, The Diviners, and A Bird in the House are three of the five books in Margaret Laurence's renowned Manawaka series, named for the small Canadian prairie town in which they take place. Each of these books is narrated by a strong woman growing up in the town and struggling with physical and emotional isolation. In The Stone Angel, Hagar Shipley, age ninety, tells the story of her life, and in doing so tries to come to terms with how the very qualities which sustained her have deprived her of joy. Mingling past and present, she maintains pride in the face of senility, while recalling the life she led as a

rebellious young bride, and later as a grieving mother. Laurence gives us in Hagar a woman who is funny, infuriating, and heartbreakingly poignant. This is a revelation, not impersonation. The effect of such skilled use of language is to lead the reader towards the self-recognition that Hagar misses.—Robertson Davies, *New York Times* It is [Laurence's] admirable achievement to strike, with an equally sure touch, the peculiar note and the universal; she gives us a portrait of a remarkable character and at the same time the picture of old age itself, with the pain, the weariness, the terror, the impotent angers and physical mishaps, the realization that others are waiting and wishing for an end.—Honor Tracy, *The New Republic* Miss Laurence is the best fiction writer in the Dominion and one of the best in the hemisphere.—Atlantic [Laurence] demonstrates in *The Stone Angel* that she has a true novelist's gift for catching a character in mid-passion and life at full flood. . . . As [Hagar Shipley] daydreams and chatters and lurches through the novel, she traces one of the most convincing—and the most touching—portraits of an unregenerate sinner declining into senility since Sara Monday went to her reward in Joyce Cary's *The Horse's Mouth*.—Time Laurence's triumph is in her evocation of Hagar at ninety. . . . We sympathize with her in her resistance to being moved to a nursing home, in her preposterous flight, in her impatience in the hospital. Battered, depleted, suffering, she rages with her last breath against the dying of the light. *The Stone Angel* is a fine novel, admirably written and sustained by unflinching insight.—Granville Hicks, *Saturday Review* *The Stone Angel* is a good book because Mrs. Laurence avoids sentimentality and condescension; Hagar Shipley is still passionately involved in the puzzle of her own nature. . . .

Laurence's imaginative tact is strikingly at work, for surely this is what it feels like to be old.—Paul Pickrel, Harper's

*Dodo* Errol Fuller, 2002 Dead as a dodo. We think not! The dodo may long be extinct, but its presence in our culture and hearts lives on. Our knowledge of the dodo as an actual living creature may be limited, but in popular culture it is one of the best known creatures and ranks with tigers, penguins, elephants, and dinosaurs as an animal that most children will recognize. Lewis Carroll's inclusion of the dodo in *Alice's Adventures in Wonderland*, and certainly Sir John Tenniel's infamous accompanying illustration of Alice and the dodo, forever elevated this curious bird to fantastical status. From cartoon characters to the very icon of extinction, the mythology surrounding the dodo has grown to universal celebrity. From personal accounts from travelers to the Island of Mauritius, to the bird's prominence in literature and the arts, this droll presentation is the most comprehensive illustrated guide to an intriguing inhabitant of natural history and the arts.

**Foundations of Sephardic Spirituality** Rabbi Marc D. Angel, PhD, 2011-09-26 Who were the Sephardic Jews of the Ottoman Empire? What lasting lessons does their spiritual life provide for future generations? “How did the Judeo-Spanish-speaking Jews of the Ottoman Empire manage to achieve spiritual triumph? To answer this question, we need to have a firm understanding of their historical experience.... We need to be aware of the dark, unpleasant elements in their environments; but we also need to see the spiritual, cultural light in their dwellings that imbued their lives with meaning and honor.” —from Chapter 1, “The Inner Life of the Sephardim” In this groundbreaking work, Rabbi Marc Angel explores the teachings, values, attitudes, and cultural patterns that characterized Judeo-Spanish life over the generations and

how the Sephardim maintained a strong sense of pride and dignity, even when they lived in difficult political, economic, and social conditions. Along with presenting the historical framework and folklore of Jewish life in the Ottoman Empire, Rabbi Angel focuses on what you can learn from the Sephardic sages and from their folk wisdom that can help you live a stronger, deeper spiritual life.

**London Made Us** Robert Elms, 2019-03-07 'London is a giant kaleidoscope, which is forever turning. Take your eye off it for more than a moment and you're lost.' Robert Elms has seen his beloved city change beyond all imagining. London in his lifetime has morphed from a piratical, bomb-scarred playground, to a swish cosmopolitan metropolis. Motorways driven through lost communities, accents changing, skyscrapers appearing. Yet still it remains to him the greatest place on earth. Elms takes us back through time and place to myriad Londons. He is our guide through a place that has seen scientific experiments conducted in subterranean lairs and a small community declare itself an independent nation; a place his great-great-grandfather made the Elms' home over a century ago and a city that has borne witness to world-changing events.

Good Omens Neil Gaiman, Terry Pratchett, 2011-06-28 The classic collaboration from the internationally bestselling authors Neil Gaiman and Terry Pratchett, soon to be an original series starring Michael Sheen and David Tennant. ?Season 2 of Good Omens coming soon! "Good Omens . . . is something like what would have happened if Thomas Pynchon, Tom Robbins and Don DeLillo had collaborated. Lots of literary inventiveness in the plotting and chunks of very good writing and characterization. It's a wow. It would make one hell of a movie. Or a heavenly one. Take your pick." —Washington Post According to The Nice

and Accurate Prophecies of Agnes Nutter, Witch (the world's only completely accurate book of prophecies, written in 1655, before she exploded), the world will end on a Saturday. Next Saturday, in fact. Just before dinner. So the armies of Good and Evil are amassing, Atlantis is rising, frogs are falling, tempers are flaring. Everything appears to be going according to Divine Plan. Except a somewhat fussy angel and a fast-living demon—both of whom have lived amongst Earth's mortals since The Beginning and have grown rather fond of the lifestyle—are not actually looking forward to the coming Rapture. And someone seems to have misplaced the Antichrist . . .

Cut in Alabaster Kim Woods, 2018-09 While marble is associated with Renaissance Italy, alabaster was the material commonly used elsewhere in Europe and has its own properties, traditions and meanings. It enjoyed particular popularity as a sculptural material during the two centuries 1330-1530, when alabaster sculpture was produced both for indigenous consumption and for export. Focussing especially on England, the Burgundian Netherlands and Spain, three territories closely linked through trade routes, diplomacy and cultural exchange, this book explores and compares the material practice and visual culture of alabaster sculpture in late medieval Europe. Cut in Alabaster charts sculpture from quarry to contexts of use, exploring practitioners, markets and functions as well as issues of consumption, display and material meanings. It provides detailed examination of tombs, altarpieces and both elite and popular sculpture, ranging from high status bespoke commissions to small, low-cost carvings produced commercially for a more popular clientele.

threatened animals and ecosystems facing the harshest of challenges” (The Guardian, UK). Traveling around the world—to settings ranging from forest to savannah to the polar seas to the great coral reefs—Flach has captured stunning images of endangered animals and their disappearing ecosystems. Among Flach’s subjects are primates coping with habitat loss, big cats in a losing battle with human settlements, elephants hunted for their ivory, and numerous bird species taken as pets. With eminent zoologist Jonathan Baillie providing insightful commentary on this ambitious project, *Endangered* unfolds as a series of vivid, interconnected stories that pose gripping moral dilemmas, unforgettably expressed by more than 180 of Flach’s incredible images.

## **Death of a Doll** Hilda Lawrence, 1947

*Small Angels* Lauren Owen, 2023-08-08 In a hypnotic tale of sisterhood, first love, and hauntings, a wedding in a small English village stirs up unsettling magic and forces a troubled family's secrets out into the open. An unforgettable novel about the memories that hold us back and those that show us the way forward, this is storytelling at its most magical. Enter *Small Angels*, if you dare.

## *Rembrandt's Religious Prints* Charles M.

Rosenberg, 2017-09-11 A stunning catalogue of the seventy religious prints from the 2017 exhibition, featuring detailed

background information on each piece. Rembrandt's stunning religious prints stand as evidence of the Dutch master's extraordinary skill as a technician and as a testament to his genius as a teller of tales. Here, several virtually unknown etchings, collected by the Feddersen family and now preserved for the ages at the University of Notre Dame, are made widely available in a lavishly illustrated volume. Building on the contributions of earlier Rembrandt scholars, noted art historian Charles M. Rosenberg illuminates each of the seventy religious prints through detailed background information on the artist's career as well as the historical, religious, and artistic impulses informing their creation. Readers will enjoy an impression of the earliest work, *The Circumcision* (1625-26); the famous *Hundred Guilder Print*; the enigmatic eighth state of *Christ Presented to the People*; one of a handful of examples of the very rare final posthumous state of *The Three Crosses*; and an impression and counterproof of *The Triumph of Mordecai*. From the joyous epiphany of the coming of the Messiah to the anguish of the betrayal of a father (Jacob) by his children, from choirs of angels waiting to receive the Virgin into heaven to the dog who defecates in the road by an ancient inn (*The Good Samaritan*), Rembrandt's etchings offer a window into the nature of faith, aspiration, and human experience, ranging from the ecstatically divine to the worldly and mundane. Ultimately, these prints—modest, intimate, fragile objects—are great works of art which, like all masterpieces, reward us with fresh insights and discoveries at each new encounter. "Despite many reliable catalogues of Rembrandt etchings, very few have focused on the religious content of these prints. The outstanding range of the Feddersen Collection offers an excellent occasion for closer examination of Rembrandt's

development—as a printmaker but also as a spiritual devout Christian, especially evident from his thoughtful return to the same subjects across his career. Charles Rosenberg and his team at the Snite Museum deserve our thanks for fresh analysis of Rembrandt’s religious prints, combined with the latest scholarship on the artist and his etchings output. Rembrandt scholars but also all lovers of the artist will want to consult this important catalogue.”

—Larry Silver, author (with Shelley Perlove) of Rembrandt’s Faith: Church and Temple in the Dutch Golden Age “Rembrandt’s etchings of religious themes capture the emotional heart of their subjects through a uniquely inventive approach to both technique and content. . . . The seventy prints gathered by Jack and Alfrieda Feddersen span the full range of Rembrandt’s production and offer an outstanding resource for appreciation and research. This catalogue tells the fascinating story of how the collection was formed and brings a fresh analysis to each print. Charles Rosenberg’s extensive catalogue entries will be useful reading for anyone interested in the history of European art and one of its most talented practitioners, Rembrandt van Rijn.” —Stephanie Dickey, Queen’s University
