**Small Screen, Big Picture** Diane H. Winston,2009 An interdisciplinary tour de force, this book describes how television converts social concerns, cultural conundrums and metaphysical questions into stories that explore and even shape who we are and would like to be--the building blocks of religious speculation.--Robert Thompson, Professor of Television and Popular Culture, Syracuse University CHOICE

Persephone Station Stina Leicht,2021-12-07 On the backwater planet of Brynner, at Persephone Station, a community of android refugees, all female, are hiding since they were able to awaken their AI and escape servitude. But the Serrao-Orlov Corporation is nothing if not tenacious, especially about its proprietary AI's, and it wants their property back. However, Persephone is run by Rosie, and they are in charge of an organized group of beneficent criminals and assassins, along with a bunch of worn mercenaries who have a thing for doing the honorable thing, despite the odds. And in a fight with the Serrao-Orlov Corporation, the odds are not going to be good, but it would be a glorious fight. Award-nominated author Stina Leicht has created a viscerally feminist take on The Magnificent Seven by the way of Blade Runner and Westworld--

*Orchard of Hope (The Heart of Hollyhill Book #2)* Ann H. Gabhart,2007-03-01 It is 1964, and 14-year-old Jocie Brooke is about to have an unforgettable summer. Her father has found a new love, her hippie sister is about to have a baby, and her aunt is finally pleasurable to live with. But, when a black family from Chicago moves into the quiet hamlet of Holly County, Kentucky, Jocie finds herself befriending a boy that some townspeople shun. Due to the unspoken racial lines in this southern town, the presence of these newcomers sparks a smoldering fire of unrest that will change Holly County--and Jocie--forever. Orchard of Hope, the riveting sequel to The Scent of Lilacs, takes readers along to experience unexpected love, fear, forgiveness, new life, and a deeper understanding of the value of each individual's story.

**Dodo** Errol Fuller,2002 Dead as a dodo. We think not! The dodo may long be extinct, but its presence in our culture and hearts lives on. Our knowledge of the dodo as an actual living creature may be limited, but in popular culture it is one of the best known creatures and rands with tigers, penguins, elephants, and dinosaurs as an animal that most children will recognize. Lewis Carroll's inclusion of the dodo in Alice's Adventures in Wonderland, and certainly Sir John Tenniel's infamous accompanying illustration of Alice and the dodo, forever elevated this curious bird to fantastical status. From cartoon characters to the very icon of extinction, the mythology surrounding the dodo has grown to universal celebrity. From personal accounts from travelers to the Island of Mauritius, to the bird's prominence in literature and the arts, this droll presentation is the most comprehensive illustrated guide to an intriguing inhabitant of natural history and the arts.

*Tomorrow Sex Will Be Good Again* Katherine Angel,2021-03-02 A provocative, elegantly written analysis of female desire, consent, and sexuality in the age of MeToo Women are in a bind. In the name of consent and empowerment, they must proclaim their desires clearly and confidently. Yet sex researchers suggest that women's desire is often slow to emerge. And men are keen to insist that they know what women—and their bodies—want. Meanwhile, sexual violence abounds. How can women, in this environment, possibly know what they want? And why do we expect them to? In this elegant, searching book—spanning science and popular culture; pornography and literature; debates on Me-Too, consent and feminism—Katherine Angel challenges our assumptions about women's desire. Why, she asks, should they be expected to know their desires? And how do we take sexual violence seriously, when not knowing what we want is key to both eroticism and personhood? In today's crucial moment of renewed attention to violence and power, Angel urges that we remake our thinking about sex, pleasure, and autonomy without any illusions about perfect self-knowledge. Only then will we fulfil Michel Foucault's teasing promise, in 1976, that "tomorrow sex will be good again."

*Ghost Hampton* Ken McGorry,2016-03-26 Lyle Hall, the most resented man in town, was also Bridgehampton's most successful real estate lawyer. But his catastrophic car accident last year changed all that and forced his retirement. And it allowed him to see and hear things no one else could. That's how Lyle met Jewel, the beautiful Victorian girl who appeared to him outside the long-ago brothel the Town of Southampton is about to tear down. The Victorian girl who's been dead 100 years. And who told Lyle exactly when his own daughter, a local police detective, will die. She's shown him Georgie's headstone. Georgie has four days to live. Unless this is some kind of hoax. But the hordes of paranormal enthusiasts descending on Bridgehampton believe Lyle. And so does his new nemesis -- a scheming TV reporter in high heels.

*Angels Among Us* Wanda Rosseland,2017-09-19 A vision in a dream. A long-awaited healing. Protection from an accident waiting to happen. Angels Among Us is a collection of stories of everyday people -- little children, old women, young men, and more -- who had their lives stopped for a moment and redirected with a little help from above. Some came to help. Some to heal. Others stood as protectors and guardians. Some were prayed for and others showed up totally unbidden, but all were remembered by those whose lives were changed from a visit by their guardian angel. These inspiring stories will give you comfort and hope as you learn that you are seen, protected, and loved throughout each and every day.

*The Stone Angel* Margaret Laurence,2015-07-22 The Stone Angel, The Diviners, and A Bird in the House are three of the five books in Margaret Laurence's renowned Manawaka series, named

for the small Canadian prairie town in which they take place. Each of these books is narrated by a strong woman growing up in the town and struggling with physical and emotional isolation. In *The Stone Angel*, Hagar Shipley, age ninety, tells the story of her life, and in doing so tries to come to terms with how the very qualities which sustained her have deprived her of joy. Mingling past and present, she maintains pride in the face of senility, while recalling the life she led as a rebellious young bride, and later as a grieving mother. Laurence gives us in Hagar a woman who is funny, infuriating, and heartbreakingly poignant. This is a revelation, not impersonation. The effect of such skilled use of language is to lead the reader towards the self-recognition that Hagar misses.—Robertson Davies, *New York Times* It is [Laurence's] admirable achievement to strike, with an equally sure touch, the peculiar note and the universal; she gives us a portrait of a remarkable character and at the same time the picture of old age itself, with the pain, the weariness, the terror, the impotent angers and physical mishaps, the realization that others are waiting and wishing for an end.—Honor Tracy, *The New Republic* Miss Laurence is the best fiction writer in the Dominion and one of the best in the hemisphere.—Atlantic [Laurence] demonstrates in *The Stone Angel* that she has a true novelist's gift for catching a character in mid-passion and life at full flood. . . . As [Hagar Shipley] daydreams and chatters and lurches through the novel, she traces one of the most convincing—and the most touching—portraits of an unregenerate sinner declining into senility since Sara Monday went to her reward in Joyce Cary's *The Horse's Mouth*.—Time Laurence's triumph is in her evocation of Hagar at ninety. . . . We sympathize with her in her resistance to being moved to a nursing home, in her preposterous flight, in her impatience in the hospital. Battered, depleted, suffering, she rages with her last breath against the dying of the light. *The Stone Angel* is a fine novel, admirably written and sustained by unfailing insight.—Granville Hicks, *Saturday Review* *The Stone Angel* is a good book because Mrs. Laurence avoids sentimentality and condescension; Hagar Shipley is still passionately involved in the puzzle of her own nature. . . . Laurence's imaginative tact is strikingly at work, for surely this is what it feels like to be old.—Paul Pickrel, Harper's

**Good Omens** Neil Gaiman, Terry Pratchett, 2011-06-28 The classic collaboration from the internationally bestselling authors Neil Gaiman and Terry Pratchett, soon to be an original series starring Michael Sheen and David Tennant. ?Season 2 of Good Omens coming soon! “Good Omens . . . is something like what would have happened if Thomas Pynchon, Tom Robbins and Don DeLillo had collaborated. Lots of literary inventiveness in the plotting and chunks of very good writing and characterization. It’s a wow. It would make one hell of a movie. Or a heavenly one. Take your pick.” —Washington Post According to *The Nice and Accurate Prophecies of Agnes Nutter, Witch* (the world's only completely accurate book of prophecies, written in 1655, before she exploded), the world will end on a Saturday. Next Saturday, in fact. Just before dinner. So the armies of Good and Evil are amassing, Atlantis is rising, frogs are falling, tempers are flaring. Everything appears to be going according to Divine Plan. Except a somewhat fussy angel and a fast-living demon—both of whom have lived amongst Earth's mortals since *The Beginning* and have grown rather fond of the lifestyle—are not actually looking forward to the coming Rapture. And someone seems to have misplaced the Antichrist . . .

**Foundations of Sephardic Spirituality** Rabbi Marc D. Angel, PhD, 2011-09-26 Who were the Sephardic Jews of the Ottoman Empire? What lasting lessons does their spiritual life provide for future generations? “How did the Judeo-Spanish-speaking Jews of the Ottoman Empire manage to achieve spiritual triumph? To answer this question, we need to have a firm understanding of their historical experience.... We need to be aware of the dark, unpleasant elements in their environments; but we also need to see the spiritual, cultural light in their dwellings that imbued their lives with meaning and honor.” —from Chapter 1, “The Inner Life of the Sephardim” In this groundbreaking work, Rabbi Marc Angel explores the teachings, values, attitudes, and cultural patterns that characterized Judeo-Spanish life over the generations and how the Sephardim maintained a strong sense of pride and dignity, even when they lived in difficult political, economic, and social conditions. Along with presenting the historical framework and folklore of Jewish life in the Ottoman Empire, Rabbi Angel focuses on what you can learn from the Sephardic sages and from their folk wisdom that can help you live a stronger, deeper spiritual life.

**London Made Us** Robert Elms, 2019-03-07 ‘London is a giant kaleidoscope, which is forever turning. Take your eye off it for more than a moment and you’re lost.’ Robert Elms has seen his beloved city change beyond all imagining. London in his lifetime has morphed from a piratical, bomb-scarred playground, to a swish cosmopolitan metropolis. Motorways driven through lost communities, accents changing, skyscrapers appearing. Yet still it remains to him the greatest place on earth. Elms takes us back through time and place to myriad Londons. He is our guide through a place that has seen scientific experiments conducted in subterranean lairs and a small community declare itself an independent nation; a place his great-great-grandfather made the Elms’ home over a century ago and a city that has borne witness to world-changing events.
