ACID CONNECTIONS Part 3 Deanne Smith, 2017-08-29 Until Tavares met Abdora, her life was less than picture perfect. It had been filled with chaos, drama, disappointment, heartbreak, and betrayal. Now, she's living a life of normality that she never imagined. She's in love, a mother of twins, and her estranged parents are back in her life. Right when Tavares feels like she has been dealt a good hand in the game of life, she comes toe to toe with death and wins. After waking up in the hospital, Tavares feels like she's back on a rollercoaster ride with drama. As she starts to piece things together, she learns the ACID CONNECTIONS in her life aren't a coincidence but the result of money, lust, and greed. Tavares isn't just a pretty face. She's coming for everyone who took it upon themselves to play Russian Roulette with her life. She wants her happily ever after, and when her revenge is done, she will get just that.

**MiNRS** Kevin Sylvester, 2015-09-22 A boy and his friends must find a way to survive in the mining tunnels after their new space colony is attacked in this gritty action-adventure novel, which School Library Journal called “a solid survival story.” In space. Underground. And out of time. Christopher Nichols and his family live on a new planet, Perses, as colonists of Melming Mining’s Great Mission to save the earth. Dozens of families like Christopher’s have relocated, too, like his best friend Elena Rosales. A communications blackout with Earth hits, and all of Perses is on its own for three months. It’s okay, though, because the colonists have prepared, stockpiling food and resources to survive. But they never prepared for an attack. Landers, as the attackers are called, obliterate the colony to steal the metal and raw ore. Now in a race against time, Christopher, along with a small group of survivors, are forced into the maze of mining tunnels. The kids run. They hide.

But can they survive?

A Slow Air David Harrower, 2011 THE STORY: Morna works as a cleaner for well-off families in Edinburgh. She spends her time drinking, attempting affairs and trying to understand her twenty-year-old son with whom she shares her Dalry flat. Athol, her elder brother by two years, lives near

**The Prison Guard's Daughter** Deanne Quinn Miller, 2021-09-07 In this moving memoir, a woman recounts her search for truth and justice regarding her father's murder during America's deadliest prison riot. Deanne Quinn Miller was five years old when her father—William "Billy" Quinn—was murdered in the first minutes of the Attica Prison Riot, the only corrections officer to die at the hands of inmates. But how did he die? Who were the killers? Those questions haunted Dee and wreaked havoc on her psyche for thirty years. Finally, when she joined the Forgotten Victims of Attica, she began to find answers. This began the process of bringing closure not only for herself but for the other victims' families, the former prisoners she met, and all of those who perished on September 13, 1971—the day of the "retaking," when New York State troopers and corrections officers at the Attica Correctional facility slaughtered twenty-nine rioting prisoners and ten hostages in a hail of gunfire. In *The Prison Guard's Daughter*, Dee brings readers in on her lifelong mission for the truth and justice for the Attica survivors and the families of the men who lost their lives. But the real win was the journey that crossed racial and criminal-justice divides: befriending infamous Attica prisoner Frank "Big Black" Smith, meeting Richard Clark and other inmates who tried to carry her father to safety after his beating, and learning what life was like for all the people—prisoners and prison employees alike—inside Attica. As Miller lays bare the truth about her father's death, the world inside Attica, and the state's reckless raid and coverup, she conveys a narrative of compassionate humanity and a call for prison reform. Praise for *The Prison Guard's*

Daughter “A remarkable tale of healing and reconciliation, born from the tragedy of the nation’s deadliest prison uprising . . . . The Prison Guard’s Daughter reminds us that we can reach across divides—racial, social, economic—and learn lessons about others that inevitably teach us about ourselves. In a world in which the chasms among people seem to swell wider every day, this book tells us that our true angels can prevail, as long as we are ready to engage them.” —Sister Helen Prejean, author of *Dead Man Walking: The Eyewitness Account of the Death Penalty That Sparked a National Debate* “In the wake of the unimaginable trauma caused by the State of New York, there were the courageous few who had to endure even more pain to make sure that there was some reckoning with this horrific event, and some measure of justice for its victims. This is the extraordinarily beautiful story of one of the most courageous of those few, Dee Quinn Miller, who, quite literally, changed history.” —Heather Ann Thompson, Pulitzer Prize-winning author of *Blood in the Water: The Attica Prison Uprising of 1971 and its Legacy* “A personal, affecting, and eye-opening account of a pivotal tragedy on the seemingly endless road to prison reform.” —Booklist

**Twentynine Palms** Vickie Waite, Al Gartner, Paul F. Smith, 2007 Pres. Franklin D. Roosevelt recognized the beauty of this desert region of Southern California in 1936 when he created Joshua Tree National Monument, now a national park. But for 9,000 years, Native Americans had lived amid its monolithic rocks and strangely grotesque Joshua trees. Serrano and Chemehuevi Indians found a home at its Oasis of Mara, whose fan palms eventually gave Twentynine Palms its name. Cattleman Bill McHaney arrived in 1879, learned of gold ore deposits from the native people, and inaugurated an influx of prospectors seeking fortunes. In the 1920s, Dr. James B. Luckie of Pasadena discovered that the clean air and dry climate helped veterans with respiratory illnesses, and they homesteaded parcels of 160 acres. Artists, writers, actors, and composers later discovered Twentynine Palms, and a renaissance in the arts now includes studios, galleries, and world-class murals that adorn this gateway to Joshua Tree National Park.

*Figure Skating* Beverley Smith, 1999 Filled with dramatic full-color photographs of past and contemporary international skating stars, this is a magical tribute to the world's most popular and glamorous spectator sport.

*Poor Man's Provence* Rheta Grimsley Johnson, 2008-09-01 For over a decade, syndicated columnist Rheta Grimsley Johnson has been spending several months a year in Southwest Louisiana, deep in the heart of Cajun Country. Unlike many other writers who have parachuted into the swampy paradise for a few days or weeks, Rheta fell in love with the place, bought a second home and set in planting doomed azaleas and deep roots. She has found an assortment of beautiful people in a homely little town called Henderson, right on the edge of the Atchafalaya Swamp. These days, much is labeled Cajun that is not, and the popularity of the unique culture's food, songs and dance has been a mixed blessing. The revival of French Louisiana's traditional music and cuisine often has been cheapened by counterfeits. Confused pilgrims sometimes look to New Orleans for a sampler platter of all things Cajun. Close, but no cigar. *Poor Man's Provence* helps define what's what through lively characters and stories. The book is both personal odyssey and good reporting, travelogue and memoir, funny and frank. This beguiling place is as exotic as it gets without a passport. The author shares what keeps her coming home to French Louisiana. And as NPR commentator Bailey White observes in her foreword, Both Rheta's readers and the people she writes about will be comfortable, well fed, highly entertained, and happy they came to *Poor Man's*

Provence.
