The Buddha Images and Pagodas in Thailand Kandarapanguwe Dhammasiri,1991

Buddhism Illuminated San San May,Jana Igunma,2018-05-01 Buddhist temples in Southeast Asia are centers for the preservation of local artistic traditions. Chief among these are manuscripts, a vital source for our understanding of Buddhist ideas and practices in the region. They are also a beautiful art form, too little understood in the West. The British Library has one of the richest collections of Southeast Asian manuscripts, principally from Thailand and Burma, anywhere in the world. It includes finely painted copies of Buddhist scriptures, literary works, historical narratives, and works on traditional medicine, law, cosmology, and fortune-telling. **Buddhism Illuminated** includes over one hundred examples of Buddhist art from the Library's collection, relating each manuscript to Theravada tradition and beliefs, and introducing the historical, artistic, and religious contexts of their production. It is the first book in English to showcase the beauty and variety of Buddhist manuscript art and reproduces many works that have never before been photographed.

The Pagoda Tree Claire Scobie,2013-06-26 Weaving together the uneasy meeting of two cultures, *The Pagoda Tree* is a captivating story of love, loss and fate. Tanjore, 1765. Maya plays among the towering granite temples of this ancient city in the heart of southern India. Like her mother before her, she is destined to become a devadasi, a dancer for the temple. She is instructed in dance, the mystical arts and lovemaking. It is expected she will be chosen as a courtesan for the prince himself. But as Maya comes of

age, India is on the cusp of change and British dominance has risen to new heights. The prince is losing his power and the city is sliding into war. Maya is forced to flee her ancestral home, and heads to the bustling port city of Madras, where East and West collide. Maya captivates all who watch her dance. Thomas Pearce, an ambitious young Englishman who has travelled to India to make his fortune, is entranced from the moment he first sees her. But their love is forbidden, and comes at enormous cost. 'Claire Scobie's seductive prose and immaculate layering of period detail capture India at her most exotic.' Susan Kurosawa 'Women's stories are rarely told in history, nor particularly honoured. The Pagoda Tree offers a powerful, sensual perspective on a time of great transformation in India.' Sarah Macdonald, author of *Holy Cow* 'A rich and enthralling story handled with great skill by someone with a profound understanding of her material.' David Roach, screenwriter and film director 'A richly textured tale full of the sights, sounds and smells of India, with all its complex beauty and troubled history ... ' Sydney Morning Herald 'A novel to be savoured ... Its layering, the unravelling of the story, the subtext of the fortunes made and lost on cotton and silk, the evocative descriptions of saris themselves are all part of [its] tapestry.' The Age '[The Pagoda Tree] offers new ways of seeing the past.' Canberra Times 'Scobie's prose is eloquent ... a fascinating, unique plot representing an interesting era in [India's] history.' The Mercury 'A story told with great panache.' Country Style 'Claire Scobie travels a vast and exotic terrain in her first novel.' Weekly Review 'This first novel by Claire Scobie would make a spectacular film.' Goodreading Magazine 'A nuanced and sophisticated exploration of the socio-historical realities that are inevitable when cultures collide.' The Hoopla

Passage to Burma ,2015-10-20 Get lost in the timeless beauty of a country in transition. It is a charming and satisfying thing that there are still places in this world where magic seems to pervade the sights, smells, and sounds of a place more than the trappings of the so-called modern world. For more than ten years Scott Stulberg has made multiple pilgrimages to Burma (sometimes called Myanmar) to capture this sense of magic with his cameras. The result of those pilgrimages is captured here in a collection of images that display the heart and soul of this magnificent country. This is a place of dreams. Bagan, where two thousand pagodas carved from the native rock occupy an area one-sixth the size of Washington, DC. Mandalay, an exercise in calm and chaos that seduces the eye in every direction. Inle Lake, where images pop up around every corner: fishermen in their long boats, their legs wrapped strangely around the paddles; small villages clustered along the water like clumps of mussels clinging to a rocky shoreline. Mrauk, a place so remote that tourists are a curious rarity. And Yangon (once Rangoon), a tropical coastal city that still bears the remnants of colonial rule along its shady avenues. And around every corner of this country of contrasts are Burma's Buddhist monks in their distinct saffron robes. Their warmth and openness have come to symbolize this amazing country. This second edition of *Passage to Burma* includes new photographs from Stulberg's latest travels abroad to this remarkable place. "This is Burma," wrote Ruyard Kipling. "It is quite unlike any place you know about."

The Things They Carried Tim O'Brien,2009-10-13 Look for O'Brien's new book, *American Fantastica*, on sale October 24th A classic work of American literature that has not stopped changing minds and lives since it burst onto the literary scene, *The Things*

They Carried is a ground-breaking meditation on war, memory, imagination, and the redemptive power of storytelling. The Things They Carried depicts the men of Alpha Company: Jimmy Cross, Henry Dobbins, Rat Kiley, Mitchell Sanders, Norman Bowker, Kiowa, and the character Tim O'Brien, who has survived his tour in Vietnam to become a father and writer at the age of forty-three. Taught everywhere—from high school classrooms to graduate seminars in creative writing—it has become required reading for any American and continues to challenge readers in their perceptions of fact and fiction, war and peace, courage and fear and longing. The Things They Carried won France's prestigious Prix du Meilleur Livre Etranger and the Chicago Tribune Heartland Prize; it was also a finalist for the Pulitzer Prize and the National Book Critics Circle Award.

Pagodas, Gods and Spirits of Vietnam Ann Helen Unger, Walter Unger, 1997 In most guide books, Vietnam is described as a Buddhist country, but Vietnamese Buddhism is mingled with more ancient indigenous ancestor cults and spirit beliefs according to local customs and needs. This book reveals through text and illustrations the extraordinarily varied and prolific religions of Vietnam. 160 color illustrations.

Elephanta Wendy Doniger, 1999 Three descriptive essays and numerous fascinating photographs, taken especially for this volume, allow the reader to experience a major monument of Indian art: the sixth century temple cave on Elephanta Island, in Bombay

harbor, and its extraordinary stone sculptures. The authors and the photographer capture the atmosphere of the cave and the spirit of the sculptures, which portray the relentless energy and paradoxical power of Shiva, greatest of all Hindu gods. The photographs are particularly successful in revealing the dramatic alternation of light and dark that is so much a part of the beauty of the cave's interior. Ms. Berkson's trained and loving eye picks out the subtleties of the main sculptures and humorous details that the visitor might miss even on the site. In the text Wendy O'Flaherty interprets the myths of Shiva depicted in the sculpture; Ms. Berkson's essay supplies historical background and a stylistic analysis; and George Michell examines the overall structure of the cave to show that it is a mandala-like image of the heavenly mountain residence of Shiva and even of the structure of the universe itself. The author as well as the publishers of the work deserve to be congratulated for providing this easily accessible guide to Elephanta. The Travel Game John Grandits, 2009 Tad and his aunt Hattie take an imaginary trip to Hong Kong. Armed with a globe, an illustrated almanac, and their imaginations, Tad and Aunt Hattie play the travel game. They ride elephants in India, escape deadly piranhas in the Amazon River, and hail a water taxi to visit the beautiful boat city of Hong Kong--all without leaving the apartment above the family tailor shop in Buffalo, New York. This funny, affectionate story is based on author John Grandits's own childhood experiences. The charming and highly detailed illustrations will keep children entranced through multiple readings and encourage them to play their own version of the travel game.

Architecture in Burma Lorie Karnath,2023-12-16 The architecture in Burma represents a mixture of the country's history, politics, natural assets, religion, and superstition. Despite some recent advances toward modernization, in architectural terms, centuries of relative seclusion have caused this country to remain something of a historical timeline. Burma's resplendent temples, stately colonial edifices, and myriad of structures that comprise innumerable fishing and country villages provide an architectural window into the country's diverse and oftentimes tumultuous history. The turbulence of the region, punctuated by dynastic squabbles, is perhaps best chronicled and understood by way of its architecture. The escalation of successional quarrels frequently resulted in new rulers packing up entire palaces and other structures and hauling these by elephant to establish a new seat of government or capital elsewhere. The vestiges of the old cities were for the most part simply left to the vicissitudes of nature.

The Taking of Lungtungpen Rudyard Kipling,2014-10-11 Joseph Rudyard Kipling (30 December 1865 - 18 January 1936) was an English short-story writer, poet, and novelist. He wrote tales and poems of British soldiers in India and stories for children. He was born in Bombay, in the Bombay Presidency of British India, and was taken by his family to

England when he was five years old. Kipling's works of fiction include *The Jungle Book* (a collection of stories which includes *Rikki-Tikki-Tavi*), *the Just So Stories* (1902), *Kim* (1901), and many short stories, including *The Man Who Would Be King* (1888). His poems include *Mandalay* (1890), *Gunga Din* (1890), *The Gods of the Copybook Headings* (1919), *The White Man's Burden* (1899), and *If—* (1910). He is regarded as a major innovator in the art of the short story; his children's books are enduring classics of children's literature; and one critic described his work as exhibiting a versatile and luminous narrative gift. Kipling was one of the most popular writers in England, in both prose and verse, in the late 19th and early 20th centuries. Henry James said: Kipling strikes me personally as the most complete man of genius (as distinct from fine intelligence) that I have ever known. In 1907, he was awarded the Nobel Prize in Literature, making him the first English-language writer to receive the prize, and its youngest recipient to date. Among other honours, he was sounded out for the British Poet Laureateship and on several occasions for a knighthood, all of which he declined. Kipling's subsequent reputation has changed according to the political and social climate of the age and the resulting contrasting views about him continued for much of the 20th century. George Orwell called him a prophet of British imperialism. Literary critic Douglas Kerr wrote: He [Kipling] is still an author who can inspire passionate disagreement and his place in literary and cultural history is far from settled. But as the age of the European empires recedes, he is recognised as an incomparable, if controversial, interpreter of how empire was experienced. That, and an increasing recognition of his extraordinary narrative gifts, make him a force to be reckoned with.

Secrets of the Fallen Pagoda Eugene Yuejin Wang, 2014 The capital of Tang China (618 - 907), Chang'an (present day Xi'an), was a hub for economic and cultural exchange. Nearby lies the Famen Temple, one of the most revered Buddhist sites in China. A finger bone relic of the Buddha and magnificent Tang dynasty objects of gold, silver, ceramics, and glass were sealed within an underground crypt there. For more than 1000 years, these treasures were forgotten until their chance discovery in 1987. Together with objects from other leading museums in Shaanxi, the exhibition covered by this text is a rare showcase of Tang aesthetics and culture for the first time in Southeast Asia. This catalogue accompanies an exhibition at the Asian Civilisations Museum of treasures from the Famen Temple crypt and other Tang dynasty artworks. Essays examine relic worship at the Famen Temple and the Buddhist world of the Tang, the rationale for the arrangement of donations in the crypt chambers, and the Tang dynasties contacts with the wider world. Figures and murals from tombs, magnificent reliquary boxes, rare ceramics, and gold and silver metalwork tell the story of life and culture during the Tang.

Thai Twist D. R. Ransdell, 2013-09 When high school graduate Gina Campanello wins a trip to Thailand, the last thing she wants is to visit a bunch of temples and museums with her gung-ho older sister. Luckily, before Gina leaves Tucson, a neighbor gives her the mission of delivering a small stone elephant to a long-lost relative. When Gina and Rachel hit Bangkok, Rachel carts her sister from Wat Pho to the Grand Palace, but all Gina can think of is Koon Somchai, the estranged engineer she has promised to track down. By the time she leaves Bangkok, she's no closer to her goal. In Chiang Mai, the second city of the girls' tour, Gina finally gets some leads after consulting with natives. She visits the local

engineering school and writes furious emails to recent graduates. The problem is that by the time she narrows down her search, she's about to board a plane for the beautiful beaches of Phuket. While Rachel enjoys lovely ocean views and leisurely afternoons in the pool, Gina can't stop thinking about the mysterious man she was supposed to find. When the man's grandson is able to arrange transportation for her return to Chiang Mai, Gina can't turn down the offer, no matter the personal cost.

The Magnificent Chinese Jade Pagoda Mae Chang Koh, 2017 This is the story and background of how an orphan Chinese boy, with God's blessing, created the world-renowned Jade Pagoda and its priceless companion collection and how it was lost to not only 1.4 billion Chinese but also to the people of the United States and the world. The centerpiece of this jade collection is the Jade Pagoda that took the blood and sweat of 150 Chinese jade artisans over ten years to complete. It was carved from the largest jadeite boulder ever mined from a quarry in Northern Burma (Myanmar). These jade workers labored between 1922 and 1933 by hand-and-foot power, using only the crudest of tools to carve the most intricate spectacle in the world today. The pagoda was not only the lifetime realization of the dream of jade connoisseur Chang Wen Ti but also an intended icon for

world peace and friendship that Chang had so fervently promoted. The city of Oakland was chosen as the recipient of the largest gift ever donated by one family as a gesture of goodwill between the Chinese and the Americans on behalf of the Chinese people. This pagoda has been rightfully called the eighth wonder of the world by its many admirers and those who have viewed it in person. This book is about the magnificent Jade Pagoda and the man who brought it to fruition.
