

Hedgehog.jpg

Jen Betton

Hedgehog Needs a Hug Jen Betton,2018-06-19 Everyone needs hugs, even if they're prickly. When Hedgehog wakes up feeling down in the snout and droopy in the prickles, he knows a hug will make him feel much better. But none of his animal friends are eager to wrap their arms around Hedgehog's prickles, and he's too smart to fall for Fox's sly offer. Then Hedgehog gets a surprise: Another animal in the forest is feeling exactly the same way. Luckily, both are kind and brave enough for the perfect hug.

Hedgehog Caroline Norsk,2016-03-02 Help your kids learn more about the fascinating Hedgehog with this book of fun things to learn about Hedgehog. It's fun, easy to read, and will definitely make you know more about these beautiful Creatures called 'Hedgehog'.

Hedgehog Heather Marshall,2021-04-14 Hedgehog: An Amazing Animal Picture Book about Hedgehog for Kids

Hedgehog in the Fog Sergei Grigor'evich Kozlov,Yuri Norstein,Urii Norshtein,2013 Hedgehog in the Fog is an international hit which has already been published in many languages. The book is based on Francesca Yarbusova's sketches to the award-winning animated film directed by Yuri Norstein. It is about the adventures of the philosophical little Hedgehog on his way to meet with his friend Bear. Along the way Hedgehog enters into a mysterious fog in which he encounters a horse, a dog, an owl, and a fish. In 2003, an international film jury in Tokyo declared Hedgehog in the Fog to be the best animated film of all time. I've loved the films of Yuri Norstein for years now. I first saw Hedgehog in the Fog as a film student in the early 1980s and became instantly enchanted. Like many I was immediately drawn into his sensual world by the richness of the aural and visual landscapes he creates. Norstein's films are magical and atmospheric, lovingly and masterfully executed. His story-telling and illustration style is earthy and rich in symbols which are beautiful in themselves - but one senses there is a lot more hidden behind them. Nick Park The creator of Wallace and Gromit and Chicken Run; Four times Oscar-winner

Hedgehog Art Through the Ages Steven Bach,2016-11-11 Hedgehog Art Though the Ages is a humorous and lovely book. This amusing work of fictional art history features various inspiring works of art with hedgehogs as the key theme. The book includes over forty amazing, adorable, and delightful works from the Renaissance, Baroque, Neoclassical, Romantic and Modern periods, as well as sections on Americana and Japanese art. With lighthearted and amusing commentary on each art period along with descriptions and commentary on each artwork focusing on the history of hedgehogs in art, this book is sure to amuse and delight students of art history, fans of hedgehogs, and a general audience of all ages.

Our Friend Hedgehog Lauren Castillo,2020-05-05 From a Caldecott Honor-winning artist comes a cozy classic-in-the-making about finding your friends and sticking together through thick and thin. Our Friend Hedgehog feels like a modern-day Winnie the Pooh. It's so warm and full of joy and love. It's got classic written all over it. --Victoria Jamieson, Newbery Honor-winning author of Roller Girl Sometimes you make a friend, and it feels like you have known that friend your entire life. . . . Hedgehog lives on a teeny-tiny island with only her stuffed dog, Mutty, for company. When a great storm carries Mutty away, she embarks on a quest to find her friend. Following the trail of clues Mutty left behind, brave Hedgehog meets a wiggly Mole, a wordy Owl, a curmudgeonly Beaver, a scatterbrained Hen and Chicks, and a girl who's new to the neighborhood, Annika May. With bravery and teamwork, there's nothing that can stop these seven from finding Mutty, but along the way they discover something even more important: each other. The first book in a new series from Caldecott Honor winner Lauren Castillo, Our Friend Hedgehog: The Story of Us has the feel of a timeless classic, introducing an unforgettable cast of characters who will star in many more adventures to come.

The Snowy Nap Jan Brett, 2018-10-16 In this instant winter classic, Jan Brett's Hedgie tries to stay awake so he doesn't miss out on all the snowy fun his friends are having. A chill is in the air, and as Hedgie trundles around the farm all his friends tell him of the winter-time fun he will miss as he hibernates: Icicles decorating the chicken coop! Lisa making snowmen! The pond turned to slippery ice! It sounds so amazing that Hedgie decides to stay awake instead of going to his burrow. But then, a snowstorm starts. Luckily, Lisa finds him and brings him to her home, so Hedgie gets to see the wonders of winter from inside the cozy house. From the creator of winter classics like *The Mitten*, *The Animals' Santa*, and *The Three Snow Bears* comes another seasonal adventure that is sure to warm the heart.

Hedgehog Hugh Warwick, 2014-06-15 From the Romans who viewed the hedgehog as a weather prophet to modern gardeners who depend on the creature to keep gardens pest-free, the small, spiny animal has had a close connection with humans since the dawn of civilization. A creature of fascination, endearment, and cultural significance, it is one of the few wild animals that people can approach without the fear of attack or it running away. Exploring how this and other characteristics of the hedgehog have propelled it to become one of people's favorite animals, this book examines the natural and cultural history of these symbolic creatures. Following the hedgehog as it spreads through Europe and Asia to the foot of Africa, Hugh Warwick describes its evolution, behavior, habitat, and diet, as well as its current endangered status. He also looks at the animal's appeal, accessibility, and status as a pet in many countries, considering its appearance in advertising, films, children's books, and games. Casting new light on the ancestors of Sonic and Mrs. Tiggy-Winkle, *Hedgehog* is a fascinating look at these prickly, admirable animals.
