Helter Skelter Kyoko Okazaki, 2021-01-05 If you are aware of fashion in Japan you must have seen Liliko's face. For the last few years she has been at the top of the modeling world, with her face and body promoting the biggest brands. But as everyone who is in this world admits, staying on top is a constant and never ending battle. There are always new faces introduced to the public. Younger models and new looks are brought into the fold every season. And keeping that position means learning to adapt and learning to cope with change. To maintain her position, Liliko has decided to under the knife. This is not her first go with this service. It is yet another round of plastic surgery, all done to keep herself looking young and vibrant. However, in this case just a little nip and tuck was not enough. Liliko is bent on undergoing a full body makeover. From head-to-toe, every inch of her will undergo cosmetic surgery, and thus begins her madness.

Clean James Hamblin, 2020-07-21 Named a Best Book of 2020 by NPR and Vanity Fair One of Smithsonian's Ten Best Science Books of 2020 "A searching and vital explication of germ theory, social norms, and what the modern era is really doing to our bodies and our psyches." —Vanity Fair A preventative medicine physician and staff writer for The Atlantic explains the surprising and unintended effects of our hygiene practices in this informative and entertaining introduction to the new science of skin microbes and probiotics. Keeping skin healthy is a booming industry, and yet it seems like almost no one agrees on what actually works. Confusing messages from health authorities and ineffective treatments have left many people desperate for reliable solutions. An enormous alternative industry is filling the void, selling products that are often of questionable safety and totally unknown effectiveness. In *Clean*, doctor and journalist James Hamblin explores how we got here, examining the science and culture of how we care for our skin today. He talks to dermatologists, microbiologists, allergists, immunologists, aestheticians, bar-soap enthusiasts, venture capitalists, Amish people, theologians, and straight-up scam artists, trying to figure out what it really means to be clean. He even experiments with giving up showers entirely, and discovers that he is not alone. Along the way, he realizes that most of our standards of cleanliness are less related to health than most people think. A major part of the picture has been missing: a little-known ecosystem known as the skin microbiome—the trillions of microbes that live on our skin and in our pores. These microbes are not dangerous; they're more like an outer layer of skin that no one knew we had, and they influence everything from acne, eczema, and dry skin, to how we smell. The new goal of skin care will be to cultivate a healthy biome—and to embrace the meaning of "clean" in the natural sense. This can mean doing much less, saving time, money, energy, water, and plastic bottles in the process. Lucid, accessible, and deeply researched, *Clean* explores the ongoing, radical change in the way we think about our skin, introducing readers to the emerging science that will be at the forefront of health and wellness conversations in coming years.

Writing the Hamat'sa Aaron Glass, 2021-07-15 Long known as the Cannibal Dance, the Hamat'sa is among the most important hereditary prerogatives of the Kwakwaka'wakw of British Columbia. Drawing on published texts, extensive archival research, and fieldwork, *Writing the Hamat'sa* offers a critical survey of attempts to record, interpret, and prohibit the ceremony. Such textual mediation and Indigenous response over four centuries helped transform the Hamat'sa from a set of specific practices. into a generalized cultural icon. This meticulous work illuminates how Indigenous people contribute to, contest, and repurpose texts in the process of fashioning modern identities under settler colonialism.

A Taste for Poison Neil Bradbury, Ph.D.,2022-02-01 “A fascinating tale of poisons and poisonous deeds which both educates and entertains.” -- Kathy Reichs A brilliant blend of science and crime, A TASTE FOR POISON reveals how eleven notorious poisons affect the body--through the murders in which they were used. As any reader of murder mysteries can tell you, poison is one of the most enduring—and popular—weapons of choice for a scheming murderer. It can be slipped into a drink, smeared onto the tip of an arrow or the handle of a door, even filtered through the air we breathe. But how exactly do these poisons work to break our bodies down, and what can we learn from the damage they inflict? In a fascinating blend of popular science, medical history, and true crime, Dr. Neil Bradbury explores this most morbidly captivating method of murder from a cellular level. Alongside real-life accounts of murderers and their crimes—some notorious, some forgotten, some still unsolved—are the equally compelling stories of the poisons involved: eleven molecules of death that work their way through the human body and, paradoxically, illuminate the way in which our bodies function. Drawn from historical records and current news headlines, A Taste for Poison weaves together the tales of spurned lovers, shady scientists, medical professionals and political assassins to show how the precise systems of the body can be impaired to lethal effect through the use of poison. From the deadly origins of the gin & tonic cocktail to the arsenic-laced wallpaper in Napoleon’s bedroom, A Taste for Poison leads readers on a riveting tour of the intricate, complex systems that keep us alive—or don’t.

The Dating Charade Melissa Ferguson,2019-12-03 Cassie is fed up with online dating, but just when she’s finally decided to give up, firefighter Jett Bentley takes her on an amazing first date. But when they both go home and find three children dropped in their laps—each—they independently decide to do the right and mature thing: hide the kids from each other while sorting it all out. What could go wrong? Cassie Everson is an expert at escaping bad first dates. And, after years of meeting, greeting, and running from the men who try to woo her, Cassie is almost ready to retire her hopes for a husband—and children—together. But fate has other plans, and Cassie’s online dating profile catches the eye of firefighter Jett Bentley. In Jett’s memory, Cassie Everson is the unreachable girl-of-legend from their high school days. Nervously, he messages her, setting off a chain of events that forces a reluctant Cassie back into the dating game. No one is more surprised than Cassie when her first date with Jett is a knockout—but when Cassie finds herself caring for three sisters in an emergency foster placement, she decides to hide them from Jett to avoid scaring him off. When Jett’s sister’s addiction issues land her three children at his home, he decides the last thing Cassie needs to know about is his family drama. Neither dares to tell the other about their unexpected and possibly permanent family members for fear of scaring away their potential soulmate, especially since they both listed no kids” on their profiles! With six children between them and secrets mounting, can Cassie and Jett find a way forward? Melissa Ferguson’s warmhearted debut reminds us that love can come in very small packages—and that sometimes our best-laid plans aren’t nearly as rewarding and fun as the surprises that come our way. Praise for The Dating Charade: “Melissa Ferguson is a sparkling new voice in contemporary rom-com. Though her novel tackles meaningful struggles—social work, child abandonment, adoption—it’s also fresh, flirty, and laugh-out-loud funny. Ferguson is going to win fans with this one!”—Lauren Denton, bestselling author of The Hideaway and Glory Road “The Dating Charade will keep you smiling the entire read. Ferguson not only delights us with new love, with all its attendant mishaps and misunderstandings, but she takes us deeper in the hearts and minds of vulnerable children as Cassie and Jett work out their families—then their dating lives. An absolute treat!”—Katherine Reay, bestselling author of The Printed Letter Bookshop Stand-alone contemporary romance Full-length novel (76,000 words) Includes discussion questions for book clubs

House of Hollow Krystal Sutherland,2022-03-01 A New York Times Bestseller! An Instant Indie Bestseller! A dark, twisty modern fairytale where three sisters discover they are not exactly all that they seem and evil things really do go bump in the night. Iris Hollow and her two older sisters are

unquestionably strange. Ever since they disappeared on a suburban street in Scotland as children only to return a month later with no memory of what happened to them, odd, eerie occurrences seem to follow in their wake. And they're changing. First, their dark hair turned white. Then, their blue eyes slowly turned black. They have insatiable appetites yet never gain weight. People find them disturbingly intoxicating, unbearably beautiful, and inexplicably dangerous. But now, ten years later, seventeen-year-old Iris Hollow is doing all she can to fit in and graduate high school on time--something her two famously glamorous globe-trotting older sisters, Grey and Vivi, never managed to do. But when Grey goes missing without a trace, leaving behind bizarre clues as to what might have happened, Iris and Vivi are left to trace her last few days. They aren't the only ones looking for her though. As they brush against the supernatural they realize that the story they've been told about their past is unraveling and the world that returned them seemingly unharmed ten years ago, might just be calling them home.

Vacuum in the Dark Jen Beagin,2020-01-28 From the Whiting Award-winning author of Pretend I'm Dead and one of the most exhilarating new voices in fiction, a "thoroughly delightfully, surprisingly profound" (Entertainment Weekly) one-of-a-kind novel about a cleaning lady named Mona and her struggles to move forward in life. Soon to be an FX television show starring Lola Kirke. Mona is twenty-six and cleans houses for a living in Taos, New Mexico. She moved there mostly because of a bad boyfriend—a junkie named Mr. Disgusting, long story—and her efforts to restart her life since haven't exactly gone as planned. For one thing, she's got another bad boyfriend. This one she calls Dark, and he happens to be married to one of Mona's clients. He also might be a little unstable. Dark and his wife aren't the only complicated clients on Mona's roster, either. There's also the Hungarian artist couple who—with her addiction to painkillers and his lingering stares—reminds Mona of troubling aspects of her childhood, and some of the underlying reasons her life had to be restarted in the first place. As she tries to get over the heartache of her affair and the older pains of her youth, Mona winds up on an eccentric, moving journey of self-discovery that takes her back to her beginnings where she attempts to unlock the key to having a sense of home in the future. The only problems are Dark and her past. Neither is so easy to get rid of. Jen Beagin's Vacuum in the Dark is an unforgettable, astonishing read, "by turns nutty and forlorn...Brash, deadpan, and achingly troubled" (O, The Oprah Magazine). Beagin is "a wonderfully funny writer who also happens to tackle serious subjects" (NPR).

Happily and Madly Alexis Bass,2019-05-21 Alexis Bass' Happily and Madly is a mature, twisty, compulsively readable YA suspense novel about a young girl who embraces a fate bound in love and mystery. Maris Brown has been told two things about her destiny: 1. She will fall happily and madly in love. 2. She could be dead before she turns eighteen. The summer before that fateful birthday, Maris is in the wealthy beach town of Cross Cove with her estranged father and his new family--and the infamous Duvals. Since the youngest member of the Duval family, Edison, is back from college and back in the arms of Maris's new stepsister, her summer looks to be a long string of lazy days on the Duval's lush beach. But Edison is hiding something. And the more Maris learns about him, the more she's given signs that she should stay as far away from him as possible. As wrong as it is, Maris is drawn to him. Around Edison, she feels truly alive and she's not willing to give that up. Even if it means a collision course with destiny. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Red Hood Elana K. Arnold,2020-02-25 A dark, engrossing, blood-drenched tale of the familiar threats to female power—and one girl's journey to regain it. Five starred reviews greeted this powerful story from Elana K. Arnold, author of the Printz Honor winner Damsel. You are alone in the woods, seen only by the unblinking yellow moon. Your hands are empty. You are nearly naked. And the wolf is angry. Since her grandmother became her caretaker when she was four years old, Bisou Martel has lived a quiet life in a little house in Seattle. She's kept mostly to herself. She's been good. But then comes the night of homecoming, when she finds herself running for her life over roots and between trees, a fury of claws and teeth behind her. A

wolf attacks. Bisou fights back. A new moon rises. And with it, questions. About the blood in Bisou's past, and on her hands as she stumbles home. About broken boys and vicious wolves. About girls lost in the woods—frightened, but not alone.

The Celebration Husband Maya Alexandri,2015-10-09 World War I has just erupted in East Africa, and Baroness Tanya von Brantburg is running intelligence missions for the British irregular forces, with which her husband, Isak, is fighting. Aiding Tanya are Hassan, her Somali manservant, and Kamau, her Kikuyu tribesman cook. Along the way, Tanya is targeted by her old acquaintance, the charming and cultured German Lieutenant-Colonel, Paul von Lettow-Vorbeck, who wants her to betray the British. Just as dangerous is Hilary Gordon, a fellow soldier and old flame of Tanya's: Hilary is determined to win Tanya back. Facing all the hardships of military maneuvers in the African bush, Tanya must also confront her loyalties and her desires as her mission culminates in a life-changing rescue operation on the slopes of Mount Kilimanjaro.

Our Summer With the Eskimos Constance Helmericks,2019-06-11 The Cedar Plank Mask is the third book in a four part series, preceded by The Bentwood Box and The Button Blanket. This book is designed for students of 3rd through 6th grade. The art style represented in this book is called Westcoast style by the people who live on the western most tip of Washington and west coast of Vancouver Island. Because Westcoast style is an art form unto its own, there are differences between it and the northern styles This book will help you see those differences in two dimensional or flat art.

On Abortion Laia Abril,2018-01-18 'On Abortion' is the first part of Laia Abril's new long-term project, 'A History of Misogyny'. The work was first exhibited at Les Rencontres in Arles in 2016 and awarded the Prix de la Photo Madame Figaro and the Fotopress Grant. Abril documents and conceptualises the dangers and damage caused by women's lack of legal, safe and free access to abortion. She draws on the past to highlight the long, continuing erosion of women's reproductive rights through to the present-day, weaving together questions of ethics and morality, to reveal a staggering series of social triggers, stigmas, and taboos around abortion that have been largely invisible until now.
