The Art of Eric Carle Eric Carle,2021-03-09 Carle is one of the most beloved illustrators of children's books. This retrospective is more than just an appreciation of his art, however. The book also contains an insightful autobiography illustrated with personal photographs, an anecdotal essay by his longtime editor, a photographic essay on how Carle creates his collages, and writings by Carle and his colleagues. Still, it is the artwork in the oversize volume that seizes the imagination. More than 60 of his full-color collage pictures are handsomely reproduced and serve as a statement of Carle's impressive talent. - Booklist

NORMAL Doesn't Live Here Anymore Barb BSL. Owen,2013-05-22 What would happen if The Unthinkable blindsided you, requiring everything be put on hold to become a full time caregiver for a loved one? At the very least, it would reshape your life. Without a survival guide, it could even destroy it. Barb Owen delivers precisely that survival guide in *NORMAL Doesn't Live Here Anymore: An Inspiring Story of Hope for Caregivers*. She weaves a story, through the first two parts of the book, based on her life-changing experience as primary caregiver for her elderly parents. Following each chapter a bit of wisdom gained from Barb's experience is summarized as a Reflection. The third part of *NORMAL Doesn't Live Here Anymore* addresses the critical need for self-care for the new and seasoned caregiver alike. Specific suggestions abound for Me Time "how to find it" "what to do with it" and how very important it is for sustaining oneself throughout the often arduous caregiving-marathon. This truly inspiring book is one part parable, one part autobiography and all survival guide, illuminating a path for the more than 65 million caregiving Americans. SEverything hinges on your ability to care for both yourself and your loved one, says Owen. SThis maxim is of great consequence "heed it, and you will endure. Dismiss it, and you will have trouble surviving. Take care of yourself, your loved one and keep the faith, because you're not alone. ----- EXCERPT FROM: *NORMAL Doesn't Live Here Anymore* - Chapter 21; The morning after I brought my 90-year-old Dad home from the hospital, Mom called me to say that he was not feeling at all well. My nagging intuition insisted that I visit Dad and spend some private time with him. Finding Dad awake and resting in his bed, I struggled to find my voice. Sitting beside him, I asked, SHow are you feeling this morning? SOh, I'm so-so, he sighed, as a tear rolled from his eye on to the pillow that cradled his head. SReally tired of all of this and worried about your mother. She's having a hard time with everything. We stayed there in silence "just being together for a few moments. Holding his hand, the heavy words finally left my mouth. SYou know, Dad, you can trust me to be sure that Mom is okay. I will take care of her, no matter what. He responded quietly, SI know. Studying and caressing my dad's hand, I knew there was one more important conversation that the voice in my heart insisted upon. SDad, I know that this is getting to be really tough for you. If staying here becomes too hard, it's okay to let go... During the following few weeks I watched my 89-year-old Mom experience a renewed sense of purpose and increased strength as she doted on my dad and met his needs, as best she could. Some days were better than others. Most nights were difficult when Dad's heart pain was significantly worse and his level of anxiety escalated. Often my mom would pass the hours by reading to Dad. Although her eyesight was clouding, she still managed to read the newspaper, column by column, or inspirational short stories she found in the stack of magazines beside their bed. Amazingly, dawn nearly always brought ease and comfort for them both. And so the nights and days continued ----- REFLECTION; Difficult subjects sometimes need to be discussed. You might be asked by others to deliver bad news "news of someone's death, a life-altering diagnosis, or even the necessity for a change in residence. Each conversation carries the potential for unleashed emotions. My advice? No matter how difficult or emotional, don't leave words left unsaid. People, if capable of understanding, deserve information. Often, they are much stronger than we realize. Words are powerful. They carry courage, condemnation, reassurance or permission. Choose them wisely as your words may be the ones that bring freedom from pain or suffering. It's tough, but I know you can do it

and if you listen to that voice inside, you will know exactly the right time and the right words.Be Strong!

The Patchwork Bike Maxine Beneba Clarke,2021-02-23 “The words and images in this snapshot story pulse with resourceful ingenuity, joyful exuberance, and layered meanings.” —Publishers Weekly (starred review) When you live in a village at the edge of the no-go desert, you need to make your own fun. That's when you and your brothers get inventive and build a bike from scratch, using everyday items like an old milk pot (maybe Mum is still using it, maybe not) and a used flour sack. You can even make a license plate from bark if you want. The end result is a spectacular bike, perfect for whooping and laughing as you bumpetty bump over sand hills, past your fed-up mum and right through your mud-for-walls home. A Boston Globe–Horn Book Award winner, this joyous story from Maxine Beneba Clarke, beautifully illustrated by street artist Van Thanh Rudd, is now available as an ebook.
