Rock by Rock Jennifer Bradbury,2021-02-23 This luminous picture book tells the fascinating true story of artist Nek Chand and how his secret art project—hidden away in a jungle—became one of India’s most treasured wonders, second only to the Taj Mahal. In the bustle of the busy streets of Chandigarh, India, Nek Chand saw something no one else did. Where others saw rocks and stones, Nek saw the boyhood village he missed so dearly. Where others saw broken plates and glass, Nek saw laughing men. And where others saw trash, Nek saw beauty. Nek Chand’s incredible rock garden, built from stone and scraps and concrete, began as a way for him to express his long-felt grief at having to leave his boyhood village due to the violence caused by the partition of India. What began as a secret and personal (not to mention initially illegal) project became so much more, not only to Nek but to all of India.

The Secret Kingdom Barb Rosenstock,2021-06-15 The incredible story of the world’s largest visionary environment: the Rock Garden of Chandigarh, kept secret by outsider artist Nek Chand for fifteen years. After the partition of India in 1947, Nek Chand Saini settled in the city of Chandigarh, with nothing but stories brought from his homeland. Dismayed at his stark new surroundings, Nek began collecting river rocks, broken glass, and cracked water pots found on the roadside. He cleared a section of jungle and for seven years he stockpiled odds and ends. They were castoffs and rubbish to everyone else, but to Nek, they were treasures. He began to build a labyrinth of curving paths, mosaics, and repeating patterns: his very own tribute to the winding village of his youth, a hidden land of stories. Nek kept his kingdom secret for fifteen years, until a government crew stumbled upon it and sought to destroy it. But local fans agreed in awe: the Rock Garden had to be protected. Author Barb Rosenstock introduces readers to the outsider artist’s stunning creation, while Claire A. Nivola’s illustrations bring to life the land’s natural beauty and the surreal world Nek coaxed from his wild landscape.

Gay-Neck, the Story of a Pigeon Dhan Gopal Mukerji,1927 Tells the story of Gay-Neck, a carrier pigeon raised and trained by an Indian boy in Calcutta. Gay-Neck flew messages for the Allies in France during World War I.

Nek Chand's Outsider Art Lucienne Peiry,John Maizels,Philippe Lespinasse,2006 Over forty years ago, Chand worked as a road inspector in northern India. Each evening after work, he mounted his bicycle and carried - by the hundreds - stones that he found in the foothills of the Himalayas. In an abandoned jungle clearing, He built sculptures by combing these stones - which he believed possessed a soul - with urban debris: corroded wires, used sheet metal, detached bicycle parts, broken bracelets, and abandoned tubes and tires. He created a kingdom of gods and goddesses, peopled by characters and animals. Today this kingdom covers more than thirty acres.--Back cover.

Principios de Trauma Sergio Ralon,2017-05-01 El Cirujano en Guatemala siempre ha tenido que lidiar con problemas relacionados con Trauma y violencia. En la época de la Guerra Interna un promedio de 5,500 muertes violentas ocurrían por año. El médico que trabajaba en esa época en un hospital público fue testigo de las consecuencias del conflicto armado y de la misma manera la situación tristemente lo convirtió en un experto en el manejo del paciente con trauma severo, no solamente de accidentes automovilísticos sino de lesiones complejas ocasionadas por armamento sumamente letal. Hoy en día 20 años después de tener tiempos de Paz, el índice de violencia civil continua en ascenso, un promedio de 4,600 asesinatos por año en los últimos 10 años, ha hecho que las emergencias de nuestros hospitales se encuentren siempre con casos no solamente de politrauma sino de lesiones por proyectil de arma de fuego y arma blanca. La prensa nacional y algunos colegas les gusta usar nuevamente el término “somos un hospital de Guerra”, sin embargo es un concepto equivocado. Hoy por Hoy vivimos una situación de “violencia extrema”, afortunadamente raramente vemos las lesiones complejas de los armamentos del conflicto armado que se viven en guerras, pero lo que si es cierto es que el creciente número de pacientes victimas de lesiones por trauma por violencia y por politraumatismo sigue en alza. Sin importar que estemos en tiempo de

ideas, and these ideas remain as relevant and timely as ever. START WITH WHY asks (and answers) the questions: why are some people and organizations more innovative, more influential, and more profitable than others? Why do some command greater loyalty from customers and employees alike? Even among the successful, why are so few able to repeat their success over and over? People like Martin Luther King Jr., Steve Jobs, and the Wright Brothers had little in common, but they all started with WHY. They realized that people won't truly buy into a product, service, movement, or idea until they understand the WHY behind it. START WITH WHY shows that the leaders who have had the greatest influence in the world all think, act and communicate the same way—and it's the opposite of what everyone else does. Sinek calls this powerful idea The Golden Circle, and it provides a framework upon which organizations can be built, movements can be led, and people can be inspired. And it all starts with WHY.

Broken Nek Katie Albrecht,Mary Albrecht,2018-12-13 50 year old Mary is living a healthy, relatively stress-free life, long removed from her history of abuse by her older brother, Ken. But then her mother passes away and the day after the funeral Mary's past and present collide. Her niece, Katie, Ken's youngest child at age 22, reaches out to Mary in a moment of terror stemming from a fight with her dad. Wanting to help Katie put an end to the abuse, but hesitant to bring her brother back into her life, Mary struggles with flashbacks and nightmares. The ensuing year is tumultuous and frightening; a reflection of what happens when mental illness is confronted head on. While Katie and Mary try to force Ken to confront his demons with professional help, their own relationship begins to heal each of them in unexpected ways, resulting in truth, vindication, and love.
