08 Central Europe Travel 1 Arya Bahram,2016-03-09 What is art photography? First of all sorry for my english, I am persian !! I have to say this is really a question that is not so easy to answer There are examples of photos that have been made completely without claiming to be art and that are traded as such, Pictures, of which not even the photographer is known. It is very important that the photographer for himself has an idea of Art Photos, and even if he goes with his camera out, hoping for a good photo, but he has a frame operation for his work When I come home with many photos, begins the work, which means I ask myself: Is this an art photo and fit my working frame Operation What are my personal works frames Operation Details, people movement, creativity, conscious action, willing to take random image The question I ask myself is: Could it be that viewers would regret it if they had not seen this or it would not matter to them if they regret it, then the image belongs to my book. It is also since the beginning of the art always a bone of contention what art is. The Answers have unlimited space for interpretations. I think also in terms of art are photos like music and painting! Some like it and others do not! As with the music! What varied and exciting makes the whole thing so well! And always looking for something to watch again! Perhaps art is to produce the conscious application of creative imagination and craft skills to aesthetic objects such as picture or sculpture. 'Conscious' means that a Random product is not art 'Creative' means a copy is not art. 'Craft' means the arts and crafts are complementary. 'Aesthetic' means that the product is beautiful. This definition is probably not for everyone but for me creates clarity Copy a photo, painting or sculpture, is not as copies of writings possible (except, someone wants to copy a Tolstoy book!!) When I write a sentence and millions of other people agree with this statement, for example this sentence: A copy of the hare, (a watercolor by Albrecht Durer) is nice, but only the original is Art This sentence is not a copy, but an image or music or photo can not be copied because it is a person and creativity behind it, From nothing, now by the artist something exists, whether a picture or song or photo. Creativity is really a key word. I remember when I was in Prague and Budapest and wanted pictures of craftsmanship (Glass and wooden toys) make that were behind glass cabinets, first automatically and instinctively you would think on this issue to a polarizing filter, as this reflection on nonmetallic surfaces (so can also suppress on glass). Avoid for reflections on glass panes But I asked myself, why actually with polarizing filter? What's bad about that once viewer sees how a picture would look without polarizing filter? Not only see objects, but also passers-by on the street and the photographer himself, but all in a photo!! And i did it I made these photos without polarizing filter and I believe have become beautiful photos. An artistic work has been deliberately created

Dame Traveler Nastasia Yakoub,2020-03-03 A breathtaking celebration of Instagram's premier solo female travel community, featuring 200 striking photographs—most of them all-new—plus empowering messages and practical tips for solo travelers. “For those with passports full of stories, this book carries you away to every dreamy corner of the earth. I can’t stop flipping through these visually incandescent pages to see where I’m capable of traveling to next!”—Caila Quinn, The Bachelor contestant and lifestyle and travel influencer From backpackers in Peru to artists in Berlin to storytellers in Morocco, Dame Traveler celebrates the diversity and bravery of women from around the world who are not afraid to think (and live) outside the box. The revolutionary Dame Traveler Instagram account was founded by Nastasia Yakoub, who was born into a strict Chaldean-Middle Eastern community where women are expected to marry young and put aside other personal ambitions. But at the age of twenty, Nastasia embarked on a solo trip to South Africa to volunteer at an orphanage in Cape Town, which sparked a love of world travel. Recognizing a void in the travel industry, she founded Dame Traveler, the first female travel community on Instagram, now more than half a million strong. Nastasia herself has traveled to sixty-three countries on solo adventures, sharing colorful photos of her tantalizing travels along the way. Dame Traveler celebrates these women with a photographic collection of 200 stunning images paired with inspiring captions, 80% of which have never been seen on the Instagram account. Organized into sections on architecture, culture, nature, and water, each entry features travel information, plus tips, advice, unique solo-travel experiences, and wisdom from contributing globe-trotters to embolden the next generation of Dame Travelers.
