Earthlings Sayaka Murata, 2020-10-06 An otherworldly coming-of-age tale of a woman who believes she is an alien, from the author of the international sensation Convenience Store Woman. Sayaka Murata's Convenience Store Woman was one of the most unusual and refreshing bestsellers of recent years, depicting the life of a thirty-six-year-old clerk in a Tokyo convenience store. Now, in Earthlings, Sayaka Murata pushes at the boundaries of our ideas of social conformity in this brilliantly imaginative, intense, and absolutely unforgettable novel. As a child, Natsuki doesn't fit in with her family. Her parents favor her sister, and her best friend is a plush toy hedgehog named Piyyut, who talks to her. He tells her that he has come from the planet Popinpobopia on a special quest to help her save the Earth. One summer, on vacation with her family and her cousin Yuu in her grandparents' ramshackle wooden house in the mountains of Nagano, Natsuki decides that she must be an alien, which would explain why she can't seem to fit in like everyone else. Later, as a grown woman, living a quiet life with her asexual husband, Natsuki is still pursued by dark shadows from her childhood, and decides to flee the "baby factory" of society for good, searching for answers about the vast and frightening mysteries of the universe—answers only Natsuki has the power to uncover. Dreamlike, sometimes shocking, and always strange and wonderful, Earthlings asks what it means to be happy in a stifling world, and cements Sayaka Murata's status as a master chronicler of the outsider experience and our own uncanny universe. Praise for Earthlings A New York Times Book Review Editors' Choice Named a Best Book of the Year by the New York Times, TIME and Literary Hub Named a Most Anticipated Book by the New York Times, TIME, USA Today, Entertainment Weekly, the

Guardian, Vulture, Wired, Literary Hub, Bustle, PopSugar, and Refinery29 “Intimate, deadpan, and unflinchingly unhinged. . . . Exceptionally fun. . . . Amid all the hedgehog and alien talk is a novel that asks how happiness and freedom can be possible inside a stiflingly anxious world, and its answers, while grotesque, are worth reading.” —Wired “If you’re in the mood for weird, Sayaka Murata is always a reliable place to turn. . . . [Earthlings] centers on Natsuki, a character whose story begins in childhood with her cousin in the mountains and spirals ever more darkly (and bizarrely) into adulthood and its many strange reckonings. This is a story that’s best not to spoil, but it will get into your head.” —Seattle Times “It’s the book’s visceral, grim savagery, and those final shocking pages, that makes this such a vital, powerful novel. . . . Earthlings is the sort of challenging, confronting fiction that wakes you up with a jolt and leaves a lasting impression.” —Locus

Life Ceremony Sayaka Murata, 2022-07-05 The long-awaited first short story-collection by the author of the cult sensation *Convenience Store Woman*, tales of weird love, heartfelt friendships, and the unsettling nature of human existence With *Life Ceremony*, the incomparable Sayaka Murata is back with her first collection of short stories ever to be translated into English. In Japan, Murata is particularly admired for her short stories, which are sometimes sweet, sometimes shocking, and always imbued with an otherworldly imagination and uncanniness. In these twelve stories, Murata mixes an unusual cocktail of humor and horror to portray both the loners and outcasts as well as turning the norms and traditions of society on their head to better question them. Whether the stories take place

in modern-day Japan, the future, or an alternate reality is left to the reader's interpretation, as the characters often seem strange in their normality in a frighteningly abnormal world. In "A First-Rate Material," Nana and Naoki are happily engaged, but Naoki can't stand the conventional use of deceased people's bodies for clothing, accessories, and furniture, and a disagreement around this threatens to derail their perfect wedding day. "Lovers on the Breeze" is told from the perspective of a curtain in a child's bedroom that jealously watches the young girl Naoko as she has her first kiss with a boy from her class and does its best to stop her. "Eating the City" explores the strange norms around food and foraging, while "Hatchling" closes the collection with an extraordinary depiction of the fractured personality of someone who tries too hard to fit in. In these strange and wonderful stories of family and friendship, sex and intimacy, belonging and individuality, Murata asks above all what it means to be a human in our world and offers answers that surprise and linger.

Convenience Store Woman Sayaka Murata, 2018-06-12 The English-language debut of one of Japan's most talented contemporary writers, selling over 650,000 copies there, *Convenience Store Woman* is the heartwarming and surprising story of thirty-six-year-old Tokyo resident Keiko Furukura. Keiko has never fit in, neither in her family, nor in school, but when at the age of eighteen she begins working at the Hiromachi branch of "Smile Mart," she finds peace and purpose in her life. In the store, unlike anywhere else, she understands the rules of social interaction—many are laid out line by line in the store's manual—and she does her best to copy the dress, mannerisms, and speech of her colleagues, playing the part of a "normal" person excellently, more or less. Managers come and go, but Keiko stays at the store for eighteen years. It's almost hard to tell where the store ends and she begins. Keiko is very happy, but the people close to her, from her family

to her coworkers, increasingly pressure her to find a husband, and to start a proper career, prompting her to take desperate action... A brilliant depiction of an unusual psyche and a world hidden from view, Convenience Store Woman is an ironic and sharp-eyed look at contemporary work culture and the pressures to conform, as well as a charming and completely fresh portrait of an unforgettable heroine.

Bloom Into You (Light Novel): Regarding Saeki Sayaka Vol. 1 Hitoma Iruma, 2019-12-19
Saeki Sayaka has always been an old soul--serious and reserved, preferring to focus on her studies rather than make friends. Until, that is, a romantic confession from another girl in middle school turns her carefully ordered world upside down. Though none of her classes have prepared her for this, Saeki must now come to terms with her sexuality in this gentle, coming-of-age novel about grappling with first love, growing up, and relating to other people.

Nation-Empire Sayaka Chatani, 2018-12-15
By the end of World War II, hundreds of thousands of young men in the Japanese colonies, in particular Taiwan and Korea, had expressed their loyalty to the empire by volunteering to join the army. Why and how did so many colonial youth become passionate supporters of Japanese imperial nationalism? And what happened to these youth after the war? *Nation-Empire* investigates these questions by examining the long-term mobilization of youth in the rural peripheries of Japan, Taiwan, and Korea. Personal stories and village histories vividly show youth's ambitions, emotions, and identities generated in the shifting conditions in each locality. At the same time, Sayaka Chatani unveils an intense ideological mobilization built from diverse contexts—the global rise of youth and agrarian ideals, Japan's strong drive for assimilation and

nationalization, and the complex emotions of younger generations in various remote villages. Nation-Empire engages with multiple historical debates. Chatani considers metropole-colony linkages, revealing the core characteristics of the Japanese Empire; discusses youth mobilization, analyzing the Japanese seinendan (village youth associations) as equivalent to the Boy Scouts or the Hitler Youth; and examines society and individual subjectivities under totalitarian rule. Her book highlights the shifting state-society transactions of the twentieth-century world through the lens of the Japanese Empire, inviting readers to contend with a new approach to, and a bold vision of, empire study.

The Transformation of Sayaka Kai Tansie Lexington, 2021 BE MINDFUL OF YOUR BEHAVIOR What will happen if you don't listen, swish a little spider off your shoulder, and then stomp it dead? What happens if you reject your culture and make up your own rules? Naïve and reckless Sayaka Kai does this. She dismisses a messenger's wise words and runs from her restrictive family traditions leading to mistakes, bad decisions, and severe consequences. Will Sayaka Kai listen, or will self-centered choices ultimately lead to tragedy?

Tales of Two Planets John Freeman, 2020-08-04 Building from his acclaimed anthology *Tales of Two Americas*, beloved writer and editor John Freeman draws together a group of our greatest writers from around the world to help us see how the environmental crisis is hitting some of the most vulnerable communities where they live. In the past five years, John Freeman, previously editor of *Granta*, has launched a celebrated international literary magazine, *Freeman's*, and compiled two acclaimed anthologies that deal with income inequality as it is experienced. In the course of this work, one major theme came up

repeatedly: Climate change is making already dire inequalities much worse, devastating further the already devastated. But the problems of climate change are not restricted to those from the less developed world. Galvanized by his conversations with writers and activists around the world, Freeman engaged with some of today's most eloquent storytellers, many of whom hail from the places under the most acute stress--from the capital of Burundi to Bangkok, Thailand. The response has been extraordinary. Margaret Atwood conjures with a dys-topian future in a remarkable poem. Lauren Groff whisks us to Florida; Edwidge Danticat to Haiti; Tahmima Anam to Bangladesh; Yasmine El Rashidi to Egypt, while Eka Kurniawan brings us to Indonesia, Chinelo Okparanta to Nigeria, and Anuradha Roy to the Himalayas in the wake of floods, dam building, and drought. This is a literary all-points bulletin of fiction, essays, poems, and reportage about the most important crisis of our times.

Bloom Into You (Light Novel): Regarding Saeki Sayaka Vol. 3 Hitoma Iruma, Nakatani Nio, 2020-12-22 Saeki Sayaka is no stranger to unrequited love. What she's not used to is having someone confess their feelings for her--until Edamoto Haru, an underclassman, does exactly that in Sayaka's second year of college. Haru is forward and unhesitating in her affections, the opposite of cautious, reserved Sayaka--but if she can find the courage to reach back, this time, she might find what she's been waiting for all along.

Everybody Eats Marianne LeGreco, Niesha Douglas, 2021-08-31 *Everybody Eats* tells the story of food justice in Greensboro, North Carolina—a midsize city in the southern United States. The city's residents found themselves in the middle of conversations about food insecurity and justice when they reached the top of the Food Research and Action Center's list of major cities experiencing food hardship. Greensboro's local food communities chose to confront these high rates of food insecurity by engaging neighborhood voices, mobilizing creative resources at the community level, and sustaining conversations across the local food system. Within three years of reaching the peak of FRAC's list, Greensboro saw an 8 percent drop in its food hardship rate and moved from first to fourteenth in FRAC's list. Using eight case studies of food justice activism, from urban farms to mobile farmers markets, shared kitchens to food policy councils, *Everybody*

Eats highlights the importance of communication—and communicating social justice specifically—in building the kinds of infrastructure needed to create secure and just food systems.

Things Remembered and Things Forgotten Kyoko Nakajima, 2021-05-13 'If we want to understand what has been lost to time, there is no way other than through the exercise of imagination ... imagination applied with delicate rather than broad strokes'. So wrote the award winning Japanese author Kyoko Nakajima of her story, *Things Remembered and Things Forgotten*, a piece that illuminates, as if by throwing a switch, the layers of wartime devastation that lie just below the surface of Tokyo's insistently modern culture. The ten acclaimed stories in this collection are pervaded by an air of Japanese ghostliness. In beautifully crafted and deceptively light prose, Nakajima portrays men and women beset by cultural amnesia and unaware of how haunted they are - by fragmented memories of war and occupation, by fading traditions, by buildings lost to firestorms and bulldozers, by the spirits of their recent past.
