

Anthony Rapp.jpg

Anthony B. Pinn

Without You Anthony Rapp,2006-10-31 The story of the actor who portrayed Mark Cohen in *Rent* covers such topics as his Broadway successes, his grief at the death of the production's creator, and his struggles with his mother's life-threatening illness.

The Hallway Trilogy Adam Rapp,2014-01-27 A harrowing trilogy from the OBIE Award-winning author of *Red Light Winter*.

Rent Jonathan Larson,2008 (Applause Libretto Library). Finally, an authorized libretto to this modern day classic! *Rent* won the 1996 Pulitzer Prize for Drama, as well as four Tony Awards, including Best Musical, Best Book, and Best Score for Jonathan Larson. The story of Mark, Roger, Maureen, Tom Collins, Angel, Mimi, JoAnne, and their friends on the Lower East Side of New York City will live on, along with the affirmation that there is no day but today. Includes 16 color photographs of productions of *Rent* from around the world, plus an introduction (*Rent Is Real*) by Victoria Leacock Hoffman.

Gangsta Rap Coloring Book Aye Jay Morano,Aye Jay,2004 The title says it all. Break out the crayons, 'cause it gangsta rap coloring time! 48 pages of line drawings of Gangsta rappers, done with the thick black line we all remember from the coloring books of our youth. The juxtaposition of the outlaw image of the rappers with the childlike innocence of a coloring book makes for an instant laugh.

Enemy at the Gates Vince Flynn,Kyle Mills,2021-09-14 Mitch Rapp, the CIA's top operative, searches for a high-level mole with the power to rewrite the world order in this riveting thriller from #1 New York Times bestselling author Vince Flynn, written by Kyle Mills. Mitch Rapp has worked for several presidents over his career, but Anthony Cook is unlike any he's encountered before. Cunning and autocratic, he feels no loyalty to America's institutions and is distrustful of the influence Rapp and CIA director Irene Kennedy have in Washington. When Kennedy discovers evidence of a mole scouring the Agency's database for sensitive information on Nicholas Ward, the world's first trillionaire, she assigns Rapp the task of protecting him. In doing so, he finds himself walking an impossible tightrope: Keep the man alive, but also use him as bait to uncover a traitor who has seemingly unlimited access to government secrets. As the attacks on Ward become increasingly dire, Rapp and Kennedy are dragged into a world where the lines between governments, multinational corporations, and the hyper-wealthy fade. An environment in which liberty, nationality, and loyalty are meaningless. Only the pursuit of power remains. With "sizzling storytelling at its level best" (*The Providence Journal*), Kyle Mills has created another suspenseful thriller that not only echoes the America of today, but also offers a glimpse into its possible future.

Noise and Spirit Anthony B. Pinn,2003-11 Rap music is often seen as a Black secular response to pressing issues of our time. Yet, like spirituals, the blues, and gospel music, rap has deep connections to African American religious traditions. *Noise and Spirit* explores the diverse religious dimensions of rap stemming from Islam (including the Nation of Islam and Five Percent Nation), Rastafarianism, and Humanism, as well as Christianity. The volume examines rap's dialogue with religious traditions, from the ways in which Islamic rap music is used as a method of religious and political instruction to the uses of both the blues and Black women's rap for considering the distinction between God and the Devil. The first section explores rap's association with more easily recognizable religious traditions and communities such as Christianity and Islam. The next presents discussions of rap and important spiritual considerations, including on the topic of death. The final unit wrestles with ways to theologize about the relationship between the sacred and the profane in rap.

Tommyland Tommy Lee,2009-10-13 I am Tommy Lee, born Thomas Lee Bass in Athens, Greece, on October 3, 1962, and raised in a suburb of California by an American father and a Greek mother. At seventeen, I joined Mötley Crüe and we became one of the baddest-ass rock bands in history. We sold over 40 million albums, we wreaked havoc, we scared parents, and we titillated too many fathers' daughters. I've been married three times: once for just a few days to a Penthouse Pet, for seven years to Heather Locklear, and then for five years to Pamela Anderson, with whom I have two beautiful sons. I've gotten into a lot of fights and I've been to jail a few times. But this book isn't your typical journey in a straight line from day one to

day now. I'm more interested in revealing what's most important about my life, like how I cook my steaks; what I think of the tabloids, the truth, my ex-wives, my ex-band, my music; and what an innocent observer might find hanging around my house any given Sunday. You'll get plenty of facts and I'll tell you a story, but my real mission here is to paint you a picture of my life. I want to show you how my memories smell. I'd like to get into it now, so please take your seats. I advise you to keep your arms and legs inside the car at all times. If you have a pacemaker, a heart condition, or if you are pregnant or too damn short to reach the safety bar, I ask that you turn back immediately. Those with weak stomachs, strict morals, or chronic indigestion should put the book down now. For the rest of you, there's one truth that's real across the board: What you send out is what you get back. Send out the good, people, and it will come back to you. There's another thing I've learned over the years, in court, in fights, and in arguments with people I love: There isn't one truth, there are many. This book is my truth. NOTE: THE EBOOK DOES NOT INCLUDE PHOTOGRAPHS THAT APPEAR IN THE PRINT EDITIONS.

Memory Wall Anthony Doerr, 2010-07-13 In the wise and beautiful second collection from the acclaimed, Pulitzer Prize-winning #1 New York Times bestselling author of *All the Light We Cannot See*, and *Cloud Cuckoo Land*, Doerr writes about the big questions, the imponderables, the major metaphysical dreads, and he does it fearlessly (The New York Times Book Review). Set on four continents, Anthony Doerr's new stories are about memory, the source of meaning and coherence in our lives, the fragile thread that connects us to ourselves and to others. Every hour, says Doerr, all over the globe, an infinite number of memories disappear. Yet at the same time children, surveying territory that is entirely new to them, push back the darkness, form fresh memories, and remake the world. In the luminous and beautiful title story, a young boy in South Africa comes to possess an old woman's secret, a piece of the past with the power to redeem a life. In *The River Nemunas*, a teenage orphan moves from Kansas to Lithuania to live with her grandfather, and discovers a world in which myth becomes real. *Village 113*, winner of an O'Henry Prize, is about the building of the Three Gorges Dam and the seed keeper who guards the history of a village soon to be submerged. And in *Afterworld*, the radiant, cathartic final story, a woman who escaped the Holocaust is haunted by visions of her childhood friends in Germany, yet finds solace in the tender ministrations of her grandson. Every story in *Memory Wall* is a reminder of the grandeur of life--of the mysterious beauty of seeds, of fossils, of sturgeon, of clouds, of radios, of leaves, of the breathtaking fortune of living in this universe. Doerr's language, his witness, his imagination, and his humanity are unparalleled in fiction today.

Crash and Burn Artie Lange, Anthony Bozza, 2013-10-29 The comedian and radio personality discusses his drug addiction, battle with depression, and ultimate recovery.

Hip Hop Underground Anthony Kwame Harrison, 2009-07-09 Race and authenticity in America, explored through the Bay Area's multiracial underground hip hop scene.

Sword Stone Table Swapna Krishna, Jenn Northington, 2021-07-13 From the vast lore surrounding King Arthur, Camelot, and the Knights of the Round Table, comes an anthology of gender-bent, race-bent, LGBTQIA+ inclusive retellings. Featuring stories by: Alexander Chee • Preeti Chhibber • Roshani Chokshi • Sive Doyle • Maria Dahvana Headley • Ausma Zehanat Khan • Daniel M. Lavery • Ken Liu • Sarah MacLean • Silvia Moreno-Garcia • Jessica Plummer • Anthony Rapp • Waubgeshig Rice • Alex Segura • Nisi Shawl • S. Zainab Williams Here you'll find the Lady of the Lake reimaged as an albino Ugandan sorceress and the Lady of Shalott as a wealthy, isolated woman in futuristic Mexico City; you'll see Excalibur rediscovered as a baseball bat that grants a washed-up minor leaguer a fresh shot at glory and as a lost ceremonial drum that returns to a young First Nations boy the power and the dignity of his people. There are stories set in Gilded Age Chicago, '80s New York, twenty-first century Singapore, and space; there are lesbian lady knights, Arthur and Merlin reborn in the modern era for a second chance at saving the world and falling in love—even a coffee shop AU.

Brave, bold, and groundbreaking, the stories in *Sword Stone Table* will bring fresh life to beloved myths and give long-time fans a chance to finally see themselves in their favorite legends.

The Sun Does Shine Anthony Ray Hinton, Lara Love Hardin, 2018-03-27 A powerful, revealing story of hope, love, justice, and the power of reading by a man who spent thirty years on death row for a crime he didn't commit--

That's the Joint! Murray Forman, Mark Anthony Neal, 2004 Spanning 25 years of serious writing on hip-hop by noted scholars and mainstream journalists, this comprehensive anthology includes observations and critiques on groundbreaking hip-hop recordings.

Sanctuary Emily Rapp Black, 2021-01-19 “[An] often beautiful jewel of a book . . . Black’s power as a writer means she can take us with her to places that normally our minds would refuse to go.”—The New York Times Book Review (Editors’ Choice) From the New York Times bestselling author of *The Still Point of the Turning World* comes an incisive memoir about how she came to question and redefine the concept of resilience after the trauma of her first child’s death. “Congratulations on the resurrection of your life,” a colleague wrote to Emily Rapp Black when she announced the birth of her second child. The line made Rapp Black pause. Her first child, a boy named Ronan, had died from Tay-Sachs disease before he turned three years old, an experience she wrote about in her second book, *The Still Point of the Turning World*. Since that time, her life had changed utterly: She left the marriage that fractured under the terrible weight of her son’s illness, got remarried to a man who she fell in love with while her son was dying, had a flourishing career, and gave birth to a healthy baby girl. But she rejected the idea that she was leaving her old life behind—that she had, in the manner of the mythical phoenix, risen from the ashes and been reborn into a new story, when she still carried so much of her old story with her. More to the point, she wanted to carry it with her. Everyone she met told her she was resilient, strong, courageous in ways they didn’t think they could be. But what did those words mean, really? This book is an attempt to unpack the various notions of resilience that we carry as a culture. Drawing on contemporary psychology, neurology, etymology, literature, art, and self-help, Emily Rapp Black shows how we need a more complex understanding of this concept when applied to stories of loss and healing and overcoming the odds, knowing that we may be asked to rebuild and reimagine our lives at any moment, and often when we least expect it. Interwoven with lyrical, unforgettable personal vignettes from her life as a mother, wife, daughter, friend, and teacher, Rapp Black creates a stunning tapestry that is full of wisdom and insight.

Extreme Measures Michael Palmer, 2011-01-26 Dr. Eric Najarian. He's young, talented, and ambitious. He has all the qualities they're looking for at White Memorial Hospital. He doesn't know he's being watched. Judged. An elite clique of medical professionals thinks he has what it takes to join their secret club. All the young doctor has to do is agree to play by their rules. But Eric has already seen too much. A missing corpse. An unspeakable mutilation. A brutal abduction. It's only the beginning of a plot of terrifying evil. A sinister plan the group will stop at nothing to hide. And if Eric refuses to become their colleague--he will be their next victim.

The Power Playbook La La Anthony, 2015-05-05 The Power Playbook is the empowering guide to forging professional success, establishing financial independence, and finding balance for a truly satisfying life. The author of the #1 New York Times bestseller *The Love Playbook*, La La Anthony is again opening up her playbook to share her no-nonsense advice. La La is a self-made entrepreneur with a successful fashion line, a cosmetics company, a reality show, and a budding acting career to her credit. From humble beginnings, she created a career that she loves through sheer determination and hard work, and now she shares her hard-won wisdom on how her readers can do the same. With her unparalleled drive and enterprising attitude, La La knows what it takes to follow a dream, forge goals, and work relentlessly to achieve them. In *The Power Playbook*, she will share her tried-and-true advice for reaching new levels of success in whatever you set out to do. Big dreams require hard work, resilience, and an undying belief in yourself. Illustrated by personal stories of her own professional triumphs and challenges, La La reveals her secrets to finding success

on your own terms.

Ego Trip's Book of Rap Lists Sacha Jenkins,Elliott Wilson,Jeff Mao,Gabe Alvarez,Brent Rollins,2014-03-25 Ego Trip's Book of Rap Lists is more popular than racism! Hip hop is huge, and it's time someone wrote it all down. And got it all right. With over 25 aggregate years of interviews, and virtually every hip hop single, remix and album ever recorded at their disposal, the highly respected Ego Trip staff are the ones to do it. The Book of Rap Lists runs the gamut of hip hop information. This is an exhaustive, indispensable and completely irreverent bible of true hip hop knowledge.

Oath of Loyalty Vince Flynn,Kyle Mills,2022-09-13 Named the Best Thriller of 2022 by The Real Book Spy Mitch Rapp confronts a very different kind of killer in this explosive “and entertaining from the first page to the last” (The Providence Journal) addition to Vince Flynn’s #1 New York Times bestselling series, written by Kyle Mills. With President Anthony Cook convinced that Mitch Rapp poses a mortal threat to him, CIA Director Irene Kennedy is forced to construct a truce between the two men. The terms are simple: Rapp agrees to leave the country and stay in plain sight for as long as Cook controls the White House. In exchange, the administration agrees not to make any moves against him. This fragile détente holds until Cook’s power-hungry security adviser convinces him that Rapp has no intention of honoring their agreement. To put him on the defensive, they leak the identity of his partner, Claudia Gould. As Rapp races to neutralize the enemies organizing against her, he discovers that a new type of assassin is on her trail. Known only as Legion, the shadowy killer has created a business model based on double-blind secrecy. Neither the assassin nor the client knows the other’s identity. Because of this, Legion can’t be called off nor can they afford to fail. No matter how long it takes—weeks, months, years—they won’t stand down until their target is dead. Faced with the seemingly impossible task of finding and stopping Legion, Rapp and his people must close ranks against a world that has turned on them in this white-knuckled thriller filled with “plenty of action and political intrigue” (Booklist).

Rap on Trial Erik Nielson,2019-11-12 A groundbreaking exposé about the alarming use of rap lyrics as criminal evidence to convict and incarcerate young men of color Should Johnny Cash have been charged with murder after he sang, I shot a man in Reno just to watch him die? Few would seriously subscribe to this notion of justice. Yet in 2001, a rapper named Mac whose music had gained national recognition was convicted of manslaughter after the prosecutor quoted liberally from his album Shell Shocked. Mac was sentenced to thirty years in prison, where he remains. And his case is just one of many nationwide. Over the last three decades, as rap became increasingly popular, prosecutors saw an opportunity: they could present the sometimes violent, crime-laden lyrics of amateur rappers as confessions to crimes, threats of violence, evidence of gang affiliation, or revelations of criminal motive—and judges and juries would go along with it. Detectives have reopened cold cases on account of rap lyrics and videos alone, and prosecutors have secured convictions by presenting such lyrics and videos of rappers as autobiography. Now, an alarming number of aspiring rappers are imprisoned. No other form of creative expression is treated this way in the courts. Rap on Trial places this disturbing practice in the context of hip hop history and exposes what's at stake. It's a gripping, timely exploration at the crossroads of contemporary hip hop and mass incarceration.

House of Stone Anthony Shadid,2012-02-28 “Wonderful . . . One of the finest memoirs I’ve read.” — Philip Caputo, Washington Post In the summer of 2006, racing through Lebanon to report on the Israeli invasion, Anthony Shadid found himself in his family’s ancestral hometown of Marjayoun. There, he discovered his great-grandfather’s once magnificent estate in near ruins, devastated by war. One year later, Shadid returned to Marjayoun, not to chronicle the violence, but to rebuild in its wake. So begins the story of a battle-scarred home and a journalist’s wounded spirit, and of how reconstructing the one came to fortify the other. In this bittersweet and resonant memoir, Shadid creates a mosaic of past and present, tracing the house’s renewal alongside the history of his family’s flight from Lebanon and resettlement in America around the turn of the twentieth century. In the process, he memorializes a lost world and provides profound insights into a shifting Middle East. This paperback edition includes an afterword by the journalist Nada Bakri, Anthony Shadid’s wife, reflecting on his legacy. “A poignant dedication to family, to home, and to history . . . Breathtaking.”

— San Francisco Chronicle “Entertaining, informative, and deeply moving . . . House of Stone will stand a long time, for those fortunate enough to read it.” — Telegraph (London)

Delve into the emotional tapestry woven by in **Anthony Rapp.jpg** .
