Julius Shulman ,2008-02-12 Through Julius Shulman’s lens, the architecture of Southern California became iconic images of modernism. His photographs heralded the glamor and casual elegance of a lifestyle and architecture that has become revered worldwide. Focusing on the desert paradise of Palm Springs, which was his seminal crucible, this book presents his masterpieces. Images range from Richard Neutra’s Kaufmann House and Albert Frey’s Raymond Loewy House, to Paul R. Williams’ house for Lucille Ball and Desi Arnaz, Frank Sinatra’s house, John Lautner’s house for Bob Hope, as well as other famous landmarks. The book features more than sixty buildings by fifteen of the most notable mid-twentieth-century architects. With new photography and images culled from his personal collection as well as the Getty Center, this book includes many images never before seen.

A History of the Photographic Lens Rudolf Kingslake,1989-11-22 The lens is generally the most expensive and least understood part of any camera. In this book, Rudolf Kingslake traces the historical development of the various types of lenses from Daguerre's invention of photography in 1839 through lenses commonly used today. From an early lens still being manufactured for use in low-cost cameras to designs made possible through such innovations as lens coating, rare-earth glasses, and computer aided lens design and testing, the author details each major advance in design and fabrication. The book explains how and why each new lens type was developed, and why most of them have since been abandoned. This authoritative history of lens technology also includes brief biographies of several outstanding lens designers and manufacturers of the past.

Twelve Years a Slave Solomon Northup,2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Nortup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US,on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

Julius Shulman Los Angeles Sam Lubell,Douglas Woods,2016-02-16 A compilation of Julius Shulman's extraordinary images of his adopted city, ranging from residential, commercial, shops, factories, and street life of Los Angeles, a true portrait of a modern metropolis. The book will show the photographs chronologically from 1934, when Shulman shot Richard Neutra's Sten House on spec, to 1972, when Los Angeles comes into its own as a world metropolis. About 250 images of various aspects of the city life are represented, from residential to commercial, shops, offices, churches, schools, and street life.

The Glory Game Hunter Davies,2011-04-22 When the first edition of The Glory Game was published in 1972, it was instantly hailed as the most insightful book about the life of a football club ever published. Hunter Davies was, and still is, the only author ever to be allowed into the inner sanctum of a top-level football team (Tottenham Hotspur) and his pen spared nothing and no one. 'His accuracy is sufficiently uncanny to be embarrassing,' wrote Bob Wilson in the New Statesman. 'Brilliant, vicious, unmerciful,' wrote The Sun. Davies spent a whole season with the team, training with them, visiting the players' homes and witnessing the dressing-room confrontations. In the modern era of painstaking media management and tight security, no sportswriter will ever again be granted such unprecedented access. While some features of the game have changed beyond all recognition - notably the all-consuming role that money now plays - inside every club the dramas and tensions revealed by Davies

remain, making the book a timeless classic and securing its position as one of the best books about football ever written.
