Bradley Wiggins: My Hour Bradley Wiggins, 2015-11-19 One man, one bike, one hour. The inside story of Bradley Wiggins's record-breaking ride For 60 minutes this summer, the British public stopped what they were doing, switched on their radios, their TVs, refreshed their Twitter feeds and followed Bradley Wiggins's attempt to break one of sport's most gruelling records: The Hour. The premise is simple enough: how far can you cycle in one hour. But it is thought to be one of the toughest events an athlete can endure, both physically and psychologically. Eddy Merckx, cycling's über-champ, called it the hardest thing he ever did. Wiggins, like many before him, discovered the unique pain of pushing yourself as hard as you can for 60 minutes. In this revealing book, Bradley Wiggins takes you behind the scenes of his record attempt. From planning to preparation, to training to execution, Bradley shares his thoughts on his sacrifices, his heroes, and the people who have supported him along the way as well as what's to come as he heads towards the twilight of his stellar career. Supported by stunning photography, My Hour is a fitting celebration of one of Britain's best-loved sportsmen in his finest hour.

Bradley Wiggins: My Story Bradley Wiggins, 2013-03-28 In 2012, Bradley Wiggins became the first ever British cyclist to win the Tour de France. Ten days later he became Britain's most decorated Olympian. Follow 'Wiggo' on his remarkable journey from childhood to cycling champion, national hero and

knighthood. Contains fascinating facts, maps, diagrams and photographs

Bradley Wiggins John Deering, 2012-09-28 Rising from an inner city background, abandoned by his pro cyclist father as a toddler, Bradley Wiggins became a prodigious talent. World Junior Champion, World Champion and Olympic Champion were all titles that came his way at a startlingly young age, but what he really wanted was success on the road. 'Wiggo's' reinvention on the path to becoming Britain's first Tour de France winner in over a hundred years of racing is one of sport's most uplifting and inspiring stories. In this captivating and insightful narrative, Wiggins' old friend and colleague John Deering sets this remarkable story against the backdrop of Wiggins' crushing Tour victory, his races along the thousands of kilometres of French tarmac, telling the tale of his brutal procession from Liege to Paris in counterpoint to his fascinating life. From a Kilburn council estate to the Champs Elysees via the Olympics, Paul Weller and the world's most glorious sideburns, the legend of Bradley Wiggins is unravelled like never before.

In Pursuit Of Glory Bradley Wiggins, 2008-10-02 Bradley Wiggins is a British sporting legend. Not only has he won seven World Track Championships and a record-equalling seven Olympic medals, including double-gold in Beijing in 2008 and gold in the time trial in London in 2012, he is the first Briton to have won cycling's ultimate prize, the Tour de France. He is an immensely talented and dedicated endurance athlete with a gritty, down-to-earth persona - cool, outspoken, respected, inspiring - and he has helped to bring track

and road cycling to a new audience in the UK. With new material by Brendan Gallagher, co-author of the original edition, this is the story of a boy with bikes in his blood, of a son abandoned by his father and of the journey from council estate to the very pinnacle of the sport. IN PURSUIT OF GLORY is a compelling, no-holds-barred account of Wiggins' rise to global success and an extraordinary insight into the world of cycling.

Icons: My Inspiration. My Motivation. My Obsession. Bradley Wiggins, 2018-11-01 With a foreword by Eddy Merckx The world of professional cycling is fraught with fierce competition, fervent dedication and unerring ambition, and only a handful of competitors reach iconic status. Among them is Sir Bradley Wiggins – a man uniquely placed to reflect on the history of this remarkable sport and its unforgettable titans.

My Time Bradley Wiggins, 2013-04-01 This book had me hooked from the start. A wonderfully told and often quite frank story of an incredible sportsman and his life, from a child up to his amazing tour de France and Olympic victories. On July 22, 2012, Bradley Wiggins made history as the first British cyclist to win the Tour de France. Ten days later, at the London Olympic Games, he won the time trial to become his country's most decorated Olympian. In an instant, Wiggo--now Sir Bradley Marc Wiggins--became a national hero. Two years previously, however, Wiggins had been staring into the abyss. His much-hyped attempt to conquer the 2010 Tour de France had ended in public humiliation. Poor results and indifferent form left him facing release from Team Sky. And then he was hit with the tragic news of the death of his grandfather, George, the man who had raised him as a young boy. At rock bottom, Wiggins had to reach deep inside and find the strength to fight his way back. Outspoken, honest, intelligent, and fearless, Wiggins has been hailed as the people's champion. In *My Time*, he tells the story of the remarkable journey that led him from his lowest ebb to win the world's toughest race. He opens up about the personal anguish that has driven him on and what it's like behind the scenes at Team Sky: the brutal training regimes, the sacrifices, and his views on his teammates and rivals. He talks too about his anger at the specter of doping that pursues his sport, how he dealt with the rush of taking Olympic gold, and above all what it takes to be the greatest.

My Time Bradley Wiggins,2014-05-15 A full-length, in-depth and intimate memoir by Bradley Wiggins charting his journey to become the first Briton ever to win the Tour de France and his country's most decorated Olympian. On July 22, 2012 Bradley Wiggins made history as the first British cyclist to

win the Tour de France. Ten days later at the London Olympic Games he won the time trial to become his country's most decorated Olympian. In an instant 'Wiggo', the kid from Kilburn, was a national hero. Two years previously, however, Wiggins had been staring into the abyss. His much-hyped attempt to conquer the 2010 Tour de France had ended in public humiliation. Poor results and indifferent form left him facing the sack from Team Sky. And then he was hit with the tragic news of the death of his granddad, George, the man who had raised him as a young boy. At rock bottom, Wiggins had to reach deep inside himself and find the strength to fight his way back. Outspoken, honest, intelligent and fearless, Wiggins has been hailed as the people's champion. In *My Time* he tells the story of the remarkable journey that led him from his lowest ebb to win the world's toughest race. In his own words he reveals the personal anguish that has driven him on and what it's like behind the scenes at Team Sky: the brutal training regimes, the sacrifices and his views on his teammates and rivals. The Discursive Power of Memes in Digital Culture Bradley E.

Wiggins, 2019-02-25 Shared, posted, tweeted, commented upon, and discussed online as well as off-line, internet memes represent a new genre of online communication, and an understanding of their production, dissemination, and implications in the real world enables an improved ability to navigate

digital culture. This book explores cases of cultural, economic, and political critique levied by the purposeful production and consumption of internet memes. Often images, animated GIFs, or videos are remixed in such a way to incorporate intertextual references, quite frequently to popular culture, alongside a joke or critique of some aspect of the human experience. Ideology, semiotics, and intertextuality coalesce in the book's argument that internet memes represent a new form of meaning-making, and the rapidity by which they are produced and spread underscores their importance.

Inside Team Sky David Walsh, 2013-11-21 The inside story of Team Sky's 2013 Tour de France challenge. After the victory of Bradley Wiggins and Team Sky in the 2012 Tour de France, the pressure was on the team to repeat their success in 2013. When Wiggins had to pull out of the defence of his yellow jersey, attention moved to Chris Froome, who had finished as runner-up the year before. Could he bring about back-to-back victories for the UK and for Team Sky? With team principal Sir Dave Brailsford at the helm, the levels of expectation were high. Nothing less than a win would do. Embedded within the team was top sportswriter David Walsh, who had been covering the sport for four decades. As the man who had done more than any other journalist to reveal the lies of Lance Armstrong, he has the reputation for exposing the dark secrets that cycling would want to keep hidden. His inside story, from how Team Sky prepared for the Tour de France through to Froome's emphatic victory, is supported by insights from all the key members of the team, and

provides a definitive account of a dramatic race that gripped cycling fans around the world.

Bradley Wiggins Clive Gifford, 2014-04-10 The series focuses on the people who inspire children today. This book looks at the background, life and achievements of Bradley Wiggins. It examines his impact as a champion cyclist, with his triumphs in the Tour de France and the London 2012 Olympics, as well as detailing the everyday facets of his job and how he gained such success.

The Pain-Free Cyclist Matt Rabin, Robert Hicks, 2015-07-16 It's not (just) about the bike. Ride your bike long enough and with an optimal bike fit you're likely to get injured. It's not what cyclists want to hear, but it's the hard truth. Cycling is a rapidly growing sport, and as numbers increase, so do the amount of injuries. What do you do if you get injured? Rest? Continue to ride? These questions need answering – to avoid confusion, further complications and more harmful injuries, resulting in substantial time off the bike. We want more riders out on the road, enjoying their cycling, pain free. This book takes you through the most common cycling injuries, lets you know what exactly they are, why you get them and what you can do to get rid of them and get you back on the bike pain free. * Foreword by Sir Bradley Wiggins and featuring interviews with pro-cyclists including Cadel Evans, Carlos Sastre, Dan Martin, Tyler Farrar and Andrew Talansky.

Le Tour: A History of the Tour de France Geoffrey Wheatcroft, 2013-06-20

Geoffrey Wheatcroft's hugely entertaining and well researched history of the Tour de France is already established as the definitive account of cycling's greatest event. Since the book was last published in 2007, much has changed. Bradley Wiggins' historic victory in 2012 - the first Briton ever to secure the yellow jersey - brought him a knighthood and garnered more interest in the race than ever before. Yet the months after were dominated by an even bigger story, as Tour legend and seven-time winner Lance Armstrong was stripped of his titles and confessed on Oprah to doping in each of his victories. Suddenly, everything that we thought we knew had happened was no longer true. In this new and comprehensively revised edition of the book, Wheatcroft not only brings his story of the Tour fully up to date to mark the race's 100th running in 2013, he also reflects on the changes brought about by the scandals that have rocked the sport to its core. Yet for all the controversies of modern times, he vividly captures the essential glory and romance of the heroes who battle to conquer one of sport's greatest challenges.

Sean Yates: It's All About the Bike Sean Yates, 2013-09-12 Before Bradley Wiggins, there was Sean Yates. Behind Bradley Wiggins, there was Sean Yates. One of only five Britons to wear the yellow jersey in the Tour de France, Sean Yates burst onto the cycling scene as the rawest pure talent this country has ever seen. After turning professional at the age of 22, he soon

became known as a die-hard domestique, putting his body on the line for his teammates. Devastatingly fast, powerful and a fearless competitor, Yates won a stage of the Tour, as well as the Vuelta a España, in 1988, and went on to don the coveted maillot jaune six years later. Having put British cycling on the map as a rider, Yates was soon in demand as a directeur sportif, using his tactical knowledge to inspire a new generation of cyclists to success. And after Team Sky came calling, Yates was the man to design the brilliant plan that saw Sky demolish the opposition in 2012, and for Bradley Wiggins to become the first cyclist from these shores to win the Tour. Straight-talking, entertaining and revelatory, *It's All About the Bike* is the story of a remarkable career told from the unique perspective of a man who is immersed in the history of the sport he loves.

The Climb Chris Froome, 2014-06-05 On 26th July 2015, Chris Froome entered the record books. He won cycling's ultimate race - the Tour de France - for the second time. Taking a double Yellow Jersey was a staggering achievement. This memoir shows just how remarkable it was, given the uphill struggle Froome faced. Growing up in Kenya, biking down mile after mile of dusty road, and staying in a humble tin hut, he developed a fierce passion and determination to win. The road to Europe was long, gruelling and filled with setbacks - but it prepared him for teamwork as a domestique and then the leap to leader of Team Sky and a shot at winning the Tour de France. In *The Climb*, written with the renowned investigative reporter David Walsh, he vividly

recounts the struggles, the rivalries, the battles, the comebacks. Finally he traces his path to triumph and his mission to help clean up cycling. Inspiring and exhilarating, it will leave you ready to face your own challenges in life, whatever they may be. 'Engaging, vividly evoked' Mail on Sunday, Books of the Year 'What Chris has done is phenomenal' Sir Chris Hoy

The Rules: The Way of the Cycling Disciple The Velominati,2014-05-05 Offers ninety-two humorous and insightful rules of cycling, from tips on what gear to use and how to enforce proper road etiquette as well as stories from the sport's legendary figures.

The Medal Factory Kenny Pryde,2020-02-20 55 Olympic medals. 6 Tour de France victories. Countless world records and world championship victories. Since the year 2000, British Cycling, Team Sky and INEOS have dominated the sport of cycling to an unprecedented degree. But at what cost? Did Sir David Brailsford, Peter Keen and the other brains behind British Cycling's massive

and sudden dominance in the modern era find a winning Moneyball formula? Or did their success come down to luck and personal chemistry? Did this organisation, founded on relentless, ruthless efficiency contain contradictions which threatened to overwhelm it, amid accusations of drug-taking, bullying and sexism? The Medal Factory tells the full story from amateurish beginnings through a sports-science revolution to an all-conquering, yet flawed, machine. Through interviews with Brailsford and Keen, Shane Sutton, Fran Millar, Chris Boardman, Sir Chris Hoy and many other key players, Kenny Pryde interrogates the parts of the story - lottery funding, marginal gains - that we think we know, and reveals others that have remained hidden, until now.
