You Are Not Alone Cariad Lloyd, 2024-02 'A blackly funny, honest, thought-provoking and compassionate book' THE TIMES 'Full of sense, heart and hope' PHILIPPA PERRY 'Cariad Lloyd has changed the way we speak about grief' SARA PASCOE When Cariad Lloyd was just fifteen, she became the person-whose-dad-had-died; a mess of emotions and questions. She turned to the Five Stages of Grief model for guidance, but found its framework of loss was hard to reconcile with her messy and non-linear experience of grief. In this wise and witty book, Cariad shares her grief road map - a collection of years of profound insights from experts and guests featured on her podcast, Griefcast - to remind us that you cannot do grief wrong wrong. The flexibility of the map acknowledges that no two experiences of grief are the same and assists us in building a life around our grief. So welcome to the club. We know you didn't ask to be here. But you will be okay. Because you are not alone. 'It's honest and warm and funny (in all the right places)' JULIA SAMUEL 'A comfy companion for anyone struggling after the death of someone close' BBC NEWS 'A book that you should read before grief takes over your life' FI GLOVER

The Art of Disruption Magid Magid, 2020-09-03
SHORTLISTED FOR BEST NON-FICTION BOOK BY A PARLIAMENTARIAN AT THE PARLIAMENTARY BOOK AWARDS 2021 'Read this book!' Caroline Lucas 'My money's on Magid.' Thandie Newton Thou shalt not ignore this book. Magid is magic! - Jarvis Cocker 'A man so inspiring you will have no choice but to cast your hopeless lethargy asunder' - Rufus Hound A guide to being courageous and community-minded, and to disrupting and dismantling age-old power structures in work, life and politics, written by someone who has done exactly that. Let's be honest. Magid Magid's story

seems an unlikely one. He's a Somali-born black Muslim refugee who became the youngest ever Lord Mayor of Sheffield and one of the last UK MEPs. Magid has made headlines nationally and internationally for his creative ways of campaigning while not conforming to tradition and being unapologetically himself. Magid had no idea that the poster he dreamed up for a local music festival in 2018 would go viral. The poster contained the 10 commandments he tries to live by. He had no idea that this poster would come to represent a movement that has swept him to the heart of local and European establishment politics. Now, for the first time, he reveals the stories behind each of these 'commandments'; what drives him, the obstacles he overcame and what makes him hopeful. 'His voice and representation are inspirational and a force to reckon with.' Dr Shola Mos-Shogbamimu, lawyer, activist and author 'It's easy to problematise the world, but Magid has offered us answers, solutions and even the possibility of a new politics.' Jon McClure, lead singer of Reverend and The Makers 'Magid's book could not be more timely. A must read for anyone who wants to change the world.' Chunky Mark, The Artist Taxi Driver

We all know how this ends Anna Lyons, Louise Winter, 2021-03-18 'Wonderful, thoughtful, practical' - Cariad Lloyd, Griefcast 'Encouraging and inspiring' - Dr Kathryn Mannix, author of Amazon bestseller *With the End in Mind* End-of-life doula Anna Lyons and funeral director Louise Winter have joined forces to share a collection of the heartbreaking, surprising and uplifting stories of the ordinary and extraordinary lives they encounter every single day. From working with the living, the dying, the dead and the grieving, Anna and Louise reveal the lessons they've learned about life, death, love and loss. Together they've created a profound but practical guide to rethinking

the one thing that's guaranteed to happen to us all. We are all going to die, and that's ok. Let's talk about it. This is a book about life and living, as much as it's a book about death and dying. It's a reflection on the beauties, blessings and tragedies of life, the exquisite agony and ecstasy of being alive, and the fragility of everything we hold dear. It's as simple and as complicated as that.

Millennial Love Olivia Petter, 2021-07-08 A 2021 'BOOK TO LOOK OUT FOR' - THE INDEPENDENT 'A mouthpiece for our anxieties and a tonic for our hearts.' Charly Cox 'Funny and honest.' Pandora Sykes 'Offers readers of all stripes and ages a great overview of relationships in the digital era'.

Grief Works Julia Samuel, 2018-01-16 "An honest, practical, as well as emotional guide to working through the processing of mourning" (Vogue.com), *Grief Works* is a lifeline for all of us dealing with loss and a handbook to help others—from the "expected" death of a parent to the sudden and unexpected death of a child or spouse. Death affects us all. Yet it is still the last taboo in our society, and grief is still profoundly misunderstood. Julia Samuel, a grief psychotherapist, has spent twenty-five years working with the bereaved and understanding the full repercussions of loss. In *Grief Works*, Samuel shares case studies from those who have experienced great love and great loss—and

survived. People need to understand that grief is a process that has to be worked through, and Samuel shows if we do the work, we can begin to heal. “As a guide for the newly grieving, *Grief Works* succeeds on many levels, and the author’s compassionate storytelling skills provide even broader appeal...and consistently hit an authentically inspiring note” (Kirkus Reviews, starred review).

“Illuminating” (The New York Times), intimate, warm, and helpful, Samuel is a caring and deeply experienced guide through the shadowy and mutable land of grief, and her book is as invaluable to those who are grieving as it is to those around them. She adroitly unpacks the psychological tangles of grief in a voice that is compassionate, grounded, real, and observant of those in mourning. Divided into case histories grouped by who has died—a partner, a parent, a sibling, a child, as well section dealing with terminal illness and suicide—*Grief Works* shows us how to live and learn from great loss. This important book is “essential for anyone who has ever experienced grief or wanted to comfort a bereaved friend” (Helen Fielding, author of *Bridget Jones’s Diary*).

Finding Joy Gary Andrews, 2020-09-03 'A dad's account of heartbreak and hope' Daily Mail In 2017, illustrator and animator Gary Andrews suddenly lost his wife, Joy, to sepsis, leaving him a widower and single father to two young children. As a way of coping, Gary posted a doodle a day on Twitter, illustrating the ups and downs of family life after Joy's death. His drawings, which depict his and his children's pain, love and humour with an extraordinary honesty, have since resonated with people all over the world and have been shared tens of thousands of times online. *Finding Joy* brings together old and new drawings to tell Gary's story. The result is an astonishingly moving, often funny and ultimately life affirming book that will help

anyone on a grief journey of their own.

The Rules of Seeing Joe Heap, 2018-08-06 *Don't miss When the Music Stops, the stunning, uplifting and emotional new novel from Joe Heap, available to buy now* When you make eye contact, when you hold someone's gaze, it's the closest thing to knowing you're not alone in the world.

Ctrl, Alt; Delete Emma Gannon, 2016-07-07 Emma Gannon was born in 1989, the year the World Wide Web was conceived, so she's literally grown up alongside the Internet. There've been late night chat room experiments, sexting from a Nokia and dubious webcam exchanges. And let's not forget catfishing, MSN, digital friendships and #feminism. She was basically social networking way before it was a thing – and she's even made a successful career from it. Ctrl Alt Delete is Emma's painfully funny and timely memoir, in which she aims to bring a little hope to anybody who has played out a significant part of their life online. Her confessions, revelations and honesty may even make you log off social media (at least for an hour).

The Sanctuary Andrew Hunter Murray, 2024-01-23 In a disintegrating and lawless near-future, a young man journeys north to a mysterious island owned by one of the world's wealthiest men—and finds an entire new civilization waiting for him. Ben is a painter from the crowded, turbulent city. For six months his fiancée, Cara, has been working on the remote island of Sanctuary Rock, the private estate of millionaire philanthropist Sir John Pemberley. Now she has decided to break off their engagement and stay there for good. Ben travels to the island to try and win Cara back. After an arduous journey, he finds himself compelled to stay. But as Ben begins to traverse Pemberley's kingdom, he begins to uncover the truth of the apparently perfect society the enigmatic Sir John is building. Is Sanctuary Rock truly a second Eden, as he claims—or a

previously undiscovered level of hell?

Today a Woman Went Mad in the Supermarket

Hilma Wolitzer, 2021-08-31 An NPR Best Book of the Year * A New York Times Book Review Editors' Choice * An Electric Literature Best Short Story Collection of the Year * Finalist for the Chautauqua Prize The often hilarious and always compassionate (New York Times Book Review) collected stories of a critically acclaimed, award-winning "American literary treasure" (Boston Globe), now in paperback-with a foreword by Elizabeth Strout. From her many well-loved novels, Hilma Wolitzer-now ninety-one years old and at the top of her game-has gained a reputation as one of our best fiction writers, who "raises ordinary people and everyday occurrences to a new height." (Washington Post) These collected short stories-most of them originally published in magazines including Esquire and the Saturday Evening Post, in the 1960s and 1970s, along with a new story that brings her early characters into the present-are evocative of an era that still resonates deeply today. In the title story, a bystander tries to soothe a woman who seems to have cracked under the pressures of her life. And in several linked stories throughout, the relationship between the narrator and her husband unfolds in telling and often hilarious vignettes. Of their time and yet timeless, Wolitzer's stories zero in on the domestic sphere with wit, candor, grace, and an acutely observant eye. Brilliantly capturing the tensions and contradictions of daily life, Today a Woman Went Mad in the Supermarket is full of heart and insight, providing a lens into a world that was often unseen at the time, and often overlooked now-reintroducing a beloved writer to be embraced by a whole new generation of readers.

Pandemic Baby Pia Bramley, 2021-11-04 'A thing to treasure and keep close at hand. I would prescribe it to the

lost and the lonely, the busy and the overburdened, the heart-broken and the happy' – Emily Haworth-Booth A moving, funny exploration of life as the parent of a lockdown baby, by illustrator Pia Bramley. Since March 2020, babies have been born into a world of masks, hand washing and social distancing. They met their grandparents on video calls. Their parents held them up to windows and took them for long walks in the rain. Pia Bramley's illustrations capture the intimacy of the small, strange world of the pandemic baby. She draws on her own experience as a new parent, telling the story of a child's first year against the backdrop of the pandemic: the quiet streets of the first lockdown, the relative freedom of summer, the long nights of autumn and winter and, finally, new hope as spring arrives and life begins to open up again. Moving, funny and deeply honest, this is a book for every parent, grandparent, aunt, uncle or friend who waited to hold their pandemic baby.

A Funny Thing Happened on the Way to the Gynecologic Oncology Unit at Memorial Sloan Kettering Cancer Center of New York City Halley Feiffer, 2018-07-17 "I've been single for so long, I've started having sexual fantasies about my vibrator, riffs Karla for her captive, cancer-ward audience. The patients—her mother, who's recovering from surgery for ovarian cancer, and her roommate behind the curtain, aren't laughing—or even awake—but there's someone else in the room . . . In Halley Feiffer's " painfully irresistible (The New York Times) new play, a foul-mouthed twenty-something comedian and a middle-aged man embroiled in a nasty divorce are brought together unexpectedly when their cancer-stricken mothers become roommates in the hospital. Together, this unlikely duo must negotiate some of life's biggest challenges . . . while making some of the world's most inappropriate jokes. Can these two very lost people

learn to laugh through their pain and lean on each other when all they really want to do is run away? In *A Funny Thing Happened on the Way to the Gynecologic Oncology Unit* at Memorial Sloan Kettering Cancer Center of New York City, Halley Feiffer slays in a work that's dark and disturbing and yet totally hilarious. The acclaimed world premiere at MCC Theater featured Beth Behrs, Erik Lochtefeld, Lisa Emery, and Jacqueline Sydney, and was directed by Trip Cullman.
