Three Fingers Rich Koslowski, 2002 WINNER of the 2003 Ignatz Award for Best Graphic Novel! . . . a single-minded obsession with animation history informs this work even as its creator twists and tears that history into a new, hideous, and hilarious form. There's a little bit of Roger Rabbit and a whole lot of Spinal Tap at work here. Twisted and dark, funny and frightening, this is a deliciously evil toon history that demands attention. -- Alan David Doane Top Shelf is proud to present a very unique comics project. Through a series of never-before-seen interviews and rare photos, documentary-maker Rich Koslowski reveals the horrifying true story behind the Cartoon industry and our most celebrated cartoon actors -- the story that Hollywood doesn't want you to see. Told in the same style as a Ken Burns documentary, with interviews of 'toon stars today as well as historical file footage of the early years, this work of fiction will forever change the way you think of those beloved characters in the white gloves. . . . Rich Koslowski has worked in the Animation and Comic Book industry for the past 12 years. Best known for his three-time, Eisner-nominated work on his self-published parody title *The 3 Geeks*, this ground-breaking graphic novel is sure to appeal to everyone.

That's Enough, Folks Henry T. Sampson, 1998 An authoritative and valuable resource for students and scholars of film animation and African-American history, film buffs, and casual readers. It is the first and only book to detail the history of black images in animated cartoons. Using advertisements, quotes from producers, newspaper reviews, and other sources, Sampson traces stereotypical black images through their transition from the first newspaper comic strips in the late 1890s, to their inclusion in the first silent theatrical cartoons, through the peak of their popularity in 1930s musical cartoons, to their gradual decline in the 1960s. He provides detailed storylines with dialogue, revealing the extensive use of negative caricatures of African Americans. Sampson devotes chapters to cartoon series starring black characters; cartoons burlesquing life on the old slave plantation with happy slaves Uncle Tom and Topsy; depictions of the African safari that include the white hunter, his devoted servant, and bloodthirsty black cannibals; and cartoons featuring the music and the widely popular entertainment style of famous 1930s black stars including Cab Calloway, Louis Armstrong, and Fats Waller. *That's Enough Folks* includes many rare, previously unpublished illustrations and original animation stills and an appendix listing cartoon titles with black characters along with brief descriptions of gags in these cartoons.
