Philly McMahon

Everyone You Hate Is Going to Die Daniel Sloss,2021-10-12 One of this generation's hottest and boldest young comedians presents a transgressive and hilarious analysis of all of our dysfunctional relationships, and attempts to point us in the vague direction of sanity. Daniel Sloss's stand-up comedy engages, enrages, offends, unsettles, educates, comforts, and gets audiences roaring with laughter—all at the same time. In his groundbreaking specials, seen on Netflix and HBO, he has brilliantly tackled everything from male toxicity and friendship to love, romance, and marriage—and claims (with the data to back it up) that his on-stage laser-like dissection of relationships has single-handedly caused more than 300 divorces and 120,000 breakups. Now, in his first book, he picks up where his specials left off, and goes after every conceivable kind of relationship—with one's country (Sloss's is Scotland); with America; with lovers, ex-lovers, ex-lovers who you hate, ex-lovers who hate you; with parents; with best friends (male and female), not-best friends; with children; with siblings; and even with the global pandemic and our own mortality. In *Everyone You Hate Is Going to Die*, every human connection gets the brutally funny (and unfailingly incisive) Sloss treatment as he illuminates the ways in which all of our relationships are fragile and ridiculous and awful—but also valuable and meaningful and important.

Dinosaur Warlord Marcus Sloss,2020-10-10 Epic adventures, sexy ladies, and awesome Dinosaurs! Nate is the hardworking CEO of SouthernCool, an AC company in Florida. After years of toiling to get rich, he finally takes a well-deserved vacation to Australia. A chance encounter ties him to a gorgeous gal named Senna. Right as things between the two are heating up on the Great Barrier Reef, pesky aliens intervene. Humanity is doomed, they tell him, destined to become extinct in the not-too-distant future. Nate and Senna are forced to compete for a spot on a human preserve. The competition turns out to be similar to a Real Time Strategy (RTS) 4x game. That means, in order to score points, you have to eXpand your empire, eXterminate your foes, and eXplore & eXploit your environment. Warning: contains nontraditional relationships, adult interactions that would steam up the windows of an old pickup truck, and violent action. 18+ recommended. Note: This book includes interior art by FIFTEAN - images are SFW and PG13.

Gryff the Griffin Rider Marcus Sloss,2019-09-26 A fantasy tale of adventure, battle, love, lust, and excitement awaits. Gryff is a young man who had goals and dreams. They were rapidly ripped away from him in a spiraling series of events. Inserted on a new world, he must achieve a new path. Will you dare to quest with the hero? Download now to join Gryff in his exploits and feats.

Lolita in the Afterlife Jenny Minton Quigley,2021-03-16 A vibrant collection of sharp and essential modern pieces on Vladimir Nabokov's perennially provocative book—with original contributions from a stellar cast of prominent twenty-first century writers. In 1958, Vladimir Nabokov's *Lolita* was published in the United States to immediate controversy and bestsellerdom. More than sixty years later, this phenomenal novel generates as much buzz as it did when originally published. Central to countless issues at the forefront of our national discourse—art and politics, race and whiteness, gender and power, sexual trauma—*Lolita* lives on, in an afterlife as blinding as a supernova. *Lolita in the Afterlife* is edited by the daughter of *Lolita*'s original publisher in America. WITH CONTRIBUTIONS BY Robin Givhan • Aleksandar Hemon • Jim Shepard • Emily Mortimer • Laura Lippman • Erika L. Sánchez • Sarah Weinman • Andre Dubus III • Mary Gaitskill • Zainab Salbi • Christina Baker Kline • Ian Frazier • Cheryl Strayed • Sloane Crosley • Victor LaValle • Jill Kargman • Lila Azam Zanganeh • Roxane Gay • Claire Dederer • Jessica Shattuck • Stacy Schiff • Susan Choi • Kate Elizabeth Russell • Tom Bissell • Kira Von Eichel • Bindu Bansinath • Dani Shapiro • Alexander Chee • Lauren Groff • Morgan Jerkins

How to Fly a Horse Kevin Ashton,2015-01-20 As a technology pioneer at MIT and as the leader of three successful start-ups, Kevin Ashton experienced firsthand the all-consuming challenge of creating something new. Now, in a tour-de-force narrative twenty years in the making, Ashton leads us on a journey through humanity's greatest creations to uncover the surprising truth behind who creates and how they do it. From the crystallographer's laboratory where the secrets of DNA were first revealed by a long forgotten woman, to the electromagnetic chamber where the stealth bomber was born on a twenty-five-cent bet, to the Ohio bicycle shop where the Wright brothers set out to “fly a horse,” Ashton showcases the seemingly unremarkable individuals, gradual steps, multiple failures, and countless ordinary and usually uncredited acts that lead to our most astounding breakthroughs. Creators, he shows, apply in particular ways the everyday, ordinary thinking of which we are all capable, taking thousands of small steps and working in an endless loop of problem and solution. He examines why innovators meet resistance and how they overcome it, why most organizations stifle creative people, and how the most creative organizations work. Drawing on examples from art, science, business, and invention, from Mozart to the Muppets, Archimedes to Apple, Kandinsky to a can of Coke, *How to Fly a Horse* is a passionate and immensely rewarding exploration of how “new” comes to be.

Young Benjamin Franklin Nick Bunker,2019-08-20 In this new account of Franklin's early life, Pulitzer finalist Nick Bunker portrays him as a complex, driven young man who elbows his way to success. From his early career as a printer and journalist to his scientific work and his role as a founder of a new republic, Benjamin Franklin has always seemed the inevitable embodiment of American ingenuity. But in his youth he had to make his way through a harsh colonial world, where he fought many battles with his rivals, but also with his wayward emotions. Taking Franklin to the age of forty-one, when he made his first electrical discoveries, Bunker goes behind the legend to reveal the sources of his passion for knowledge. Always trying to balance virtue against ambition, Franklin emerges as a brilliant but flawed human being, made from the conflicts of an age of slavery as well as reason. With archival material from both sides of the Atlantic, we see Franklin in Boston, London, and Philadelphia as he develops his formula for greatness. A tale of science, politics, war, and religion, this is also a story about Franklin's forebears: the talented family of English craftsmen who produced America's favorite genius.

The WoW Diary: A Journal of Computer Game Development [Second Edition] John Staats,2023-11-28 The WoW (World of Warcraft) Diary offers a rare, unfiltered look inside the gaming industry written by the game's first level designer, John Staats. The World of Warcraft Diary offers a rare, unfiltered look inside the gaming industry. It was written by the game's first level designer, John Staats, from notes he took during WoW's creation. The WoW Diary explains why developers do things and debunks popular myths about the games industry. In great detail he covers the what it took to finish the project; the surprises, the arguments, the mistakes, and Blizzard's formula for success. The author includes anecdotes about the industry, the company, the dev team; how they worked together, and the philosophy behind their decisions. The WoW Diary is a story made from notes taken during the dev team's four-year journey. It is a timeline of Vanilla WoW's development cycle, a time-capsule with an exhausting amount of details that also looks at the anatomy of computer game studio. In order to illustrate how all the parts of computer game company work together, he interviewed everyone from the company's founders to his former teammates; and the supporting departments who helped make WoW a reality.

Wired for Story Lisa Cron,2012-07-10 This guide reveals how writers can utilize cognitive storytelling strategies to craft stories that ignite readers' brains and captivate them through each plot element. Imagine knowing what the brain craves from every tale it encounters, what fuels the success of any great story, and what keeps readers transfixed. *Wired for Story* reveals these cognitive secrets—and it's a game-changer for anyone who has ever set pen to paper. The vast majority of writing advice focuses on “writing well” as if it were the same as telling a great story. This is exactly where many aspiring writers fail—they strive for beautiful metaphors, authentic dialogue, and interesting characters, losing sight of the one thing that every engaging story must do: ignite the brain's hardwired desire to learn what happens next. When writers tap into the evolutionary purpose of story and electrify our curiosity, it triggers a delicious dopamine rush that tells us to pay attention. Without it, even the most perfect prose won't hold anyone's interest. Backed by recent breakthroughs in neuroscience as well as examples from novels, screenplays, and short stories, *Wired for Story* offers a revolutionary look at story as the brain experiences it. Each chapter zeroes in on an aspect of the brain, its corresponding revelation about story, and the way to apply it to your storytelling right now.

The Theory of Island Biogeography Robert H. MacArthur,Edward O. Wilson,2001 Population theory.

Dot Con James Veitch,2020-06-02 From viral comedy sensation James Veitch (as seen on TED, Conan, and The Tonight Show with Jimmy Fallon) comes a collection of laugh-out-loud funny exchanges with email scammers. The Nigerian prince eager to fork over his inheritance, the family friend stranded unexpectedly in Norway, the lonely Russian beauty looking for love . . . they spam our inboxes with their hapless pleas for help,

money, and your social security number. In Dot Con, Veitch finally answers the question: what would happen if you replied? Suspicious emails pop up in our inboxes and our first instinct is to delete unopened. But what if you responded to the deposed princess begging for money in your Gmail? Veitch dives into the underbelly of our absurd email scam culture, playing the scammers at their own game, and these are the surprising, bizarre, and hilarious results.

Muskellunge Management Kevin L. Kapuscinski,Timothy D. Simonson,Derek P. Crane,Steven J. Kerr,James S. Diana,John M. Farrell,2017

The Correspondence and Public Papers of John Jay ...: 1781-1782 John Jay,1890

The Choice Philly McMahon,2017-10-13 When Dublin footballer Philly McMahon lost his older brother John in 2012, it brought to an end a painful decade, during which John had slipped from the family circle into a deteriorating cycle of addiction. The effects were personally devastating, but amidst the loss there was a glimmer of hope, of opportunity, and what ultimately became the starting point for a journey of remarkable self-discovery. In this profound and inspirational memoir, McMahon traces his and John's paths, from his earliest recollections of their childhood through the maelstrom of Ballymun's heroin epidemic. He considers the relationships, tensions, arguments and chance occurrences that pushed them in very different directions: Philly to university, the boardroom and the hallowed turf of Croke Park; John to exile in London, heartbreak and, ultimately, tragedy. Raw, vivid and intensely moving, The Choice is many things – an epic story of triumph in the face of adversity and loss, a family saga, a tribute to the redemptive power of sport – but above all it's a stirring meditation on the roles compassion and resilience can play in shaping our lives, and those around us, for the better.

Always Look on the Bright Side of Life Eric Idle,2018-10-02 NEW YORK TIMES BESTSELLER • From the ingenious comic performer, founding member of Monty Python, and creator of Spamalot (now back on Broadway!), comes an absurdly funny memoir of unparalleled wit and heartfelt candor—now featuring a new afterword. “A hilarious, charming book by this incredible,insufferable interesting genius.”—Steve Martin We know him best for his unforgettable roles on Monty Python—from the Flying Circus to The Meaning of Life. Now, Eric Idle reflects on the meaning of his own life in this entertaining memoir that takes us on a remarkable journey from his childhood in an austere boarding school through his successful career in comedy, television, theater, and film. Coming of age as a writer and comedian during the Sixties and Seventies, Eric stumbled into the crossroads of the cultural revolution and found himself rubbing shoulders with the likes of George Harrison, David Bowie, and Robin Williams, all of whom became dear lifelong friends. With anecdotes sprinkled throughout involving other close friends and luminaries such as Mike Nichols, Mick Jagger, Steve Martin, Paul Simon, Lorne Michaels, and many more, as well as John Cleese and the Pythons themselves, Eric captures a time of tremendous creative output with equal parts hilarity and heart. In Always Look on the Bright Side of Life, named for the song he wrote for Life of Brian and which has since become the number one song played at funerals in the UK, he shares the highlights of his life and career with the kind of offbeat humor that has delighted audiences for five decades. 2019 marked the fiftieth anniversary of The Pythons, and Eric commemorated the occasion with this hilarious memoir chock full of behind-the-scenes stories from a high-flying life featuring everyone from Princess Leia to Queen Elizabeth.

Fading Ads of Birmingham Charles Buchanan,2012 The fading advertisement on the walls of Birmingham paint an illuminating picture of the men and women who built an industrial boomtown in the first half of the twentieth century. Experience the disappearing art and see what these commercial creations looked like with fresh paint. Discover the stories behind the wares they hawked, the buildings they adorned and the streets they overlooked. Which soft drink helped you get wise? Where could you store a piano in the 1920's, and what gum should you chew for indigestion? Advertising expert, artist and writer Charles Buchanan unravels the mysteries behind Birmingham's ghost signs to reveal glimpses of the past now hidden in plain sight. -- back cover.

Hip-Hop (And Other Things) Shea Serrano,2021-10-26 HIP-HOP (AND OTHER THINGS) is about, as it were, rap, but also some other things. It's a smart, fun, funny, insightful book that spends the entirety of its time celebrating what has become the most dominant form of music these past two and a half decades. Tupac is in there. Jay Z is in there. Missy Elliott is in there. Drake is in there. Pretty much all of the big names are in there, as are a bunch of the smaller names, too. There's art from acclaimed illustrator Arturo Torres, there are infographics and footnotes; there's all kinds of stuff in there. Some of the chapters are serious, and some of the chapters are silly, and some of the chapters are a combination of both things. All of them, though, are treated with the care and respect that they deserve. HIP-HOP (AND OTHER THINGS) is the third book in the (And Other Things) series. The first two—Basketball (And Other Things) and Movies (And Other Things)—were both #1 New York Times bestsellers.

Biology, Management, and Culture of Walleye and Sauger Bruce A. Barton,2011-01-01

No One Asked for This Cazzie David,2020 From writer/director Cazzie David comes a series of comedic essays about anxiety, social media, generational malaise, and growing up in a famous family.

Fisheries Techniques Brian R. Murphy,David W. Willis,American Fisheries Society,1996

A Class Act Rob Beckett,2022-05-12 'Pacy, witty and affectionate' Guardian Rob Beckett never seems to fit in. At work, in the middle-class world of television and comedy, he's the laddy, cockney geezer but to his mates down the pub in south-east London, he's the theatrical one, a media luvvy. Even his wife and kids are posher than him.

Decoding **Daniel Sloss.jpg**: Revealing the Captivating Potential of Verbal Expression

In a time characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its capability to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. Within the pages of "**Daniel Sloss.jpg**," a mesmerizing literary creation penned by a celebrated wordsmith, readers set about an enlightening odyssey, unraveling the intricate significance of language and its enduring affect our lives. In this appraisal, we shall explore the book is central themes, evaluate its distinctive writing style, and gauge its pervasive influence on the hearts and minds of its readership.
