**Hermione Granger Saves the World** Christopher E. Bell, 2014-01-02 The new essays in this book make two central claims. First, for some people, the word feminist has been either poorly defined or even demonized. Hermione Granger, of the Harry Potter series, serves as an outstanding example of what modern young feminism looks like: activist, powerful and full of agency, yet feminine, romantic and stylish--a new kind of feminism for a new kind of girl. The second claim the essays make is that our young, emergent feminist Hermione Granger is a pivotal character upon whom the entire series rests--not Harry Potter himself (or, at least, not Harry Potter solely). It is Hermione who solves every difficult puzzle, performs every difficult spell, and to whom her two male companions look for guidance and advice. On several occasions throughout the series, Hermione literally saves the world through her actions. This is an outstanding model for young women (and for young men as well) who are confused about how feminism manifests and operates in 2012.

*Burnt Toast* Teri Hatcher, 2006-05-02 From America's most beloved comedic actress and the star of *Desperate Housewives* comes a personal, heartfelt, and often very funny manifesto on life, love, and the lessons we all need to learn -- and unlearn -- on the road to happiness Teri Hatcher secured her place in America's heart when she stood up to accept her Golden Globe for Best Actress and declared herself a has-been on national

television. That moment showcased her down-to-earth, self-deprecating style -- and her frank openness about the ups and downs she's experienced in life and work. But what the world might not have seen that night is that Teri's self-acceptance is the hard-won effort of a single mother with all the same struggles most women have to juggle -- life, love, bake sale cookies, and dying cats. Now, in the hope that her foibles and insights might inspire and motivate other women, Teri opens up about the little moments that have sustained her through good times and bad. From the everyday (like the importance of letting your daughter spill her macaroni so she knows it's okay to make mistakes) to the rare (a rendezvous with a humpback whale -- and no, he was not a suitor), the message at the heart of *Burnt Toast* -- that happiness and success are choices that we owe it to ourselves to make -- is sure to resonate with women everywhere.

**Witch & Wizard** James Patterson, Gabrielle Charbonnet, 2009 Thriller. Without explanation, kids around the country begin to disappear, coinciding with the government's recent clampdown on civil freedoms. Fifteen-year-old Wisty and her older brother Whit are no exception. Kidnapped in the middle of the night, the teens are taken to a secret facility and locked in a cell. Plotting their escape, Wisty and Whit start exhibiting special powers, which may be the reason for the recent capture

*Harry Potter and the Chamber of Secrets* J.K. Rowling, 2015-12-08 'There is a plot, Harry Potter. A plot to make most terrible things happen at Hogwarts School of Witchcraft and Wizardry this year.' Harry Potter's summer has included the worst birthday ever, doomy warnings from a house-elf called Dobby, and rescue from the Dursleys by his friend Ron Weasley in a magical flying car! Back at Hogwarts School of Witchcraft and Wizardry for his second year, Harry hears strange whispers echo through empty corridors - and then the attacks start. Students are found as though turned to stone... Dobby's sinister predictions seem to be coming true. Having become classics of our time, the

Harry Potter eBooks never fail to bring comfort and escapism. With their message of hope, belonging and the enduring power of truth and love, the story of the Boy Who Lived continues to delight generations of new readers.

**The Battle for WondLa** Tony DiTerlizzi, 2023-06-13 When all hope for a peaceful coexistence between humankind and aliens seems lost, Eva Nine—with help from an unlikely ally—tries to thwart the evil Loroc's ultimate plan for life on Orbona.

**What the Spell** Brittany Geragotelis, 2013-01-31 Brooklyn is nearly sixteen-years-old and feels like she's invisible. She desperately wants to be pretty and popular, and to be adored by a cute guy. Luckily for her, she's a witch about to come of age ~ so she's only a few spells away from making it all happen. On her milestone birthday, Brooklyn's conservative parents finally unbind her powers, and this newfound freedom leads to a spell-assisted dream makeover. Her crush, Asher, finally notices her, and so does the Queen Bee of the popular, cool clique. Even better, Brooklyn discovers her true power: the ability to magically match couples with a love spell. But Brooklyn's quest for popularity is not without its price, and as the clique escalates their initiation tests, the more she relies on her powers to complete the tasks. Can Brooklyn keep her magic hidden from their scrutiny? Like her Salem ancestors, if caught, she could be vilified. But worst of all, Brooklyn runs the risk of losing what she really cares about ~ Asher ~ unless she can work a little magic of her own.
