The Art of Monster, Inc. , 2015-11-03 The Art of Monsters, Inc. opens the door into Pixar's colorful archives of concept art and to the endearing story of Monsters, Inc. Since the very first bedtime, children around the world have known that once their parents tuck them into bed and shut off the light, monsters lie waiting behind closet doors, ready to emerge. But what they don't realize is that these monsters scare children because they have to. It's their job. This superb film from Pixar Studios, the people who brought you Toy Story, A Bug's Life, and Toy Story 2, reveals the truth about monsters with the brilliant techniques that have earned them their reputation as a ground-breaking animation studio. This incredible body of artwork was commissioned from the top artists, illustrators, and animators in the industry and from it the ultimate visual approach of the film was defined. From sketches scribbled on napkins and quickly inked marker drawings, to finished oil paintings and fabulous pastel color scripts, this behind-the-scenes artwork reveals the elaborate creative process behind a blockbuster film.

Life of James Sullivan, Vol. 1 Thomas C. Amory,2018-01-22 Excerpt from Life of James Sullivan, Vol. 1: With Selections From His Writings IT is now fifty years since the subject of the following memoir closed his eyes upon the world. Most of his cotemporaries have disappeared from among the living; and other genera tions, with new objects of interest, have taken their place. Should any one be disposed to ask, why remove the veil which time had been silently weaving, let him be patient and see if the narrative does not furnish its own justification. But during his first semester at MU, Mike's plans are derailed when he crosses paths with hotshot, James P. Sullivan, Sulley, a natural-born Scarer. The pair's out of control competitive spirit gets them both kicked out of the University's elite Scare Program. With their dreams temporarily dashed, they realize they will have to work together, along with an odd bunch of misfit monsters, if they ever hope to make things right. Top scare-team at Monsters, Inc., Mike and Sulley are in for a wild ride when a little girl named Boo wanders into the scream-processing plant. Trying to protect themselves and Boo from decontamination, the two monsters learn that being scared silly with laughter is much more powerful than screams.

Understanding Your Right to Assemble Carol Hand,2013-07-15 With the Occupy Wall Street movement still fresh in the minds of many across the nation, no part of the Constitution is more important to that cause than the Freedom of Assembly. This guide to that freedom takes a sweeping approach, going back to the dawn of democracy and the signing of the Magna Carta and then discussing how people are affected in modern times and with modern issues. It hits some of the most controversial moments and issues in a fact-filled format that still manages to be an entertaining read for any historian or modern activist.
