James Acaster's Guide to Quitting Social Media James Acaster, 2023-08-17 THE SUNDAY TIMES BESTSELLER This is a self-help book like no other. Because you are not helping yourself, James Acaster is helping you. In 2019, James quit all forms of social media - covering his phone in tar and driving it to a lock-up in Rhyl, before setting up home in a castle he'd built himself called Castle Anti-Net. But when the withdrawal symptoms hit him, he realised in order to stay clean he'd have to replace everything social media gave him with three-dimensional, real-life activities. Employing the help of a mysterious, wealthy benefactor named Clancy Dellahue, and an ever-growing gang of misfits (aka the Tangfastic Crew), James found ways to replace his online friends (he joined the scouts) and spy on his exes (climbing ropes, zip lines, fake moustache) as well as anonymously bullying strangers, seeing photos of everyone's dogs, getting public figures fired, arguing with everybody about everything, and so much more. His life is amazing and yours could be too if you buy JAMES ACASTER'S GUIDE TO QUITTING SOCIAL MEDIA, BEING THE BEST YOU YOU CAN BE AND SAVING YOURSELF FROM LONELINESS VOL. 1.

Practicing Forgiveness Richard S. Balkin, 2020 In *Practicing Forgiveness*, the author reviews the contextual and cultural aspects of forgiveness with stories, humor, clinical examples, research, and empirical findings while examining the influence of environment and religion. The content is presented in such a way so as to serve as a resource to both professional mental health providers (who can benefit from the theoretical and empirical underpinnings of working with clients through the forgiveness process) and lay readers (who can benefit from the processing and self-help components of the book).

My Mother's House Francesca Momplaisir, 2021-04-13 One of the Best Books of the Year: Elle, Harper's Bazaar, Vulture • This uncompromising look at the immigrant experience, and the depravity of one man, is an electrifying page-turner rooted in a magical reality • "Impossible to stop reading" —Vulture When Lucien flees Haiti with his wife, Marie-Ange, and their three children to New York City's South Ozone Park, he does so hoping for reinvention, wealth, and comfort. He buys a run-down house in a quickly changing community, and begins life anew. Lucien and Marie-Ange call their home La Kay—"my mother's house"—and it becomes a place where their fellow immigrants can find peace, a good meal, and necessary legal help. But as a severely emotionally damaged man emigrating from a country whose evils he knows to one whose evils he doesn't, Lucien soon falls into his worst habits and impulses, with La Kay as the backdrop for his lasciviousness. What he can't begin to fathom is that the house is watching, passing judgment, and deciding to put an end to all the sins it has been made to hold. But only after it has set itself aflame will frightened whispers reveal Lucien's ultimate evil.

Allowed to Grow Old Isa Leshko, 2019-05-10 There's nothing quite like a relationship with an aged pet—a dog or cat who has been at our side for years, forming an ineffable bond. Pampered pets, however, are a rarity among animals who have been domesticated. Farm animals, for example, are usually slaughtered before their first birthday. We never stop to think about it, but the typical images we see of cows, chickens, pigs, and the like are of young animals. What would we see if they were allowed to grow old? Isa Leshko shows us, brilliantly, with this collection of portraits. To create these portraits, she spent hours with her subjects, gaining their trust and putting them at ease. The resulting images reveal the unique personality of each animal. It's impossible to look away from the animals in these images as they unforgettably meet our gaze, simultaneously calm and challenging. In these photographs we see the cumulative effects of the hardships of industrialized farm life, but also the healing that time can bring, and the dignity that can emerge when farm animals are allowed to age on their own terms. Each portrait is accompanied by a brief biographical note about its subject, and the book is rounded out with essays that explore the history of animal photography, the place of beauty in activist art, and much more. Open this book to any page. Meet Teresa, a thirteen-year-old Yorkshire Pig, or Melvin, an eleven-year-old Angora Goat, or Tom, a seven-year-old Broad Breasted White Turkey. You'll never forget them.

Black Bottom Saints Alice Randall, 2020-08-18 An enthralling literary tour-de-force that pays tribute to Detroit's legendary neighborhood, a mecca for jazz, sports, and politics, *Black Bottom Saints* is a powerful blend of fact and imagination reminiscent of E.L. Doctorow's classic novel *Ragtime* and Marlon James' Man Booker Award-winning masterpiece, *A Brief History of Seven Killings*. From the Great Depression

through the post-World War II years, Joseph “Ziggy” Johnson, has been the pulse of Detroit’s famous Black Bottom. A celebrated gossip columnist for the city’s African-American newspaper, the Michigan Chronicle, he is also the emcee of one of the hottest night clubs, where he’s rubbed elbows with the legendary black artists of the era, including Ethel Waters, Billy Eckstein, and Count Basie. Ziggy is also the founder and dean of the Ziggy Johnson School of Theater. But now the doyen of Black Bottom is ready to hang up his many dapper hats. As he lays dying in the black-owned-and-operated Kirkwood Hospital, Ziggy reflects on his life, the community that was the center of his world, and the remarkable people who helped shape it. Inspired by the Catholic Saints Day Books, Ziggy curates his own list of Black Bottom’s venerable 52 Saints. Among them are a vulnerable Dinah Washington, a defiant Joe Louis, and a raucous Bricktop. Randall balances the stories of these larger-than-life Saints with local heroes who became household names, enthralling men and women whose unstoppable ambition, love of style, and faith in community made this black Midwestern neighborhood the rival of New York City’s Harlem. Accompanying these “tributes” are thoughtfully paired cocktails—special drinks that capture the essence of each of Ziggy’s saints—libations as strong and satisfying as Alice Randall’s wholly original view of a place and time unlike any other.

I Hold a Wolf by the Ears Laura van den Berg,2020-07-28 ONE OF TIME'S 10 BEST FICTION BOOKS OF 2020. Longlisted for the Joyce Carol Oates Prize. Named a Best Book of 2020 by NPR, Bustle, Good Housekeeping, the New York Public Library, Library Journal, Lit Hub, Electric Literature, and Tor.com As enchanting as fairy tales, as mysterious as dreams, these exquisitely composed fictions are as urgent and original as any being written today.” —Sigrid Nunez, author of *The Friend*, winner of the 2018 National Book Award for Fiction An urgent and unsettling collection of women on the verge from Laura van den Berg, author of *The Third Hotel* *I Hold a Wolf by the Ears*, Laura van den Berg’s first story collection since her prizewinning book *The Isle of Youth*, draws readers into a world of wholly original, sideways ghost stories that linger in the mouth and the mind. Both timeless and urgent, these eleven stories confront misogyny, violence, and the impossible economics of America with van den Berg’s trademark spiky humor and surreal eye. Moving from the peculiarities of Florida to liminal spaces of travel in Mexico City, Sicily, and Iceland, *I Hold a Wolf by the Ears* is uncannily attuned to our current moment, and to the fears we reveal to no one but ourselves. In “Lizards,” a man mutes his wife’s anxieties by giving her a LaCroix-like seltzer laced with sedatives. In the title story, a woman poses as her more successful sister during a botched Italian holiday, a choice that brings about strange and destructive consequences, while in “Karolina,” a woman discovers her prickly ex-sister-in-law in the aftermath of an earthquake and is forced to face the truth about her violent brother. *I Hold a Wolf by the Ears* presents a collection of women on the verge, trying to grasp what’s left of life: grieving, divorced, and hyperaware, searching, vulnerable, and unhinged, they exist in a world that deviates from our own only when you look too closely. With remarkable control and transcendent talent, van den Berg dissolves, in the words of the narrator of “Slumberland,” “that border between magic and annihilation,” and further establishes herself as a defining fiction writer of our time.

Catch Your Breath Ed Patrick, 2021-08-26 'Brilliantly funny.' - Matt Lucas 'You have to read this book.' - Tim Harford 'It's funny, touching and gobsmacking in equal measure. At its heart is a breathtaking account of life on the COVID frontline.' - Jay Rayner 'Ed's journey is funny, sad, harrowing, hilarious... I STRONGLY URGE YOU TO READ THIS.' - Colin Mochrie 'Very Funny.' - Fern Brady A gut punch of a memoir by a doctor - and comedian - whose job is to keep people alive by putting them to sleep. It's enough to leave anyone feeling numb. But don't worry, there's plenty of laughing gas to be had. 'Very funny, very timely, scary in places. Ed writes with wit, insight, surprise and pathos. He is cutting his teeth in anaesthetics, taking people as close to death as you can take them, and then trying to wake them up again. And makes it funny. A joy to read.' - Phil Hammond

An Evil Cradling Brian Keenan, 2015-10-08 Brian Keenan went to Beirut in 1985 for a change of scene from his native Belfast. He became headline news when he was kidnapped by fundamentalist Shi'ite militiamen and held in the suburbs of Beirut for the next four and a half years. For much of that time he was shut off from all news and contact with anyone other than his jailers and, later, his fellow hostages, amongst them John McCarthy.

Real Philosophy for Real People Fr. Robert McTeigue, S.J., 2020 The philosopher Paul Weiss once observed, Philosophers let theories get in the way of what they and everyone else know. For many, the very word philosophical has become all but synonymous with impractical. Yet whether we like it or not, almost every corner of our lives—from dissertation writing to channel surfing—brings us face to face with competing philosophies and world views, each claiming to tell us definitively what it means to be human. How can we know which one is right? And what difference does it make? To Robert McTeigue, S.J., it makes every difference in the world. Consciously or not, we all have a world view, and it decides how we live. In this book, McTeigue gives a funny and invigorating crash course in practical logic, metaphysics, anthropology, and ethics, equipping readers with a tool kit for breaking down and evaluating the thought

systems—some good, some toxic—that swirl around us, and even within us. In McTeigue, classical philosophy finds a contemporary voice, accessible to the layman and engaging to the scholar. Real Philosophy for Real People is an answer to those philosophies that prize theory over truth, to any metaphysics that cannot account for itself, to anthropologies that are unworthy of the human person, and to ethical systems that reduce the great dignity and destiny of the human person. As the author insists, A key test of any philosophy is: Can it be lived? With Thomas Aquinas, this book teaches not only how to know the truth, but how to love it and to do it.

Janey the Vet Janey Lowes, 2020-03-19 'Janey is like a whirlwind of selflessness. A beautiful spirit in a beautiful country doing a beautiful thing. I encourage my children to be more 'Janey'. With more positive spirits like Janey, the world would be a better place.' - Ben Fogle In 2014 and in her mid-twenties, Janey Lowes had been a vet for just two years when she left her home in County Durham and went travelling. Visiting Sri Lanka, she was horrified to see the state of so many of the island's dogs, in particular the three million strays. Over 5,000 miles from home, Janey decided there and then that she was going to move to the island indefinitely and do everything within her power to help them. She raised £10,000 to get started, setting up a charity called WECare Worldwide, and began work. Frightened, determined and excited all at the same time, she found a local who was willing to work with her and began scouring the streets for dogs in need. Some she patched up as best she could at the roadside, others she brought back and treated in a make-shift surgery she had cobbled together in her new home. With very little equipment, she and her small team came up with new and ingenious ways to treat the animals. In this highly inspiring and heartfelt book full of challenges and adventure, Janey introduces us to her world and the tireless work she carries out. As she says, 'I feel as though all these dogs are my dogs and I have a responsibility to them.' In it, we meet many of the colourful characters who have come to offer help, along with innumerable street dogs who have suffered all sorts of trauma and injury, only to be scooped up by Janey and her team and saved.

A Bit of a Stretch Chris Atkins, 2020-02-06 'Shocking, scathing, entertaining.' Guardian 'Incredibly compelling.' The Times 'Heart-breaking.' Sunday Times Where can a tin of tuna buy you clean clothes? Where is it easier to get 'spice' than paracetamol? Where does self-harm barely raise an eyebrow? Welcome to Her Majesty's Prison Service. Like most people, documentary-maker Chris Atkins didn't spend much time thinking about prisons. But after becoming embroiled in a dodgy scheme to fund his latest film, he was sent down for five years. His new home would be HMP Wandsworth, one of the largest and most dysfunctional prisons in Europe. With a cast of characters ranging from wily drug dealers to

The Last Days of Robert Indiana Bob Keyes, 2021-09-07 When reclusive, millionaire artist Robert Indiana died in 2018, he left behind dark rumors and scandal, as well as an estate embroiled in lawsuits and facing accusations of fraud. Here is the true story of the artist's final days, the aftermath, the deceptive world that surrounded him, and the inner workings of art as very big business. I'm an artist, not a business man, Robert Indiana said, refusing to copyright his iconic LOVE sculpture in 1965. An odd and tortured soul, an artist who wanted both fame and solitude, Indiana surrounded himself with people to manage his life and work. Yet, he frequently changed his mind and often fired or belittled those who worked with him. By 2008, when Indiana created the sculpture HOPE--or did he?--the artist had signed away his work for others to exploit, creating doubt about whether he had even seen artwork sold for very high prices under his name. At the time of his death, Indiana left an estate worth millions--and unsettling suspicions. There were allegations of fraudulent artwork, of elder abuse, of caregivers who subjected him to horrendous living conditions. There were questions about the inconclusive autopsy and rumors that his final will had been signed under coercion. There were strong suspicions about the freeloaders who'd attached themselves to the famous artist. In the final hours of his life, the author writes, Robert Indiana was without the grace of a better angel, as the people closest to him covered their tracks and plotted their defenses. With unparalleled access to the key players in Indiana's life, author Bob Keyes tells a fast-paced and riveting story that provides a rare inside look into the life of an artist as well as the often, too often, unscrupulous world of high-end art. The reader is taken inside the world of art dealers, law firms, and an array of local characters in Maine whose lives intersected with the internationally revered artist living in an old Odd Fellows Hall on Vinalhaven Island. *The Last Days of Robert Indiana* is for anyone interested in contemporary art, business, and the perilous intersection between them. It an extraordinary window into the life and death of a singular and contradictory American artist--one whose work touched countless millions through everything from postage stamps to political campaigns to museums--even as he lived and died in isolation, with a lack of love, the loss of hope, and lots and lots of money.
