### **This Is Not My Memoir** André Gregory, Todd

London, 2020-11-17 The autobiography-of-sorts of André Gregory, an iconic figure in American theater and the star of *My Dinner with André* This is Not My Memoir tells the life story of André Gregory, iconic theatre director, writer, and actor. For the first time, Gregory shares memories from a life lived for art, including stories from the making of *My Dinner with André*. Taking on the dizzying, wondrous nature of a fever dream, This is Not My Memoir includes fantastic and fantastical stories that take the reader from wartime Paris to golden-age Hollywood, from avant-garde theaters to monasteries in India. Along the way we meet Jerzy Grotowski, Helene Weigel, Gregory Peck, Gurumayi Chidvilasananda, Wallace Shawn, and many other larger-than-life personalities. This is Not My Memoir is a collaboration between Gregory and Todd London who create a portrait of an artist confronting his later years. Here, too, are the reflections of a man who only recently learned how to love. What does it mean to create art in a world that often places little value on the process of creating it? And what does it mean to confront the process of aging when your greatest work of art may well be your own life?

**Never Have Your Dog Stuffed** Alan Alda, 2005-09-13

He's one of America's most recognizable and acclaimed actors—a star on Broadway, an Oscar nominee for *The Aviator*, and the only person to ever win Emmys for acting, writing, and directing, during his eleven years on *M\*A\*S\*H*. Now Alan Alda has written a memoir as elegant, funny, and affecting as his greatest performances. “My mother didn’t try to stab my father until I was six,” begins Alda’s irresistible story. The son of a popular actor and a loving but mentally ill mother, he spent his early childhood backstage in the erotic and comic world of burlesque and went on, after early struggles, to achieve extraordinary success in his profession. Yet *Never Have Your Dog Stuffed* is not a memoir of show-business ups and downs. It is a moving and funny story of a boy growing into a man who then realizes he has only just begun to grow. It is the story of turning points in Alda’s life, events that would make him what he is—if only he could survive them. From the moment as a boy when his dead dog is returned from the taxidermist’s shop with a hideous expression on his face, and he learns that death can’t be undone, to the decades-long effort to find compassion for the mother he lived with but never knew, to his acceptance of his father, both personally and professionally, Alda learns the hard way that change, uncertainty, and transformation are what life is made of, and true happiness is found in embracing them. *Never Have Your Dog Stuffed*, filled with curiosity about nature, good humor, and honesty, is the crowning achievement of an actor, author, and director, but surprisingly, it is the story of a life more filled with

turbulence and laughter than any Alda has ever played on the stage or screen.

Thank You Notes Jimmy Fallon, the Writers of Late Night, 2011-05-23 Jimmy Fallon is very thankful. And in this first book to come from his TV show, he expresses his gratitude for everything from the light bulb he's too lazy to replace to the F12 button on his computer's keyboard. He thanks microbreweries for making his alcoholism seem like a neat hobby. He thanks the name Lloyd for having two L's. Otherwise it would just sound like Loyd. He thanks the slow-moving family walking in front of him on the sidewalk. Without this barricade of idiots, he might never have been forced to walk in the street and risk getting hit by a car in order to get around them. He's thankful to you, the person reading this right now. It means you're considering buying this book. You should do it. You will be thankful that you did.

**Forming Intentional Disciples** Sherry A.

Weddell,2015-11-30 How can we transmit a living, personal Catholic faith to future generations? By coming to know Jesus Christ, and following him as his disciples. These are times of immense challenge and immense opportunity for the Catholic Church. Consider these statistics for the United States. Only 30 percent of Americans who were raised Catholic are still practicing. Fully 10 percent of all adults in America are ex-Catholics. The number of marriages celebrated in the Church decreased dramatically, by nearly 60 percent, between 1972 and 2010. Only 60 percent of Catholics believe in a personal God. If the Church is to reverse these trends, the evangelizers must first be evangelized-in other words, Catholics-in-the-pew must make a conscious choice to know and follow Jesus before they can draw others to him. This work of discipleship lies at the heart of *Forming Intentional Disciples*, a book designed to help Church leaders, parish staff and all Catholics transform parish life from within. Drawing upon her fifteen years of experience with the Catherine of Siena Institute, Sherry Weddell leads readers through steps that will help Catholics enter more deeply into a relationship with God and the river of apostolic creativity, charisms, and vocation that flow from that relationship for the sake of the Church and the world. Learn about the five thresholds of postmodern conversion, how to open a conversation about faith and belief, how to ask thought-provoking questions and establish an atmosphere of trust, when to tell the Great Story of Jesus, how to help someone respond to God's call to intentional discipleship, and much more. And be prepared for conversion because when life at the parish level changes, the life of the whole Church will change.

Tea at Five Matthew Lombardo,2005 *Tea at Five* captures the fiery spirit of Katherine Hepburn in a one-

woman show that recounts her journey from a well-heeled Yankee childhood to being a winner of four Oscars. Enconced at her beloved Fenwick home, Ms. Hepburn reflects on the dizzying heights and emotional lows of her upbringing, her adventures in show business and her heartbreaking romance with Spencer Tracy. Audiences leave with new memories of one of the most dearly loved ladies of an era.

*Maurice Sendak's Really Rosie Starring the Nutshell Kids* Maurice Sendak, 2009-07-31 On the front steps and in the cellar of ten-year-old producer-director Rosie's Brooklyn row house, Rosie herself and her Nutshell friends put on a musical extravaganza.

Little Weirds Jenny Slate, 2019-11-05 One of Vanity Fair's Great Quarantine Reads: Step into Jenny Slate's wild imagination in this magical (Mindy Kaling), delicious (Amy Sedaris), and poignant (John Mulaney) New York Times bestseller about love, heartbreak, and being alive -- this book is something new and wonderful (George Saunders). You may know Jenny Slate from her Netflix special, *Stage Fright*, as the creator of *Marcel the Shell*, or as the star of *Obvious Child*. But you don't really know Jenny Slate until you get bonked on the head by her absolutely singular writing style. To see the world through Jenny's eyes is to see it as though for the first time, shimmering with strangeness and possibility. As she will remind you, we live on an ancient ball that rotates around a bigger ball made up of lights and gasses that are science gasses, not farts (don't be immature). Heartbreak, confusion, and misogyny stalk this blue-green sphere, yes, but it is also a place of wild delight and unconstrained vitality, a place where we can start living as soon as we are born, and we can be born at any time. In her dazzling, impossible-to-categorize debut, Jenny channels the pain and beauty of life in writing

so fresh, so new, and so burstingly alive, we catch her vision like a fever and bring it back out into the bright day with us, where everything has changed.

*How Hard Can It Be?* Allison Pearson, 2018-06-05 First published in the United Kingdom by The Borough Press-- Copyright page.

**Egghead** Bo Burnham, 2013-10-01 A strange and charming collection of hilariously absurd poetry, writing, and illustration from one of today's most popular young comedians... EGGHEAD: Or, You Can't Survive on Ideas Alone Bo Burnham was a precocious teenager living in his parents' attic when he started posting material on YouTube. 100 million people viewed those videos, turning Bo into an online sensation with a huge and dedicated following. Bo taped his first of two Comedy Central specials four days after his 18th birthday, making him the youngest to do so in the channel's history. Now Bo is a rising star in the comedy world, revered for his utterly original and intelligent voice. And, he can SIIIIIIING! In EGGHEAD, Bo brings his brand of brainy, emotional comedy to the page in the form of off-kilter poems, thoughts, and more. Teaming up with his longtime friend, artist, and illustrator Chance Bone, Bo takes on everything from death to farts in this weird book that will make you think, laugh and think, why did I just laugh?

New Teeth Simon Rich, 2021-07-27 Laugh till you cry in this new collection of stories from the award-winning "Serena Williams of humor writing" (New York Times Book Review) about raising babies and trying not to be one. Called a "comedic Godsend" by Conan O'Brien and "the Stephen King of comedy writing" by John Mulaney, Simon Rich is back with *New Teeth*, his funniest and most personal collection yet. Two murderous pirates find a child stowaway on board and attempt to balance pillaging with

co-parenting. A woman raised by wolves prepares for her parents' annual Thanksgiving visit. An aging mutant superhero is forced to learn humility when the mayor kicks him upstairs to a desk job. And in the hard-boiled caper "The Big Nap," a weary two-year-old detective struggles to make sense of "a world gone mad." Equal parts silly and sincere, *New Teeth* is an ode to growing up, growing older, and what it means to make a family.

**Rapunzel's Amazing Hair** Kiki Thorpe, 2010-12-12

**A Better Man** Michael Ian Black, 2020-09-15 A provocative, personal, and useful look at boyhood, and a radical plea for rethinking masculinity and teaching young men to give and receive love "Surprising . . . [Black's] tone is so lovely, his empathy so clear . . . Black's writing is modest, clear, conversational . . . corny, maybe. But helpful. Like a dad."—The New York Times Book Review  
With hope and with humor, Michael Ian Black skillfully navigates the complex gender issues of our time and delivers a poignant answer to an urgent question: How can we be, and raise, better men? Part memoir, part advice book, and written as a heartfelt letter to his college bound son, *A Better Man* offers up a way forward for boys, men, and anyone who loves them. Comedian, writer, and father Black examines his complicated relationship with his own father, explores the damage and rising violence caused by the expectations placed on boys to "man up," and searches for the best way to help young men be part of the solution, not the problem. "If we cannot allow ourselves vulnerability," he writes, "how are we supposed to experience wonder, fear, tenderness?"

**Everyone You Hate Is Going to Die** Daniel Sloss, 2021-10-12 One of this generation's hottest and boldest young comedians presents a transgressive and hilarious analysis of all of our dysfunctional relationships, and attempts to point us in the vague direction of sanity. Daniel Sloss's stand-up comedy engages, enrages, offends, unsettles, educates, comforts, and gets audiences roaring with laughter—all at the same time. In his groundbreaking specials, seen on Netflix and HBO, he has brilliantly tackled everything from male toxicity and friendship to love, romance, and marriage—and claims (with the data to back it up) that his on-stage laser-like dissection of relationships has single-handedly caused more than 300 divorces and 120,000 breakups. Now, in his first book, he picks up where his specials left off, and goes after every conceivable kind of relationship—with one's country (Sloss's is Scotland); with America; with lovers, ex-lovers, ex-lovers who you hate, ex-lovers who hate you; with parents; with best friends (male and female), not-best friends; with children; with siblings; and even with the global pandemic and our own mortality. In *Everyone You Hate Is Going to Die*, every human connection gets the brutally funny (and unfailingly incisive) Sloss treatment as he illuminates the ways in which all of our relationships are fragile and ridiculous and awful—but also valuable and meaningful and important.

*The White Man's Guide to White Male Writers of the Western Canon* Dana Schwartz, Jason Adam

Katzenstein, 2019-11-05 How do you use 'taraddiddle' in a

sentence? Is it possible to make a Gin Ricky that's also a metaphor for the American Dream? How can you tell your Faulkner from your Franzen if you haven't actually read either? Allow me, the @GuyInYourMFA, to expound on the most important (aka white male) writers of western literature. You've probably seen me around, observing the masses, or defying the wind by hand-rolling a cigarette outside a local, fair-trade coffeeshop. I've actually read Infinite Jest 9 1/2 times. Care to discuss? From Shakespeare's greatest mystery (how could a working-class man without access to an MFA program be so prolific?) to the true meaning of Kafkaesque (you know you've made it when you have an adjective named for you), the pages herewith are at once profound and practical. Use my ingenious Venn diagram to test your knowledge of which Jonathan—Franzen, Lethem, or Safran Foer—hates Twitter and lives in Brooklyn. (Trick question: all 3!) Sneer at chick-lit and drink Mojitos like Hemingway (not like middle-aged divorcées!). So instead of politely nodding along next time you make an acquaintance at a housewarming party in Brooklyn, you can roll up your sleeves and get to work schooling them in character arcs and the experimental form of your next great American novel. Dazzle your friends with how well you understand post-modernism. You'll be at a literary event asking a question "that's really more of a comment" in no time.

**The New One** Mike Birbiglia, 2021-05-04 Mike Birbiglia never wanted to be a father. In fact, there are seven very specific reasons he never wanted a kid, including his aversion to sticky surfaces and his less-than-ideal genes: he's had Lyme Disease, a bladder tumor, diabetes, and dangerous sleepwalking, to name a few. Not to mention the fact that Mike generally doesn't think people (including himself) are really all that great. Then

Mike's wife, poet Jen Hope Stein, becomes infected with the contagion baby fever and convinces him she'll do all of the parenting and that their lives don't have to change because of future baby Oona. Yes, he bought that line. In a hilarious memoir about the trials and tribulations of parenting, Mike Birbiglia shares anecdotes all parents can relate to, including laugh-out-loud observations on the lead up to being a parent, the birth of the baby, and the very messy aftermath of bringing this new one home...for a forever stay! Borne out of and based on his Broadway show *The New One*, and entirely expanded upon with at least 50% new material for this book, new dad Birbiglia will have you crying from laughter and smiling with joy as he falls in love with baby Oona, despite how smelly she is! Mike's candid thoughts on his reluctance about becoming a dad, what he describes as being the pudgy milkless vice president of his family, laced with Stein's poetry combine to form a heartfelt and hilarious book.

**I Am Small** Qin Leng, 2018-10-02 A very big story about a very small girl. Mimi is so much littler than everyone, "I might as well be called Mini," she says. Everyone is taller than her, even the family dog! Though there are advantages — like fitting into the best hiding places — to Mimi, being small is the worst. But then one day, a surprise shows up at home. A very little surprise. And Mimi begins to realize that being little is just a matter of perspective. The perfect book for any child trying to find their place in the world.
