101 Things Birmingham Gave the World Craig Hamilton,Jon Bounds,Liz Cooke,2014 This is the book that proves that Birmingham is not just the crucible of the Industrial Revolution, but the cradle of civilisation. From the team behind hit Birmingham miscellany, Paradise Circus, comes the definitive guide to the 101 things that made the world what it is today - and all of them were made in Birmingham. Read how Birmingham gave the world the wonders of tennis, nuclear war, the Beatles, 'that smell of eggs' and many more... 97 more. 101 Things Birmingham Gave The World, is not a Birmingham of the memory. It is a living breathing thing, wrestling with the city's contradictions, press-ganging the typically arch and understated humour of the Brummie, and an army of little-known facts, both trivial and monumental, into reshaping its confusing reputation. Stewart Lee

Liner Notes On Parents, Children, Exes, Excess, Decay & A Few More Of My Favourite Things Loudon Wainwright III,2017-10-02 'Liner Notes is, unsurprisingly, as good as its author's songs, with moments of sharp humor alternating with real-life pain, and vivid reflections on love, death, and the whole damn thing. Loudon Wainwright is a true original: not like anyone else, just as he set out to be.' Salman Rushdie In the late 1960s, Loudon Wainwright III established himself as a loner, deliberately standing outside the conventional. He recorded his first album in 1969, full of raw, angry poetry, but it was the 1972 novelty song 'Dead Skunk' that brought him popular recognition. Wainwright's songs are as hilarious as they can be painful. In Liner Notes, he details the family history and fractured relationships that have informed him: the alcoholism, infidelities and competitiveness; the successes, joys and love. Wainwright writes poignantly about being a son, a parent, a brother and a grandfather while re-printing selections from his father's columns and meditating upon family, inspiration and art. As plain-speaking on the page as in his songs, Wainwright lays everything bare in this heartfelt memoir of music and family. His lyrics adorn and inform the text, amplifying his prose and connecting his songs to the life he led. 'He is unafraid and clear-eyed about the events of his life - and utterly engaging.' Rosanne Cash 'Fans of the self-lacerating, painfully funny Wainwright III will find the memoir they want here' Kirkus Reviews

Born a Crime Trevor Noah,2016-11-15 #1 NEW YORK TIMES BESTSELLER • More than one million copies sold! A “brilliant” (Lupita Nyong’o, Time), “poignant” (Entertainment Weekly), “soul-nourishing” (USA Today) memoir about coming of age during the twilight of apartheid “Noah’s childhood stories are told with all the hilarity and intellect that characterizes his comedy, while illuminating a dark and brutal period in South Africa’s history that must never be forgotten.”—Esquire Winner of the Thurber Prize for American Humor and an NAACP Image Award • Named one of the best books of the year by The New York Time, USA Today, San Francisco Chronicle, NPR, Esquire, Newsday, and Booklist Trevor Noah’s unlikely path from apartheid South Africa to the desk of The Daily Show began with a criminal act: his birth. Trevor was born to a white Swiss father and a black Xhosa mother at a time when such a union was punishable by five years in prison. Living proof of his parents’ indiscretion, Trevor was kept mostly indoors for the earliest years of his life, bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, steal him away. Finally liberated by the end of South Africa’s tyrannical white rule, Trevor and his mother set forth on a grand adventure, living openly and freely and embracing the opportunities won by a centuries-long struggle. Born a Crime is the story of a mischievous young boy who grows into a restless young man as he struggles to find himself in a world where he was never supposed to exist. It is also the story of that young man’s relationship with his fearless, rebellious, and fervently religious mother—his teammate, a woman determined to save her son from the cycle of poverty, violence, and abuse that would ultimately threaten her own life. The stories collected here are by turns hilarious, dramatic, and deeply affecting. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Trevor illuminates his curious world with an incisive wit and unflinching honesty. His stories weave together to form a moving and searingly funny portrait of a boy making his way through a damaged world in a dangerous time, armed only with a keen sense of humor and a mother’s unconventional, unconditional love.

Bedroom Rapper Rollie Pemberton,2022-05-31 Bedroom Rapper is a book for obsessive music fans who are looking for the definitive take on what’s happened in the last two decades of hip hop, from Cadence Weapon, aka Rollie Pemberton: Pitchfork critic, award-winning musician, producer, DJ, and poet laureate. Tracing his roots from recording beats in his mom's attic in Edmonton to performing with some of the most recognizable names in rap and electronic music—De La Soul, Public Enemy, Mos Def, Questlove, Diplo, and more—Polaris Prize winner Rollie Pemberton, a.k.a Cadence Weapon, captures the joy in finding yourself, and how a sense of place and purpose entwines inextricably with a music scene. From competitive basement family karaoke to touring Europe, from fights with an exploitative label to finding his creative voice, from protesting against gentrification to using his music to centre political change, Rollie charts his own development alongside a shifting musical landscape. As Rollie finds his feet, the bottom falls out of the industry, and he captures the way so many artists were able to make a nimble name for themselves while labels floundered. Bedroom Rapper also offers us a wide-ranging and crucial history of hip-hop. With an international perspective that's often missing from rap music journalism, he integrates the gestation of American hip hop with UK grime and niche scenes from the Canadian prairies, bringing his obsessive knowledge of hip-hop to bear on his subject. Rollie takes us into New York in the '70s, Edmonton in the '90s, the legendary Montreal DIY loft scene of the 2000s, and traces the ups and downs of trusting your gut and following your passion, obsessively. With a foreword by Gabriel Szatan, music fans and creators alike will relate to the dedication to craft, obsessive passion for what came before, and desire to shift the future that is embodied in every creative project Rollie takes on.

Swan Dive Georgina Pazcoguin,2021-07-27 Don't expect just tulle and toe shoes. In this fascinating insider's tale, NYCB dancer Pazcoguin reveals her world. . . . A striking debut. —People Award-winning New York City Ballet soloist Georgina Pazcoguin, aka the Rogue Ballerina, gives readers a backstage tour of the real world of elite ballet—the gritty, hilarious, sometimes shocking truth you don’t see from the orchestra circle. In this love letter to the art of dance and the sport that has been her livelihood, NYCB’s first Asian American female soloist Georgina Pazcoguin lays bare her unfiltered story of leaving small-town Pennsylvania for New York City and training amid the unique demands of being a hybrid professional athlete/artist, all before finishing high school. She pitches us into the fascinating, whirling shoes of dancers in one of the most revered ballet companies in the world with an unapologetic sense of humor about the cutthroat, survival-of-the-fittest mentality at NYCB. Some swan dives are literal: even in the ballet, there are plenty of face-plants, backstage fights, late-night parties, and raucous company bonding sessions. Rocked by scandal in the wake of the #MeToo movement, NYCB sits at an inflection point, inching toward progress in a strictly traditional culture, and Pazcoguin doesn’t shy away from ballet’s dark side. She continues to be one of the few dancers openly speaking up against the sexual harassment, mental abuse, and racism that in the past went unrecognized or was tacitly accepted as par for the course—all of which she has painfully experienced firsthand. Tying together Pazcoguin’s fight for equality in the ballet with her infectious and deeply moving passion for her craft, Swan Dive is a page-turning, one-of-a-kind account that guarantees you'll never view a ballerina or a ballet the same way again.

Tune It Out Jamie Sumner,2020-09-01 From the author of the acclaimed Roll with It comes a moving novel about a girl with a sensory processing disorder who has to find her own voice after her whole world turns upside down. Lou Montgomery has the voice of an angel, or so her mother tells her and anyone else who will listen. But Lou can only hear the fear in her own voice. She’s never liked crowds or loud noises or even high fives; in fact, she’s terrified of them, which makes her pretty sure there’s something wrong with her. When Lou crashes their pickup on a dark and snowy road, child services separate the mother-daughter duo. Now she

has to start all over again at a fancy private school far away from anything she's ever known. With help from an outgoing new friend, her aunt and uncle, and the school counselor, she begins to see things differently. A sensory processing disorder isn't something to be ashamed of, and music might just be the thing that saves Lou—and maybe her mom, too.

Binge Barrett Seaman, 2005-07-08 In Binge, Barrett Seaman reveals what every parent, student, and educator needs to know about the college experience. Seaman spent time with students at twelve highly regarded and diverse colleges and universities across North America. During his two years of research, he immersed himself in the lives of the students, often living in their dorms, dining with them, speaking with them on their own terms, and listening to them express their thoughts and feelings. Portraying a campus culture in which today's best and brightest students grapple with far more than academic challenges, Binge conveys the unprecedented stresses on campus today. While sharing revealing interviews and the often dramatic stories, Seaman explores the complexities of romantic relationships and sexual relations, alcohol and drug use, anxiety and depression, class and racial boundaries, and more. Despite the disturbing trends, Seaman finds reasons for optimism and offers provocative and well-informed suggestions for improving the undergraduate experience. Sometimes alarming, always fascinating, and ultimately hopeful, Binge is an extraordinary investigative work that reveals the realities of higher education today.

A Year in the Life Lucy Leonelli, 2022-01-20 After nearly a decade of dutifully climbing the corporate ladder to become a partner in a headhunting firm, Lucy Leonelli was feeling restless in a life that was seemingly mapped out for her, and she could not shake the sense that she was missing out on something... something out there. Realising that the answer was right in front of her – in a country so full of clandestine communities and colourful, eccentric characters – Lucy made the daring decision to hit the pause button on her career and hang up her suit in favour of a year exploring twenty-six wildly different subcultures. Over the next twelve months, she lived with battle re-enactors, circus performers, hill baggers, Morris dancers, naturists, trainspotters, yogis, zeitgeist political activists and more, experiencing first-hand their social rituals and customs in the hope that, somewhere along the way, she might just uncover the most authentic version of herself. A Year in the Life charts Lucy's adventure as she sang naked karaoke with naturists, jumped from one very high place to another with parkour daredevils, partied in tight latex with self-proclaimed vampires and fought the undead in an epic LARP battle. It tells of the importance of community in an increasingly isolating society; of the unquenchable human thirst for a sense of belonging; of how misguided our own prejudices can be; and of how when we open the door to others, we might just learn something about ourselves.

Cat's philosophy is put to the test when zombies overtake the school and the rest of London, and she must do whatever it takes to survive. But her decisions may come back to haunt when Cat encounters a nightmarish mutant clown named Mr. Dowling and the terrors that await beneath his circus big top.

Twine Monica Duncan, 2019-09-14 When Juniper Kowalski, a mediocre artist and graduate of one of the best art schools in the country, gets pregnant by her married lover, she ends up back in Gobles, Michigan, living in her dead grandma's trailer. She fears that her new life as a hotel maid, and as the best friend of a suburban call girl, has fulfilled some bleak fate. But Juniper's pregnancy also ignites a will to create. Every hurt that she's ever suffered begins to emerge as confrontational, public art. Family lore has taught Juniper disdain for men. But it's not hatred for her absent father, abusive grandpa, or even her baby daddy, causing her issues. It's facing actual love from a big, flawed, breathtaking man. Twine celebrates a quietly radical view of small-town life, ambition, and motherhood. It is the story of a young woman who needs no hero, and what she does when he shows up anyway.

Blackout Sarah Hepola, 2015-06-23 A memoir of unblinking honesty and poignant, laugh-out-loud humor, Blackout is the story of a woman stumbling into a new kind of adventure -- the sober life she never wanted. For Sarah Hepola, alcohol was the gasoline of all adventure. She spent her evenings at cocktail parties and dark bars where she proudly stayed till last call. Drinking felt like freedom, part of her birthright as a strong, enlightened twenty-first-century woman. But there was a price. She often blacked out, waking up with a blank space where four hours should be. Mornings became detective work on her own life. What did I say last night? How did I meet that guy? She apologized for things she couldn't remember doing, as though she were cleaning up after an evil twin. Publicly, she covered her shame with self-deprecating jokes, and her career flourished, but as the blackouts accumulated, she could no longer avoid a sinking truth. The fuel she thought she needed was draining her spirit instead. A memoir of unblinking honesty and poignant, laugh-out-loud humor, Blackout is the story of a woman stumbling into a new kind of adventure -- the sober life she never wanted. Shining a light into her blackouts, she discovers the person she buried, as well as the confidence, intimacy, and creativity she once believed came only from a bottle. Her tale will resonate with anyone who has been forced to reinvent or struggled in the face of necessary change. It's about giving up the thing you cherish most -- but getting yourself back in return.
