*Seneca Myths and Folk Tales* Arthur Caswell Parker,1923

Sinister Street (Complete) Compton Mackenzie,1913-01-01 From a world of daisies as big as moons and of mountainous green hillocks Michael Fane came by some unrealized method of transport to the thin red house, that as yet for his mind could not claim an individual existence amid the uniformity of a long line of fellows. His arrival coincided with a confusion of furniture, with the tramp of men backwards and forwards from a cavernous vehicle very dry and dusty. He found himself continually being lifted out of the way of washstands and skeleton chests of drawers. He was invited to sit down and keep quiet, and almost in the same breath to walk about and avoid hindrance. Finally, Nurse led him up many resonant stairs to the night-nursery which at present consisted of two square cots that with japanned iron bars stood gauntly in a wilderness of oilcloth surrounded by four walls patterned with a prolific vegetation. Michael was dumped down upon a grey pillow and invited to see how well his sister Stella was behaving. Nurse’s observation was true enough: Stella was rosily asleep in an undulation of blankets, and Michael, threatened by many whispers and bony finger-shakes, was not at all inclined to wake her up. Nurse retired in an aura of importance, and Michael set out to establish an intimacy with the various iron bars of his cage. For a grown-up person these would certainly have seemed much more alike than even the houses of Carlington Road, West Kensington: for Michael each bar possessed a personality. Minute scratches unnoticed by the heedless adult world lent variety of expression: slight irregularities infused certain groups with an air of deliberate consultation. From the four corners royal bars, crowned with brass, dominated their subjects. Passions, intrigues, rumours, ambitions, revenges were perceived by Michael to be seething below the rigid exterior of these iron bars: even military operations were sometimes discernible. This cot was guarded by a romantic population, with one or two of whose units Michael could willingly have dispensed: one bar in particular, set very much askew, seemed sly and malignant. Michael disliked being looked at by anybody or anything, and this bar had a persistent inquisitiveness which already worried him. ‘Why does he look at me?’ Michael would presently ask, and ‘Nobody wants to look at such an ugly little boy,’ Nurse would presently reply. So one more intolerable question would overshadow his peace of mind. Meanwhile, far below, the tramp of men continued, until suddenly an immense roar filled the room. Some of the bars shivered and clinked, and Michael’s heart nearly stopped. The roar died away only to be succeeded by another roar from the opposite direction. Stella woke up crying. Michael was too deeply frightened so to soothe himself, as he sat clutching the pointed ears of the grey pillow. Stella, feeling that the fretful tears of a sudden awakening were insufficient, set up a bellow of dismay. Michael was motionless, only aware of a gigantic heart that shook him horribly. At last the footsteps of Nurse could be heard, and over them, the quick ‘tut-tut-tuts’ that voiced her irritation.

**Wild Seed** Octavia E. Butler,2023-03-28 In an epic, game-changing, moving and brilliant story of love and hate, two immortals chase each other across continents and centuries, binding their fates together -- and changing the destiny of the human race (Viola Davis). Doro knows no higher authority than himself. An ancient spirit with boundless powers, he possesses humans, killing without remorse as he jumps from body to body to sustain his own life. With a lonely eternity ahead of him, Doro breeds supernaturally gifted humans into empires that obey his every desire. He fears no one -- until he meets Anyanwu. Anyanwu is an entity like Doro and yet different. She can heal with a bite and transform her own body, mending injuries and reversing aging. She uses her powers to cure her neighbors and birth entire tribes, surrounding herself with kindred who both fear and respect her. No one poses a true threat to Anyanwu -- until she meets Doro. The moment Doro meets Anyanwu, he covets her; and from the villages of 17th-century Nigeria to 19th-century United States, their courtship becomes a power struggle that

echoes through generations, irrevocably changing what it means to be human.

**To Hell and Back** Walter Lure,2020-03-15 There have been many books written about Johnny Thunders and the Heartbreakers, but only by people who weren't there. Walter Lure was—from the band's chaotic beginnings on New York's Lower East Side, through a now-legendary UK tour with the Sex Pistols and the Clash, and on to a yearlong stay in London—eyewitness and midwife to the birth of UK punk. Now, he tells his story in To Hell and Back, a thrilling ride through the clubs and dives of two continents, in the company of one of the most notorious junkies in rock 'n' roll history. Drawing from his own contemporary journals, Lure paints a vivid portrait of life in both cities, during perhaps the most crucial musical uprising of the past forty years...the music, the characters, the clothes, the fights, the drugs, the orgies, the lot. Lure lays bare his own battle with drugs, and reflects upon his life after the band's split—rising to become a Wall Street fixture yet still finding time to make music.
