He is on the mend, both physically and emotionally, as he helps run his fiancée's resort in northern Minnesota while working part-time on the FBI's Medicare Fraud Strike Force in Minneapolis. And if being ordered to investigate this case isn't bad enough, Cady's former boss—Assistant Director of CID Roland Jund—has killed a fellow agent and stands accused of being a spy. Now Agent Cady must draw upon every last bit of experience he has to clear his friend's name while at the same time ensuring that no more innocent lives are extinguished by a sadistic killer with a taste for blood. The Best Saturdays of Our Lives Mark McCray, 2015-10-26 Mark McCray wasn't the only boy who loved Saturday morning cartoons, but he may have been the only one to call the networks and tell them what he liked and disliked about them. For instance, he was blown away by the direction Hanna-Barbera took with Josie and the Pussycats, the kids in the wrong place at the wrong time who rose to the occasion and saved the day. It wasn't long before he was writing his own newsletter, titled *The Best Saturdays of Our Lives*, which he circulated to animation and television executives, networks, studios, and comic book publishers. The newsletters chronicle the origins of competitive Saturday morning programming—from the 1966–67 season straight through to the 1990s—and they're compiled in one place for easy reference in this book. You'll get an insider's look at the inner workings of the cartoon and television industries, competition between broadcast networks, and how the industry has changed over the years. Mark's curiosity, probing insights and love of television, come together to create *The Best Saturdays of Our Lives*.

The Weeping Time Anne C. Bailey, 2017-10-09 In 1859, at the largest recorded slave auction in American history, over 400 men, women, and children were sold by the Butler Plantation estates. This book is one of the first to analyze the operation of this auction and trace the lives of slaves before, during, and after their sale. Immersing herself in the personal papers of the Butlers, accounts from journalists that witnessed the auction, genealogical records, and oral histories, Anne C. Bailey weaves together a narrative that brings the auction to life. Demonstrating the resilience of African American families, she includes interviews from the living descendants of slaves sold on the auction block, showing how the memories of slavery have shaped people's lives today. Using the auction as the focal point, *The Weeping Time* is a compelling and nuanced narrative of one of the most pivotal eras in American history, and how its legacy persists today.

The Wedding Plot Paula Munier, 2022-07-19 The Wedding Plot, USA Today bestselling author Paula Munier's fourth Mercy Carr mystery, finds Mercy and Elvis at a deadly Vermont wedding. Love never dies a natural death... When Mercy's grandmother Patience marries her longtime beau Claude Renault at the five-star Lady's Slipper Inn, it promises to be the destination wedding of the year. Just as the four-day extravaganza is due to begin, the inn's spa director Bodhi St. George disappears—and Mercy's mother Grace sends Mercy and Elvis to find him. But what they discover instead is a stranger skewered by a pitchfork in the barn on the goat farm where St. George lived. As Mercy tries to figure out who the victim is and where St. George is hiding, the bride and groom's estranged relations gather for the first of the pre-wedding festivities. Long-buried rivalries and resentments surface—and Mercy realizes that they're all keeping secrets that could tear both families apart. When Elvis interrupts the escalating melodrama to alert Mercy to an intruder on the estate, she finds a wounded St. George in the cottage where she and Troy are staying. St. George is not who he says he is—but when he escapes from the hospital and disappears again, Mercy thinks he's gone for good. With the wedding imminent and the families at each other's

throats, she decides finding St. George will have to wait. The big day arrives—but the danger is far from over. With the families and the festivities still under threat, it's up to Mercy and Elvis together with Troy and Susie Bear to stop the killer and save the bride and groom—before death do they part.

Tutankhamun's Tomb Susan J. Allen, 2006 This richly illustrated book of vintage photographs commemorates one of the most memorable episodes in the history of archaeology: the discovery and exploration in 1922 of the tomb of the ancient Egyptian pharaoh Tutankhamun (Dynasty 18, ruled ca. 1336-1327 B.C.). These photographs, documenting every stage in the process of discovery, were taken by the renowned archaeological photographer Harry Burton. Burton was a staff member of the Metropolitan Museum Egyptian Expedition when he was lent to Howard Carter, the famed excavator of Tutankhamun's tomb. From the rock-cut steps leading down to the entrance passage, to the opening of the sealed chambers inside, to the first view of the contents of the tomb and the removal of the objects, Burton's beautiful black-and-white photographs show thousands of the richly made and decorated objects found in the tomb. Carefully reproduced from Burton's original prints, the photographs are accompanied by new descriptive text written by two prominent Egyptologists with extensive knowledge of the history of Tutankhamun and the contents of his tomb.

The Tomb of Tutankhamun: Volume 2 Howard Carter, 2014-10-23 The discovery of the resting place of the great Egyptian Pharaoh Tutankhamun [Tut.ankh.Amen] in November 1922 by Howard Carter and the fifth Earl of Carnarvon was the greatest archaeological find the world had ever seen. Despite its plundering by thieves in antiquity, the burial of the king lay intact with its nest of coffins and funerary shrines, surrounded by a mass of burial equipment arranged in three peripheral chambers. Following on from the first volume's account of the search for and initial discovery of the team, in the second volume Howard Carter recounts the discovery of the king's burial chamber: the breakthrough to the four protective shrines, the revelation of the quartz-sandstone sarcophagus, the king's three coffins (his own of pure gold) and the bejewelled mummy of the Pharaoh himself. Now available in the Bloomsbury Revelations series, the book includes over 150 photographs of the treasures that lay within the great burial chamber of Tutankhamun.
