The Black Cat Martha Grimes, 2010-04-06 Three months have passed since Richard Jury was left bereft and guilt-ridden after his lover's tragic auto accident, and he is now more wary than ever. He is deeply suspicious when requested on a case far out of his jurisdiction in an outlying village, where a young woman has been murdered behind the local pub. The only witness is the establishment's black cat, who gives neither crook nor clue as to the girl's identity or her killer's. Identifying the girl becomes tricky when she's recognized as both the shy local librarian and a posh city escort, and Jury must use all his wits and intuition to determine the connection to subsequent escort murders. Meanwhile, Jury's nemesis, Harry Johnson, continues to goad Jury down a dangerous path. And Johnson, along with the imperturbable dog Mungo, just may be the key to it all. Written with Martha Grimes' trademark insight and grace, *The Black Cat* signals the thrilling return of her greatest character. The superintendent is a man possessed of prodigious analytical gifts and charm, yet vulnerable in the most perplexing ways.

Last Night at the Viper Room Gavin Edwards, 2013-10-22 In *Last Night at the Viper Room*, acclaimed author and journalist Gavin Edwards vividly recounts the life and tragic death of acclaimed actor River Phoenix—a teen idol on the fast track to Hollywood royalty who died of a drug overdose in front of West Hollywood's storied club, the Viper Room, at the age of 23. *Last Night at the Viper Room* explores the young star's life, including his childhood in Venezuela growing up under the aegis of the cultish Children of God. Putting him at the center of a new generation of leading men emerging in the early 1990s—including Johnny Depp, Keanu Reeves, Brad Pitt, Nicolas Cage, and Leonardo DiCaprio—Gavin Edwards traces the Academy Award nominee's meteoric rise, couches him in an examination of the 1990s, and illuminates his lasting legacy on Hollywood and popular culture itself.

Shout Your Abortion Amelia Bonow, Emily Nokes, 2018-11-01 Following the U.S. Congress's attempts to defund Planned Parenthood, the hashtag #ShoutYourAbortion became a viral conduit for abortion storytelling, receiving extensive media coverage and positioning real human experiences at

the center of America's abortion debate for the very first time. The online momentum sparked a grassroots movement that has subsequently inspired countless individuals to share their abortion stories in art, media, and community events all over the country, and to begin building platforms for others to do the same. Shout Your Abortion is a collection of photos, essays, and creative work inspired by the movement of the same name, a template for building new communities of healing, and a call to action. Since SYA's inception, people all over the country have shared stories and begun organizing in a range of ways: making art, hosting comedy shows, creating abortion-positive clothing, altering billboards, starting conversations that had never happened before. This book documents some of these projects and illuminates the individuals who have breathed life into this movement, illustrating the profound liberatory and political power of defying shame and claiming sole authorship of our experiences. With Roe vs. Wade on the brink of reversal, the act of shouting one's abortion has become explicitly radical, and Shout Your Abortion is needed more urgently than ever before.

Notes from the Night Taylor Plimpton, 2011-07-05 Here in New York, a good night never ends. We will not let it. Though the hour is late, we are more awake than we have ever been in our lives, we are wild-eyed and grinning and dancing around like fools, and the music is thumping and the lights are flashing and the whole place is pulsating like a massive beating heart, and we do not want to go home, we do not want to go to sleep. Above all, we do not want to miss anything. So begins *Notes from the Night*, Taylor Plimpton's account of a night out in New York City. Passionately engaged and endlessly curious, Plimpton is part participant, part observer, a student and uniquely apt chronicler of human behavior--particularly at its most absurd. Accompanied by his best friend Zoo and a tight-knit band of other mischief-makers, and fueled by drinks, drugs and big dreams, Plimpton journeys from one Manhattan hotspot to the next with boundless energy and an eye for the dark, often comic realities of club culture. Exploring the myriad pleasures, mysteries and pitfalls of that elusive world, *Notes from the Night* is a guide to a place — and a state of mind — that has never been mapped. With savvy advice and point-on commentary, the book ushers the reader through the velvet ropes to experience New York's most exclusive

nightclubs. Surrounded by celebrities, models, and the best of friends, the reader will feel the rush of the party, the wonderful, heart-thumping panic of approaching a beautiful woman and the often forgotten joy of simply having a good time. By relentlessly pursuing the truth of his own experience, Plimpton uncovers the sexy, and seamy, lining of the city that never sleeps, and in so doing exposes what at heart is sought by all those who leave their home well after dark -- the singular thrill of being young and free and full of desire in a world where anything can happen. Plimpton is both an unlikely clubber and a likely seeker--a little bumbling and somewhat aloof, often naïve and unusually erudite. He's an insider who remembers what it was like to be an outsider, and from this unique perspective he invites you to experience the splendor, sorrow and possibility of New York after hours. Lyrically written and vividly described, this brisk, surprising and confident debut will stay with you long after the sun has risen. From the Hardcover edition.

The Soul of All Living Creatures Vint Virga, D.V.M.,2014-07-08 As profiled in the New York Times Magazine... Based on the author's twenty-five years of experience as a veterinarian and veterinary behaviorist, *The Soul of All Living Creatures* delves into the inner lives of animals – from whales, wolves, and leopards to mice, dogs, and cats – and explores the relationships we forge with them. As an emergency room clinician four years out of veterinary school, Dr. Vint Virga had a life-changing experience: he witnessed the power of simple human contact and compassion to affect the recovery of a dog struggling to survive after being hit by a car. Observing firsthand the remarkably strong connection between humans and animals inspired him to explore the world from the viewpoint of animals and taught him to respect the kinship that connects us. With *The Soul of All Living Creatures*, Virga draws from his decades in veterinary practice to reveal how, by striving to perceive the world as animals do, we can enrich our own appreciation of life, enhance our character, nurture our relationships, improve our communication with others, reorder our values, and deepen our grasp of spirituality. Virga discerningly illuminates basic traits shared by both humans and animals and makes animal behavior meaningful, relevant, and easy to understand. Insightful and eloquent, *The Soul of All Living Creatures* offers an intimate journey into the lives of our fellow creatures and a thought-provoking promise of what we can learn from spending time with them.

Mary Dyer Ruth Talbot Plimpton,1994 This is the history of Mary Dyer (1611--1660) whose efforts to seek and find 'freedom to worship' led eventually to her death. Her quest began when she and her husband sailed from 'Old' to 'New' England in 1635. They were soon disillusioned by the intolerant practices and beliefs of the Puritans, who considered all truth could be found in the Old Testament -- and only there. Variations, from Puritan interpretations of the Ten Commandments, were punished by cruel torture and/or death. Banished from Boston for protesting such rigidity in belief and practice, Mary was among the group who founded Rhode Island, where freedom in belief and practice of worship was established.

These Fevered Days: Ten Pivotal Moments in the Making of Emily Dickinson Martha Ackmann,2020-02-25 A New York Times Book Review Editors' Choice, this engaging, insightful portrayal of Emily Dickinson sheds new light on one of American literature's most enigmatic figures. On August 3, 1845, young Emily Dickinson declared, "All things are ready" and with this resolute statement, her life as a poet began. Despite spending her days almost entirely "at home" (the occupation listed on her death certificate), Dickinson's interior world was extraordinary. She loved passionately, was hesitant about publication, embraced seclusion, and created 1,789 poems that she tucked into a dresser drawer. In *These Fevered Days*, Martha Ackmann unravels the mysteries of Dickinson's life through ten decisive episodes that distill her evolution as a poet. Ackmann follows Dickinson through her religious crisis while a student at Mount Holyoke, which prefigured her lifelong ambivalence toward organized religion and her deep, private spirituality. We see the poet through her exhilarating frenzy of composition, through which we come to understand her fiercely self-critical eye and her relationship with sister-in-law and first reader, Susan Dickinson. Contrary to her reputation as a recluse, Dickinson makes the startling decision to ask a famous editor for advice, writes anguished letters to an unidentified "Master," and keeps up a lifelong friendship with writer Helen Hunt

Jackson. At the peak of her literary productivity, she is seized with despair in confronting possible blindness. Utilizing thousands of archival letters and poems as well as never-before-seen photos, *These Fevered Days* constructs a remarkable map of Emily Dickinson's inner life. Together, these ten days provide new insights into her wildly original poetry and render an "enjoyable and absorbing" (Scott Bradfield, *Washington Post*) portrait of American literature's most enigmatic figure.

biography of Eugene Walter, the best-known man you've never heard of, is an eyewitness history of the heart of the last century—enlivened with personal glimpses of luminaries from William Faulkner and Martha Graham to Judy Garland and Leontyne Price—and a pitch-perfect addition to the Southern literary tradition that has critics cheering. He was somehow everywhere, bringing with him a unique and contagious spirit, putting his inimitable stamp on the cultural life of the twentieth century. “Katherine Clark...has edited Eugene Walter's oral history into a book as amazing as the man himself.” JONATHAN YARDLEY, WASHINGTON POST BOOK WORLD “Milking the Moon has perfect pitch and flawlessly captures Eugene's pixilated wonderland of a life....
