Drawing on research in psychology, neuroscience, and mindfulness, The Twelve Monotasks provides a clear and accessible plan for life in the twenty-first century. Practice resisting distractions and building focus by doing the things you already do—like reading, sleeping, eating, and listening—with renewed attention. For example, the next time you go for a walk, don’t try to run an errand or squeeze in a phone call, but instead, notice the cool breeze on your face and the plants and birds that may cross your path. This is the magic of monotasking. With monotasking you will: Become more productive Produce higher quality work Reduce stress And increase happiness. Thatcher Wine’s The Twelve Monotasks will help you do one thing at a time, and do it well, so you can enjoy all of your life!

Colombiana Mariana Velásquez,2021-06-15 NAMED ONE OF THE BEST COOKBOOKS OF THE YEAR BY REAL SIMPLE “I have never read a more passionate and heartfelt expression of Colombian culture and cuisine in English. I’ve been waiting for years for a book like this to come out.” –J. Kenji López-Alt, New York Times bestselling author of The Food Lab A recipe developer and food stylist—whose work has taken her across the globe to work with clients like Michelle Obama and into the test kitchens of today’s most esteemed culinary publications—pays homage to her native country with this vibrant, visually stunning cooking, the first dedicated solely to Colombian food, featuring 100 recipes that meld the contemporary and the traditional. To Mariana Velásquez, a native of Bogotá, the diverse mix of heritages, cultures, and regions that comprise Colombian food can be summed up in one simple concept: More is more. No matter what rung of society, Colombians feed their guests well, and leave them feeling nourished in body and soul. In Colombiana, the award-winning recipe developer and food stylist draws on the rich culinary traditions of her native land and puts her own modern twist on dishes beloved by generations of Colombians. Here are recipes for classics such as arepas and empanadas, as well as “Colombian-ish” recipes like Lomito de Cerdo al Tamarindo y Menta (Tamarind Pork Tenderloin with Mint), Gazpacho de Papaya y Camarón Tostado (Spicy Papaya and Charred Shrimp Gazpacho), and Cuchuco de Trigo con Pollito y Limón (Lemony Bulgur Farmer’s Chicken Soup). In addition to offering a unique perspective on Colombian food, Mariana shares the vibrant style of Colombian tablescapes and entertaining. For her, the best meals are never simply about the food on the table—they are an alchemy of atmosphere, drinks, and simple snacks and sweets that complete the experience and make it memorable. Rich with culture and stories as well as one-of-a-kind recipes and stunning photography, Colombiana is a gastronomic excursion that reminds us of the power of food to keep tradition alive.

Holodomor and Gorta Mór Christian Noack,Lindsay Janssen,Vincent Comerford,2014-10-01 Ireland’s Great Famine or ‘an Gorta Mór’ (1845–51) and Ukraine’s ‘Holodomor’ (1932–33) occupy central places in the national historiographies of their respective countries. Acknowledging that questions of collective memory have become a central issue in cultural studies, this volume inquires into the role of historical experiences of hunger and deprivation within the emerging national identities and national historical narratives of Ireland and Ukraine. In the Irish case, a solid body of research has been compiled over the last 150 years, while Ukraine’s Holodomor, by contrast, was something of an open secret that historians could only seriously research after the demise of communist rule. This volume is the first attempt to draw these approaches together and to allow for a comparative study of how the historical experiences of famine were translated into narratives that supported political claims for independent national statehood in Ireland and Ukraine. Juxtaposing studies on the Irish and Ukrainian cases written by eminent historians, political scientists, and literary and film scholars, the essays in this interdisciplinary volume analyse how national historical narratives were constructed and disseminated – whether or not they changed with circumstances, or were challenged by competing visions, both academic and non-academic. In doing so, the essays discuss themes such as representation, commemoration and mediation, and the influence of these processes on the shaping of cultural memory.

Book of David D.J. Steinberg,2007-06-12 From award-winning comedian, director, writer, and producer David Steinberg comes the totally original, utterly blasphemous, and hysterically funny memoir of a young man who emerged from a traditional Jewish childhood to become an international star -- all because, it seems, he kept God in stitches. David Steinberg was raised in Winnipeg, Canada, by parents who expected little from him. And no wonder. Instead of studying Talmud in order to become a rabbi, he chose to major in Martin and Lewis with a minor in basketball. As David imagines the story of his life (since his success otherwise makes no sense), God one day spotted him on the playground and decided that this young man with no ambition could go far with His help. Sure enough, God soon had David on network TV and Broadway, and selling out nightclubs across the country -- as well as being pursued by hot starlets. The Book of David is David Steinberg's hilarious trip down memory lane, assuming that the lane has a biblical address. This wild riff on the Old Testament is guaranteed laughter.

"He was Galway" Jackie Uí Chionna,2016 Martin 'Mairtin Mor' McDonogh was, in every sense of the word, Galway's 'big man'. A natural entrepreneur, and a man of drive, ambition and no small intellect, he took his father's company, Thomas McDonogh & Sons, and expanded it to the extent that he became the largest employer in Connacht and one of Galway's richest men. In turn a merchant, farmer, industrialist and politician, McDonogh entered the national political stage when he was elected to Dáil Eireann, where he represented Galway as a Cumann na nGaedheal T.D. from 1927 until his death in 1934. McDonogh came to dominate every aspect of Galway life, from the world of business to its sporting and civic life. A colourful character, who never married and lived a frugal - and somewhat reclusive - life, he was acknowledged as 'impatient' and 'brusque' by his friends, and 'terrifying' by his enemies, but following his death it was widely recognised, by friend and enemy alike, that 'For half a century he was Galway'. *** ... Jackie Ui Chionna's research - and probably much intriguing detective work - delivers a focused, far-sighted and hardworking man of many facets. She probes all aspects of his upbringing, work, and innumerable responsibilities through historical records and personal testimonies, delivering compelling nuances concerning the times, the politics, the economics and the social customs. --The Celtic Connection, July 2017 [Subject: Biography, Irish Studies, Politics, Ireland, History]~~~~
