The Long Shadow of Small Ghosts Laura Tillman, 2016-04-05 “A haunted, haunting examination of mental illness and murder in a more or less ordinary American city...Mature and thoughtful...A Helter Skelter for our time, though without a hint of sensationalism—unsettling in the extreme but written with confidence and deep empathy” (Kirkus Reviews, starred review). On March 11, 2003, in Brownsville, Texas—one of America’s poorest cities—John Allen Rubio and Angela Camacho murdered their three young children. The apartment building in which the brutal crimes took place was already run down, and in their aftermath a consensus developed in the community that it should be destroyed. In 2008, journalist Laura Tillman covered the story for The Brownsville Herald. The questions it raised haunted her and set her on a six-year inquiry into the larger significance of such acts, ones so difficult to imagine or explain that their perpetrators are often dismissed as monsters alien to humanity. Tillman spoke with the lawyers who tried the case, the family’s neighbors and relatives and teachers, even one of the murderers: John Allen Rubio himself, whom she corresponded with for years and ultimately met in person. Her investigation is “a dogged attempt to understand what happened, a review of the psychological, sociological and spiritual explanations for the crime...a meditation on the death penalty and on the city of Brownsville” Star Tribune (Minneapolis). The result is a brilliant exploration of some of our age’s most important social issues and a beautiful, profound meditation on the truly human forces that drive them. “This thought-provoking...book exemplifies provocative long-form journalism that does not settle for easy answers” (Publishers Weekly, starred review).

Unforgetting Roberto Lovato, 2020-09-01 An LA Times Best Book of the Year • A New York Times Editors' Pick • A Newsweek 25 Best Fall Books • A The Millions Most Anticipated Book of the Year Gripping and beautiful. With the artistry of a poet and the intensity of a revolutionary, Lovato untangles the tightly knit skein of love and terror that connects El Salvador and the United States. —Barbara Ehrenreich, author of *Natural Causes* and *Nickel and Dimed* An urgent, no-holds-barred tale of gang life, guerrilla warfare, intergenerational trauma, and interconnected violence between the United States and El Salvador, Roberto Lovato’s memoir excavates family history and reveals the intimate stories beneath headlines about gang violence and mass

Central American migration, one of the most important, yet least-understood humanitarian crises of our time—and one in which the perspectives of Central Americans in the United States have been silenced and forgotten. The child of Salvadoran immigrants, Roberto Lovato grew up in 1970s and 80s San Francisco as MS-13 and other notorious Salvadoran gangs were forming in California. In his teens, he lost friends to the escalating violence, and survived acts of brutality himself. He eventually traded the violence of the streets for human rights advocacy in wartime El Salvador where he joined the guerilla movement against the U.S.-backed, fascist military government responsible for some of the most barbaric massacres and crimes against humanity in recent history. Roberto returned from war-torn El Salvador to find the United States on the verge of unprecedented crises of its own. There, he channeled his own pain into activism and journalism, focusing his attention on how trauma affects individual lives and societies, and began the difficult journey of confronting the roots of his own trauma. As a child, Roberto endured a tumultuous relationship with his father Ramón. Raised in extreme poverty in the countryside of El Salvador during one of the most violent periods of its history, Ramón learned to survive by straddling intersecting underworlds of family secrets, traumatic silences, and dealing in black-market goods and guns. The repression of the violence in his life took its toll, however. Ramón was plagued with silences and fits of anger that had a profound impact on his youngest son, and which Roberto attributes as a source of constant reckoning with the violence and rebellion in his own life. In *Unforgetting*, Roberto interweaves his father's complicated history and his own with first-hand reportage on gang life, state violence, and the heart of the immigration crisis in both El Salvador and the United States. In doing so he makes the political personal, revealing the cyclical ways violence operates in our homes and our societies, as well as the ways hope and tenderness can rise up out of the darkness if we are courageous enough to unforget.

Paddle to the Amazon Don Starkell, 1994-09-03 It was crazy. It was unthinkable. It was the adventure of a lifetime. When Don and Dana Starkell left

Winnipeg in a tiny three-seater canoe, they had no idea of the dangers that lay ahead. Two years and 12,180 miles later, father and son had each paddled nearly twenty million strokes, slept on beaches, in jungles and fields, dined on tapir, shark, and heaps of roasted ants. They encountered piranhas, wild pigs, and hungry alligators. They were arrested, shot at, taken for spies and drug smugglers, and set upon by pirates. They had lived through terrifying hurricanes, food poisoning, and near starvation. And at the same time they had set a record for a thrilling, unforgettable voyage of discovery and old-fashioned adventure. Courageous . . . Exciting and always immediate. -- The New York Times Book Review

Pride Ibi Zoboi, 2018-09-18 In a timely update of Jane Austen's *Pride and Prejudice*, National Book Award finalist Ibi Zoboi skillfully balances cultural identity, class, and gentrification against the heady magic of first love in her vibrant reimagining of this beloved classic. A smart, funny, gorgeous retelling starring all characters of color. Zuri Benitez has pride. Brooklyn pride, family pride, and pride in her Afro-Latino roots. But pride might not be enough to save her rapidly gentrifying neighborhood from becoming unrecognizable. When the wealthy Darcy family moves in across the street, Zuri wants nothing to do with their two teenage sons, even as her older sister, Janae, starts to fall for the charming Ainsley. She especially can't stand the judgmental and arrogant Darius. Yet as Zuri and Darius are forced to find common ground, their initial dislike shifts into an unexpected understanding. But with four wild sisters pulling her in different directions, cute boy Warren vying for her attention, and college applications hovering on the horizon, Zuri fights to find her place in Bushwick's changing landscape, or lose it all. Zoboi skillfully depicts the vicissitudes of teenage relationships, and Zuri's outsize pride and poetic sensibility make her a sympathetic teenager in a contemporary story about race, gentrification, and young love. Bad Paper Jake Halpern, 2014-10-14 The Federal Trade Commission receives more complaints about rogue debt collecting than about any activity besides identity theft. Dramatically and entertainingly, *Bad Paper* reveals why. It tells the story of Aaron Siegel, a former banking executive, and Brandon Wilson, a former armed robber, who become partners and go in quest of paper—the uncollected debts that are sold off by banks for pennies on the dollar. As Aaron and Brandon learn, the world of consumer debt collection is an unregulated shadowland where operators often make unwarranted threats and even collect debts that are not theirs. Introducing an unforgettable cast of strivers and rogues, Jake Halpern chronicles their lives as they manage high-pressure call centers, hunt for paper in Las Vegas casinos, and meet in parked cars to sell the social security numbers and account information of unsuspecting consumers. He also tracks a package of debt that is stolen by unscrupulous collectors, leading to a dramatic showdown with guns in a Buffalo corner store. Along the way, he reveals the human cost of a system that compounds the troubles of hardworking Americans and permits banks to ignore their former customers. The result is a vital exposé that is also a bravura feat of storytelling.

Fairy Tales, 2021-11-30 Artist Petra Collins and actress Alexa Demie create nine erotic stories in a contemporary reimagining of a fairy tale book. *Fairy Tales* is an erotic folklore of short stories shot by Petra Collins starring Alexa Demie. The pair created the concept and text collaboratively. Alexa portrays nine characters that embody new stories they would have liked to see. As children, Petra and Alexa were both enamored with fairy tales, which provided an escape from their own painful realities. Each of the nine tales are set in unique spaces, ranging from suburban homes and parking lots to fantastical sets. Petra and Alexa's chapters of elves, mermaids, sirens, water sprites, fallen angels, fairies, witches, and banshees blend their own stories with retold fairy tales. The photos combine elements of camp, prosthetics, and shibari in a surreal update to the imagery of the Brothers Grimm, Hans Christian Anderson, Charles Perrault, and others.

With more positive spirits like Janey, the world would be a better place.' - Ben Fogle In 2014 and in her mid-twenties, Janey Lowes had been a vet for just two years when she left her home in County Durham and went travelling. Visiting Sri Lanka, she was horrified to see the state of so many of the island's dogs, in particular the three million strays. Over 5,000 miles from home, Janey decided there and then that she was going to move to the island indefinitely and do everything within her power to help them. She raised £10,000 to get started, setting up a charity called WECare Worldwide, and began work. Frightened, determined and excited all at the same time, she found a local who was willing to work with her and began scouring the streets for dogs in need. Some she patched up as best she could at the roadside, others she brought back and treated in a make-shift surgery she had cobbled together in her new home. With very little equipment, she and her small team came up with new and ingenious ways to treat the animals. In this highly inspiring and heartfelt book full of challenges and adventure, Janey introduces us to her world and the tireless work she carries out. As she says, 'I feel as though all these dogs are my dogs and I have a responsibility to them.' In it, we meet many of the colourful characters who have come to offer help, along with innumerable street dogs who have suffered all sorts of trauma and injury, only to be scooped up by Janey and her team and saved.
